# Letters to the Editors

Dear Sir:

It is my opinion that Morgan owners and breeders in the nation, speaking of them from various parts of the nation, all want to see the Morgan horse much more widely accepted, owned and used than is the case at present. Too, those who have seriously and unbiasedly considered how a much wider appreciation of the Morgan may be obtained recognize that there are some changes needed in the promotional activities for the breed. With your permission I should like to suggest some matters for consideration by your readers.

First, are the horses crowned National Champions at the National Morgan Show each year really the National Champions? Just how much of a national representation do we get from Morgan horses from various sections of the nation at this show? It is my understanding that there are more Morgan registrations in California each year than in any other state. How many California Morgans are exhibited at the National Morgan Show? There are some very excellent Morgan horses in many of our states, but these never reach the National Show and so it would seem fair to say that

## OUR COVER

The high stepping pair of Morgan stallions are the well known Parade and his son Drum Major which we have featured in previous issues. They are owned by the J. Cecil Fergusons of the Broadwall Farm in Greene, Rhode Island. Again this year they won the Pair Driving and the Gay Nineties Class. They are shown on our cover as they passed the overflowing grandstand in the Sunday afternoon show.

# In Retrospect

By RUSSELL E. SMITH, V.M.D.

The Republican convention kept us up the night before. The morning after we started the 18th National Show. 1959 was still fresh in our minds when the last class of Friday left the ring at 1:30 a.m. So we ran scared through Friday and polished off 30 classes by 1:00 a.m. Saturday, and felt smug about the new record! The morning after found us on the heels of a hurricane — "Brenda" by name. Mid-morning found us nearer to the hocks, and on our way to the stables. The management arranged for cover in the cattle auction barn so that breed classes and the headline class could be held. Exhibitors and entries slipped and slogged their way through 7 classes, and gave up in disgust about 3 p.m. After a favorable weather report, we had a "clearing" shower which inundated the fair grounds. The management spent the night feeding gasoline into a couple of auxiliary pumps so that entries might find a dry corner of the stall in which to stand. It wasn't all bad. If your stall was flooded, there was usually high ground just outside the door; or, if your stall was dry, you only had to wade to reach it! The morning after broke bright, clear, cool, and dry. Two lagoons had formed in the infield; the track on the inside rail was still gumbo; but the ring with the aid of shavings was usable. Through a special dispensation from the city fathers the show was allowed to start at 9 a.m. instead of 1 p.m. on Sunday. We took off at a run and didn't slow below a hand gallop all day. Breed classes were run on the track simultaneously with performance classes in the ring where the schedule would permit. The produce and get classes raced a setting sun. The championship saddle stake, the 40th class for the day, finally completed the show at 11:30 p.m. Our only satisfaction was that we had figured correctly on Saturday that with luck we would finish at 11 p.m. and without it we would be there until midnight on Sunday.

Now the morning after we assess the results. We have permanently alienated our friends. Countless exhibitors have been at least committed for observation. Our better half is still checking the numbers of non-existent entries in a non-existent ring. And the words here written testify to at least a temporary lack of sanity in the author.

A year ago in this annual diatribe we made a heart rending appeal for a 4-day National Show. We apparently reached the wrong hearts. This year some will say we proved it could be done in 2 days! With 6 judges and ringmasters, exhibitors who were decathlon champions, a triple talking announcer, and two more rings we could get it over with in 1 day; So let's spell it out a little plainer. The primary object of a breed show is to promote the breed. Some of us are Morgan-happy enough to plan our vacations around this show. While admittedly the location is far from being central, the number of Morgans available draws owners from the entire country. This number of Morgan enthusiasts gathers but once a year with the one desire to talk horse. What happens? You as exhibitors don't have time to talk, eat, sleep, or criticize the judging. You leave for home in the dead of night and arrive in a semi-comatose condition. If you are lucky enough to have had someone mark a program, you find out what happened about one week after you reach home. When you decide to only take one entry next year so you won't be in every class, the show falls apart.

Classes in this show have been timed for years. We know that it takes forty hours of showing to complete the present schedule. We have watched the crowd melt out of the grandstand at 10:30 p.m. after taking all the seat could endure. Our classes with most crowd appeal go on at 12:30! Showing 9 to 12, 1 to 5, and 7 to 11 equals 11 hours for a day. Thirty-three hours for 3 days still leaves 7 hours of show for Sunday afternoon championship classes. Under this schedule you would know whether you had remembered to eat before you fell flat on your face. We rest our case.

