

Hyelim Shin

Hi, my name is Hyelim, and I have been competing in the AMHA Grand National Youth of the Year contest for four years now. I am a junior at Wayne State University in Detroit, MI and am pursuing a BFA in Graphic Design. I have been riding for over 10 years and have been showing on the circuit for five years. I ride with Katie Mair at Sterling Training center with my hunter pleasure gelding Key Constellation, also known as Luke! I am co-president of my school's intercollegiate team this year and am excited for all the great connections all over the country and have helped me expand my knowledge about horses and the Morgan horse history. Winning the Youth of the Year contest would mean so much and really showcase all the effort that goes into preparing for these contests.
