# Letters to the Editors

Dear Sir:

I have just renewed my subscription for the Morgan Horse Magazine for the 6th year. I want to say that the September issue was really excellent. The coverage of the National Show by Mrs. Dakin was full and complete. I only wish I could have attended the show this year, but being in the service made it impossible. Next year I plan to attend and with a Morgan.

I also would like to make a comment or two on the letter concerning the moving of the National Show to the Mid-west that appeared in the September issue. I personally don't believe that the show would be the success that it is in New England if it was moved to the Mid-west because having been stationed in this area for two and one-half years, I have found very few Morgan breeding farms let alone just a family or single person who owned one Morgan. This Mid-west country is mostly Quarter horse and Appaloosa country. I also believe it would be an injustice to move the show from the homeland of "Old Justin" himself.

The show usually takes place during vacation time and I know that a lot of people center their vacation around the show time so that they can attend. I don't think that creates too much of a problem for Mid-westerners to attend the show if their vacation is at that time, or the Westerners either.

Possibly those in the extreme Western states could start a National show of their own in a centralized Western state because I again say, it seems unfair to move the show from New England where it was founded and also the Morgan horse itself was founded. Roots are roots.

Again I compliment you on the excellent issue of the Morgan Horse Magazine.

Sincerely yours,

# The Editor's Comments

Although New England has already had its first snowfall and riding is not now the sport it was a couple of months ago, it is an excellent time to sit by the fire and think about it.

We don't mean riding in horse shows. We mean trail riding—riding not for exhibition purposes in best bib and tucker but riding for the fun of it. To the man or woman who says "I have no access to trails. I exercise my horse(s) in a nearby ring and the only chance I get to ride elsewhere is in a show,"—to that person these remarks are directed.

Trail riding, if you've never tried it, is more enjoyment than anything we know. It is relaxation, scenery, wood and field, streams to ford, logs to jump, tricky bridges to navigate. In short it is the be-all and end-all for keeping a horse.

In the west, well-fortified riding clubs have banded together and pushed through legislation which has provided state-created and maintained trails. These trails running up the west coast are things of beauty beyond even the imagination of the easterner. In that warm and beautiful country outdoor living hits the zenith and a group of riders and their pack animals may enjoy wonderful week-end trips or longer vacations.

Here, in the thickly-settled East, trail riding is more difficult. Save in Vermont and parts of New Hampshire and Maine there is little of it. However, Vermont, with its many backers, has really achieved something in the sport and the riding visitor is sure of great fun in picturesque country. The 100-mile trail ride and its attendant events makes Woodstock a mecca for the horseman annually.

But, as in the west, clubs banded together with a unity of purpose, can accomplish great things in other areas, the southern New England states, for instance.

Back in the early days of the depression we remember pleasant associations with executives of the Mass. Forest and Park Assn. With its secretary, Harris Reynolds, we drove and walked over a projected area which would provide a trail from the tip of Cape Cod to the Berkshires. In every section local horsemen were contacted—show people, hunt clubs and even the guy with a single horse who had penchant for ferreting out old roads. Topographical maps were studied and "fineline" roads were traced even though some were heavily brush grown.

A federal relief agency, providing a living in those barren times resulted in assignment of a young engineer to the task and he marked with white and yellow painted spots, the Cape-Berkshire trail. Considerable publicity was given the project; there were area committees and chairmen; hostelrys were contacted and stabling arranged.

The result? To our knowledge not a single rider ever made the trip.

Why did this fail? Why is the 20-year-old trail all but abandoned? Lack of interest among people who never gave it a chance.

You horse owners, breeders, and riders in the New England states. Why are we so envious of the west, western initiative and accomplishment? Why be so envious when we have the same opportunities at hand.

Morgan people, here is an opportunity. Maybe this is not the trail. Maybe another is more desirable. But don't you think it would do a lot for the breed if Morgans were the first horses to be seen in bands all over our New England States? Morgans carrying people to new and in many cases, undreamed of enjoyment.

## OUR COVER

### Pleasure Morgans

This month we are pleased to feature Mr. and Mrs. Darwin Morse and two of their top Morgans. Mrs. Morse is on Cover Girl and Mr. Morse is on Abington of Shady Lawn. The Morgans at Green Meads Farm are among the finest in the East. Green Meads Farm is, of course, the home of our Morgan Weanling Sale. The results of which are found on pages 14 and 15 of this issue. It is always a pleasure to feature Morgans, such as these, which give pleasure and relaxation to both members of a family.

## Publicity

Overlooked in the special National Morgan Horse Show Issue of our Magazine was mention of some fine national publicity efforts that have been coming our way for several years now. George B. Russell of the New York Daily News (a longtime Club member) again persuaded Jimmy Powers to give the show a fine buildup in his syndicated column. Russell also sent releases to both the Associated Press and United Press International. Both were used and were serviced to most of the radio and TV stations in the country who subscribe to these wire services.

Mr. Russell has been busy authoring two books this past year; he hopes, in 1961, to find time to not only work on both outlets mentioned above, but will also do what he can to get this Newsreels to again cover the National Morgan Show as they did so effectively in 1959.

# The Frank Orcutt I Knew

By DANA WINGATE KELLEY

With the passing in July of Franklin H. Orcutt the Morgan world loses one of its oldest and staunchest supporters of the old type Vermont Morgan, a man that had it not been for his conviction and courage, many of the present day show winners would not have been conceived.

The Frank Orcutt, father of Dr. S. Robert Orcutt of Rowley, Mass., that I met twenty-five years ago and knew over this period was a man of the old school. There are few people in today's generation that will have what this man had and gave out in knowledge and advice to his many, many friends and neighbors.

His grandfather and his father before him bred in the hills of West Burke area Morgans that not only had the finest blood obtainable, but Morgans who worked the back hill farms. Many a time I have seen Frank drive four of his "little creatures" as he called them, compared to his big work team, over his pasture spreading manure. I will never forget the year when I purchased Ethan Eldon, to head my Morgan farm from Frank. It was fair time in Lyndonville and he invited me to ride over the roads with him in a cut down Concord buggy with a four-in-hand. How those little

horses responded to his soft words and the commands he gave them through the lines.

It was way back in the early turn of the century when Morgan breeders were looking for foundation stock to give to the government for the foundation of the farm in Weybridge that E. Fullerton Phillips came to Mr. Orcutt and explained the purpose and Frank presented him with one of his best young mares, Artemisia. Breeders throughout the world know that this mare alone did more for the government farm through her many outstanding sons than any other Morgan mare. Some outstanding sons were Mansfield, Canfield, Querido, Ulyssis and one of her most noted daughters was Redfern.

He raised the mare Allanda, who when bred to Ulyssis by his brother the late Dr. Wallace Orcutt, produced the stallion Ulendon, sire of more show winners than any other stallion in this line of breeding, in recent years.

Vigilda Burkland, a mare who has been a strong foundation horse both for Frank and Wallace Orcutt was sired by Vigilant and out of Lucinne, when bred to Ulendon she produced many outstanding horses, Orland Gleam, Orland Leader, Orland Vigildon,

Orland Vigeneldon.

I recall just a few years ago going to East Burke and bringing Frank to my farm in Woodstock, where he looked over all of the mares and stallions, then the next day taking him to the National Show where retirement exercises were held for Vigilda Burkland. As we were leaving the grounds President Ted Davis thanked him for coming. I can hear Frank today, as he said to Ted and me, "See here now, you've got to breed the best to the best and keep the good ones here in Vermont." He loved his Morgans and he loved his state.

In looking over a crop of weanlings with me about ten years ago I was amused as he noticed a beautiful bay mare, Lippitt Royalton Nekomia. He began to laugh. Upon asking why he said, "she's a beauty and will give you some of your finest colts, but when you break her just use kid gloves, she's a hot headed one with a mind of her own." How true and how thankful I was for his advice.

Another time while visiting in Burke at fair time, Frank hooked up a three year old mare and a well grown yearling colt, the colt for the very first time. With help they were harnessed

The 1960 Illinois State Fair held August 12th through 21st, was one of the most successful in its history — on this 108th Anniversary Exposition. This stellar festival for years has been one of the most outstanding events of its kind in the nation. Fourteen hundred ninety-seven head of light horses and ponies were entered, all breeds. There were more Morgan entries than at any time previous, presenting a living picture of the progressive strides being made at the Illinois State Fair with the Morgan breed. E. L. Bailey of Buffao, New York, judged the 23 classes, including saddle, harness, breeding and Futurity classes.

Entries came from nine states, including two new and very welcome exhibitors from the state of Colorado. Mrs. Harry Nichoalds of Englewood

with the stallion, Broadwall Brigadier and Mr. Everett Reed of Denver with the stallion General Cotton, both took blue ribbons home with them.

The first Morgan class shown was the Ill. Morgan Horse Breeders' Weanling Filly Class, with 15 nice individuals. The lovely trophy presented by the Mississippi Valley Morgan Club and the blue ribbon were copped by the pretty bay filly Barette, owned by Mr. and Mrs. Edward Ryan of Irish Lane Farm, Delavan, Ill. Barette, by Chief Red Hawk out of Ella Bar, later won the Champion Weanling Futurity Class. Second and later Reserve Champion Weanling was another typy bay filly, Mr. and Mrs. Orwin Osman's Emerald's Neckomia. The Weanling Futurity Stallion Class was won by The Yankee, a son of Whippoorwill Duke

and out of Jenney Lake, owned by Mr. and Mrs. L. S. Greenwalt of Pawnee, Ill. A flashy dark chestnut, white maned colt by Chief Red Hawk out of Gayneta, Indian War Chief was second for Mr. and Mrs. Neal Werts of St. Louis, Mo.

An excellent exhibition of 15 entries the Two-Year-Old Futurity Fine Harness Class was the largest and best since the Futurity was started in 1946. First place and the trophy presented by Mr. and Mrs. L. S. Greenwalt went to HyLee Farms' attractive chestnut mare, HyLee's Lady M.E.L. The Ohio entry of Paul Rumbaugh, the snappy going little mare, Foxy Sentora, was reserve in this class of fine two-year olds.

# Justin Morgan Horse Association News

By BEVERLY RISK

Dr. Alexander Ruthven, President Emeritus of the University of Michigan and well-known Morgan breeder told of his experiences with the breed at recent Justin Morgan Assn. meeting. Dr. Ruthven checks on the progress of Justin Geddes, one of many Morgans bred by him.

Every night this week the forecast has been for dropping temperatures; but on Thursday we took the weatherman seriously. Autumn is on its way. Fall in Michigan is hard to surpass for vibrant color, beautiful scenery, and a zip to the breeze that horse and horsemen enjoy. The zip, however, warns one to hurry up and get ready for winter's nip; but do enjoy these days, too, while you are at it.

Just like the song, "it's a long, long time from May to September," the Michigan Horse Show season has been a busy, but exciting schedule, from May at Mason to September in Jackson. Morgan horsemen can be proud of the oft heard statement from audiences that Morgans are better than ever. Each year we work for improvement in the breed and performance classes, and often feel we may have reached the ultimate. For example what could surpass those classes of this year! Yet each new season introduces a Morgan newcomer or returns a time-honored performer to the show ring that seems to excel beyond earlier expectations. This means, of course, that our breed is not standing still, nor losing ground, but gaining strength, quality and more supporters each year. Judges have said some very encouraging words in regard to horses shown in the state; they have made some critical suggestions as well.

It is interesting that judges have been especially impressed by our "young stock;" and the show results concluding the column reflect their placings as they saw them.

Few individuals have made a greater contribution toward perpetuating and improving the breed in Michigan than Dr. Alexander Ruthven, President Emeritus, University of Michigan, and owner of Stanarigg Morgan Horse Farm in Ann Arbor. It was a great pleasure to have him speak at the last meeting of the Justin Morgan Horse Assn. He was cordially introduced by Ray LaBounty, who pointed out that our Morgans owe much to Dr. Ruthven and his foundation sire, Lippitt Moro Ash. The get of "Lip" over the years are almost too numerous to mention here, and so well-known that they continually find themselves represented within the pages of this journal as a result of their own accomplishments. Lippitt Moro Ash has been the sire of many fine stallions, and undeniably his daughters have consistently been great producers. The offspring of Stanarigg Farm are known throughout the United States; the males usually have the suffix "Geddes" attached to their names, while the females are prefixed with Ruthven's — Ann. We suggest your Morgan Horse Registry and past issues of the Magazine for

complete listings.

In answer to the question, "How, Dr. Ruthven, did you become interested in the Morgan Horse?", our speaker responded the following:

"As a young chap I was raised in Western Iowa and Nebraska. We saw many good horses, but when the Federal Government opened many of the Indian Reservation lands, the covered wagons again began to roll in. Very often these wagons and their pioneer settlers came from the New England States to the West. As a boy I was impressed by their teams of Morgan Horses and my father explained how they were different from the Shires, Clydes, and other breeds we saw more commonly. Even from distances their form and manner were easily distinguished.

The years passed and in 1925 I came to the University of Michigan to act as curator and collector for the University Museum, and to accept the post of professor. My responsibilities took me on many trips, often to isolated places in the world, places where pack trains on horse or mule back were the only acceptable means of traveling. In 1928 the Board of Regents asked me to become the president of the University and in 1929 I accepted the position referred to on a year to year basis. This

Huntingdon Camp, a private camp for girls on beautiful Walloon Lake near Petoskey, Michigan, find Morgans best suited for their horsemanship program. All horses used here are registered Morgan horses.

arrangement proved most satisfying for over 22 years. (Writer's note: Dr. Ruthven provided the leadership necessary to consolidate the growing facilities of the University during its most challenging period of accomplishments. A part listing of these accomplishments would include the establishment of the great University Medical Hospital and Medical Center; the Rackham School of Graduate Studies; the difficult management of problems and their solutions before, during and after the war years and the establishment of the Atomic Phoenix Project for Peacetime Use of Nuclear Energy. All these things he did with a humble spirit and a simplicity of words. We who know him feel privileged, indeed.)

Now no more trips or expeditions seemed possible, as the Board of Regents expressed concern for having to fill the job of the Office of President, not necessarily for my personal safety! Because of my earlier interest in Morgans and my professional pursuits as an anthropologist and collector, I sought a new project. From New Hampshire I sent for two mares which were eligible, but not yet registered in the Morgan Horse Registry. These two mares were Ruthven's Mary Ann and Ruthven's Polly Ann. From the Green Mountain Farm of Robert Knight in Vermont we brought Lippitt Moro Ash as a colt. After a fashion we brought the first Morgans to Michigan. I say, after a fashion, because we know there to have been Morgans here much earlier. During the lumbering era in Michigan, the records show many Morgans particularly around Bay City, Muskegon, and Manistee. Some records indicate that fine Morgan driving teams were brought by the lumber barons for their girl friends! These disappeared, however, as pure bred individuals. I wanted to have some registered Morgans in our state. Not long after I established Stanarigg Farm I met and hired a young man by the name of James R. Talley, known to

you as Tex Talley. Tex has been my farm manager for over 22 years and this has been a fine arrangement.

Many people came to tell me of Morgan type animals that they knew of, especially in the Ann Arbor area. One elderly man had two such horses, which he brought from New Hampshire. I went to visit him, and though never broken and quite aged, the fact that they were of Morgan ancestry was stamped plainly on them. Many changes have taken place since then.

In fact there have been many changes since the early horse in North America. The first was a small quadruped with five toes. Through thousands of years he lost the two outer toes and had three toes remaining. Somewhere along the way he developed a middle toe with two little hooves hanging outside of it and finally, he became a horse standing on a single middle toe. We know that these horses moved to Asia (probably over a land bridge that once existed from Alaska to Siberia) and then along to Europe with the camels, only to absolutely disappear in North America. In Europe and Asia horses developed into many varieties. There is much confusion still about the origin of the different breeds. Where did the Arab come from? Probably not from Egypt or Arabia, since it was not known there until about 1300 years ago. It might best be said to be an offspring of an even earlier Persian horse. What is the origin of other modern horse breeds? Was Darwin right when he claimed that breeds or species developed by natural selection due to living in certain environments or areas? Or is it true that breeds are developed as needed and required by the origination of animal breeders? These things are not true. A new species appears spontaneously. We have a cow or a pig develop and start a new species. These suddenly appear just as Justin Morgan did. Ancestry is a waste of words and print in regard to Justin Morgan. Justin Morgan had

no ancestry. He was something NEW. Biologists have long recognized the importance of a mutation. They do not always understand why or how this took place. The point is that it did take place; this accident of genetics happened to the dam of Justin Morgan and his kind will last as long as we want to have them last.

In the horse business the Spanish have tried to develop Palomino types which would consistently breed true. It cannot be done, because the required "accident" to the genes has not taken place, and no new species has been formed. Years ago some short legged sheep appeared that bred true. For a while these were popularly bred, especially in the East, where this type sheep could not scramble over the low stone pasture walls. Later the species was lost because no one cared to perpetuate it.

My interest in Morgans is two-fold, as a biological phenomenon and as a horse lover. There are many present day breeding problems to solve. We need more cooperation among ourselves in breeding programs so we may try out various crosses, still permitting the developing of horses specialized to do certain jobs, but stamped with the image of the breed.

In the question and conversation period that followed, Dr. Ruthven elaborated upon the fact that Cortez did bring or reintroduce the horse to North America during his period of exploration and conquest in Mexico. There are some very good indicators that Cortez may have used the island of Puerto Rico as a stud farm, and that he used few stallions, if any, on the mainland, as they were hard to handle and sometimes inconveniently noisy.

Dr. Ruthven did not attach much significance to differences in the number of vertebra in the lumbar region of the Morgan or to the notion that because Arabian horses often claim one less vertebra, as do some Morgans, that

# Eastern States Exposition

By CAROL CHEVALIER

**WASEEKA'S NOCTURNE** with Johnny Lydon up, winner of the Morgan Championship Saddle Stake. Owned by Waseeka Farm, Ashland, Mass.

The Eastern States Exposition Horse Show again brought out a good entry of Morgans, and except for the under 15 hand class the classes were well filled. For the first time since the show has been an Amateur Show, two of the Morgan classes were open to professionals — the Championship Saddle Class and a preliminary Open Class. It was the general feeling among the Morgan exhibitors that opening the over and under classes would have drawn an even larger entry. Also, I missed the harness class — I think it adds greatly to any show. I would love to see this become one of the top Morgan shows in the East — there is a tremendous gate at the Exposition and the Coliseum is nearly always full for each performance. The judges were Christopher Wadsworth of Holicong, Pa. and Ed. Stalcup of Franklin, Tenn.

The Morgan Championship Saddle Stake was held for the first time in the evening with six entries vying for the four colored ribbon. Waseeka's Noc-

turne with Johnny Lydon up — winner of the Open class — came out on top closely followed in Reserve by Joseph Hoyt's Rafinesque with Whitey Fenton up.

The Amateur Stake on Saturday found ten entries competing for top honors. June Brockett gave Orcland "Ike" a good ride to capture the Championship over Green Meads Marauder in the Reserve spot.

Again proving their ability to compete against Saddle horses in pleasure classes, Morgans captured first, second and fifth in the N.E.H.C. Open Pleasure Class. First went to Broadwall Golden Boy owned by the Briarwood Stable, second to Dr. Robert Orcutt's Vigilendon and fifth to the Blue Spruce Farm's Katinka Hawk.

On Sunday morning more than 20 young Morgans turned out for the Breeding Divisions. The classes were for those animals three and under divided between fillies and studs with a champion named in both, those winners competing for Grand Champion.

This year they dispensed with the all-breed championships. This division was judged by Dr. Ray Fessenden of Athol, Mass., a long time Morgan enthusiast. For Champion Stallion 3 and under, Dr. Fessenden pinned Darwin Morse's Green Meads Marauder on top with Steve Tompkins' Bar-T-Intruder in Reserve. Champion filly 3 and under went to Waseeka Farm's Waseeka's Party Doll with Reserve to Lippitt Ethan Georgia of the Green Mountain Stock Farm. After careful deliberation, Dr. Fessenden chose the two fillies for his Grand Champion and Reserve. They were good wins for the fillies as both Marauder and Intruder are handsome, typey colts. I think it is fitting to mention here that this is the third of Upwey Benn Quietude's colts to win the Morgan Colt Championship at Eastern States. Party Doll was preceded by Waseeka's Nocturne in 1956 and Waseeka's Thisizit in 1957 — all three are by different stallions. It speaks well for the produce of this grand mare.

## New England News

By CAROL CHEVALIER

The heat of summer is gone and we are in the midst of the glorious October bright blue weather. The coloring is exquisite in this part of Connecticut and I marvel at the change from day to day. I can well imagine all your Morgans are feeling the comfortable nip of autumn and delight in "spooking" at falling leaves, or just because they feel so good!

