

Allison Hall

Hello everyone, my name is Allison Hall, I am 20 years old, and this will be my 3rd time competing in the National Youth of the Year competition! I am currently attending Green River College to obtain my General associate degree as well as an associate degree in Criminal Justice. I own two Morgan horses. My first horse is Manchester Once N Again also known as Bailey, which I have previously shown in Western Pleasure, the AMHA Western Seat Medal, and Adult Equitation. 2021 was my first time showing at Morgan Grand Nationals. My family and I just recently bought my second horse, Homefree also known as Freedom. Freedom and I will be competing in Western Pleasure Amateur and Youth classes together next year under the guidance of Linda Collins at Timber Creek Stables. I am actively involved in all 5 of the

American Morgan Horse Association Youth programs. I am the proud AMHA Youth Team leader of the Evergreen Morgan's in Washington State as well as the President of the AMHA Youth Council, and the Youth Liaison for the Morgan Horse Club of Washington State. Although these things keep me pretty busy, in my free time, I like to read books or hang out with my 2-year-old nephew, Colt. What sets me apart is my genuine love for helping youth involvement. The youth programs AMHA offers have made me more confident and outgoing, which is why I like to help get other youth involved. Horses changed my life for the better and have given me friends from all of the United States and Canada that have become family. I would like to win the American Morgan Horse Association Youth of the Year competition for 2022 because I want to show everyone that anything is possible if you work hard. If I were to win, I would continue my involvement by helping host the AMHA youth contests in my area. Congratulations to all of the Grand National participants and youth of the Year contestants. Good luck to everyone and remember, if you are riding a horse, you have already won!
