

MO 166.0 Tracking #097-15 Draft #1 Approved

RULE CHANGE TYPE EFFECTIVE BOARD ACTION

Extraordinary 12/1/2015 Approved 9/29/2015

EO REASON

This program is being revamped and will cut down on administrative costs, staff time and expenses. This needs to be implemented at the start of the competition year.

PROPOSED CHANGE

MO166 Steps To Hold AMHA Medal Classes [CHAPTER SUBCHAPTER MO-12 MORGAN EQUITATION]

- 1. Prior to the publication of its prize list, the competition management shall apply in writing to AMHA **and include the appropriate fee**. Permission to hold an AMHA Medal Class will not be granted to more than one competition at the same location on a particular weekend. ~~The medal class fee must be sent with the report form after the competition is held.~~
- 2. Prize lists must refer to the AMHA Medal Class specifications outlined in Rules MO165 and MO168 - MO173.
- 3. The Competition Secretary must verify that all entries in AMHA Medal Classes are current youth members of AMHA. The AMHA will provide a list of current members to the Competition Secretary when sending the report form. Participants not included on this list must present their current AMHA membership card or submit a \$10 fee and membership application to the Competition Secretary prior to the class. The competition will be responsible for forwarding these fees to the AMHA with the name, address and birth date of the participant. Duplicate membership fees will be credited to the participant's account at AMHA. Competitions failing to collect this fee must pay a \$10. fee for each non-member in the medal class.
- 4. Post entries may be accepted if the prize list so states.
- 5. When additional tests are desired, the judge's instructions to the riders shall be publicly announced. It is suggested that the judge go over these instructions with the announcer immediately before they are announced to ensure mutual understanding of the wording. Judges must not confer with riders individually during the lineup. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class. And, if so, announced to the exhibitors.
- 6. ~~Competitions offering AMHA Medal Classes are requested, but not required, to offer two additional equitation classes in each seat.~~
- 7. ~~The Competition Secretary must complete the AMHA Medal Class Report Form and send it with fees to the AMHA office within TEN days of the last day of the competition.~~

INTENT

The change affects how the fee is paid to hold these classes. This simplifies the accounting process by putting the responsibility to pay on the front end rather than submitting the fee after the show has been held.

POTENTIAL IMPACT

Reduction of man hours from 250 to 25. Reduction of program costs from \$11478/year to \$1950 which will make the program nearly self sustaining.

INTENT

This is the only section in the entire rulebook in which weight is a factor. Originally Morgan shoeing rules had weight restrictions for each of their sections; this section is the only one remaining now. Other breeds have also given up weight restrictions- Friesians and Arabians several years ago. This would now make this rule parallel to all of the other shoeing rules. In the Morgan Division, shoe weights were heavier in other performance categories- English Pleasure, Park, Harness, etc. . In the years past, the heavier weight limits were removed leaving only the Classic horses having weight requirements. These horses were the only ones remaining with the limited weight (16 oz) in an effort to attract horses with minimal action to compete against each other. Over time, these horses have now been trained to have more action with or without shoeing weight requirements. Farriers are required to have to carry a scale with certifiable weight for this performance division only even though many horses carry much more weight in other performance areas. The Morgan Division rules have removed the weight requirements so this General Rule aligns with the Morgan Division Chapter rules.