It was good to see so many people at the Weanling Sale recently and also the weather was a welcome change from the two previous sales. Congratulations to June Brockett and her filly, Maylenda for the top price so far in the annual Sales. The figure of \$2600 was reached so quickly on this beautifully fitted filly that I'm sure no one recovered for the next two or three foals! It was disappointing to see the low prices for stud colts — a great many people went home with some handsome prospects.

Mrs. Seth Holcombe has sent me the following report of the C.M.H.A. meeting held on September 18th at the McCulloch Farm in Old Lyme. About twenty-five members were present and Alex and Mary Jean Vasiloff had a most interesting program planned. Members picniced in their pine grove before gathering around the ring to see the youngsters in Mary Jean's Horse Club put the horses through their paces. The Morgans taking part were Whip-poorwill Duke, Merry Lyric and Merry Song, also the half-Morgan son of Duke, Lemonade. Following the introduction of the Morgans, with Duke as a model, Mabel Owen pointed out the points of conformation and their influence on the horse's way of going.

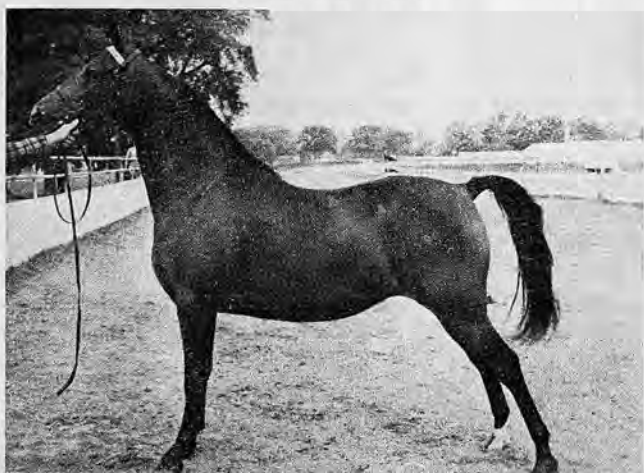

Also, how certain conformation points are looked for in relation to the type of work wanted from the horse.

The spectators wondered as a neighbor came in the ring and hung up her wash, but their curiosity was soon satisfied when the line became an obstacle for the horses. Much to the onlookers surprise each horse sized up the situa-

# Jes' Hossin' Around

By DOROTHY LOCKARD

Jes' how do you explain to one small, lonesome, heart-broken weiner dog about the kids having to go to school—and no dogs allowed? Max sulks from school bus time to school bus time.

Pa believes in building fences hog-tight and bull-strong but the latest section of corral fence looks giraffe-high and elephant-strong. Pa says he can't keep up with the Joneses other ways, but he can sure keep the Joneses stepping, fencewise. Pa's corral fence has been a four year project, and four kinds of materials have gone into it. Whatever materials were handiest or cheapest, in any given year, are in that year's section. The stud hoss helped Pa this year. He carried the nails (off) and supervised the whole job. He lined up every post, then snorted. Pa'd say, "It is so in line!" and the hoss would shake his head and snort again. Those two argued over where to set every single post.

Betcha some folks are wishing they knew then what they know now, and the Clarence Shaws wouldn't have got those Morgan Horse Registry books for \$376.00. Congratulations, Shaws. Hope you don't mind the rest of us being envious. Wonder how that Morgan Horse film fund is coming?

An impromptu meeting of the area Morgan ladies was held at the local antique show. All very friendly and talking horses, and each one trying to sneak away and spot the horsey antiques and books first. All four gals showed up the opening hour of a three day show. The Arabian contingent arrived late. Naturally, those gals were looking for horsey items, too. They made nasty cracks about having to get up early to get ahead of the Morgans. We agreed, as we carried our loot out the door.

Helene Zimmerman (Senior) had just returned from a New England tour of Morgan farms and antique shows with a four poster field bed. Pa said ole Ralph Zimmerman must be figurin' on a camping trip — deluxe style. Pa says he dunno if he'd like sleeping under the stars with his head pillowed on a saddle, anymore, but he ain't so old he needs a canopied field bed!

Awhile back we saw that Spring Hope mare's picture in one of Eve

Oakley's ads. I fell like a ton of bricks for that mare. "I'll bet that mare would suit me," I told Pa. Pa agreed. He said, "That mare would make a good pleasure and trail horse. If she's given a chance, she'll go places." Well, then when we read the results of the National, we I-told-you-so'ed all over the place. Can we pick 'em! We were patting ourselves on the back — instead of Florence George Crosby, who gave the mare the chance to show what she could do. Shame on us.

Pa says this recession that isn't is harder on him than the depression that was. It's nicer to be broke and not work, than to work hard and be broke, anyway.

Mr. Joseph E. Olsen's suggestions about changing the site of the National Morgan Horse Show was probably mighty welcome sounding to Morgan enthusiasts located far from New England. Can't blame them a bit. It's hard on the horses and harder on the pocketbook when you have to haul long distances.

How about a whopping big four day far-West show and a similar mid-West Morgan show? Are there willing, capable organizations ready for this. The National can figure on over three hundred and fifty horses showing. It takes a lot of confident, dedicated people working hard to accomplish that.

Pa and I have found out that when a new outfit is running a horse show, we better put the flag and 'The Star Spangled Banner' record in the car. Some pencils, a card table and chairs, toilet tissue, band-aids, etc., too. Then we're sorry we didn't bring the stopwatch and some sacks, too. Just as Pa and I will be happy (we think!) when we can relax and see a show without working. I expect the old faithful National workers will glory in that luxury, too.

Competition is what makes for improvements. You Western folks, show the East what you can do! A man, or an organization, can't be expected to give up his seniority rights until the youngsters prove they can do a good job.

West Coast to East Coast seems a long way to travel. Sure, but if your horse placed at the biggest West and

mid-West shows, your desires and confidences would make that trip seem shorter. The East Coast winners will travel when they feel their horses are just regional champions.

We know an Ohio cutting horse and a Pennsylvania reining horse that have placed first in the toughest Texas competition. Having a winner sorta makes you ache for more competition sorta pushes you further from home to bigger shows, bigger honors.

Bigger shows, more competition, and a little time, will work this out. The Pacific Northwest and the Estes Park shows have made tremendous strides in a very short time. The pictures from these shows, from year to year, show how they've improved. The improvement in horses, tack, and the way the horses are handled, is evident. We learn as we go along. One of our young'uns once was exhibiting a pony in a 4-H grooming and fitting class. I cleaned that pony, and I was sure he was groomed properly. He wasn't. That judge looked for and found dirt I'd missed — and knocked the best looking pony down to fifth place because of it. I was so ashamed. Now, I know how to clean a horse for a show. That's learning the hard way, huh?

We were delighted to hear that Charlie Hamilton was worth seeing, in the cutting classes, at Estes Park. Sure sorry we missed that show, and missed meeting the friendly folks there.

A Justin Morgan commemorative stamp? Hooray! Wonderful idea. Good luck, stamp committee.

Don'tcha love those four cent pony express stamps. Horse show fliers and saddle club announcements arrive here with that stamp on. Methinks it very clever of the horse club secretaries to stock up on those stamps. I'll stockpile some stamps, too, when that Justin Morgan stamp is a reality.

Aren't our ads improving? That's wonderful. I love seeing your horses' pictures, reading about your horses, and about you and yours. Kinda makes me feel like I just met some mighty nice people.

Humorous sketches like the Voorhis' barn bursting at the seams, or precious photos like young Sarah Annis with stars in her eyes, we are so happy to see. It sort of shows that the Voorhis' know we have a sense of humor and Annis' know we're the kind of people who love children. It's kind of a compliment to the readers, kind of like

# Pennsylvania National Horse Show

## WINDCREST DONA LEE DOES IT AGAIN!

By ANNA ELA

**KINGSTON placed first in Junior Morgans, 4 years and under, owned by Voorhis Farm, Red Hook, New York.**

The Pennsylvania National Horse Show had 745 horses entered this year plus 70 equitation riders. This is one of the largest shows anywhere. There were six Morgan classes in a well-rounded out program. The 146 different classes were held in seven days, October 15 to October 22.

There were 25 Morgans entered in all. The Morgan classes were well filled, with 15 entries in the Championship. The class that made the biggest hit with me was the Harness Class. What a class that was! Every single entry was well turned out and the performances were perfect. This was one of the best classes of the whole show. Congratulations should go to the exhibitors for a job well done. There were ten entries in this class and it was a credit to the Morgans. Let us hope the Morgans will be as well represented next year as they were this year. It is a terrific place to show. Stables and coliseum are all under one roof so weather never makes any difference.

The dark cloud of the show was the death of Rafinesque. On arriving at the stables I was greeted by a heavy gloom. It was obvious there was something radically wrong. All the Morgan people were carrying long faces. I asked what was the matter and was told that Rafinesque had died the night before at the show. He evidently died very quickly from a blood clot. This was his year and we all knew he was the horse to beat at Harrisburg. He was a bold going horse with a lot of natural action and personality plus. He always carried himself well and was a real eye catcher. This was the year he had really blossomed out. A few of this year's wins were Grand Champion Harness Horse, National Morgan Show

and Grand Champion Morgan at the New York State Fair at Syracuse. Those of us who saw him in Northampton this summer will never forget the performances he made there. Why do we have to lose as grand an animal as that? Our sympathy goes to his owner Mr. Joseph N. Hoyt of Chillicothe, Ohio. This is a great loss to the Morgan breed.

This year at Harrisburg it was "Windcrest Dona Lee" again. This strong going mare won her fifth Championship here. She first won in 1954. She has won every year since, except for 1955 when she was reserve champion to Orcland Vigildon and in 1959 when she was not shown and Gay Dancer won. A lot of credit goes to those at the Buttonwood Farm for keeping this mare in top show shape and a special bow to Ed Williams, one of the grandest horsemen of all times.

Waseeka Farm was right in there pitching too, and Johnny Lydon on Nocturne had Patsy Kelley on Dona Lee really working in the stake class. This class was also a credit to the Morgans, it was one of the largest performance classes of the whole show.

A young horse to watch is the three year old Kingston. This young stallion is owned by the Voorhis Farm. What a show he put on in the Junior Class! He was a picture to be seen and what a superb ride Jean Herrick gave him! Another young horse to watch is the new edition to the Stonecroft Farm, Waseeka Buccaneer. Mrs. DeWitt should do well with him in 1961.

Another newcomer to the Morgan ranks was the easy going gelding Towne-Ayr Bobolink owned by Robert Dreisbach who won the Morgan Pleasure Class. We shall be hearing from him.

### Sidelights of the show

Mrs. Joseph Vona busy showing pictures of her horses and watching the Morgan classes intently.

Mrs. Ayelien Richards not only seen showing her Morgan but also seen riding an Arab and driving a pony. One thing about Ayelien, no matter what she is seen doing, she always is having a whale of a time doing it.

The Voorhis' with their annual supply of country cousins. The population of the cousins seems to be increasing rapidly each year. I even saw one of the third generation awarding a Trophy. Didn't know it was possible to have so many relations in one area.

Jeannie Herrick with her usual supply of excellent pictures.

Nancy Gochee with her young Morgan stallion U. C. Highlife. Nancy is a Morgan breeder from Rome, N. Y. She was also seen riding an Arabian stallion.

June Brockett with the same tyrolian hat.

Mrs. A. S. Kelley of Chester, Vermont constantly cleaning her tack — what a job she does on it.

Marilyn Childs riding Mrs. Vona's mare to two well deserved ribbons.

Had a nice talk with Mr. and Mrs. Dugan and found out they are moving to Colorado with their Morgans. Michigan's loss will be Colorado's gain.

Mrs. Rodde gave her nice gelding a terrific ride in the pleasure class. This pair are a swell combination.

Walter Carroll had his young stallion entered for the first time here in a Saddle class. He gave a good performance. Here is another youngster that bears watching.

Blue Spruce Farm or the Plauths, are a family I mentioned last year to watch.

# Mid-Atlantic News

By HELENE ZIMMERMAN

With the last of the fall shows still fresh in our minds, it appears that our horses at least are preparing for the coming winter. My Arrow Hawk is already sporting a thick winter coat and looking forward to the cold season ahead. Unfortunately, this preference of his for cold weather and snow was the one thing upon which we could never agree!

Just received a very enthusiastic letter from Clair and Norma Lewis of Smoke Run, Pa. They have just purchased the Morgan mare, Nellie Lou (Trophy x Gwen S), and are about to pop their buttons over this chestnut mare. The Lewis' are hoping to raise and train Morgans for use as stock and cutting horses: let's hope we see them placing high in some of the open classes. There seem to be more and more good western horses showing these days and it is too bad that more of them are not Morgans.

Miss Alice Anderson of East Berlin, Pa., has sold her chestnut mare, Miss-A-Date (Lippitt Mandate x Flicka Hawk) to Miss Wendy Weber of Jefferson, N. Y. Miss Weber is one of our up-and-coming young equitation riders, having just won the NHS Good Hands class at the New York State Fair and placing third in the AHSA Medal Class.

Another sale was reported by Marilyn Childs of Ringtown, Pa., who sold her nice two-year-old filly, Aida Mandate (Lippitt Mandate x Aida) to Dana W. Kelley of Vermont.

The Bachman family up in Snyder, N. Y., made a good showing again this year at the Erie Co. Fair in Hamburg, N. Y. The Bachmans' young stock won blues in both the Foal and the Yearling classes and made a sweep of all three places in the two-year-old class. In the Morgan Western Pleasure class, Dorothy Bachman's Copper Penny took first with her father's Tom Timlin in second place. Their Betsey Twilight won the Novice Morgan and got a second in Harness. And Mike Hens, having won the Western Pleasure 4-H class for the third consecutive year, retired the Challenge Trophy with his

good black Morgan mare, Plain Jane. Miss Anne Clifford of Ambler, Pa., has just purchased the chestnut stallion, Iroquois King (Sconodoa Chief x Nasturtium), from Orrin Beattie of Manchester Center, Vt. Anne has been active in the show ring for the past several years riding such Morgans as Wilderness Blaze, The Third Man, and Talley-Ho and finally has one of her own.

Morgans made a good showing at the Allegheny Saddle Club show down in Maryland in September. The Robert Niermans' gelding, Talley-Ho paired with Penn State Noontide, owned by the Dr. George Simons family, won the Pair Class, then Noontide went on to win ribbons with two of the Simons youngsters—a first for young Sally in the Leadline class and a second for Scott in the Walk and Lead Race.

The Bedford Horse Show had a good Morgan division this year with entries from Pennsylvania, Ohio and Maryland. As well as filling their own classes one Morgan mare, Miss Majorette (Trophlette), from the Holtz Stables in Carrolltown, Pa., won the Amateur Parade class, placed second in the Open Parade, and went on to win the Parade Stake. Results of the Morgan classes are as follows:

C. H. Asmis and Harold Childs, judges

**Amateur Morgans:** Won by GIPSEY EILEEN, Holtz Stables; 2nd, SIR KNOBBIE-NEZE VONA, Joselene Hill Farm; 3rd, TALLEY-HO, Mr. and Mrs. Robert Nierman; 4th, TROPHY'S AWARD, D. F. Switzler.

**Pleasure Morgan:** Won by TALLEY-HO, Mr. and Mrs. Robert Nierman; 2nd, SIR KNOBBIE-NEZE VONA, Joselene Hill Farm; 3rd, TROPHY'S AWARD, D. F. Switzler; 4th, GIPSEY EILEEN, Holtz Stables.

**Open Morgan:** Won by DONNA ETTA VONA, Joselene Hill Farm; 2nd, TROPHY, D. F. Switzler; 3rd, TALLEY-HO, Mr. and Mrs. Robert Nierman; 4th, TROPHY'S AWARD, D. F. Switzler.

**Open Parade:** 2nd, MISS MAJORETTE, (Trophlette), Holtz Stables.

**Parade Stake:** Won by MISS MAJORETTE (Trophlette), Holtz Stables.

# Green Meads Morgan Weanling Sale

29 Weanlings average \$752.60 in the Third Annual Sale

Consignments from Vermont, New Hampshire, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Ohio and Michigan made up the group of 29 weanlings offered for sale at the 3rd Annual Green Meads Morgan Weanling Sale. The sale was held on October 3rd at Green Meads Farm, Richmond, Mass., the home of Mr. and Mrs. Darwin S. Morse.

Maylenda, the six months old brown filly consigned by Mr. and Mrs. David Brockett II, of Ipswich, Mass., attracted a great deal of attention before the sale, and brought the record price of \$2,600.00 in the ring. Dr. Lawrence Slobody of Sawmill River Farms, Moore's Corner, Mass., was the successful bidder, and Mrs. Harry Nicholds of Englewood, Colorado was the contender, on a mail bid. This beautiful filly had won the Weanling filly class at the National Morgan Show this year. She was sired by Ulendon, who is owned by Orcland Farm of West Newbury, Mass. Her dam, Mayphil, has been a great producer for the Brocketts.

There were eleven stallion colts in the Sale, but it was evident that the buyers had come to the Sale intent on buying fillies, as the \$500.00 average on these colts was disappointing. The top stallion was a coal black colt, Fox-fire's Black Hawk, consigned by Mr. and Mrs. Walter Carroll of Green Hill Farm, Farmington, Michigan, and purchased for \$825.00 by Mr. William W. MacDougal, Jr., of East Greenwich, Rhode Island.

Eighteen fillies averaged \$907.00 and brought the average for the complete consignment up to \$752.60. The quality of the colts was high and they were well fitted for the Sale.

The weanlings were paraded for inspection of the consignors on Sunday afternoon. A social hour followed at the Morse's home, and then the consignors and their guests assembled at the Curtis Hotel in Lenox for a buffet supper. Warren Patriquin and Mrs. Brockett showed moving pictures after the supper.

On Sale day the colts were paraded again before an estimated crowd of 700 people. The Sale, which started at 1:30 was handled by the veteran auc-

tioner, E. M. Granger, Jr. Darwin Morse read pedigrees, and the ring was worked by Oscar Crabtree and John Mays. Frank Irwin passed the sales slips. William McAllister was clerk and David Brockett stable man-

ager. Dr. Wilson Haubrich of Claremont, N. H., and Dr. Bernard Collins of Pittsfield were the official veterinarians who passed on the health and soundness of all the colts.

Mr. Morse intends to conduct the

Weanling Sale again next autumn, on a date to be announced. He believes that the number of stallions for next year's sale should be further reduced, and will include a few good gelded weanlings in the Sale.

Next to the last show of the season in the Chicago area was the Latigo and Lariat Horse Show held at the Naperville Saddle Club grounds, Naperville, Ill., on August 21st. I wasn't able to attend this show, as I had just returned from several weekends out of town, plus Shows, so yours truly had to work to pay for the Morgans keep that day. However, I was literally given a blow by blow account of this Show, so I feel as if I were there.

It seems that the Morgans were much in evidence in every class besides their own and they did well to, with many inquiries about them. The two Glenn youngsters, Robert and Sarah battled it out for high point horse of the show, with brother Robert coming out winner with his Morgan gelding, Towne Ayr Twig and sister Sarah in second place with her Morgan gelding, Towne Ayr Sprig. This pair also teamed up to win the Open Pair class with another Morgan, Justa Trinket, owned and ridden by Mark Staehnke teaming up with her stable mate, a thoroughbred, Lady Love, ridden by Father Martin Staehnke placing second in this class.

Robert Glenn and Towne Ayr Twig took first in Bareback Equitation; 2nd in Trail class. Sister Sarah riding Towne Ayr Sprig placed 3rd in Western Riding; 2nd in Stock Horse class. Other Morgans winning in the open classes were Elinor Krumwiede and her Morgan stallion, Elrusmar's Medallion placing 4th in the Stock Horse class; 5th in Trail class; also Mark Staehnke and his Justa Trinket placed 5th in the Costume Class. Harry Sweet's grin could be seen for days after because his Morgan stallion Rhythm's Bimbo won the Clover Leaf Barrel Race and placed 5th in the Flag Race. All in all the Morgans certainly showed their versatility in this Show. Results of the Morgan classes are as follows:

**Morgan Halter Class, all ages & sexes:** Won by TOWNE AYR TWIG, owned by Robert Glenn, Wayne, Ill. 2nd, TOWNE AYR SPRIG, owned by Sarah Glenn, Wayne, Ill.; 3rd, DWIGHT ASHMORE, owned by Joyce Glenn, Wayne, Ill.; 4th, ELRUSMAR'S MEDALLION, owned by Mrs. Elinor Krumwiede, Palatine, Ill.; 5th, JUSTA TRINKET, owned by Mark Staehnke,

West Chicago, Ill.; 6th, RHYTHM'S BIMBO, owned by Harry Sweet, Elgin, Ill.

