

## Clea Cloutier

I am a psychology student at Southern New Hampshire University and working full time. I'm hoping to transfer to an in person university program with pre-med advising in the next year. Having competed in many divisions, I'm so grateful to have spent the past year in a new division, English Pleasure, with my miracle mare and best friend Ledyard's Tiger Lily. I'm so excited to compete in this division in Oklahoma. Having been reserve in the Grand National Youth of the Year twice and having experienced speaking at the Pegasus Awards as the 2018 US Equestrian Youth Sportsman, these experiences give me a unique opportunity to reflect on how far I've come and what my next step in self-development will be. I've been competing in youth contests since I was 5 years old and this will be my fifth time competing in the Youth of the Year Finals. It's been so much fun building connections and watching my friends succeed. I am grateful for my experiences no matter the outcome.
