

## **2018 Harry Sebring Memorial Grant Application Process**

Thank you for your interest in applying for the Harry Sebring Memorial grant and particularly for your commitment to Morgan horses and equestrian sport. This grant is specifically for Young Adults under the age of 40 years old that are AMHA members:

- 1) To further their equine education, skills, or proficiency; and/or
- 2) To provide equine related experiences and education that will further the grant recipients business endeavors.

The grant application period for 2018 opens on Monday, February 12, 2018. It will close at the end of the day (5:00 PM ET) on Monday, April 2, 2018.

Inquiries about grant applications or the grant process are only handled by email. Kindly email [execdir@morganhorse.com](mailto:execdir@morganhorse.com) with any questions or comments, and you will receive a response promptly.

Upon submission, you will receive an email at the address provided in the application as verification that your entry has been received. If you do not receive such an e-mail, please contact us. One of the paramount factors in the analysis each year of the growing number of applications is need-based and means-tested applications, and value-based applications. Please note these in your application.

All grant recipients must agree to expenditure responsibility disclosures. As part of those requirements, recipients will need to transmit a written summary of the activities that the grant funded within 45 days of expending the funds. That summary must also include a spreadsheet detailing how and to whom the funds were allocated. The expenditure responsibility requirements dictate as well that evidence be provided that the grant allocation was made for its intended purpose. This requirement can be met in the form of photos from an event, testimonials from those assisted, or otherwise.

## **QUESTIONS**

### **Am I eligible to apply for a grant?**

*Grants may be awarded to any AMHA young adult member (under the age of 40 years old). Checks may not be made payable to the individual but to the clinician, institution or business providing the services.*

### **What types of programs, activities, and initiatives will AMHECT consider funding?**

*Applicants may request funding for ANY purpose that will further their equine education, skills, or; and/or provide equine related experiences and education that will further the grant recipients business endeavors. It is up to the applicant to make a compelling grant request and include information regarding the audience or reach of the program, along with what they hope to accomplish with the project.*

*The application must be accompanied by a full proposal of the idea, budget details, and proofs of any materials that will be used to promote the event and/or program.*

### **How much funding does AMHECT generally give to grant recipients?**

*AMHECT will consider grants of all sizes. AMHECT reserves the right to award as many or as few grants as deemed appropriate based upon the grant requests received. However, AMHECT will not disperse more than a total of \$5,000 from Sebring funds per year. AMHECT is not required to disperse the total amount each year and may or may not divide funds granted among more than one applicant.*

### **When can I expect to learn if my organization will receive a grant?**

*The grant review committee meets to consider grants during the following month as the deadline and expects to announce its decisions by the end of May. However, the board always reserves the right to alter the timeline. All applicants, including those not approved for funding, will be notified of the board's decisions.*

### **What does means-tested mean?**

*"Means-tested" wording refers to determining need as a principal criterion in awarding grants. The committee also weighs the benefits of the program/event against the proposed budget to ensure the greatest value for the funding allocated.*

### **What types of project costs can the grant cover?**

*The grant will cover any operational expenses but will NOT cover capital expenses. Applicants are asked to detail all costs associated with a project as part of the budgets they must submit with their applications. Some organizations request grants to fund projects in their entirety, while others ask for only portions of the costs. If AMHECT provides partial funding, payout will not occur until balances of funds are confirmed. (i.e. if the proposal calls for \$4,000 total and AMHECT is willing to grant \$1,000 then applicant must be able to obtain the balance of funding before AMHECT will pay out the \$1,000).*

### **Does AMHECT accept multi-year proposals or should applications be limited to a project in a certain year?**

*AMHECT will consider all proposals submitted and applicants may submit proposals in subsequent years.*

### **How do we go about writing a compelling grant?**

*AMHECT suggests you check online resources such as <http://www.content-professionals.com/How-to-Write-a-Grant-Proposal.php> or <http://www.fundraiserhelp.com/win-grant-funding-with-a-compelling-needs-statement.htm> or <http://www.dummies.com/how-to/content/grant-writing-for-dummies-cheat-sheet.html>*