**Morgan Pleasure Class, English and Western Tack:** Won by TOWNE AYR SPRIG, owned and ridden by Sarah Glenn; 2nd, TOWNE AYR TWIG, owned and ridden by Robert Glenn; 3rd, ELRUSMAR'S MEDALLION, owned and ridden by Mrs. Elinor Krumwiede; 4th, DWIGHT ASHMORE, owned by Joyce Glenn and ridden by Bob Glenn; 5th, JUSTA TRINKET, owned and ridden by Mark Staehnke; 6th, RHYTHM'S BIMBO, owned and ridden by Harry Sweet.

RHYTHM'S BIMBO and his owner, Harry Sweet, Elgin, Ill., at the Latigo and Lariat Horse Show.

The Glenn family of Wayne, Illinois came home from the National Morgan Show with smiles, for they brought the following ribbons out of large classes:

Towne Ayr Twig, 4th in Model Gelding; 6th in Versatility class.

Dwight Ashmore, 4th in 3 year old stallions.

Towne Ayr Twig, 4th in Stock Horse class.

Ron Hayward of So. Elgin, Ill., with his Morgan mare CHEROKEE LADY and her 4 months old filly, EASTER BONNIE, sired by Rhythm's Bimbo.

And not to be left out, Mother Glenn took a 6th place ribbon for their tack-room. Not bad!

On our return from Dalhart, we passed Topeka, Kansas and decided it was a good time to see the Hazard Morgans. It was Sunday afternoon and when we phoned, Stuart Hazard was at home and willing to show his Morgans. He met us at the Turnpike exit at Topeka and took us immediately to his ranch nearby.

At first glance when coming over the hill. I noted a number of mares and foals in pasture and immediately thought of other bands I had seen of various breeding, type, etc. Mr. Hazard decided the best way for us to see the mares and foals was to walk out in the pasture, which we did. He made remarks about the breeding of various individuals, his likes and dislikes, to which I at first listened idly. However, after a closer observation and a rather pointed comment about a certain individual mare and foal by Mr. Hazard, my attention was focused and a pattern began to emerge. The more I looked, the more clearly this breeding pattern was apparent. Here was no hit or miss collection of mares or stallions. Through the years, Mr. Hazard has bought, sorted and culled and is still doing so — with an excellent plan in mind. He recognizes the good and bad points of the Morgan breed and he is breeding for a Morgan of good accepted type, with good strong bodies, legs and excellent heads — in short, a good, strong using horse. Being western and raised with those far horizons, it didn't take me long to recognize his aim and greatly appreciate it and as I looked around and occasionally saw a mare throw her head up against the horizon, as if listening to some far off sound, I saw the beauty and strength of those Morgan heads and I held my breath in admiration many times that Sunday afternoon. I saw many individuals that could help my own breeding program, but as one man at the National Morgan Show put it, "These Morgan people are to D— independent, they have something good and won't sell," and Mr. Hazard is no exception, for with his band of some sixty odd Morgans, there were almost none for sale and certainly not those I would have gladly taken home that day.

Among the stallions seen that day, was a most interesting old stallion, that is to me — the 21 year old Upwey

Congratulations to all the National winners! The pictorial section was very nice. Ohio had two National Winners. Joe Hoyt's *Rafinesque* won the Stallions in Harness, Combination, 5th Stallions over 15, 3rd Championship Saddle Stake, and 1st Champion Harness Stake. Joe was over one night with some very good pictures of *Rafinesque* in action and he looks to be some horse. At the time Joe was here, *Rafinesque* had just been exhibited at two shows — the National and the New York State Fair. At the New York show he was named Champion Morgan Horse. Joe says the hardest task he has is convincing people that *Rafinesque* goes in light plates and from the pictures he has action to spare. Reata's *Vigilmarch* placed first in Stallions 3 years old. To A. J. Andreoli and Joe Hoyt our sincere congratulations.

In regard to the National, and in reply to the letter written by Joseph E. Olsen of St. George, Utah in the September Magazine, I think Mr. Olsen has given us all something to think about. I agree with you, Mr. Olsen, 100 per cent. We in Ohio feel we have some Morgans worthy of being exhibited at the National. A small percentage are ever able to make the long haul from here so we can appreciate the position the far western states are in. You'll hear more from us in the future.

Paul Rumbaugh of Polk, Ohio has been appointed our National Representative to fill the unexpired term of Gene Angel.

The Ohio Futurity is over for another year. Our yearling class was small as few of the weanlings eligible were back. Upon checking, I find they have all gone out of state. I'm sorry they weren't here to compete, but in some respects I think that speaks well of our Ohio Morgans. Complete results appear in the magazine with pictures of the Champion yearlings. I'm disappointed the weanling and harness winners are not pictured. Of particular interest and pride to me is the Champion Yearling, Holly's Katrina. We were unable to show her as a weanling and are grateful to her present owner, Ray Leach for making the long haul from W. Va. Daughter Pam did a fine job of showing Holly

and along the rail I heard more than one comment about "how she would look in harness next year." Holly is well grown for her age and has a big,

airy way of going. Her dam, Little Spook, we believe to be in foal to Sugar Run King. In a large class of Morgan mares under three at the Ashland Show, Holly was second to Foxy Sentora. Tarrytown, owned by Sugar Run Farm won the under three Stallion Class while Devan Jason owned by Nevin Combs won the over three class. Devan Jason was named Champion Stallion of the Fair over all breeds — and he had plenty of competition. Cotton Candy won the aged mare class and was Reserve Champion mare all breed, she is owned by Floyd Mack. Celebration won the English Perform-

ance while Foxy Sentora topped the Harness. There seems to be no stopping Sentora. She has now added the Michigan Futurity to her increasing list of wins by taking the harness class — also the two year mare class and Junior Harness.

It was fun visiting with so many of the Ohio members at the Ashland Show. I hope to have pictures and information about one of our newest breeders next month, Dr. Freeman of Cleveland. He is collecting a goodly number of Morgans with O.C.R. heading the stud.

It was good to see Ed Mattox and Son Tom out with horses again. They haven't been making the show circuit this summer due to Tom's job commitments. Seemed a little strange not to see Tom and Devan Chief in there pitching. Just a sidelight—Ed and I had some good-natured fun last summer betting who would win at the Futurity—Our Holly out of Little Spook or Ed's Millsboro Commander out of Spook's dam, Millsboro Lady — both colts being sired by Devan Chief. We didn't make it with Holly and Commander won the weanling stud class . . . but Holly made it this year . . . I'm not sure what we bet, but pay up Ed! Dave Mattox has plans to be married Dec. 31st. Our best wishes to you and Shirley, Dave.

The Ohio Membership Directory of members and member owned horses is available now to anyone who might want one. They may be obtained for \$1.00 from A. J. Andreoli, Box 118, Wadsworth, Ohio or Eleanor Brackman, Holly Hill, Jackson, Ohio. It is a small, neat booklet containing the names, horses, and addresses of all our members throughout Ohio. We had plenty of extra copies printed for other clubs if they desire them.

Don't forget to send me your news!

By JANE BEHLING

A wonderful summer has drawn to a close. Show equipment has been cleaned and stored away, horses are being let down after a hard and busy season. More and more people are taking to the trails, the fall season is beautiful here, and the weather perfect for these rides.

As I look out our south window, I cannot help but smile, for things have really taken a switch about! Not too many years ago, the "old timers" were sadly shaking their heads as they watched more and more horseless carriages chugging and snorting their way into the lives of American families. Vermont passed a law forbidding anyone to drive a car on a public road unless a man walked several hundred feet ahead to give warning. Colorado went even further, flares were sent up from the "motor wagons" every so often so that old dobbin wouldn't bolt when she came face to face with so fearful an object. When President Theodore Roosevelt rode in an auto through the streets of Washington, D. C., a horse-drawn carriage followed in case of a breakdown of the car. Slowly but certainly the "machine" caught on, and "Dobbins" stall was converted into a garage for the flivver. Now we come to the part that amuses me so greatly. Because we here at HyLee have become so very attached to our Morgan dobbins, and because you do not stack horses like cordwood, we are converting our 60x40 garage and machine shed into a new horse barn! Perhaps my imagination runs away with me at times, but I do wish that when the great moving day arrives, and the Morgans parade across the driveway,

they will give a mighty and triumphant roar into the chrome teeth of the two poor Detroit products which squat there on their pudgy rubber feet! To add insult upon insult I would love to put the cars into the old barn, but the space is needed there for more Morgans.

Is the horse here to stay? Silly question, and here is more proof. A letter from the Orwin Osmans of Manteno, Ill., reports that their new Emerald Acres Stable is nearing completion. Sounds like a really neat barn, and I am anxious to drive down there and see it. Skychief has done it again! For the third straight year he has been Grand Champion of all breeds at the Grundy County Agricultural Fair. Their weanling filly, Emerald's Nekomia, was Reserve Champion Mare.

We were so impressed with W. E. Miska's very lovely bay two year old filly, Binney Bee, which was Reserve Champion Mare at both the Illinois and Minn. State Fairs last year. We saw her recently and she has developed into a really sharp filly. The Miska brothers are very proud of Binney which they purchased last fall from Harry and Melba Cleveland, and have furnished this pert young filly with a new barn and fabulous paddock. If you are ever in the area of Fairfax, Iowa, look them up.

Recent visitors here at HyLee Farms were Mr. and Mrs. Clifford Hitz of Hopkins, Minn. The Hitz's are the proud owners of the two year old stallion HyLee's High Barbaree, chestnut son of Torchfire and HyLee's Lady Justin. We watched "Barb" win the good Morgan Combination class at the

Minn. State Fair and believe me, this colt really has leg-ability, he sets himself, looks yonder, and then just proceeds to use himself the way a show horse should. At the North Central All-Morgan Show he was judged Reserve Grand Champion Stallion. With all the blue ribbons already collected by this young horse, he will no doubt be credited with more than one gray hair on the heads of his competitors before next season is through!

Drove down to the Big Bend Morgan Farm of Mrs. Wm. Barton's at Rockford, Ill., while the Hitz's were here! Got there late Sunday afternoon, and though we missed seeing Manager Harry Andre, we did see the Big Bend Morgans, courtesy of two cute youngsters who were there. Peeked in at the famous George Gobel, and the up and coming shadow of his, Sonny Ackers. Was much impressed with the two Barton stallions, Junior stallion Winderest Playboy who looks exactly like a younger version of his famous sire Upwey Ben Don, and Senior stallion HyLee's Lady's Man (Max Hi Ho Kid - HyLee's Lady Justin) who is one of the closest replicas of the Justin Morgan statue we have ever seen. There as a cute stud colt there by Skychief, he's bay and cocky. And a Lady's Man filly that I've heard several say they would like home in their barn, pop eyed, snorty, and pretty as can be.

Had stopped at the Gordon Heitman Top Brass Morgan Farm (wonder where he got that name ??) at Huntley, Illinois, which looked like Grand Central Station during rush hour. Since HyLee's Top Brass (Max Hi Ho Kid - Dolly Mae) has established residence there, the visitors flock to see him like bees to honey. Brassy is one of those rare ones blessed with looks, disposition and action, all three top quality. His 1961 stud book is

# News from the Northwest

By BARBARA BELL

Now with only a very few shows left in the 1960 season, all of the Morgan horse owners in this part of the country are sitting down to evaluate their horses in the light of the last show season. Some are pleased with the outcomes, some are not, but we all are pleased with the general showing of Morgans in the Northwest. Today our Morgans compare with the best anywhere in the United States and the Northwest is recognized as a place to go to get the very best Morgans.

This year the Southeastern Washington Fair Horse Show was bigger than ever, with almost 400 horses entered. Rockfield was again chosen as Grand Champion and Shawalla Tabie was Grand Champion mare. Both these animals are owned by the Shawalla Morgan Horse Ranch. The day that this fair was over the Shaws loaded these two horses up and headed for Salem, Oregon and the Oregon State Fair. Here Rockfield repeated his performance by winning Grand Champion Stallion. Shawalla Tabie won first place in a very large yearling filly class and gave the older horses a run for their money in the Grand Champion mare class. Rockfield and Shawalla Tabie are only two of the great horses sired by the Shaws' sire, Silver Rockwood. As a young horse "Rocky" proved himself to be one of the greatest roping and pick up horses in the Montana and Dakota area. Cowboys would

drive hundreds of miles to be able to use him in the Rodeos. Rocky also excelled as a parade horse, having even paraded in the Pasadena Rose Parade. Even today he is saddled once a year for the Frontier Dais Parade in Walla Walla, where he always wins Grand Champion parade horse. Today, though, his work is to keep on siring great horses here in the Northwest. The get of Silver Rockwood are making names for themselves as mountain horses in Alaska, show horses in California, cattle horses in Idaho and as pioneers in the Morgan business in Canada. Wherever you go, when you hear the name of a horse with Shawalla in it you can be sure that the blood of the great Silver Rockwood runs in its veins.

## RED TOP FARM NEWS

It has been a busy winter at Red Top and it has been hard to keep up with the schedule, now the winter is gone, no need to worry about it any more. On 5 December, 1959, The Equestriennes 4-H Club of Marysville, Wash., attended a Judging Field Trip to Red Top Farm which is devoted to Morgan horses. They were shown all of the Morgans including the Champion Stallion, Sun Dust, 9153. They were given a very informative lecture on Morgans and also the specifications for Morgans. This is the first in a series of horse breeding farms the Club will visit this year.

I was indeed surprised and pleased to have Mrs. Elizabeth Power of Waseka Farm call at Red Top on 11 March. She looked over the Morgans and took a number of pictures of them. I only wish they had been all well groomed but they weren't. It was a lovely day and they had all been out to pasture and had rolled in the mud and were well "plastered." We had a very nice visit and it was a real pleasure to meet her.

Mr. E. Barclay Brauns and I did some "horse trading" on 5 December, 1959. The Brauns have Skagit Tye, Sun Dust x Vigella colt and I have Keystone's George, Keystone x Georgette Vermont colt.

I have seen no mention made of the honor given to the Morgans last fall at the Annual Quarter Horse Show at The Flying Horse Shoe Stables. They held a Parade of Champions on the 25th of October for all breeds of horses, inviting four of each breed to show in exhibition. The Morgans were asked to exhibit in The "Gay Nineties". The four Morgans invited were Pomula, owned by Susan Conklin and driven by her with Mr. Louis Conklin; Orafield, owned and driven by Mr. and Mrs. Leo Beckley; Keystone's Katherine, owned and driven by Mr. and Mrs. Bob Boggs and Sun Dust owned by Maj. Louise D. Bates and driven by Mr. Gardner Smith. I must make mention of the fact that Mr. Smith is the best reinsman I have seen in many a year and Sun Dust really showed it in his performance in this exhibition.

Red Top is proud to present three new foals. On 28 March, Vigella had

## Elementary Equitation . . .

# HORSEMASTERSHIP

By FRED NORRIS.

### PART I

*(Editor's Note—Here's the first of a series of articles on Equitation, or Horsemastership by Fred Norris, of Ahland, Ky. He is a widely known judge, trainer and instructor — author of the rider training text "Elementary Equitation—Horsemastership" which enjoys worldwide recognition. Miss Jane Hartmeyer, nationally known exhibitor and Director of Horsemanship, Ball State Teachers College, Muncie, Ind., writes: "I've read many books on the subject but find this one is by far the best. It gives the students concise definitions and simple explanations of equitation." The articles are designed to aid adults as well as juniors in their show or pleasure riding. We hope you will like it.)*

Equitation might be defined as a rider's demonstration of a more or less thorough knowledge of the Science of Good Riding. This implies an understanding of the effects and uses of the Natural Aids and the rider's ability to apply them in ways which put the horse in the position of complying with the rider's will. In a showing equitation class the human factor is being weighed—that is, the rider's mental and physical assets are being judged.

Proper equitation teaches the rider to establish and maintain a correct, secure and comfortable seat in the saddle. It develops soft hands in accomplishing the various functions of the reins as a natural aid; proper use of the rider's weight (posture) as another natural aid; controlled position and use of the legs as the third natural aid. The term 'leg' generally means the heel or calf and sometimes the thigh. Artificial aids are the whip or spur.

The Science of Equitation is a language expressed by the rider through these aids (and a calm, low voice) to which the horse can reply by willingly, obediently placing himself in the desired position or gait as his trained memory interprets the various effects of the aids. The rider must be ever mindful that a horse's mental faculties are limited — that he responds to the indications given him by associating

them with past reward or punishment — the intelligent horse will soon learn to associate obedience with a calm caress. The horse is a grand imitator and in his eccentric way will sort out the good things to do to gain good reward. When punishment is needed it must be immediate and never become abusive. The rider must realize a need for calmness, patience, kindness, firmness and an ever-increasing "know how."

In showing parlance the term "equitation" implies horsemanship classes for junior riders in the 14-or under and the over-14-under-18 age divisions. However, a thorough working knowledge of the subject is beneficial to all ages and all types of riding—English or flat saddle, western or stock saddle, or hunter or jumper seat.

A cardinal fact for every rider to keep constantly in mind is that the portion of the horse in front of his shoulders is his *Balancer*. All movements of the animal, all changes of gaits or speeds, are dependent on the controlled freedom of the head and neck. At rest, the center of gravity is near the horse's shoulders, or at the girth. As it is advanced the hind quarters begin their duty of propulsion, the fore quarters providing movement and direction. To move, the horse must displace his weight to the shoulders. The neck is the necessary lever used by the horse to gain and facilitate movement. To move forward he must stretch his neck and lower his head to advance his center of gravity. Often you see the novice rider rear back on the reins as he yells "giddap" — and then bawl because the horse doesn't move. Obviously he can't. Just as there must be descent of head and neck to set the horse in motion there will be a corresponding lift of the head and neck to decrease speed or to halt. This will be treated further in a discussion of equilibrium and other factors.

If the neck is raised too much the shoulders will be freer but his loin and whole rear system will be cramped, his gait becoming jerky with a loss of speed and regularity. If the neck is too low the fore quarters will be over-

weighted, making guiding difficult and developing a lumbering gait in front. When the head and neck are properly placed and enjoy a reasonable controlled freedom the smooth action of fore and hind quarters will be coordinated into fine performance. Head movement will be at the poll.

Study your horse to determine whether he carries a high or low neck. Never ask him to assume an un-natural position. The master rider, by means of the bit, places the horse's head and neck in positions that regulate movement. In order not to shut off his breathing his head should be permitted to slope upward and backward from muzzle to earline — that is, keep his face slightly back of the vertical plane. At the extended gallop the nose will be advanced; at the collected canter the chin may be tucked in slightly; at the trot the face will approach the vertical.

Soft hands are essential to good riding. The reins should always maintain contact between the hands and mouth but never stretched taut except in emergency and then only until obedience is attained. The "loose rein" does not mean a swinging or floating rein which is an invitation for the horse to take off. Soft hands will afford a long rein at the walk, will remain still at the trot and 'go with the horse' at the canter.

These introductory remarks are discussed at length in my book, *Elementary Equitation-Horsemastership*, described in advertising elsewhere in this issue.

Reins have five classifications according to their uses and effects. The three ordinary reins for casual riding are the (1) leading or opening rein; (2) the bearing or neck rein, and (3) the direct or backing and halting rein. For advanced equitation there is (4) the indirect rein of opposition in front of the withers, and (5) the indirect rein of opposition back of the withers. All will be discussed in the next chapter. Thank you.

By MRS. DORIS HODGIN

Our first trail ride of the season was held at Mr. and Mrs. Clifford Hitz's, a gorgeous Sunday in May with over 20 Morgan lovers attending. After four hours of riding through woods, brush, meadow, bog, creeks, gravel, dirt and blacktop roads — a really good trail — we devoured a ham supper prepared by Mrs. Hitz. Our next ride was held, the beginning of June at the W. F. Honer Ranch in St. Joseph, Minnesota. Morgan owners from all parts of the state arrived for the morning and afternoon ride. The morning ride wound through wooded trails, and the afternoon riders trailed through the St. Joseph game refuge. Mrs. Honer and her food committee served a very delicious lunch and supper to some fifty riders.

