AMHA OPEN COMPETITION PROGRAM

MorganHorse

The Horse That Chooses You.™

THE OPEN COMPETITION PROGRAM

showcases some of the Morgan breed's best ambassadors, and as a promotional tool, it can't be beat. Surveys show that most new Morgan owners discover the breed through friends and seeing Morgans compete at open events.

Don't let your hard work and success go unnoticed! Whether you are competing for your own accomplishment or to promote your business, if your Morgan is competing against other breeds in open competition, you are invited to join the AMHA Open Competition Program to earn year-end awards.

YEAR-END AWARD CATEGORIES

The Open Competition Program recognizes Morgans competing in 34 different facets of equine competition based on 7 core activities: open shows, competitive trail riding and driving, endurance trail riding, dressage, carriage driving and combined driving events, working western and eventing. The Year-End Award recognizes horses compiling the most points in each division. Additionally, awards are given to the overall high score junior exhibitors in five of those divisions. First through sixth place awards are presented in each division within the individual core activities and winners are recognized at the annual AMHA Awards Luncheon. Whether you just enjoy a good egg and spoon race, perform sliding stops with ease, or road trot to glory, the Open Competition Program has a division for you!

MORGAN MEDALLION AWARDS

In addition to yearly high point awards, Medallion awards for special individual achievement are presented in each of the 7 core activities. For horses attaining the medallion requirements, the honor of bronze, silver, gold, or platinum medallions will be hard to top. Horses may take as many years as needed to earn the required points. Medallion winners are also recognized at the annual AMHA Awards Luncheon.
