Horse Association

Date: December 12, 2018
To: 2018 AMHA Open Competition Winners
From: Carrie J. Mortensen, AMHA Executive Director
Subject: Invitation to Pick Up Awards at Convention

Congratulations on receiving recognition in the AMHA Open Competition program for the 2018 competition year!

As I mentioned in my letter to the membership earlier this year, AMHA had a lot of room for improvement with this program and while we are not in a perfect spot as a final destination we are quickly approaching a more ideal process.

Thank you to everyone that jumped on board with the changes and learned to enter results online. There was some confusion regarding membership levels required, how to access the online registry and the point system for the different disciplines. We appreciate your patience as we address each of these issues and continue our mission to improve this program for our members.

We are happy to report that the high point awards were officially announced on Wednesday, December 12th in a much quicker manner than last year. We have goals to announce them even sooner next year.

The Disciplines Committee has spent hours consulting with each discipline to amend the different point systems for 2019 to be more reflective of the individual discipline structures and needs. We will be posting the 2019 Guidelines shortly. Please be sure to read them over carefully as many updates have indeed been made to improve the program.

Please note that horses not previously enrolled as "Lifetime" participants of the Open Competition program must pay the \$40 annual enrollment fee before posting results for the upcoming 2019 season. Now that the awards have been announced, your horse's access to enter points for the 2019 season will not be available until the fee is paid and the owner/rider memberships have been correctly submitted.

It is important to remember that owners AND riders must be current AMHA "competing" members (Youth, Standard, Premium or Life Levels). You must have this level of membership to access the required Online Registry on the AMHA website to enter your results. Results are NOT to be submitted to AMHA. There is a basic instruction guide on the website to walk you through the process.

Congratulations again and we sincerely hope to see you in person at the 2019 Annual Meeting and Convention in San Antonio, Texas to pick up your awards at our "Night Under the Stars" reception. It promises to be an exciting and unique event.

Enclosed are the materials to register to attend as well as the forms required to submit if you prefer we ship your awards following the event.

Remember – NEW THIS YEAR! Ribbons and certificates to be presented for each division First through Sixth. Congratulations to all and best of luck in the coming year ahead!