Thirteen Morgan enthusiasts from the North Central Morgan Horse Association attended the Alexandria Trail Ride, June 11 and 12, at the Carlos State Park. Mr. and Mrs. Chuck Berzins, Mr. and Mrs. Cliff Hitz, Mr. and Mrs. Art Hodgin and Connie Hodgin, all from the Minneapolis area, went up to the camp grounds the night before, camping out at the site. No sleep was had, but lots and lots of fun. Corky Cater, and the Misses Neide Cater, Pauline Henning, Maureen Quigley, Kathleen Quigley, all from the St. Cloud area, arrived later that same night. To complicate their trip, Corky Cater's horse leaped or fell out of the moving trailer — becoming a little battered and bruised, but otherwise whole. Herman Kraemer from Milan, Minnesota also took part in the trail ride. The weather man cooperated fully — beautiful weather, sunshine and cool, with no bugs nor mosquitoes. All are eagerly waiting for next year's trail ride.

Unfortunately, the Alexandria Trail Ride was the last trail ride for Marilyn Hitz's 9 year old gelding, Firebrand (Bonfire x Julara). The next week end they lost him — the autopsy revealing a twisted intestine. Brandy had been the High Point trophy winner in the North Central Morgan Association for the last two years and the High Point trophy winner of the North Central Morgan combination trophy. We all extend our sympathy to Marilyn in the loss of a truly great Morgan.

A trailer accident resulted in the death of Woodland Lady (Woodland Chief x Bert's Topsy), due to foal shortly. Harry Hetleveldt was bringing her up from his father's place at West Concord, Minnesota to the Shriners barns in Minneapolis, when the accident occurred.

## New Morgan arrivals:

Mr. and Mrs. Wes Brown of Bloomington had a filly, Illawana Palma (Illawana Samba x Bert's Beauty). Mr. and Mrs. Art Hodgin of Minneapolis had two arrivals — a filly, Debacon Raindrop (King Benn x Chipalee Lassie) and a colt, Debacon Dainty Boy (Royal Aire x Dainty Bridlesweet). Miss Allone Potter of Magic Lake also had two — Sunny Gal (Sunnyview Blaze x Breezy) and Royal Lad (Royal Aire x Lucky Lady). Mr. and Mrs. George Ocel of Minneapolis, a colt (Regy x Brooklyn Joan). Brooklyn Dixie, four year old stallion formerly owned by Art Peterson of Minneapolis, was purchased by Mr. and Mrs. LeRoy Jensen of Wayzata.

Mr. and Mrs. Ernie Wood's Congodon (Congo x Barbison) serviced Brooklyn Joan (Woodland Chief x Brooklyn Starlet) and Woodland Scarlet (Woodland Chief x Scarlet O'Hara) owned by Mr. and Mrs. Ocel of Minneapolis, and LeRoy Visnovck's Morgan mare, Miss Illinois (Flyhawk x Rosena) owned by Mr. and Mrs. Robert Wood of Hopkins; Archie's Flicka (Archie O x Dorset Sue) owned by Mr. and Mrs. Ed Cahill of Circle Pines; and Rookies Estrabel, owned by Mr. Ardell Markham of Wisconsin were all bred to Hylee's High Barbaree, owned by Mr. and Mrs. Cliff Hitz. Miss Allone Potter's Sunnyview Blaze was used to service a grade mare besides the mares from her own stable. Mr. and Mrs. Art Hodgin's King Benn was used on his Debacon Stable harem.

Leonard Paulson, was elected president; Mrs. Dick Bonham, vice-president; George Budd, re-elected secretary-treasurer, and Mrs. Doris Hodgin, publicity director. The new Board of Directors consisted of Mrs. Kathryn Merrill, Mr. Henry Cater, Mr. Dewey Logeland, Mr. David Naas and Mr. W. F. Honer. The State Fair also gave us a chance to catch up on some of the latest news.

# Estes Park Morgan Show Bigger and Better

(See Pictorial Section)

The curtain was rung down on the second annual All Morgan Horse Show, Aug. 27th and 28th, sponsored by the Circle J Morgan Horse Association, and it was acclaimed to have been a great success, proving the rapidly growing interest in the Morgan horse in the Rocky Mountain Area. 170 Morgan horses from all parts of the United States were shown with My April Candace, owned by Mrs. E. J. Poitras, Holliston, Mass., traveling two-thirds of the way across the nation to take home Reserve Champion Mare honors. This mare was sold in the Sale, Saturday afternoon, to Dr. James E. Cary of Houston, Texas. This makes both the Grand Champion Mare and the Reserve Champion Mare, now residents of the State of Texas as Grand Champion Mare honors went to Felicia Lee, owned by Maxine Merchant of Houston, Texas. Maxine was justly proud of the large Championship Trophy which she did not let out of her sight for the rest of the show after being awarded to her mare on Sunday morning.

Grand Champion Stallion honors went to Broadwall Brigadier of the Topside Morgan Horse Farm of Englewood, Colo., owned by Mrs. Harry W. Nichoalds, Jr., and Reserve Champion Stallion honors went to the yearling colt, Aaron Jay owned by Howard Eberline of Santa Fe, New Mexico. Aaron Jay was first in his class of 22 good yearling colts to qualify for the Championship Class. All of the Halter classes were well filled with around twenty horses in any classes. This is a great jump over our first show last year and we feel safe in predicting that next year's show will offer the keenest competition of any Morgan show in the country, as Estes Park is an ideal location and setting for showing the beautiful Morgan horse. Here is the place where the East and the West meet. The home of the Arabian National Championships and the largest Arabian Show in the world. We are confident that next year's show will be much larger if not the largest of all Morgan shows and should be a must to all Morgan owners to attend as an exhibitor or spectator.

Joy Kate, that wonderful little performance mare from the Jackson Morgan Horse Ranch of Harrison, Mon-

tana, repeated her last year's performance, this time against much stronger competition, to take the Empire Industries Trophy for Champion of the show honors. Joy Kate amassed a total of 2 points, under the direction of Dean and Betty Jackson, placing in eleven classes including first in the Barrel Race, Trailer Race, and the Gay Nineties class and seconds in English Pleasure, Pole Bending, Roadster Class and Western Pleasure. This mare exemplifies Morgan versatility, also placing in stock horse classes, cutting trail class and pleasure driving.

With 45 halter and performance classes scheduled for the two days of August 27th and 28th and the Sale scheduled for the afternoon of August 27th, our judges, Eldon J. Fairbanks of Pasadena, California, and Junior Judge, A. W. Lindenmuth of Ft. Collins, Colo., had their work cut out for them. Chairman of the Show Committee for the Circle J Morgan Horse Association was George R. Burgess of LaPorte, Colorado who was also Chairman of the show committee of last year's show. The show was again produced by Empire Industries, Horse Show Producers of Ft. Collins, Colo.

# New York State News

By RUTH ROGERS

Our first New York State All-Morgan show is now history, we feel glorious history, and the sweet sound of success is still music to our ears. For out of what amounted at times almost to blood and tears, emerged what we believed to be the second largest Morgan show in the East.

We had 104 Morgans entered, 93 actually on the grounds.

It rained, but in the Syracuse Coliseum with the horse barn so very near, we were hardly conscious of the weather. Saturday night was unseasonably cold, and horse-blanketed exhibitors were a common and ludicrous sight. Spirit was high, wide, and wonderful.

There is room for improvement, of course. Some of the necessary changes are easy and evident, others must be worked out. In this regard, club members and exhibitors are invited to send their suggestions anytime, either to President Mary Arnold, or to me.

Complete results with pictures of ribbon winners will appear in the next issue of the Magazine. We wish to mention here the following highlights:

Among our distinguished visitors were Mr. and Mrs. Dana Kelly, Dr. and Mrs. C. D. Parks, Mr. Paul Rumbaugh, Mr. Dayton Sumner. Mr. and Mrs. Kelly spent both Saturday and Sunday at the show, and we want to thank them for their interested comments and encouragement.

Mr. Everett Crosby called our show "second only to the National." Thank you, Mr. Crosby, thank you very much.

Big winners were Voorhis Farm, the Braemar Farms of the Everett Crosbys, the Ralph Plauths' Blue Spruce Farm, and the Brookway Farm of Mrs. Archibald Cox, Jr., of Wayland, Mass. We believe every exhibitor must have had a share of ribbons, however a testimonial to the excellent quality of the Morgans entered.

It is gratifying to see the large show stables, as well as the small ones, bringing out first class pleasure horses. For if we forget the Morgan as a pleasure horse primarily, we deprive him of his well-earned heritage.

The Drill Team from "upstate" performed expertly and the log pulling, especially the sparkling effort of Ken Chichester's Monty Gates, delighted the spectators.

Doris Laidlaw looked very smart riding both Gallant Lad and Lad's Gold Buddy (one at a time, of course) and took home some ribbons.

Who can forget Roy Taylor's expression of joyful amazement when his Royalcrest Thor, ridden by Mary Lyster, won the English section of the Ted Davis Memorial Challenge class? Roy has had bad luck lately, and this win couldn't happen to a more deserving guy.

Our assistant show secretary, Mrs. Arthur Buisch, was accidentally abandoned by her friends Friday night, and slept curled up in a stall in the straw. Dotty, unperturbed, went about her duties next day, looking perfectly groomed, as usual. Where was the chivalry of some of our male club members, I wonder?

Mike Hoefen was fretting on the sidelines, unable, because of a ruptured muscle, to ride his stallion, Elchem.

Guy Rathbun of Morris, N. Y., horseman and gentleman, did a masterful job of driving that misbehaving colt in fine harness.

The lovely and competent gal riding for the Crosbys was, we believe, Miss Anita Cole, and if my information on this is incorrect, there will be abject apologies.

Everyone thoroughly enjoyed the entire Cox family of Wayland, Mass. — Mrs. Cox, her two ridin' daughters, and their fine and friendly Morgans, Lord Jeff and Gay Blade.

John Mahoney sweat it out on the sidelines while small daughter Alice Pat was in the ring. Pat and Little Miss Doolittle, granddaughter of R. M. King, were our youngest riders, and performed like veterans.

We are still not quite recovered from the impact of Wally Rodee's green sport coat.

The club wishes to give sincere thanks to our officials: Judge Arthur Titus, Ringmaster L. J. Schneckenberger, Steward Pat Cullen, Announcer Jack Timmons, for their excellent and much appreciated help.

Voorhis Farm at Red Hook reports the sale of Ledgewood Cora Jane, by Pecos-Janee, to the fine home provided by Dr. Means at Brookfield, Mass.

The Ralph Plauths of Altamont are

understandably proud of the winnings of their Dark Shadow at the 1960 National. Mrs. Plauth writes that their trainer, Gil Carr, rode him to 3rd in the big gelding stake, 6th in the over 15 class, and modeled him to 3rd in geldings in hand. Mrs. Plauth says people wonder who enjoys showing more, Gil or Shadow.

From the D. J. Willeys of Kennedy we hear that their fine yearling filly won her class in open competition at both Wattsburg, Pa., and Girard, Pa. Their Tibby Corbin was second in the open halter class at Wattsburg; and their good young stallion, Tibsun, took 2nd in Morgan Combination, class of 9.

Incidentally, a Morgan weanling won the weanling class at Wattsburg in open competition, too, against 9 competitors. She is Dinah, by Superson x Gay Patee, and is owned by Mr. and Mrs. Elmer Lantz of Wattsburg, Pa. We will hope to see more of you, Mr. and Mrs. Lantz, and hope we are not too far away for you to join us.

Don't forget: Ruth Rogers is Mrs. V. J. Rogers of Sherimill Stable, Martin Road, Akron, N. Y. News, criticisms, what-have-you, all are welcome.

# Mississippi Valley Morgan News

The Mississippi Valley Morgan Club met for its September meeting at the beautiful new home of Mr. and Mrs. Lane Wilton, Lebanon, Illinois. The primary business was the election of officers for the forthcoming year. Elected were Neal Werts, President; Raymond Brachear, Vice-President; Allene Pocklington, Secretary; Lane Wilton, Treasurer and Pat Werts, Publicity Secretary. The following were elected to the Board of Directors: Truman Pocklington, F. K. Dzenoglewski, Ray Searls and Dr D. F. McCarthy. There was some discussion of our Morgan classes in the Illinois-Missouri shows and our Morgan show at Mt. Vernon. After the meeting, Lane Wilton showed us his horses. He owns the Morgans Dellama and her pert yearling filly by the Duke of Lebanon. The other Wilton horses are half-Morgan (with the exception of Pancho, the spotted pony) with many of the Morgan characteristics that make them a pleasure to look at and to ride.

F. K. Dzenoglewski invited us next door to look at his Morgans, especially a little bay three months old filly by Duke of Lebanon out of Princess Toby. He can rightly be proud of her. His other two colts had been weaned and looked good. Standing in the barn were the head man, Duke of Lebanon and a yearling stallion. Duke needs no introduction to most people in this area for he has been shown in many of our local shows, and doesn't need a sign hung on him to let people know what breed he is. The yearling stallion whose name I did not get, is a dark chestnut, well-grown youngster by Gallant Tex out of Amberina. Mr. Dzenoglewski thinks he is a good parade prospect.

Sunny skies greeted us on October 2nd for our second annual fall trail ride. Nineteen were present including children. Mr. and Mrs. Dzenoglewski, with some assistance from the Wiltons, saw to all the details. Those participating enjoyed the good food, pleasant companionship of fellow Morgan owners and admirers, and a nice ride down some of the back roads in the Lebanon area. Riding were Mr. and Mrs. Clarence Test on Bonnie Mae and Lucky, Mr. and Mrs. Lane Wilton with Dellama and a half-Morgan, their daughter with her spotted pony Pancho, Mr. and Mrs. Truman Pocklington on Donodon

and Rusty Ray (owned by Mr. Dzenoglewski), Capt. and Mrs. Harry Spiller on Amberina and Lilita (both owned by Mr. Dzenoglewski), Judy Bivert on Alladin, and several others whose names I do not have, a total of 14 riders. Mr. and Mrs. Neal Werts and Marcia drove Ozark Firefly until a tire blew out on the cart. Neal rode Firefly back bareback while Pat and Marcia rode in the back of Dzenoglewski's pickup.

Our final Morgan classes in the local shows were sadly lacking in entries, mainly because we have been unfortunate enough to lose three of our most active members this summer. First the W. C. Byers family moved to Albuquerque, New Mexico. We had a second shock when the Earl MacMichael family decided to move to Wisconsin. And then Mr. Searls was hospitalized with a heart attack. We have missed these folks and it means the rest of us will have to work a little harder to take up the slack.

Mr. and Mrs. Earl MacMichael were given a silver plate in appreciation of all they have done for the club. They are happy with their new farm in southern Wisconsin, where they will have more room for their Morgans, and will be active participants in many of the Morgan doings in that vicinity.

Earl MacMichael's Redberry won the big, beautiful trophy in the stallion class at the St. Louis Catholic Deaf Society Show, September 11 at Missouri Stables Arena. Second went to the dark chestnut, white maned weanling, Indian War Chief, owned and shown by Neal Werts. Dr. McCarthy's snappy-moving Panfield's Thor was third. Ozark Firefly won the mare class for Mr. and Mrs. Neal Werts. The Annual Illinois-Missouri Show on September 25, was the final show of the season. The mare and gelding class was won by Daisanna, T. T. Brunk's dark chestnut winner from Springfield, Ill. Second went to Ozark Firefly, with third going to another Thomas Brunk entry, the gelding Star Dan. Redberry added another blue to his collection, while Duke of Lebanon was second, Donodon third for the Pocklingtons, and Indian War Chief fourth for the Werts, in a good stallion class.

Barbara Monfort, young daughter of Mr. and Mrs. C. E. Monfort of Kirkwood, Mo., rode the Morgan gelding

Fancy Dan (Congo x Dellama) in the Manchester Saddle Club horse show September 11. They did beautifully and placed 4th in the English Pleasure Class. There were 12 horses competing, the rest ridden by adults, and the first three ribbons went to walking horses.

Dr. D. F. McCarthy of Florissant, Mo., has a new arrival in his barn, a little chestnut filly with a stripe and white stockings. She is sired by his Morgan, Panfield's Thor out of his good Palomino mare Gilda. Doc has named her Thorina, and already she shows strong Morgan characteristics, looking much like her sire.

Earl MacMichael has sold the good pleasure mare, Kay-K, by Redberry out of Maritana by Plains King, to Chester T. Eaker of R. R. 2, Edwardsville, Ill. The chestnut weanling stallion, Wec-Gee, by Redberry out of Jo-Jo has been sold to Joe Wickenhauser of Alton, Ill. Mac bought back the two year old stallion Suncrest Boy from Charles Schwaab of Alton who had purchased him as a yearling. He is also by Redberry and out of Tillicum by Lippitt Sam.

Friends of Mr. Ray Searls will be happy to know that he is coming along slowly, but improving all the time, following his heart attack late in August. He has been home for some time but confined to bed, so cards, letters and of course, visitors are all the more welcome to help pass the time away. Most of his horses have been turned out to pasture, and Mrs. Searls is taking care of those left in the barn. We look forward to the day when they can again take part in our club activities.

## TEAM MATES

by Dorothy Lockard

Hitched together day after day,  
Each always wanting his own way.  
The racehorse always rarin' to go,  
Mule always needin' a whip or a blow.  
Racehorse always easy to fret,  
Mule always ready to set and set.  
Racehorse apullin', makin' a start,  
Mule abalkin', holds back the cart.  
Racehorse awantin' to go, go, go.  
Mule just awaitin' for that "whoa."  
Hitched together day after day,  
Each always wanting his own way.  
There's all kinds of people, and all kinds of horses,  
But a team like that is what makes divorces.

Just another reminder, won't you please complete and return the evaluation sheets to our secretary, Mrs. Cliff Curl of Tigard. She is unable to complete this listing unless you return these forms. Please do it today.

Pat Dennison of Halsey purchased Sonoma's Gazelle, a very nice chestnut mare by Sonoma out of Auto Fly from Mr. and Mrs. Philip Morrison of Grants Pass. She is bred to Little Mt. Monte and should have an awfully nice foal next year. They miss her a lot but believe their new young stallion, Aranafield, recently purchased from Mr. and Mrs. Leo Beckley of Mt. Vernon, Wash., will keep them pretty well occupied. He is by that grand old stallion, Sonfield, out of Lady Margaret and placed first in the foals of 1960 at our All Morgan Show this year. They were really walking on air when they got him home safely and have great plans for him.

We were sorry to hear Mrs. Constance Ross of Mulino had the misfortune to lose the colt from her mare, Carminita, this year.

Laddy Linsley owned by Mrs. Cliff Curl of Tigard had his first taste of a parade in the Tualatin Crawfish Festival last month and believe it must agree with him as he strutted off with a blue ribbon. Nice going Betty.

From what we hear, we believe Scott Lake was a little damp again this year, also, a little rugged from the prowling of a hungry bear which was finally felled about 30 feet from the Curl's camp site. Betty Curl writes that he had prowled all Friday night, disturbing sleep, scaring the wits out of horses and making a general nuisance of himself. And to think of all of us that missed that good excitement.

We had the best turnout of Morgans at the State Fair than there has been for many a year. Rockfield from the Shawalla Morgan Horse Ranch in Walla Walla, Wash., was named Senior and Grand Champion Stallion with Ferncrest Silver King owned by Dr. C. D. Parkinson of Eugene, Junior Champion. Trinango's Abbenette owned by Mrs. David Olson of Junction City was Junior and Grand Champion mare with Mary Todd, owned by Jeanne van Deusen, Glendale, Senior Champion Mare. Complete results are as follows.

**Stallions Three and Over:** Won by ROCKFIELD; 2nd, LAD OF BO DOT, Mrs. R. J. Milne, Suchomish, Wash.; 3rd, LINN'S KNOX, Chet Bacigalupi, Independence.

**Stallions Two Years Old:** Won by FERNCREST SILVER KING; 2nd, SHAWALLA DIVIDE, Mr. and Mrs. Charles Akes, Joseph; 3rd, MR. DOMINO, Claudia Caldwell, Cottage Grove.

**Stallions One and Under:** Won by TONKA OF BO DOT, Mrs. R. J. Milne; 2nd, SHAWALLA PRINCE, Shawalla Morgan Ranch; 3rd, FERNCREST SOCIETY BOY, Mrs. David Olson, Junction City.

**Mares Three and Over:** Won by MARY TODD; 2nd, MY STARS, Chet Bacigalupi; 3rd, SONOMA'S GAZELLE, Pat Dennison, Halsey.

**Mares Two Years Old:** Won by TRINANGO'S ABBENETTE; 2nd, SHAWALLA QUEEN, Shawalla Morgan Ranch; 3rd, FERNCREST ROBINETTE, Donald J. Miller, Eugene.

