

2018 AMERICAN MORGAN HORSE ASSOCIATION OPEN COMPETITION PROGRAM

2018 Guidelines. Please read carefully as changes have been made!

The American Morgan Horse Association (AMHA) recognizes Morgans competing in events against all breeds by awarding year end High Point and lifetime Medallion Awards within the Open Competition program.

High Point awards are tabulated on an annual basis during the competition year, which runs from November 2nd of the previous year to November 1st of the current year. Medallions are a lifetime award horses can earn after they hit certain milestones. Horses may take as many years as needed to earn these medallions.

Horses who earn five of the eight bronze medallions are presented with the AMHA Morgan Sport Horse Award, a trophy presented at the annual AMHA Convention.

GENERAL GUIDELINES

To be eligible for Open Competition:

- Horses must be registered with the AMHA and compete under the horse's AMHA registered name.
- The owner and all riders/drivers of the horse must be current AMHA Standard or Premium members or a Youth membership if they are under the age of 22. An Associate membership does not include competition privileges.
- **Results must be submitted online using the horse's Online Registry prior to November 1st.**
 - Instructions for entering points can be found in the Open Competition section under Programs on AMHA's website.
- The competition must be open to all breeds. Classes for Morgan horses only do not count. Open classes at Morgan shows are acceptable, e.g. the Carriage Driving division at Connecticut Morgan Open Horse Show.
- A horse can be entered in the program any time during the competition year prior to November 1st.
- Competition results may be audited. If there is a significant difference between the number of points reported by the owner and the results reported by the show secretary, the entry will not be accepted and the horse will not be eligible for the program the following year. All decisions by AMHA are final.

ENROLLMENT FEES

- All Open Competition horses must pay either a yearly enrollment fee of \$40 or horses can be enrolled for their lifetime for a one-time fee of \$200. This lifetime enrollment is transferable and the horse stays in the program even if it is sold or leased.
- Retroactive points from up to 10 years may be added to the current year's points for a fee of \$100 per year.

DISCIPLINES & ACCUMULATING POINTS

The Year-End Award recognizes horses with the most points in each division during the year.