One thing about the rain, it gave us a welcome opportunity to visit the stables and talk horse. The Green Mt. Boys were still fortunately in executive session. Their tack room did not win an award, but was none the less well appointed. Every judge to his own taste, with or without 10 drops of water. Speaking of tack rooms, the University of Massachusetts was hot after the award and got it. But not without continuously picking up rubbish discarded in

# The President's Corner

by GERALD F. TAFT

*On behalf of the Board of Directors of The Morgan Horse Club, Inc., I want to thank William Roberts and Warner Carter, Co-Managers, and the Show Committee for their splendid work in putting on the eighteenth National Morgan Horse Show at Northampton, Massachusetts, July 29th, 30th and 31st, this year.*

*In spite of the deluge on Saturday the show was a very successful one. Only through the valiant efforts of everyone, the committee, the management and the exhibitors, was this possible. Our organist deserves a special "thank you" for his generous renditions of appropriate selections throughout the show.*

*I especially want to thank the exhibitors for their cooperation, after all it is their show, they are the ones who make a Horse Show successful. They patiently waded through deep water to make the long trek to the building where the halter classes were shown on Saturday. They were crowded and jostled, but like the good sports they are, showed their horses under extreme difficulties.*

*Sunday was a beautiful day which called for a supreme effort on the part of the judges.*

*Dr. C. D. Parks of Honesdale, Pennsylvania and Mr. N. K. Carnes from St. Paul, Minnesota, between them, judged forty-three very large classes on Sunday between 9 a.m. and 11:30 p.m. The job was thoroughly done with every horse looked over carefully. It was a very long day for all the officials, committee and exhibitors, but they finished the complete schedule Sunday night, with the spirit "it is not impossible, it just takes a little longer."*

*The Board of Directors joins me in a hearty "THANK YOU" to all of you good people.*

# 1960 National Morgan Horse Show

By JANET W. DAKIN

Nine years ago our National Show first came to Northampton. There have been many changes. Except for Dr. Russ Smith and his wife, Ruth, all the listed officials have changed. Our thanks go to these two who, serving as announcer and secretary, keep the show running smoothly once it starts. Our thanks also to W. Brice-land Nash, who as representative of the Directors of the Fairgrounds, has always been around, interested and helpful. We missed for the first time our tireless and pleasant ring-master Ivan M. Williams and that well-known veterinarian Dr. Francis M. Austin. May they rejoin us next year. Their places were capably filled by Ralph C. Gillett and Dr. Frederick C. Ruder, Jr. Managers wear out the quickest. William B. Roberts was in his second year assisted by a new-comer Warner H. Carter. Whatever their troubles were, we were not aware of them. To all appearances all went well, weather permitting. The steward was Mrs. Floyd A. Thompson, the Equitation judge Miss Jean Campbell both repeating from last year. Breed and performance judges are seldom repeated, but both Dr. C. D. Parks and Mr. N. K. Carnes served in 1957.

I want to commend the food concession. The members of the little United Church of Pelham did a marvelous job from early morning to late at night serving a great variety of food constantly, quickly and pleasantly and running a mobile canteen during the flood. The church must have been nearly empty on Sunday and the whole congregation exhausted on Monday. May their church gleam with paint or have new carpets or whatever the need.

The entries grow and grow. In 1954, when I wrote this report, there were 251 horses from 100 owners and 29 junior exhibitors listed in the program. This year there were a total of 351 horses from 194 owners and 76 juniors. The added new stalls only just accommodated the horses and tack-room needs. Since entry fees have risen from zero when we first came here to four dollars an ordinary class, and since money prizes do not exist except in the stake classes, the exhibitors come because of the enormous prestige of

this show to the breed and also just for the fun of being part of this big and successful undertaking in our Morgan "family life."

For nine years the sun has smiled on this show, except for a rare brief shower. This year it poured rain all Saturday. About 30 young people dripped through their 4-H Fitting and Showing class for an hour and a half (won by Alan Knapp). One end of a cattle barn was freed of stored machinery for our use in in-hand classes. The noise and confusion created by about 20 mares and foals, spectators, officials, handlers and whippers-in all mixed up together, had to be witnessed to be believed. That no one and no horse was kicked is a credit to both horses and handlers.