**Mares One and Under:** Won by SHAWALLA TABBIE, Shawalla Morgan Ranch; 2nd, FERNCREST DOT, Mrs. David Olson.

**Mare and Suckling Foal:** Won by TRINANGO'S ABBENETTE, Mrs. David Olson; 2nd, ADDY BELLE, Mr. and Mrs. Ken Durrell, Philomath; 3rd, KISKA, Joan Kronbuegal, Salem.

**Mare and Produce:** Won by KATRINA, FIELD; 2nd, LO, GENTLE LARK; 3rd, TABBIE FIELD.

By CLAIRE WEST

Long will the dates of September 10th and 11th be remembered by everyone attending the Little Kanawha Saddle Club sixth annual horse show. The Saturday evening show was well attended, all classes filled and a nice track for all. But somehow during the night the weather man decided to make up for the dry spell we had earlier in the summer, raining all night and during the halter classes and most of the afternoon, thus keeping most of the horses in stalls and trailers till show time. Despite the rain and mud, the afternoon classes were well filled by both Western and English, all contestants were real good sports. Our Morgan classes were all well filled, this year, able to increase from two last year to five this year. Both English and Western under saddle, Reg. Morgan Stallion, Reg. Morgan Mares and Geldings, Reg. Morgan two years and under, (open), next year we hope to do better.

One of the most exciting moments during the show was the Western Plain Horse Championship Class Sunday night. When Ray Jones and Sam Brackman rode their Morgan stallion

to victory, even though the competition was rough.

Two of our club members attended the All-Morgan Horse Show at Frederick, Maryland this year. Ray Jones placed third in Reg. Morgan Stallion two year old, and sixth in harness with his two year old stallion Vigiltor. Pamela Leach came home with a third with Holly's Katrina at halter. Also Ray Leach and daughter Pamela have good reason to be proud of their yearling filly, Holly's Katrina, going to the Ashland, Ohio show held Sept. 21, taking first in her futurity class, second in open mare class (over 1 year under 3 years) and first Champion yearling in Ohio 1960. Congratulations to Pamela and Ray Leach.

Another new Morgan has come to W. Va., purchased by Mrs. Freida Johnson (my mother) from Dr. and Mrs. Albert Lucinne, Jr., of Narberth, Pennsylvania, the Morgan mare Ko Ko Dean, a beautiful ten year old chestnut in foal to the Lucinne's stallion Squire Penn.

The September story for Morgan horses centers around the Antelope Valley Fair and Alfalfa Festival in the desert town of Lancaster held each year from the 1st through 5th of September. I believe these were the only closed breed classes this month, but there was a very creditable turnout of good horses, judged by Mr. Quentin W. Best, approved American Horse Show Judge from Glendale, Calif. Results are as follows:

**Stallions, 4 years and over:** Won by EASTER GO HAWK, owned by Walter N. Magaw.

**Stallions, 3 years:** Won by ORRON, owned by C & S Morgan Horses, Arcadia; 2nd, MONTE VERMONT, owned by Barbara Rovira, Crestline.

**Stallions, Yearlings:** Won by RED ROGUE, owned by John H. Zoller, Costa Mesa; 2nd, SONNYBOY ALLEN, owned by A. L. Sherman, Van Nuys.

**Mares, 4 years and over:** Won by SPARKLE LADY, owned by Orlaine Ranch, Lucerne Valley; 2nd, PRINCESS ELIZABETH, owned by A. L. Sherman, Van Nuys; 3rd, JUDGE GUY, owned by John H. Zoller, Costa Mesa; 4th, SUNBONNET SUE, owned by A. L. Sherman; 5th, STARLITE VERMONT, owned by Barbara Rovira, Crestline.

**Mares, 3 years:** Won by ANITA JOAQUIN, owned by Con Pebbinger, shown by John Zoller; 2nd, KEDRON CINDERELLA, owned by A. L. Sherman, Van Nuys.

**Mares, 2 years:** Won by STARTLE, owned by Marion and Elmer Bente, Bishop;

**Mares, Yearlings:** Won by LA MONITA, owned by Marion and Elmer Bente, Bishop; 2nd, IRISH BELLE MONTE, owned by Barbara Rovira, Crestline; 3rd, CINDER MISS, owned by Barbara Rovira; 4th, IDA RED, owned by Orlaine Ranch, Lucerne Valley.

**Produce of Dam:** Won by Marion and Elmer Bente; 2nd, Barbara Rovira.

**Grand Champion Stallion:** ORRON, owned by C & S Morgan Horses.

**Grand Champion Mare:** SPARKLE LADY, owned by Orlaine Ranch.

In open competition, two well-known working Morgans from this area placed at the Ninth Annual Norco Valley Fair Show, Sept. 4th. Some 256 horses were entered for the day's events, making even a 6th place rosette a coveted thing. Waer's Serocco, ridden by Doris Borden, took the trophy in English Pleasure Horse, judged by Mr. Lloyd Linton of Garden Grove, California State Horsemen Assn. Judge. This in a class of 17 with another registered Morgan, Saint Gamie, 3 saddle breeds, 2 thoroughbreds, 2 quarter horses, and the rest registered Arabians or cross-bred Arab-Quarters. In the Stock Horse

Class, Marjorie Hambly's Belle Heather, ridden by trainer Don Thrall of Corona, placed 4th in a class of 9 horses.

We are told that Merle Little of Monrovia, the original breeder of Morgans in this area, recently sold his beautiful 6 year old Morgan gelding, Boss Man, to the movies for an astronomical figure. So, since movie roles for horses usually sees them on TV eventually, we'll keep a sharp eye peeled. And, speaking of TV, my junior operatives have been squealing with delight for some time over a TV program on Saturday mornings at 9:30 called FURY. In this area it comes over Channel 4. Since 9:30 on a Saturday morning during the long, hot summer is not conducive to sitting near a TV on a busy horse ranch, it took me some time to catch this program. When I finally did, I was utterly delighted with the two very beautiful, very typical Morgans who are the star actors. The script is definitely geared to an 8-year-old mentality, but the Morgans are for real, and you'll love 'em.

We have been saddened to hear that our Southern California Morgan President Walt Phillips of La Puente, met with a very bad accident that put him out of the running this summer, and that his lovely wife, a devotee of Morgans who never missed a meeting or show, will soon face her third major surgery in 3 months. Orval Smith, Secretary-Treasurer of the Club, has been keeping the Club going from his home in Arcadia, with the able assistance of charming wife, Elaine, who now divides her attention between new son and heir, Jeff, Orval and the Morgans stabled in their fine white barn with monogrammed stall guards for each horse!

## Cooper Hospital Horse Show

Camden, N. J., September 23 and 24

By AYELIEN RICHARDS

As the show season hustles through its closing weeks, the Fall show at Camden turned out to be one of the most interesting shows on the circuit. Due to the illness of the scheduled judge, Charles Barrie, the Morgan classes were judged by Mr. George Hudson. His method of judging caused some scrambling amongst the exhibitors and the majority of them quickly discovered that Morgans were going

to be expected to show as they should be shown in the ring. Each class was worked at each gait for a good period of time and the Morgans which won the judge's favor were the ones who could go on at a good square balanced trot and when asked to walk, could do so flat-footed without a show horse prance. The canter, too, was a good test as it was kept up long enough to test the much-touted endurance of the breed. In each class some horses were lined up hot and blowing, but the winners came through in fine shape.

The winner of the Morgan Stake was a little New York State stallion, U. C. High Life, owned by Nancy Gochee of Rome, N. Y. Shown by Jerry Kipp, he made a good show to take the ten entry stake with a high fast trot, looking good all the way. The Third Man, owned by Jo Costantino and shown by Anne Clifford, and Talisman, owned and shown by Ayelien Richards, both geldings by Lippitt Mandate, were popular ribbon winners taking first and second respectively in both the Stallion, Gelding and the Morgan Pleasure Classes. Mrs. Everett Crosby of Wappinger Falls, N. Y., had a good entry in her mare, Spring Hope, another Morgan that looks like she should and performed accordingly, winning both Mares Under Saddle and In Hand.

Another highlight of the show was the Command Class, judged as a "break and out" class. What a thrill it was to see that class boil down into a friendly duel between two Morgan stallions, both trained and ridden by young women from the Mid-Atlantic Club. As the rest of the already-disqualified riders watched (mounted on every popular breed), these two stallions put on a show that could surely make it obvious that Morgan stamina and willingness, coupled with expert handling and riding, were an unbeatable combination. The class was finally ended as one horse cross-cantered after reversing at a canter. The applause was spontaneous and appreciative when Helene Zimmerman (a winner in this class in other years on her popular Arrow Hawk) rode Dr. and Mrs. Robert Dreisbach's four-year-old Towne-Ayr Bobolink up for the trophy, followed by Ann Hopkins on the popular campaigner of many years, Manito.

This writer found the classes very enjoyable and fun, for although we were expected to show these horses — with good manners and mouths emphasized — the judge obviously wanted a

**BROOKLYN COWBOY**

The calfropers looked upon the city  
boy with scorn.  
For no good roper ever was Brooklyn  
born.  
They knew his efforts would be for  
naught.  
So with sly winks they welcomed  
him into the jackpot.  
The tenderfoot tied his calf in  
record time.  
This boy worked like a tophand in  
his prime.  
He caught his calf quick, tied it up  
fast.  
Reminded them somehow of a roper  
in the past.  
He did it all easy, he did it all  
cool.  
For this Brooklyn boy had been to  
roping school.

named Skagit So-Lo-Mie, she is a dark  
chestnut like Vigella and has a wide  
star, strip and snip and white lower  
lip and right hind stocking and left  
hind coronet white. When we were

in a big hurry to get on our way to  
Wenatchee for the Appleatchee Show,  
Skagit Klale decided to have her foal  
on 29 April. She has a fine colt by  
Sun Dust, he started out being a bay  
but now I believe he is going to be a  
liver chestnut like his sire, he is named  
Skagit Novak and he is a dandy. On  
25 May, Lucey B presented us with  
the blackest foal I have ever seen, her  
only marking a small white star. It  
is a filly and sired by Skagit Nack Yal.  
She is named Skagit Kloshe. All are  
doing well and truly enjoying these  
nice days in the big pasture.

Skagit Nack Yal is being shown this  
season by Mr. Jack Stecker of Tacoma  
and is doing very well. Skagit Toke-  
tie is being trained and shown by Mr.  
Darryl Kelly and she is doing beauti-  
fully. He has just trained her to drive  
and what a lovely little harness mare  
she is. She made her debut in harness  
at the All Morgan Show in July.

Mr. and Mrs. Donald Killman of  
Lake Bosworth have a pretty little half  
Morgan mare named Gypsy who pre-  
sented them with a very typey bay filly  
sired by Skagit Nack Yal. She has been  
named Dusty K and is the darling  
of The Lake Bosworth Resort which  
is owned and operated by the Killmans.

Mr. Harold Bryson's good black half-  
Morgan mare presented him with a  
lovely chestnut filly sired by Sun Dust.

is named Rochelle and is just as cute as she can be. Both of these mares are bred back to Nack.

Mr. and Mrs. R. W. Wiggins' mare Candy, a large buckskin, had a nice filly on 27 May which is a buckskin. This mare has recently been back to Red Top and bred back to Nack.

Mr. and Mrs. Clinton Howard of Darrington have a very nice quarter horse and thoroughbred mare, Lady, who had a very good colt in March sired by Sun Dust, he is a chestnut and very much a Morgan. He has been named Cheyenne. Lady has been bred back to Sun Dust. There are a good many other people who have not let me know what their mares presented them with.

Now we are busy as can be getting ready for our Morgan Show which will be history by the time this is read. The day following the show I am taking Sun Dust and my German shepherd Von and we are going up on the Sauk River in the Cascades for a week of riding in the hills. I'll try to be more prompt with our next news.

Mr. and Mrs. C. E. Dahlman of Free-land on Whidby Island have two lovely new foals, Abasue a beautiful black daughter of Highwood L and Indian Summer had a mighty fine black colt sired by Skagit Nack Yal on 20 April. Then Skagit Maid, a lovely chestnut daughter of Highwood L and Salal had a beautiful dainty little filly sired by Sun Dust. These two mares have both been to Red Top and are bred back to the same sires as before. Congratulations folks and we hope to see you at Wenatchee.

The all-Morgan show was lovely and we had such a good time. Will not go into it as it will be reported elsewhere.

Mr. Frank Hallett of Castle Rock, Wash., has purchased a very fine Sun Dust colt out of Skagit Klale, he is named Sunwood.

Dr. and Mrs. William Hooper of Ellensburg have purchased our adorable black filly by Skagit Nack Yal out of Lucey B. It is so hard to part with them, but I know she is going to have a wonderful home which really helps to ease the pain of parting.

Best wishes to all our friends from Red Top Farm.

## North Central

(Continued from Page 22)

I learned the Neide Cater's Hopi Coti had spent six weeks at the hospital barns of Mr. and Mrs. Merrill of Glyn-don, Minnesota, where she was bred to their newly acquired stallion, Max Hi Ho Kid. The Caters were delighted to find their mare had gained several extra pounds and was in beautiful show shape.

The Morgan classes at the State Fair were well filled, many more showing than there have been in previous years. Mr. Harlan L. Conley, LaGrange, Illinois judged the halter classes and the Morgan Combination. The results were as follows:

## Mid-America

(Continued from Page 19)

slowly and carefully being put together and the names of mares already booked to him looks like a Who's Who So-ciety of the Female Morgan World." Also saw the two year old bay filly, Dakota Lynn (Yellow Gold - Dakota Lassie) a powerfully built young mare, with a pleasing way of going, should make an excellent pleasure mare. The darling of the stable is personable little HyLee's Mary Ann (Agazizz - Knora Knox) small, fine, pretty and a special favorite of Gordon's. Kings-Haven Gunsmoke (Billy Burkland - HyLee's Lady Maudeen) was next. He is a yearling stallion, inky black, and sharp as a tack, watch for him, he'll make a name for himself. Mr. Heitman turned the eleven year old broodmare Cyanna out for a turn around the paddock, and wow, she has more get up and go ac-tion than many of today's show horses. This chestnut daughter of Congo and Cynthia has a really top notch stallion foal at her side sired by Sylvester

(Brown Pepper - Seneca Lady by Corn-wallis).

Also stopped with the Hitz's at the Roy Clark farm at Beaver Dam, Wis-consin where we saw the three year/ old stallion, HyLee's Windsong, a full brother to Mrs. Barton's HyLee's Lady's Man and looks enough like him to be his twin! Running with Wind-song is the well known mare, Fillaine (Fillmore - Moraine) heavy in foal to Windy. Can't wait to see that offspring, it should be a topper.

Mr. Heitman has always been one of our favorite people, and having him with us when we took in the Minnesota State Fair proved to be lots of fun, even though the temperature in the barn (around 100 degrees) left the horses and humans worn to a frazzle.

We were all very impressed with the excellent quality of the Morgans in that area, and with the quantity shown at the fair. HyLee's Torchsong, chestnut three year old mare, sired by Torch-fire and out of Illawana Marie, was Grand Champion Morgan Mare of the 1960 Minnesota State Fair, and her stablemate, HyLee's Lady M.E.L. two year old filly, sired by Justin Dart and out of Dolly Mae, was Reserve Grand Champion Morgan Mare.

Had an interesting letter from the Howard Browns of Greenwich, O., re-ported the purchase of Rosena (Sena-tor Graham-Moonrose) and her filly foal by O.C.R., from the Tas-Tee Farm of Hinkley, Ohio. The Browns family of Morgans is growing by leaps and bounds.

Mr. and Mrs. Gordon Heitman re-port the sale of a weanling stallion foal sired by Sylvester and out of Cyanna, to Bob, Jane and Jackie Behling, Hy-Lee Farms, Cambria, Wisconsin. He'll be called, HyLee's Hot Shot!

Had a letter from Dorothy Jasper who reports that she and John Sproul have moved their three horses into a new location at Wheaton, Illinois. Be-sides their head man Moro Hill's Adonis, they have a grade colt and a Champion Welsh Stallion, Criban Elect. Dorothy's un-Morgan that looks like a Morgan took in a local show and won a red ribbon in an Open Western Halter Class. He was the only year-ling there, along with several mature horses.

Have two new members to report this month. Miss Julie Ann Parr, of Racine, Wisconsin, who owns the ex-ccellent, colorful gelding Ala-B sired by Fillmore and out of Luxury. This little gelding is a real Western Pleasure

mount, and Julie a most accomplished horsewoman. And, Mr. John Wink of Elm Grove, Wisconsin who has recently purchased the very nice gelding Rocky's Pride sired by General Marshall, and out of Golden HyLee. Rocky is well broke for English and Western Pleasure. We extend a sincere welcome to Miss Parr and Mr. Wink and look forward to meeting them at the October meeting.

HyLee Farms announces the sale of the top yearling filly, HyLee's Lady Lynn to Mr. and Mrs. A. Gordon Heitman of Huntley, Illinois. This dark dappled chestnut with white mane and tail belongs to a famous family of sisters such as Champion HyLee's Lady Justin, Champion HyLee's Lady Maudeen and Champion HyLee's Lady M.E.L. She also has a famous half brother, Champion HyLee's Top Brass! All of the above mentioned are out of the great broodmare, Dolly Mae (Captain Red - Golden Honey), and all the "Lady's" are by Justin Dart (Squire Burger - Black Dee). The Heitman's have an eye for the good ones, and certainly have acquired none but the best in this future great.

Won't you contact our Secretary, Doris Norton of Monroe, Wisconsin, regarding membership? She will be happy to send you full particulars.

King Benn, who belies his years with his slick, well fed look and he still appreciates an audience. Mr. Hazard also has retained some stallions of Flyhawk breeding — one a typey bay, Chief Red Hawk and of course the well known Brown Falcon, who was enjoying the leisure of ranch life for a change. Another good looking dark

stallion of this breeding, with possibly not quite as good a head, but who seems to have the ability of putting excellent heads on his offspring, is Flyhawk's Black Star. Two other stallions that I have been curious about was Linsley Lee, a well set up 8 year old (and incidently the sire of Mr. Hazard's show mare who did so well at this year's National, Alfa Lee). The other was Sunflower King, who reminded me a great deal of my own 2 year old, although no close family relationship. There were other good youngsters that space does not permit listing. A word to the wise is usually sufficient — if any of you are in the vicinity of Topeka; don't miss a trip to see the Hazard Morgans. They are well worth it. Mr. Hazard has also written a short booklet on the Morgan horse, which will be enjoyed by anyone interested in the breed — it covers much in a few words and should help many in knowing what to look for in a Morgan.

## JUNIOR DIVISION — COLTS and FILLIES

By SALLY SCHUBERT

News is short this month for various reasons: First, I was not present at the August meeting due to a trip to Michigan. I have heard since that the Junior attendance (or indeed, the attendance of all Members) was not exactly overflowing. I guess vacations seem to all pile up in August to where one just can't wait any longer to get away for awhile. I surely don't blame them.

My vacation was only a weekend long but it was very rewarding. I was visiting my Morgan-loving friend in upper Michigan, Gracie Dickinson. If I'm not mistaken, she is planning to join the Morgan Club in her area and help spread some Morgan interest up there. The two of us rode in a small rodeo in Empire, Michigan and really had the time of our lives.

I am sure that all the Juniors want to congratulate Harry Sweet and Rhythm's Bimbo, his lovable cherry bay Morgan stallion for their grand triumph at the Latigo and Lariat Show, where they won the open barrel racing class. There were quite a few entries too. We're all proud of you, Bimbo, and rooting for you in the future. Speaking of rooting for Bimbo, he had a real cheering section at the show during the Morgan class and when Bimbo came around we really let loose with some noise. Alas, we overdid it and Bimbo took one look at the wild group and headed for the center of the Ring. After that, the silence was deafening un-

til Bimbo walked off with his ribbon for the class.

By the way, Robert Glenn rode his Towne Ayr Twig to the honored place of high point horse for the entire show. And wonderfully enough, his sister, Sarah, came in with Towne Ayr Sprig for second place! How grand for the Morgans!

Mark Staehnke and his father Martin, teamed up again for the pair class and I swear this pair looks better every time they enter the ring. Alike as two peas in a pod They took second place, too! Mark rode his Morgan mare, Justa Trinket, as usual and his father was on Lady Love, a Thoroughbred. The Glenns, looking spritely and neat, handily won this class on their two Morgan geldings.

They came back this year with two horses plus every member of the family. They are establishing a top Morgan farm in Altamont, New York.

Voorhis Farm has the best dressed grooms you ever saw.

Mr. Norris arrived Saturday and gave his real typey Morgan a good ride in the Pleasure Class.

Mrs. DeWitt really looks chic on a horse.

