

Anna Delmonaco

Hello! My name is Anna Delmonaco and I'm eighteen years old. This is my first time participating in the youth contest for AMHA. I am the youngest of 3; I have an older sister and a brother. I just graduated from Hingham high school as a high honor student and currently am taking a gap year. I have been riding for 10 years but am quite new to the show world. I started out riding saddleseat then switched to hunter jumping with the warmbloods but came back to my Morgans and do all types of seats. I remember going to the UVM Foal days and loving just being there. I've met so many great people because of this community. I love being active not only in my personal community by helping keep our beaches clean but also in the Morgan

community. I enjoy helping out with camp and helping teach others about our lovely breed. I believe I can win the youth of the year because I am a hard-working individual and I'm quite competitive. However, I balance out that competitiveness with the sense of teamwork and still being able to have a good time. Morgans have changed my life for the better and I would love to give that back to the horses! Especially my mare UVM Your Thyme To Dream which I have been training for the past year.
