

Distance Horse National Championships

The American Morgan Horse Association (AMHA) is excited to partner with the Arabian Horse Association to provide this national championship for our Morgan Endurance riders. Both a 25-Mile and a 50-Mile Championship are being offered, along with daily “limited distance” options and a 3-day limited distance challenge.

Endurance riding is a sport for riders of all ages who have a love for their horses, desire to ride on scenic trails, and have a bit of a competitive spirit. It blends the challenge of the endurance course with the fun and friendship of socializing with fellow distance enthusiasts.