(Continued on Page 40)

Keene Annis gave Sweet Pepper quite a drive in the Harness Class. Bet she reminds him a bit of his sport car. Sue Annis look so well on this nice mare too. They are a top combination.

Incidentally seven states were represented here by the Morgan exhibitors.

Helene Zimmerman gave Dr. Dreisbach's gelding a wonderful ride in the Pleasure Class.

## Hessin' Around

(Continued from Page 12)

we're one nice big family. Thanks, folks.

There are magazines where all the ads seem stiff. Pa says all the ads proclaim that the breeders are only selling horses because of doctor's orders. Pa's just itching to send one— "Horse for sale. Poor health does not dictate I must sell. My only motive is profit."

One of the boys and Pa are fooling around with the bullwhip. They tell me they are working up an act. "Hey, Ma. C'mon hold the paper a minute." Nope. I guess I jes' don't have enough confidence in them. I tried cracking the whip once. It did not crack and it wound up around my neck. Pa was working in the garden right then and I ambled over to ask him how come the bullwhip acted like that for me. Just then, one of Pa's horse tradin' friends drove by. When he saw Pa working in the garden and Ma holding the whip, he laid on that horn and nearly wrecked his truck laughing.

I believe all this foolin' with the bullwhip is putting muscles on our boy. Maybe that's what he had in mind! I notice the comic books laying face down, and the Charles Atlas ads up, nowadays.

Love,  
Ma

## New England

(Continued from Page 11)

tion, ducked his head and walked nonchalantly through the shirts and dungarees.

The youngsters then demonstrated one way in which to accustom a horse to a cart. First, the cart was pulled by the children in front of the horse being driven from the ground, then the horse was driven right up to the cart and allowed to touch it with his nose. Next the children brought the cart up from behind and the horse was stopped. With the children taking the place of the harness, acting as the hold down straps, breeching and traces, the horse was "harnessed" but still ground driven from behind the cart. The next time we're at Mary Jean's I'm sure her mare will be driving nicely without her human harness.

We were next treated to seeing Whip-poorwill Duke, Mary Jean's eight year old stallion, take his turn in the ring. Saddled with a dumb jockey, Duke did an excellent job on the lunge line but this was only a warm-up of what was to come. She asked Duke to come into the center of the ring where he

stood while she unsnapped the lunge line and gave it to someone outside the ring. Duke remained standing until she returned then she commanded him to walk to the rail, walk faster, to trot—fast and slow—then walk again and whoa, all of which he did readily. Still with no other control than her voice she asked him to walk and then canter—which he did on the correct lead until he got the command to whoa. Mary Jean then commanded him into the center and the performance was repeated the reverse way of the ring. It was certainly a pleasure to see this well and unusually trained stallion.

Unfortunately I was unable to attend this meeting, but from all reports it was great fun and most successful.

Bill Clarke of Woodville reports the passing of his mare, Lippitt Adeline (Ashbrook x Adeline Bundy) in mid-September. This mare was the dam of twelve foals and will certainly be missed by the Clarkes.

Michael Machuga of Torrington reports the sale of his eight year old mare, Tiny O (Archie O x Curly Archie) to Eugene K. and Edna Rhodes, Lincoln, R. I. This mare is also used as a pair with the Rhodes' stallion, Captain Gallant. Tiny O has a chestnut filly at her side by Nabob Morgan which will be returned to Mr. Manchuga when she is weaned.

## MAINE

Mr. G. Edward Stanley of Medway, Maine reports that his barn has been like a beehive with horse lovers and Morgan breeders who have dropped in to see his lovely chestnut stud colt, Royalton Lynburke (Royalton Ashbrook Darling x Royalton Abigail). He purchased this colt from Dana Wingate Kelley at the Justine Morgan Farm in Woodstock, Vt. This colt was named after Lyndonville and Burke, the area in which Mr. Kelley obtained his original Morgans—Ethan Eldon, Darleen and Justine Morgan. This was Abigail's first foal, she being a daughter of Ethan Eldon and Lippitt Royalton Ashby. He possesses a double cross of Lippitt Ethan Ash, Ethan Eldon and John A. Darling and, in a few years, should be an outstanding stallion in Maine.

From the Maine Newsletter comes the report that Sandra Crossley of Greene has bred her mare, Broadwall Mist (Parade x Lyndrita to the Van Buskirks' Corisor of Upwey (Cornwallis x Arissa). Sandie is in the process of breaking her to saddle at Mrs. Thurston's Riding School—I should say continuing her saddle training as

Sandie showed her mare under saddle at the All Maine Morgan Show.

I gather from the Newsletter that Janet McGovern, Maxine Bubar, Grace Hawksley and Joan Dumont had quite a whirl at the National. Sorry to hear they were discouraged by Saturday's flood and had to return home — although if we had had to sleep in about a foot of water we would have done the same thing. While there, they really enjoyed themselves — I might add that if you are a Morgan enthusiast you really haven't "lived" until you've spent five or six days at the National!

### MASSACHUSETTS

Mr. Hollis P. Nicholas of Needham, Mass., is the new owner of a dark chestnut mare that he purchased this summer from Dana Wingate Kelley at the Justine Morgan Horse Farm in Woodstock, Vt. Her weanling filly, Royalton Ethan's Jody, who is also a dark chestnut with white face markings, so attracted Mr. Nicholas that he bred the mare back to Ethan Eldon and is looking forward to the new arrival in the spring.

Ann Nelson and Joseph Hoyt had that starry look about them at the Eastern States Horse Show — and no wonder — they had just become engaged! Ann is the daughter of the Charles P. A. Nelsons of Boxford and Joe, who has a farm in Chillicothe, Ohio, is the nephew of the late Nelson D. White — so, they couldn't be more Morgan minded. Ann made her debut on Joe's stallion, Rafinesque, at Eastern States placing well up in the ribbons — we will be looking for this attractive combination at the shows next year. I know all the Morgan world joins me in wishing them great happiness.

Another marriage of great interest to the Morgan world is that of Deborah Murphy of Quaker Farm, Groveland and John Dziadosc of Ipswich which took place on June 26, 1960 at the Sacred Heart Church in Ipswich. Debbie will be remembered for successfully showing Orcland Sealdon, Cherokee Maid, and Townshend Vigalect when all were young horses. Again, everyone joins me in wishing them much happiness.

Also, from the Nelsons in Boxford comes word that their new filly by Gay Dancer out of Amy Allen cannot be named Laura Allen as reported in the September issue. They have tentatively applied for Laura Lea Allen and are in hopes that the Club will accept this. I will confirm this at a future date.

I received a nice note from Dr. Blan-

chard W. Means of Elm Hill Farm, Brookfield, Mass. last week reporting two new purchases from the Voorhis Farm, Red Hook, New York. Ledge-wood Cora Jane (Pecos x Janee) is now Mrs. Means' personal mare; she is a full sister of Sealect of Wind-Crest. Marcy Lee (Orcland Leader x Marissa) belongs to Dr. Means' nephew, John Spencer, who will show her next year in place of Wind-Crest Star of Dawn who is in foal to Orcland Leader. Waseeka's Rockette (Upwey Ben Don x Varga Girl) is now at Voorhis Farm where she will be used as a brood mare. Other mares at Elm Hill are Wind-Crest Maytime (Upwey Ben Don x Seneca Sweetheart) and Wind-Crest Madonna (Upwey Ben Don x Ingrid) — this well matched pair are driven daily around the farm by Dr. and Mrs. Means. Also in the stable are a beautiful four year old mare, Bar-T Coreder (Orcland Leader x Corene) and a two year filly by Whippoorwill Duke out of Maytime.

John Lydon of Sir Echo Farm, Millis reports the sale of two horses to Mrs. Douglas M. Dalrymple of Elmira, New York. One, the bay stallion Cheyenne (Black Ran-Bo x Whippoorwill Melody) and the other, the bay gelding Philip Mansfield (Black Ran-Bo x Diana Mansfield) were purchased to replace the unfortunate loss of Black Ran-Bo by fire shortly before the National. Polly seems more than pleased with both horses and has them in training with W. Dayton Sumner, Daymar Farm, Moorestown, New Jersey.

### NEW HAMPSHIRE

Royalton Donald, a son of Royalton Ashbrook Darling and out of Lippitt Darling by John A. Darling, has been purchased by Olin Victor Cote of Hampton Falls from Dana Wingate Kelley of the Justine Morgan Farm in Woodstock, Vt. When matured, Donald is to be used for breeding in that area. He is a trappy going colt and already has three mares booked to his services.

I have only recently learned of the untimely death of Raymond Marvin's Marvin's Tinder — the lovely bay stallion by Knickerbocker out of Fire. I have no other details — this was reported to me at Eastern States by Dr. Edgar Butler. I know this loss will be keenly felt by Ray Marvin.

### VERMONT

Dana W. Kelley reports that visitors have been many at his Justine Morgan Farm, that several colts have gone to new homes, and that three fillies by Royalton Ashbrook Darling have had

many attractive bids, not only because of their high percentage but because they are also of much desired type with worlds of action. However, they are being retained by Mr. Kelley for future brood mares. The black filly, Royalton Melissa, out of Royalton Elnora he says is about all anyone could desire in a Morgan. He is also very keen about Royalton Letetia D. out of Royalton Justine Darling and Royalton Natasha out of Lippitt Royalton Nekomia. Many thanks, Mr. Kelley, for all the items you sent this month!

Again I am sorry to have to report two more losses to the Morgan breed. Mr. Harrison Miles of Hartland Four Corners recently lost his grand old mare, Lippitt Trilby Ash (Ashbrook x Trilby) — had she lived she would have been thirty next May. Another untimely loss was that of his eight year old stallion, Lippitt Simeon (Lippitt Norman x Lippitt Sandra).

News has been very meager this past month with most of it coming in at the zero hour. I do hope you all will try and help to make the December column a good one by gathering all bits of information and sending them to me promptly. A million thanks!

Leonard S. Wales of Weybridge, Vt., announces the arrival of a filly foal on August 30, 1960 by Tutor out of Myrita. She has been named Wales Farm Miracle and is a full sister to their four year old stallion, Wales Farm Major Bet.

There are a few show reports this month which I know you'll find interesting.

# Mississippi Valley Morgan News

The Mississippi Valley Morgan Club met for its September meeting at the beautiful new home of Mr. and Mrs. Lane Wilton, Lebanon, Illinois. The primary business was the election of officers for the forthcoming year. Elected were Neal Werts, President; Raymond Brachear, Vice-President; Allene Pocklington, Secretary; Lane Wilton, Treasurer and Pat Werts, Publicity Secretary. The following were elected to the Board of Directors: Truman Pocklington, F. K. Dzenoglewski, Ray Searls and Dr D. F. McCarthy. There was some discussion of our Morgan classes in the Illinois-Missouri shows and our Morgan show at Mt. Vernon. After the meeting, Lane Wilton showed us his horses. He owns the Morgans Dellama and her pert yearling filly by the Duke of Lebanon. The other Wilton horses are half-Morgan (with the exception of Pancho, the spotted pony) with many of the Morgan characteristics that make them a pleasure to look at and to ride.

F. K. Dzenoglewski invited us next door to look at his Morgans, especially a little bay three months old filly by Duke of Lebanon out of Princess Toby. He can rightly be proud of her. His other two colts had been weaned and looked good. Standing in the barn were the head man, Duke of Lebanon and a yearling stallion. Duke needs no introduction to most people in this area for he has been shown in many of our local shows, and doesn't need a sign hung on him to let people know what breed he is. The yearling stallion whose name I did not get, is a dark chestnut, well-grown youngster by Gallant Tex out of Amberina. Mr. Dzenoglewski thinks he is a good parade prospect.

Sunny skies greeted us on October 2nd for our second annual fall trail ride. Nineteen were present including children. Mr. and Mrs. Dzenoglewski, with some assistance from the Wiltons, saw to all the details. Those participating enjoyed the good food, pleasant companionship of fellow Morgan owners and admirers, and a nice ride down some of the back roads in the Lebanon area. Riding were Mr. and Mrs. Clarence Test on Bonnie Mae and Lucky, Mr. and Mrs. Lane Wilton with Dellama and a half-Morgan, their daughter with her spotted pony Pancho, Mr. and Mrs. Truman Pocklington on Donodon

and Rusty Ray (owned by Mr. Dzenoglewski), Capt. and Mrs. Harry Spiller on Amberina and Lilita (both owned by Mr. Dzenoglewski), Judy Bivert on Alladin, and several others whose names I do not have, a total of 14 riders. Mr. and Mrs. Neal Werts and Marcia drove Ozark Firefly until a tire blew out on the cart. Neal rode Firefly back bareback while Pat and Marcia rode in the back of Dzenoglewski's pickup.

Our final Morgan classes in the local shows were sadly lacking in entries, mainly because we have been unfortunate enough to lose three of our most active members this summer. First the W. C. Byers family moved to Albuquerque, New Mexico. We had a second shock when the Earl MacMichael family decided to move to Wisconsin. And then Mr. Searls was hospitalized with a heart attack. We have missed these folks and it means the rest of us will have to work a little harder to take up the slack.

Mr. and Mrs. Earl MacMichael were given a silver plate in appreciation of all they have done for the club. They are happy with their new farm in southern Wisconsin, where they will have more room for their Morgans, and will be active participants in many of the Morgan doings in that vicinity.

Earl MacMichael's Redberry won the big, beautiful trophy in the stallion class at the St. Louis Catholic Deaf Society Show, September 11 at Missouri Stables Arena. Second went to the dark chestnut, white maned weanling, Indian War Chief, owned and shown by Neal Werts. Dr. McCarthy's snappy-moving Panfield's Thor was third. Ozark Firefly won the mare class for Mr. and Mrs. Neal Werts. The Annual Illinois-Missouri Show on September 25, was the final show of the season. The mare and gelding class was won by Daisanna, T. T. Brunk's dark chestnut winner from Springfield, Ill. Second went to Ozark Firefly, with third going to another Thomas Brunk entry, the gelding Star Dan. Redberry added another blue to his collection, while Duke of Lebanon was second, Donodon third for the Pocklingtons, and Indian War Chief fourth for the Werts, in a good stallion class.

Barbara Monfort, young daughter of Mr. and Mrs. C. E. Monfort of Kirkwood, Mo., rode the Morgan gelding

Fancy Dan (Congo x Dellama) in the Manchester Saddle Club horse show September 11. They did beautifully and placed 4th in the English Pleasure Class. There were 12 horses competing, the rest ridden by adults, and the first three ribbons went to walking horses.

Dr. D. F. McCarthy of Florissant, Mo., has a new arrival in his barn, a little chestnut filly with a stripe and white stockings. She is sired by his Morgan, Panfield's Thor out of his good Palomino mare Gilda. Doc has named her Thorina, and already she shows strong Morgan characteristics, looking much like her sire.

Earl MacMichael has sold the good pleasure mare, Kay-K, by Redberry out of Maritana by Plains King, to Chester T. Eaker of R. R. 2, Edwardsville, Ill. The chestnut weanling stallion, Wec-Gee, by Redberry out of Jo-Jo has been sold to Joe Wickenhauser of Alton, Ill. Mac bought back the two year old stallion Suncrest Boy from Charles Schwaab of Alton who had purchased him as a yearling. He is also by Redberry and out of Tillicum by Lippitt Sam.

Friends of Mr. Ray Searls will be happy to know that he is coming along slowly, but improving all the time, following his heart attack late in August. He has been home for some time but confined to bed, so cards, letters and of course, visitors are all the more welcome to help pass the time away. Most of his horses have been turned out to pasture, and Mrs. Searls is taking care of those left in the barn. We look forward to the day when they can again take part in our club activities.

## TEAM MATES

by Dorothy Lockard

Hitched together day after day,  
Each always wanting his own way.  
The racehorse always rarin' to go,  
Mule always needin' a whip or a blow.  
Racehorse always easy to fret,  
Mule always ready to set and set.  
Racehorse apullin', makin' a start,  
Mule abalkin', holds back the cart.  
Racehorse awantin' to go, go, go.  
Mule just awaitin' for that "whoa."  
Hitched together day after day,  
Each always wanting his own way.  
There's all kinds of people, and all kinds of horses,  
But a team like that is what makes divorces.

Just another reminder, won't you please complete and return the evaluation sheets to our secretary, Mrs. Cliff Curl of Tigard. She is unable to complete this listing unless you return these forms. Please do it today.

Pat Dennison of Halsey purchased Sonoma's Gazelle, a very nice chestnut mare by Sonoma out of Auto Fly from Mr. and Mrs. Philip Morrison of Grants Pass. She is bred to Little Mt. Monte and should have an awfully nice foal next year. They miss her a lot but believe their new young stallion, Aranafield, recently purchased from Mr. and Mrs. Leo Beckley of Mt. Vernon, Wash., will keep them pretty well occupied. He is by that grand old stallion, Sonfield, out of Lady Margaret and placed first in the foals of 1960 at our All Morgan Show this year. They were really walking on air when they got him home safely and have great plans for him.

We were sorry to hear Mrs. Constance Ross of Mulino had the misfortune to lose the colt from her mare, Carminita, this year.

Laddy Linsley owned by Mrs. Cliff Curl of Tigard had his first taste of a parade in the Tualatin Crawfish Festival last month and believe it must agree with him as he strutted off with a blue ribbon. Nice going Betty.

From what we hear, we believe Scott Lake was a little damp again this year, also, a little rugged from the prowling of a hungry bear which was finally felled about 30 feet from the Curl's camp site. Betty Curl writes that he had prowled all Friday night, disturbing sleep, scaring the wits out of horses and making a general nuisance of himself. And to think of all of us that missed that good excitement.

We had the best turnout of Morgans at the State Fair than there has been for many a year. Rockfield from the Shawalla Morgan Horse Ranch in Walla Walla, Wash., was named Senior and Grand Champion Stallion with Ferncrest Silver King owned by Dr. C. D. Parkinson of Eugene, Junior Champion. Trinango's Abbenette owned by Mrs. David Olson of Junction City was Junior and Grand Champion mare with Mary Todd, owned by Jeanne van Deusen, Glendale, Senior Champion Mare. Complete results are as follows.

**Stallions Three and Over:** Won by ROCKFIELD; 2nd, LAD OF BO DOT, Mrs. R. J. Milne, Suchomish, Wash.; 3rd, LINN'S KNOX, Chet Bacigalupi, Independence.

**Stallions Two Years Old:** Won by FERNCREST SILVER KING; 2nd, SHAWALLA DIVIDE, Mr. and Mrs. Charles Akes, Joseph; 3rd, MR. DOMINO, Claudia Caldwell, Cottage Grove.

**Stallions One and Under:** Won by TONKA OF BO DOT, Mrs. R. J. Milne; 2nd, SHAWALLA PRINCE, Shawalla Morgan Ranch; 3rd, FERNCREST SOCIETY BOY, Mrs. David Olson, Junction City.

**Mares Three and Over:** Won by MARY TODD; 2nd, MY STARS, Chet Bacigalupi; 3rd, SONOMA'S GAZELLE, Pat Dennison, Halsey.

**Mares Two Years Old:** Won by TRINANGO'S ABBENETTE; 2nd, SHAWALLA QUEEN, Shawalla Morgan Ranch; 3rd, FERNCREST ROBINETTE, Donald J. Miller, Eugene.

**Mares One and Under:** Won by SHAWALLA TABBIE, Shawalla Morgan Ranch; 2nd, FERNCREST DOT, Mrs. David Olson.

**Mare and Suckling Foal:** Won by TRINANGO'S ABBENETTE, Mrs. David Olson; 2nd, ADDY BELLE, Mr. and Mrs. Ken Durrell, Philomath; 3rd, KISKA, Joan Kronbuegal, Salem.

**Mare and Produce:** Won by KATRINA, FIELD; 2nd, LO, GENTLE LARK; 3rd, TABBIE FIELD.

Long will the dates of September 10th and 11th be remembered by everyone attending the Little Kanawha Saddle Club sixth annual horse show. The Saturday evening show was well attended, all classes filled and a nice track for all. But somehow during the night the weather man decided to make up for the dry spell we had earlier in the summer, raining all night and during the halter classes and most of the afternoon, thus keeping most of the horses in stalls and trailers till show time. Despite the rain and mud, the afternoon classes were well filled by both Western and English, all contestants were real good sports. Our Morgan classes were all well filled, this year, able to increase from two last year to five this year. Both English and Western under saddle, Reg. Morgan Stallion, Reg. Morgan Mares and Geldings, Reg. Morgan two years and under, (open), next year we hope to do better.

One of the most exciting moments during the show was the Western Plain Horse Championship Class Sunday night. When Ray Jones and Sam Brackman rode their Morgan stallion

to victory, even though the competition was rough.

