FOAL CONTEST

THOSE AMAZING Morgan Foals

We welcome the foal crop of 2019 with this, a Morgan Horse *photo contest.*

Participants have been solicited under the following guidelines:

• Amateur Photography only • Two images per entrant maximum • Photos must be 300dpi
• Foals must be born in 2019 (unless Australian) and be eligible for registration with the Morgan Registry
• Name of sire and dam must be included with submission • Include the name of owner/breeder and photographer

JUDGING OF CONTEST: Photos will be judged for three awards:

1. Morgan Character (Jay Kleiber);
2. Artistic Composition (Dawn Montgomery);
and 3. Reader's Choice (which will be voted on via Facebook)

Results of the contest will be published in the November/December issue.
*The final number of photos published may be limited by space considerations.

The only thing to pop up more quickly than a newborn Morgan foal in the spring is a camera to capture the special moments that a baby brings. Enjoy the crop of 2019 in the photos that follow.

PS: Remember to go to *The Morgan Horse* magazine's page on Facebook to vote for your favorite. Deadline is November 1st!
