

## Caprice Tondalo

My name is Caprice Tondalo and this is my second year competing in the Grand National Youth of the Year contest. I am currently a sophomore at Quinnipiac University, studying Communications. I am currently a lifetime member in Alpha Chi Omega sorority at my university. I have been riding under Karen Bobbi of Hunter's Glen Morgans for the past 11 years. I own and show Western pleasure with my mare, Willow Hill Pollyanna. I

have loved the Morgan Horse from a young age and spend all my free time at the barn. This year, I am representing the New England Morgan Regional Youth Contest. Becoming Youth of the Year has been a goal of mine from a young age, as I have been competing in youth contests for the past 7 years. It would be an honor to receive this title.