Two of our club members attended the All-Morgan Horse Show at Frederick, Maryland this year. Ray Jones placed third in Reg. Morgan Stallion two year old, and sixth in harness with his two year old stallion Vigiltor. Pamela Leach came home with a third with Holly's Katrina at halter. Also Ray Leach and daughter Pamela have good reason to be proud of their yearling filly, Holly's Katrina, going to the Ashland, Ohio show held Sept. 21, taking first in her futurity class, second in open mare class (over 1 year under 3 years) and first Champion yearling in Ohio 1960. Congratulations to Pamela and Ray Leach.

Another new Morgan has come to W. Va., purchased by Mrs. Freida Johnson (my mother) from Dr. and Mrs. Albert Lucinne, Jr., of Narberth, Pennsylvania, the Morgan mare Ko Ko Dean, a beautiful ten year old chestnut in foal to the Lucinne's stallion Squire Penn.

The September story for Morgan horses centers around the Antelope Valley Fair and Alfalfa Festival in the desert town of Lancaster held each year from the 1st through 5th of September. I believe these were the only closed breed classes this month, but there was a very creditable turnout of good horses, judged by Mr. Quentin W. Best, approved American Horse Show Judge from Glendale, Calif. Results are as follows:

**Stallions, 4 years and over:** Won by EASTER GO HAWK, owned by Walter N. Magaw.

**Stallions, 3 years:** Won by ORRON, owned by C & S Morgan Horses, Arcadia; 2nd, MONTE VERMONT, owned by Barbara Rovira, Crestline.

**Stallions, Yearlings:** Won by RED ROGUE, owned by John H. Zoller, Costa Mesa; 2nd, SONNYBOY ALLEN, owned by A. L. Sherman, Van Nuys.

**Mares, 4 years and over:** Won by SPARKLE LADY, owned by Orlaine Ranch, Lucerne Valley; 2nd, PRINCESS ELIZABETH, owned by A. L. Sherman, Van Nuys; 3rd, JUDGE GUY, owned by John H. Zoller, Costa Mesa; 4th, SUNBONNET SUE, owned by A. L. Sherman; 5th, STARLITE VERMONT, owned by Barbara Rovira, Crestline.

**Mares, 3 years:** Won by ANITA JOAQUIN, owned by Con Pebbinger, shown by John Zoller; 2nd, KEDRON CINDERELLA, owned by A. L. Sherman, Van Nuys.

**Mares, 2 years:** Won by STARTLE, owned by Marion and Elmer Bente, Bishop;

**Mares, Yearlings:** Won by LA MONITA, owned by Marion and Elmer Bente, Bishop; 2nd, IRISH BELLE MONTE, owned by Barbara Rovira, Crestline; 3rd, CINDER MISS, owned by Barbara Rovira; 4th, IDA RED, owned by Orlaine Ranch, Lucerne Valley.

**Produce of Dam:** Won by Marion and Elmer Bente; 2nd, Barbara Rovira.

**Grand Champion Stallion:** ORRON, owned by C & S Morgan Horses.

**Grand Champion Mare:** SPARKLE LADY, owned by Orlaine Ranch.

In open competition, two well-known working Morgans from this area placed at the Ninth Annual Norco Valley Fair Show, Sept. 4th. Some 256 horses were entered for the day's events, making even a 6th place rosette a coveted thing. Waer's Serocco, ridden by Doris Borden, took the trophy in English Pleasure Horse, judged by Mr. Lloyd Linton of Garden Grove, California State Horsemen Assn. Judge. This in a class of 17 with another registered Morgan, Saint Gamie, 3 saddle breeds, 2 thoroughbreds, 2 quarter horses, and the rest registered Arabians or cross-bred Arab-Quarters. In the Stock Horse

Class, Marjorie Hambly's Belle Heather, ridden by trainer Don Thrall of Corona, placed 4th in a class of 9 horses.

We are told that Merle Little of Monrovia, the original breeder of Morgans in this area, recently sold his beautiful 6 year old Morgan gelding, Boss Man, to the movies for an astronomical figure. So, since movie roles for horses usually sees them on TV eventually, we'll keep a sharp eye peeled. And, speaking of TV, my junior operatives have been squealing with delight for some time over a TV program on Saturday mornings at 9:30 called FURY. In this area it comes over Channel 4. Since 9:30 on a Saturday morning during the long, hot summer is not conducive to sitting near a TV on a busy horse ranch, it took me some time to catch this program. When I finally did, I was utterly delighted with the two very beautiful, very typical Morgans who are the star actors. The script is definitely geared to an 8-year-old mentality, but the Morgans are for real, and you'll love 'em.

We have been saddened to hear that our Southern California Morgan President Walt Phillips of La Puente, met with a very bad accident that put him out of the running this summer, and that his lovely wife, a devotee of Morgans who never missed a meeting or show, will soon face her third major surgery in 3 months. Orval Smith, Secretary-Treasurer of the Club, has been keeping the Club going from his home in Arcadia, with the able assistance of charming wife, Elaine, who now divides her attention between new son and heir, Jeff, Orval and the Morgans stabled in their fine white barn with monogrammed stall guards for each horse!

## Cooper Hospital Horse Show

Camden, N. J., September 23 and 24

By AYELIEN RICHARDS

As the show season hustles through its closing weeks, the Fall show at Camden turned out to be one of the most interesting shows on the circuit. Due to the illness of the scheduled judge, Charles Barrie, the Morgan classes were judged by Mr. George Hudson. His method of judging caused some scrambling amongst the exhibitors and the majority of them quickly discovered that Morgans were going

to be expected to show as they should be shown in the ring. Each class was worked at each gait for a good period of time and the Morgans which won the judge's favor were the ones who could go on at a good square balanced trot and when asked to walk, could do so flat-footed without a show horse prance. The canter, too, was a good test as it was kept up long enough to test the much-touted endurance of the breed. In each class some horses were lined up hot and blowing, but the winners came through in fine shape.

The winner of the Morgan Stake was a little New York State stallion, U. C. High Life, owned by Nancy Gochee of Rome, N. Y. Shown by Jerry Kipp, he made a good show to take the ten entry stake with a high fast trot, looking good all the way. The Third Man, owned by Jo Costantino and shown by Anne Clifford, and Talisman, owned and shown by Ayelien Richards, both geldings by Lippitt Mandate, were popular ribbon winners taking first and second respectively in both the Stallion, Gelding and the Morgan Pleasure Classes. Mrs. Everett Crosby of Wappinger Falls, N. Y., had a good entry in her mare, Spring Hope, another Morgan that looks like she should and performed accordingly, winning both Mares Under Saddle and In Hand.

Another highlight of the show was the Command Class, judged as a "break and out" class. What a thrill it was to see that class boil down into a friendly duel between two Morgan stallions, both trained and ridden by young women from the Mid-Atlantic Club. As the rest of the already-disqualified riders watched (mounted on every popular breed), these two stallions put on a show that could surely make it obvious that Morgan stamina and willingness, coupled with expert handling and riding, were an unbeatable combination. The class was finally ended as one horse cross-cantered after reversing at a canter. The applause was spontaneous and appreciative when Helene Zimmerman (a winner in this class in other years on her popular Arrow Hawk) rode Dr. and Mrs. Robert Dreisbach's four-year-old Towne-Ayr Bobolink up for the trophy, followed by Ann Hopkins on the popular campaigner of many years, Manito.

This writer found the classes very enjoyable and fun, for although we were expected to show these horses — with good manners and mouths emphasized — the judge obviously wanted a

The calfropers looked upon the city  
boy with scorn.  
For no good roper ever was Brooklyn  
born.  
They knew his efforts would be for  
naught.  
So with sly winks they welcomed  
him into the jackpot.  
The tenderfoot tied his calf in  
record time.  
This boy worked like a tophand in  
his prime.  
He caught his calf quick, tied it up  
fast.  
Reminded them somehow of a roper

He did it all easy, he did it all

For this Brooklyn boy had been to

in a big hurry to get on our way to

Skagit Klale decided to have her foal  
on 29 April. She has a fine colt by  
Sun Dust, he started out being a bay  
but now I believe he is going to be a  
liver chestnut like his sire, he is named  
Skagit Novak and he is a dandy. On  
25 May, Lucey B presented us with  
the blackest foal I have ever seen, her  
only marking a small white star. It  
is a filly and sired by Skagit Nack Yal.  
She is named Skagit Kloshe. All are  
doing well and truly enjoying these  
nice days in the big pasture.

Skagit Nack Yal is being shown this  
season by Mr. Jack Stecker of Tacoma  
and is doing very well. Skagit Toke-  
tie is being trained and shown by Mr.  
Darryl Kelly and she is doing beauti-  
fully. He has just trained her to drive  
and what a lovely little harness mare  
she is. She made her debut in harness  
at the All Morgan Show in July.

is named Rochelle and is just as cute as she can be. Both of these mares are bred back to Nack.

Mr. and Mrs. R. W. Wiggins' mare Candy, a large buckskin, had a nice filly on 27 May which is a buckskin. This mare has recently been back to Red Top and bred back to Nack.

Mr. and Mrs. Clinton Howard of Darrington have a very nice quarter horse and thoroughbred mare, Lady, who had a very good colt in March sired by Sun Dust, he is a chestnut and very much a Morgan. He has been named Cheyenne. Lady has been bred back to Sun Dust. There are a good many other people who have not let me know what their mares presented them with.

Now we are busy as can be getting ready for our Morgan Show which will be history by the time this is read. The day following the show I am taking Sun Dust and my German shepherd Von and we are going up on the Sauk River in the Cascades for a week of riding in the hills. I'll try to be more prompt with our next news.

Mr. and Mrs. C. E. Dahlman of Free-land on Whidby Island have two lovely new foals, Abasue a beautiful black daughter of Highwood L and Indian Summer had a mighty fine black colt sired by Skagit Nack Yal on 20 April. Then Skagit Maid, a lovely chestnut daughter of Highwood L and Salal had a beautiful dainty little filly sired by Sun Dust. These two mares have both been to Red Top and are bred back to the same sires as before. Congratulations folks and we hope to see you at Wenatchee.

The all-Morgan show was lovely and we had such a good time. Will not go into it as it will be reported elsewhere.

Mr. Frank Hallett of Castle Rock, Wash., has purchased a very fine Sun Dust colt out of Skagit Klale, he is named Sunwood.

Dr. and Mrs. William Hooper of Ellensburg have purchased our adorable black filly by Skagit Nack Yal out of Lucey B. It is so hard to part with them, but I know she is going to have a wonderful home which really helps to ease the pain of parting.

Best wishes to all our friends from Red Top Farm.

## North Central

(Continued from Page 22)

I learned the Neide Cater's Hopi Coti had spent six weeks at the hospital barns of Mr. and Mrs. Merrill of Glyn-don, Minnesota, where she was bred to their newly acquired stallion, Max Hi Ho Kid. The Caters were delighted to find their mare had gained several extra pounds and was in beautiful show shape.

The Morgan classes at the State Fair were well filled, many more showing than there have been in previous years. Mr. Harlan L. Conley, LaGrange, Illinois judged the halter classes and the Morgan Combination. The results were as follows:

## Mid-America

(Continued from Page 19)

slowly and carefully being put together and the names of mares already booked to him looks like a Who's Who So-ciety of the Female Morgan World." Also saw the two year old bay filly, Dakota Lynn (Yellow Gold - Dakota Lassie) a powerfully built young mare, with a pleasing way of going, should make an excellent pleasure mare. The darling of the stable is personable little HyLee's Mary Ann (Agazizz - Knora Knox) small, fine, pretty and a special favorite of Gordon's. Kings-Haven Gunsmoke (Billy Burkland - HyLee's Lady Maudeen) was next. He is a yearling stallion, inky black, and sharp as a tack, watch for him, he'll make a name for himself. Mr. Heitman turned the eleven year old broodmare Cyanna out for a turn around the paddock, and wow, she has more get up and go ac-tion than many of today's show horses. This chestnut daughter of Congo and Cynthia has a really top notch stallion foal at her side sired by Sylvester

(Brown Pepper - Seneca Lady by Corn-wallis).

Also stopped with the Hitz's at the Roy Clark farm at Beaver Dam, Wis-consin where we saw the three year/ old stallion, HyLee's Windsong, a full brother to Mrs. Barton's HyLee's Lady's Man and looks enough like him to be his twin! Running with Wind-song is the well known mare, Fillaine (Fillmore - Moraine) heavy in foal to Windy. Can't wait to see that offspring, it should be a topper.

Mr. Heitman has always been one of our favorite people, and having him with us when we took in the Minnesota State Fair proved to be lots of fun, even though the temperature in the barn (around 100 degrees) left the horses and humans worn to a frazzle.

We were all very impressed with the excellent quality of the Morgans in that area, and with the quantity shown at the fair. HyLee's Torchsong, chestnut three year old mare, sired by Torch-fire and out of Illawana Marie, was Grand Champion Morgan Mare of the 1960 Minnesota State Fair, and her stablemate, HyLee's Lady M.E.L. two year old filly, sired by Justin Dart and out of Dolly Mae, was Reserve Grand Champion Morgan Mare.

Had an interesting letter from the Howard Browns of Greenwich, O., re-ported the purchase of Rosena (Sena-tor Graham-Moonrose) and her filly foal by O.C.R., from the Tas-Tee Farm of Hinkley, Ohio. The Browns family of Morgans is growing by leaps and bounds.

Mr. and Mrs. Gordon Heitman re-port the sale of a weanling stallion foal sired by Sylvester and out of Cyanna, to Bob, Jane and Jackie Behling, Hy-Lee Farms, Cambria, Wisconsin. He'll be called, HyLee's Hot Shot!

Had a letter from Dorothy Jasper who reports that she and John Sproul have moved their three horses into a new location at Wheaton, Illinois. Be-sides their head man Moro Hill's Adonis, they have a grade colt and a Champion Welsh Stallion, Criban Elect. Dorothy's un-Morgan that looks like a Morgan took in a local show and won a red ribbon in an Open Western Halter Class. He was the only year-ling there, along with several mature horses.

Have two new members to report this month. Miss Julie Ann Parr, of Racine, Wisconsin, who owns the ex-ccellent, colorful gelding Ala-B sired by Fillmore and out of Luxury. This little gelding is a real Western Pleasure

mount, and Julie a most accomplished horsewoman. And, Mr. John Wink of Elm Grove, Wisconsin who has recently purchased the very nice gelding Rocky's Pride sired by General Marshall, and out of Golden HyLee. Rocky is well broke for English and Western Pleasure. We extend a sincere welcome to Miss Parr and Mr. Wink and look forward to meeting them at the October meeting.

HyLee Farms announces the sale of the top yearling filly, HyLee's Lady Lynn to Mr. and Mrs. A. Gordon Heitman of Huntley, Illinois. This dark dappled chestnut with white mane and tail belongs to a famous family of sisters such as Champion HyLee's Lady Justin, Champion HyLee's Lady Maudeen and Champion HyLee's Lady M.E.L. She also has a famous half brother, Champion HyLee's Top Brass! All of the above mentioned are out of the great broodmare, Dolly Mae (Captain Red - Golden Honey), and all the "Lady's" are by Justin Dart (Squire Burger - Black Dee). The Heitman's have an eye for the good ones, and certainly have acquired none but the best in this future great.

Won't you contact our Secretary, Doris Norton of Monroe, Wisconsin, regarding membership? She will be happy to send you full particulars.

King Benn, who belies his years with his slick, well fed look and he still appreciates an audience. Mr. Hazard also has retained some stallions of Flyhawk breeding — one a typey bay, Chief Red Hawk and of course the well known Brown Falcon, who was enjoying the leisure of ranch life for a change. Another good looking dark

stallion of this breeding, with possibly not quite as good a head, but who seems to have the ability of putting excellent heads on his offspring, is Flyhawk's Black Star. Two other stallions that I have been curious about was Linsley Lee, a well set up 8 year old (and incidently the sire of Mr. Hazard's show mare who did so well at this year's National, Alfa Lee). The other was Sunflower King, who reminded me a great deal of my own 2 year old, although no close family relationship. There were other good youngsters that space does not permit listing. A word to the wise is usually sufficient — if any of you are in the vicinity of Topeka; don't miss a trip to see the Hazard Morgans. They are well worth it. Mr. Hazard has also written a short booklet on the Morgan horse, which will be enjoyed by anyone interested in the breed — it covers much in a few words and should help many in knowing what to look for in a Morgan.

## JUNIOR DIVISION — COLTS and FILLIES

By SALLY SCHUBERT

News is short this month for various reasons: First, I was not present at the August meeting due to a trip to Michigan. I have heard since that the Junior attendance (or indeed, the attendance of all Members) was not exactly overflowing. I guess vacations seem to all pile up in August to where one just can't wait any longer to get away for awhile. I surely don't blame them.

My vacation was only a weekend long but it was very rewarding. I was visiting my Morgan-loving friend in upper Michigan, Gracie Dickinson. If I'm not mistaken, she is planning to join the Morgan Club in her area and help spread some Morgan interest up there. The two of us rode in a small rodeo in Empire, Michigan and really had the time of our lives.

I am sure that all the Juniors want to congratulate Harry Sweet and Rhythm's Bimbo, his lovable cherry bay Morgan stallion for their grand triumph at the Latigo and Lariat Show, where they won the open barrel racing class. There were quite a few entries too. We're all proud of you, Bimbo, and rooting for you in the future. Speaking of rooting for Bimbo, he had a real cheering section at the show during the Morgan class and when Bimbo came around we really let loose with some noise. Alas, we overdid it and Bimbo took one look at the wild group and headed for the center of the Ring. After that, the silence was deafening un-

til Bimbo walked off with his ribbon for the class.

By the way, Robert Glenn rode his Towne Ayr Twig to the honored place of high point horse for the entire show. And wonderfully enough, his sister, Sarah, came in with Towne Ayr Sprig for second place! How grand for the Morgans!

Mark Staehnke and his father Martin, teamed up again for the pair class and I swear this pair looks better every time they enter the ring. Alike as two peas in a pod They took second place, too! Mark rode his Morgan mare, Justa Trinket, as usual and his father was on Lady Love, a Thoroughbred. The Glenns, looking spritely and neat, handily won this class on their two Morgan geldings.

They came back this year with two horses plus every member of the family. They are establishing a top Morgan farm in Altamont, New York.

## Hessin' Around

(Continued from Page 12)

we're one nice big family. Thanks, folks.

There are magazines where all the ads seem stiff. Pa says all the ads proclaim that the breeders are only selling horses because of doctor's orders. Pa's just itching to send one— "Horse for sale. Poor health does not dictate I must sell. My only motive is profit."

One of the boys and Pa are fooling around with the bullwhip. They tell me they are working up an act. "Hey, Ma. C'mon hold the paper a minute." Nope. I guess I jes' don't have enough confidence in them. I tried cracking the whip once. It did not crack and it wound up around my neck. Pa was working in the garden right then and I ambled over to ask him how come the bullwhip acted like that for me. Just then, one of Pa's horse tradin' friends drove by. When he saw Pa working in the garden and Ma holding the whip, he laid on that horn and nearly wrecked his truck laughing.

I believe all this foolin' with the bullwhip is putting muscles on our boy. Maybe that's what he had in mind! I notice the comic books laying face down, and the Charles Atlas ads up, nowadays.

Love,  
Ma

tion, ducked his head and walked nonchalantly through the shirts and dungarees.

The youngsters then demonstrated one way in which to accustom a horse to a cart. First, the cart was pulled by the children in front of the horse being driven from the ground, then the horse was driven right up to the cart and allowed to touch it with his nose. Next the children brought the cart up from behind and the horse was stopped. With the children taking the place of the harness, acting as the hold down straps, breeching and traces, the horse was "harnessed" but still ground driven from behind the cart. The next time we're at Mary Jean's I'm sure her mare will be driving nicely without her human harness.

We were next treated to seeing Whip-poorwill Duke, Mary Jean's eight year old stallion, take his turn in the ring. Saddled with a dumb jockey, Duke did an excellent job on the lunge line but this was only a warm-up of what was to come. She asked Duke to come into the center of the ring where he

stood while she unsnapped the lunge line and gave it to someone outside the ring. Duke remained standing until she returned then she commanded him to walk to the rail, walk faster, to trot—fast and slow—then walk again and whoa, all of which he did readily. Still with no other control than her voice she asked him to walk and then canter—which he did on the correct lead until he got the command to whoa. Mary Jean then commanded him into the center and the performance was repeated the reverse way of the ring. It was certainly a pleasure to see this well and unusually trained stallion.

