# PROMOTIONAL MATERIALS ORDER FORM

Please order six weeks in advance to guarantee availability of materials. For trade shows and fairs, AMHA suggests ordering materials for 10% of the total attendance expected (100 pieces for an attendance of 1,000). The 10% ratio has been proven reliable. For all events, such as open barns or visits, AMHA suggests ordering enough materials to give each person attending. For customized kits, please call (802) 985-4944.

**AMHA member clubs receive a 30% discount off all other retail merchandise purchased for resale. Call (802) 985-4944 ext. 203 to place an order.**
