

AMHA

American Morgan
Horse Association

AMHA Sponsored Awards are presented annually to the overall high-scoring Morgans for achievement during the competition year in shows or events governed by a participating organization.

Current participating organizations are the United States Dressage Federation, United States Eventing Association, North American Trail Ride Conference, and the American Endurance Ride Conference.

The participating organization sets the criteria for eligibility and maintains the records and scores used to determine the placing and points for the award. The AMHA has a secondary set of criteria for eligibility.

The AMHA criteria includes the requirement that the horse is to be shown under their registered name with the correct owner on file as well as having proof of registration with either the AMHA, Canadian Morgan Horse Association, British Morgan Horse Society, or the Swedish Morgan Horse Association. Additionally, both the owner and rider must be AMHA members.

If the overall high-scoring Morgan does not meet all AMHA criteria for the award but meets the participating organization's criteria, the primary award will go to the next highest scoring horse that meets all criteria of both AMHA and the participating organization's criteria.

The primary award winner will be listed as the overall winner of the award, even though the horse may not necessarily have the highest points, mileage, or score.

AMHA is very proud of its Morgans competing in open competition and is pleased to assist these participating organizations in the recognition of outstanding Morgan horses.

For questions regarding AMHA criteria for AMHA Sponsored Awards, please contact:
Katie Hodges, (802) 985-4944 ext. 401, katie@morganhorse.com.

For questions regarding a participating organization's criteria please contact the association directly.