Unfortunately I was unable to attend this meeting, but from all reports it was great fun and most successful.

Bill Clarke of Woodville reports the passing of his mare, Lippitt Adeline (Ashbrook x Adeline Bundy) in mid-September. This mare was the dam of twelve foals and will certainly be missed by the Clarkes.

Michael Machuga of Torrington reports the sale of his eight year old mare, Tiny O (Archie O x Curly Archie) to Eugene K. and Edna Rhodes, Lincoln, R. I. This mare is also used as a pair with the Rhodes' stallion, Captain Gallant. Tiny O has a chestnut filly at her side by Nabob Morgan which will be returned to Mr. Manchuga when she is weaned.

## MAINE

Mr. G. Edward Stanley of Medway, Maine reports that his barn has been like a beehive with horse lovers and Morgan breeders who have dropped in to see his lovely chestnut stud colt, Royalton Lynburke (Royalton Ashbrook Darling x Royalton Abigail). He purchased this colt from Dana Wingate Kelley at the Justine Morgan Farm in Woodstock, Vt. This colt was named after Lyndonville and Burke, the area in which Mr. Kelley obtained his original Morgans—Ethan Eldon, Darleen and Justine Morgan. This was Abigail's first foal, she being a daughter of Ethan Eldon and Lippitt Royalton Ashby. He possesses a double cross of Lippitt Ethan Ash, Ethan Eldon and John A. Darling and, in a few years, should be an outstanding stallion in Maine.

From the Maine Newsletter comes the report that Sandra Crossley of Greene has bred her mare, Broadwall Mist (Parade x Lyndrita to the Van Buskirks' Corisor of Upwey (Cornwallis x Arissa). Sandie is in the process of breaking her to saddle at Mrs. Thurston's Riding School—I should say continuing her saddle training as

Sandie showed her mare under saddle at the All Maine Morgan Show.

I gather from the Newsletter that Janet McGovern, Maxine Bubar, Grace Hawksley and Joan Dumont had quite a whirl at the National. Sorry to hear they were discouraged by Saturday's flood and had to return home — although if we had had to sleep in about a foot of water we would have done the same thing. While there, they really enjoyed themselves — I might add that if you are a Morgan enthusiast you really haven't "lived" until you've spent five or six days at the National!

### MASSACHUSETTS

Mr. Hollis P. Nicholas of Needham, Mass., is the new owner of a dark chestnut mare that he purchased this summer from Dana Wingate Kelley at the Justine Morgan Horse Farm in Woodstock, Vt. Her weanling filly, Royalton Ethan's Jody, who is also a dark chestnut with white face markings, so attracted Mr. Nicholas that he bred the mare back to Ethan Eldon and is looking forward to the new arrival in the spring.

Ann Nelson and Joseph Hoyt had that starry look about them at the Eastern States Horse Show — and no wonder — they had just become engaged! Ann is the daughter of the Charles P. A. Nelsons of Boxford and Joe, who has a farm in Chillicothe, Ohio, is the nephew of the late Nelson D. White — so, they couldn't be more Morgan minded. Ann made her debut on Joe's stallion, Rafinesque, at Eastern States placing well up in the ribbons — we will be looking for this attractive combination at the shows next year. I know all the Morgan world joins me in wishing them great happiness.

Another marriage of great interest to the Morgan world is that of Deborah Murphy of Quaker Farm, Groveland and John Dziadosc of Ipswich which took place on June 26, 1960 at the Sacred Heart Church in Ipswich. Debbie will be remembered for successfully showing Orcland Sealdon, Cherokee Maid, and Townshend Vigalect when all were young horses. Again, everyone joins me in wishing them much happiness.

Also, from the Nelsons in Boxford comes word that their new filly by Gay Dancer out of Amy Allen cannot be named Laura Allen as reported in the September issue. They have tentatively applied for Laura Lea Allen and are in hopes that the Club will accept this. I will confirm this at a future date.

I received a nice note from Dr. Blan-

chard W. Means of Elm Hill Farm, Brookfield, Mass. last week reporting two new purchases from the Voorhis Farm, Red Hook, New York. Ledge-wood Cora Jane (Pecos x Janee) is now Mrs. Means' personal mare; she is a full sister of Sealect of Wind-Crest. Marcy Lee (Orcland Leader x Marissa) belongs to Dr. Means' nephew, John Spencer, who will show her next year in place of Wind-Crest Star of Dawn who is in foal to Orcland Leader. Waseeka's Rockette (Upwey Ben Don x Varga Girl) is now at Voorhis Farm where she will be used as a brood mare. Other mares at Elm Hill are Wind-Crest Maytime (Upwey Ben Don x Seneca Sweetheart) and Wind-Crest Madonna (Upwey Ben Don x Ingrid) — this well matched pair are driven daily around the farm by Dr. and Mrs. Means. Also in the stable are a beautiful four year old mare, Bar-T Coreder (Orcland Leader x Corene) and a two year filly by Whippoorwill Duke out of Maytime.

John Lydon of Sir Echo Farm, Millis reports the sale of two horses to Mrs. Douglas M. Dalrymple of Elmira, New York. One, the bay stallion Cheyenne (Black Ran-Bo x Whippoorwill Melody) and the other, the bay gelding Philip Mansfield (Black Ran-Bo x Diana Mansfield) were purchased to replace the unfortunate loss of Black Ran-Bo by fire shortly before the National. Polly seems more than pleased with both horses and has them in training with W. Dayton Sumner, Daymar Farm, Moorestown, New Jersey.

### NEW HAMPSHIRE

Royalton Donald, a son of Royalton Ashbrook Darling and out of Lippitt Darling by John A. Darling, has been purchased by Olin Victor Cote of Hampton Falls from Dana Wingate Kelley of the Justine Morgan Farm in Woodstock, Vt. When matured, Donald is to be used for breeding in that area. He is a trappy going colt and already has three mares booked to his services.

I have only recently learned of the untimely death of Raymond Marvin's Marvin's Tinder — the lovely bay stallion by Knickerbocker out of Fire. I have no other details — this was reported to me at Eastern States by Dr. Edgar Butler. I know this loss will be keenly felt by Ray Marvin.

### VERMONT

Dana W. Kelley reports that visitors have been many at his Justine Morgan Farm, that several colts have gone to new homes, and that three fillies by Royalton Ashbrook Darling have had

many attractive bids, not only because of their high percentage but because they are also of much desired type with worlds of action. However, they are being retained by Mr. Kelley for future brood mares. The black filly, Royalton Melissa, out of Royalton Elnora he says is about all anyone could desire in a Morgan. He is also very keen about Royalton Letetia D. out of Royalton Justine Darling and Royalton Natasha out of Lippitt Royalton Nekomia. Many thanks, Mr. Kelley, for all the items you sent this month!

Again I am sorry to have to report two more losses to the Morgan breed. Mr. Harrison Miles of Hartland Four Corners recently lost his grand old mare, Lippitt Trilby Ash (Ashbrook x Trilby) — had she lived she would have been thirty next May. Another untimely loss was that of his eight year old stallion, Lippitt Simeon (Lippitt Norman x Lippitt Sandra).

News has been very meager this past month with most of it coming in at the zero hour. I do hope you all will try and help to make the December column a good one by gathering all bits of information and sending them to me promptly. A million thanks!

Leonard S. Wales of Weybridge, Vt., announces the arrival of a filly foal on August 30, 1960 by Tutor out of Myrita. She has been named Wales Farm Miracle and is a full sister to their four year old stallion, Wales Farm Major Bet.

There are a few show reports this month which I know you'll find interesting.

As the Governor's Horse Guard Show held in Avon is in our back yard practically, I would have no excuse for not being there! This was held on Saturday and Sunday, October 1st and 2nd. Unfortunately for Morgans this was a most complicated weekend. With the Deerfield Fair Show in New Hampshire and the All Morgan Show in Syracuse, N. Y. entries were very slim. Also, the Weanling Sale kept a few away from the shows. However, if numbers lacked spirits definitely were gay, though quite chilly at times! I understand that the exhibitors party on Saturday night was one of the best in a long time. Everyone was very grateful for the sun and hardly complained about the cold as this show has been plagued the past two years by most inclement weather.

**Morgans Over 15 Hands:** Won by WASEEKA'S NOCTURNE, Waseeka Farm; 2nd, WIND-CREST PRIMA DONA, Ralph C. Lasbury; 3rd, U. C. TORIN, Marianne J. Drake.

**Morgan Stake:** Won by WASEEKA'S NOCTURNE; 2nd, SWEET PEPPER, Waseeka Farm; 3rd, WIND-CREST PRIMA DONA, Ralph C. Lasbury; 4th, EBONY DANCER, Mr. and Mrs. O. Dann DeWitt.

These classes were judged by William Cunningham of Mexico, Missouri.

they are related. "Even people may have one less vertebra, and some animals constantly vary. In the Morgan horse I have seen some that have one less vertebra and some that do not. The factor does not relate to the shortness of the back, per se."

A story favorite with us was related that evening when our speaker told of the time Robert Frost, America's great poet, was visiting and lecturing in Ann Arbor. The two men were life-long friends and the story goes that one night as they were preparing to leave Dr. Ruthven's home and go to the auditorium where Frost was to read his own poems, Frost asked to borrow a volume of Dr. Ruthven's as he had neglected to bring his own. Of course to accommodate his friend, he sought

the wanted copy from the shelf and turned it over to him. That evening before the assembled audience, Robert Frost said he would read his first selection from the "Morgan Horse Edition" of his poems, in honor of his friend, Dr. Ruthven. Later two English professors rushed up to Dr. Ruthven to inquire about obtaining copies of this new edition, but with a smile, the president had to inform them that there was only one copy of that edition, his own, and to this day it is so inscribed. If you have not read it recently, this is the time of year to read again Robert Frost's fine tribute to a Morgan colt in the poem called, "The Runaway." We thank you, Dr. Ruthven, for a wonderfully congenial evening.

The Morgan Horse succeeds again in proving his all-around versatility, excellent disposition and great endurance. Where? At a private camp for girls, Huntingdon Camp, on beautiful Walloon Lake. Milo Measel reports visiting there this summer and being escorted around Huntingdon Camp's four hundred acre site by the gracious directors, Mr. and Mrs. F. V. Tomlinson. While the camp excels in all types of recreational possibilities, it is unique in its horsemanship offerings. It is a fact that all horses used are Morgans of good quality and temperament. Other breeds were selected in the past, but the Morgan proved to be the most suitable for instruction and all-round use and pleasure. Beginners are taught equitation in the ring until the instructor and riders have confidence in their ability to ride over the camp trails. Highlights of the season for riders are Horse Shows, trips through the woodland trails, and special events on horseback. The Camp offers a variety of activities and camp experiences, but tops with the girls are the Morgan horses. Many of those in

use are of the Hycrest Morgan Horse Farm breeding of Milo Measel of Novi.

We had a nice chat with Ron and Bee Priest at the State Fair and are glad they have enjoyed their farm at Alpena. They have not regretted their decision to go into farming full-time. Ron and Bee expect to settle things at the farm before winter and to be able to spend some time in the south part of the state, probably in Detroit, where Ron may work for a while. Come Spring, they will return to the farm, where they can be on hand for the arrival of True Cherie's foal. True Cherie was bred to Hycrest Storm King and the Priests can't wait for the Morgan addition.

Claude Morrette is now a new member of the Justin Morgan Assn. from Sylvania, Ohio. He is very pleased with the progress of his new weanling colt purchased from Walter and Rheda Kane of South Lyon. We hope to see him often at our meetings. It's good to see many of our friends from Ohio either as exhibitors or visitors at our shows in the state. Seen recently at the All Morgan Show or at the Michigan State Fair were Paul Rumbaugh, Mr. and Mrs. Harold Jenkins, Tom Mattox, Mr. and Mrs. Jim Gardner, Mr. Bridges, Robert Chapman, Mr. and Mrs. Robert Krift and Floyd Mack. Hope we included them all and even more important that you all enjoyed yourselves.

Tex Talley reports the sale of the weanling stallion, Mark Geddes. This is the offspring of Cotton Eye Joe Geddes out of Ruthven's Beatrice Ann. The new owner, Milton Prawl of Rives Junction, Michigan should take pride in knowing he has a good one.

Carolyn Lippitt of Ann Arbor is a busy teenager with many interests to pursue, but few are more enjoyed than the schooling of her young stallion, Kevin Geddes. Kevin has made a

good accounting of himself when shown this summer, and Carolyn is preparing now to get him started in his harness training. We know he will continue to please her in driving events next year.

Friends and members of our association will be sad to learn of the death of 22 year old Don Atwood. Don has long been interested in our breed and has assisted both Gerald Taft and Floyd Appling on occasion at shows. Don was employed by the S. G. Carter Co., a building contractor at Houghton, and in the course of his work was involved in a fatal tractor accident there. He leaves a wife and family for whom all of us feel the deepest sympathy.

Many who were able to attend the Exhibitors' Banquet following the Saginaw Fair will applaud with me the fine job of MC done by Thor Nielson. Jim Jones introduced all the Morgan folks around four long, long tables without a single miss. His job was a tough one as Morgan enthusiasts outnumbered the other breeds attending by at least four times as many people. The dinner was a great way to conclude the rugged "Fair Circuit."

One person missed at ringside, however was Rheda Kane. Rheda, shortly after our own All Morgan Show began a tough bout with a virus infection that proved hard to lick. After several pretty uncomfortable days at home, she entered the hospital where rest and care turned the trick, but not in time to take part in the Michigan State Fair and the Saginaw Fair, where she has always been a regular. It was good to see her at our last meeting looking trim as ever.

Please keep sending your news along. Here are the show results so far in the state. Please send me your "out-of-state" placings and we will be glad

The same horse captured the blues in the Land of Lincoln classes. Friday afternoon, the three-year old bay mare Starfly owned by Mr. and Mrs. Edward Ryan and ably ridden by Ronie Canopy won the saddle class over 12 entries. That evening she came back to take the blue in a ring of 17 top harness horses, truly an outstanding feat for a young horse. The dark chestnut mare, Flavia's Bess was second under saddle for Mr. and Mrs. L. S. Greenwalt, while Bette Belle, another top per-

forming mare was second in harness for the Greenwalts also.

The Morgan barns were a beehive of activity on Saturday morning as exhibitors prepared for the open breeding classes. They were run in order starting with the Stallions 3 Years Old and Over. The Colorado entry of Mrs. Harry Nichoalds, Broadwall Brigadier topped this class. Skychief, versatile ribbon winning stallion of Mr. and Mrs. Orwin Osman's was second.

In a big class of Two Year Old Stallions, the exceptionally nice dark chestnut Lucky Stone was first for Mr. and Mrs. L. S. Greenwalt. Emerald's Co-chise, another well-developed young horse with a number of ribbons to his credit was second for Mr. and Mrs. Orwin Osman.

The class of 16 yearling stallions was won by Stuart Hazard's Funquest Falcon. This is the first son of his well-known show winner, The Brown Falcon. A number of people remarked about the resemblance of Funquest Falcon to his grandsire Flyhawk. Pape Stables' Mr. Sunny Cobra was second.

The handsome bay Kings-Haven Senator (Senator Graham - Choquita) owned by Dr. and Mrs. Nelson King

topped the Weanling Stallion Class, followed by The Yankee.

Wearing the coveted tricolor was Lucky Stone, Grand Champion Stallion, owned by Mr. and Mrs. L. S. Greenwalt. Sired by the late Colonel's Boy out of Lenora Felix, this young stallion has a beautiful head and neck, short, strong back, good, clean legs, along with lots of personality. Broadwall Brigadier, a son of the well-known Parade, carried the Reserve Championship back to Colorado for Mrs. Harry Nicholds.

The Three Year Old and Over Mare Class had 22 entries, all excellent individuals. Bette Belle, owned by the Greenwalts, won the blue over Stuart Hazard's Modelette. Starfly was 3rd, with Flavia's Bess 4th. It is interesting to note that all four of these mares were sired by one of the greatest Morgan stallions of recent times, Flyhawk. Comments were heard as to the uniformity and typiness of these mares.

Paul Rumbaugh's Foxy Sentora was the winner in the Two Year Old Mare Class. Hylee Farm's Hylee's Lady M.E.L. was second. The refined, feminine yearling filly Belafina copped the blue for Mr. and Mrs. L. S. Greenwalt in the Yearling Mare Class. A typey

bay filly with action to spare, last year's Weanling Futurity winner, Princess Juliana was second for Pape Stables. These two fillies were 1 - 2 Saturday afternoon in the Yearling Mare Futurity Class.

Another large class was that of Mare Foals with 16 entries. Barette and Emerald's Nekomia again placed 1 - 2 as they had in the futurity.

The dark brown Bette Belle was chosen Grand Champion Mare. Always an outstanding performance horse, she added another honor to her long list of winnings in being named champion model over the top mares in the Midwest. The weanling filly Barette was picked over the older horses for Reserve Grand Champion, proving herself an outstanding foal. Judges tend to favor an older, matured animal in a mixed age class.

The large and excellent Yearling Stallion or Gelding Futurity Class shown Saturday afternoon was won by Funquest Falcon. Emerald's Irish Lad was second. These places were reversed in the Champion Yearling Futurity Class the following Tuesday — Emerald's Irish Lad being named Champion Yearling and Funquest Falcon Reserve Champion.

## FIT FOR A HORSE

No extra labor costs... no guesswork... this handsome pre-fabricated barn can easily be put up by you and a neighbor in a matter of hours... and you know exactly what the cost will be and what the building will look like even before you buy. Oak plank lines the barn to a height of 4' and the tack room is big enough for hay, grain, and all accessories. The tack room, which can be enlarged, has a substantial wood floor, but flooring has been left out of the box stall to allow for a base of sand or peat moss for drainage under your shaving bed.

Walpole also has larger buildings to accommodate two or more horses. Deliveries can be made immediately. See our barns and buildings at our Walpole display grounds or write Dept. M for free illustrated catalog.

767 East St. (Rte. 27) • Walpole, Mass.

For the first time, the open Morgan Saddle Class was divided into an under 15 hand class and a 15 hands and over class. There were 14 entries in the 15 hands and over class shown Monday night. Bette Belle was first, followed by Starfly and Joan Gardner's Celebration. Stuart Hazard's Modelette edged out her stablemate Alfalce in the Saddle Class under 15 hands, a class with 20 entries.

The final Morgan class was the open fine harness. General Cotton was a deserving winner for Mr. Everett Reed of Denver, Colo. Modelette was second for Mr. Hazard.

1960 — a year of achievement, of progress, for Morgans at the Illinois State Fair.

**FORWARD SEAT  
JUMPING SADDLE**

**No. 498 — THE "METEOR" JUMPING SADDLE:** A superb new model built by Stubben in Germany on his famous Federbaum Spring Tree. The very deep seat is foam rubber padded and has recessed stirrup leathers. The flap is two thirds padded with sponge rubber, doeskin covered to afford unusual security. These padded flaps will greatly reduce the feeling of stirrup leather bulk at the thigh for far greater riding comfort. The concealed knee rolls are moulded to afford greatest support. This new model is already extremely popular in European jumping competition and we predict it will be in great demand here.

and hooked right in the dirt road in front of his house and off they trotted, nine miles over the back roads to the fair. When he drove them home he said, "Well now that little fellow is just like all the rest of my horses, you don't break them, you just show them what you want and by gad they'll do it for you." I too have found that true on Ethan Eldon and his get, just show them what's wanted and they will use good common sense.

In June I had my last visit with Frank and found him in wonderful health, although he was along in his eighties and as I was leaving I told him about driving my 23 year old stallion and how much life he had. His parting remark to me was, "Well, by gad, while he has life, he'll have life, people don't appreciate the old horses till they're too old."

It was a sorry day when Dr. Orcutt phoned me that his father had suddenly passed on and I was happy to be among his many friends as he was laid to rest on a beautiful sunny day, just a few days before the National show, in West Burke, Vermont, in a cemetery beside the dirt road leading to his home, that he had passed hundreds of times with his Morgans.

THE NEW "METEOR"

## FORWARD SEAT JUMPING SADDLE

**No. 498 — THE "METEOR" JUMPING SADDLE:** A superb new model built by Stubben in Germany on his famous Federbaum Spring Tree. The very deep seat is foam rubber padded and has recessed stirrup leathers. The flap is two thirds padded with sponge rubber, doeskin covered to afford unusual security. These padded flaps will greatly reduce the feeling of stirrup leather bulk at the thigh for far greater riding comfort. The concealed knee rolls are moulded to afford greatest support. This new model is already extremely popular in European jumping competition and we predict it will be in great demand here.