Very fortunately all the stall floors had been filled up this spring with dirt to be above such a flood as this. However in the roadways water collected to over knee-height in certain areas. Children had a wonderful time splashing around in it and poling a raft from barn to barn. Adults gave up trying to keep dry feet and took their shoes off to paddle around bare-foot. The track and ring was a clay slime. The fire department tried to keep ahead of the downpour with their pumps and finally won out. However through all this the horses were dry, and the people gay and good-natured. On Sunday morning the sun shone and the management settled down to run off almost all Saturday's as well as Sunday's classes in that one day, which they achieved by midnight.

All the official placings follow this report but for emphasis the mature champions and the reserves are listed below. Despite new exhibitors and new horses, search of the records shows that at least 13 of these 14 horses have appeared in our National ring before, and been found good in the eyes of earlier judges. The most conspicuous is Windcrest Donfield who as a two-year old owned by the Loyd Marks, first won Grand Champion Stallion in 1953 and has got it four times since as well as twice championships in harness and saddle. Last but not least in this writer's opinion is the Reserve Pleasure Champion, Lord Jeff who as a two-

year old in 1954 won the model gelding class for his first owner, myself.

The offering of gelding classes, championship and stake has increased both in the quantity and quality of the gelding entry. In 1954 9% of the entries were geldings, this year 14%.

**Grand Champion Stallion:** WIND-CREST DONFIELD, Waseeka Farm; Reserve, GAY DANCER, C. Peter Nelson.

**Grand Champion Mare:** BAY STATE BONNIE, University of Massachusetts; Reserve, TOWNSHEND DONA BEE BOP, Mary D. Cressy.

**Grand Champion Gelding:** U. C. TORIN, Marianne J. Drake; Reserve, DONNIE MAC, Dr. and Mrs. John P. Corley.

**Champion Saddle Gelding:** ORCLAND "IKE", Mr. and Mrs. David Brockett, II; Reserve, MORNINGSIDE FANFARE, Highland Tack Shop.

**Champion Harness Stake:** RAFINESQUE, Joseph N. Hoyt; Reserve, PARADE, Mr. and Mrs. J. Cecil Ferguson.

**Champion Saddle Stake:** WASEEKA'S NOCTURNE, Waseeka Farm; Reserve, GAY DANCER, C. Peter Nelson.

**Champion Pleasure Stake:** VIGILENDON, S. R. and F. H. Orcutt; Reserve, LORD JEFF, Mrs. Archibald Cox, Jr.

Classes other than the championships have marked significance for certain exhibitors. To the breeder, Get of Sire and Produce of Dam are THE classes. The first was won for the second time by Orcland Leader, the second by Mayphil. Leader received the challenge trophy given in honor of Upwey Ben Don who won this class five times before retirement from the ring. Ted Davis was greatly missed, but the presence of Mrs. Davis and his daughters and sons-in-law was much appreciated and the prevalence of the Wind-crest name in the winning entries keeps alive and honored his work for the breed.

To those who enter it, no class engenders the competitive feeling more than the Justin Morgan Performance class. This year the entry seemed very superior and the races were swift and clean. In the past this has sometimes been a rather sorry spectacle. This year Bay State Classic won over U. S. Panetz, a reversal of last year.

Speaking of races and speed classes, the unbeatable George Gobel had been withdrawn from harness racing to give others a chance but the win still went

# Reports of National Morgan Horse Club Continued Progress

## Treasurer's Report

The financial condition of the Club reflects the steady increase in income derived from all departments—membership, registrations, transfers, the National Show and the MORGAN HORSE MAGAZINE.

In 1959, our gross income amounted to \$28,410, as compared with \$21,581 in 1958. The ordinary expenses in 1959 were \$12,198.02 as compared with \$7,288 in 1958, the net for 1959 being \$16,212 as compared with \$14,292 in 1958. This result, on top of the evidence of a steady increase during the past few years, encouraged the Directors to take the first step toward the establishment of a breed office which would be wholly supported by the Club. This office did not begin functioning until toward the end of 1959. Hence none of the costs are reflected in these figures which have been quoted.

In 1959 membership dues paid amounted to \$3,125, almost an identical figure with 1958. Registration fees on the other hand, increased in 1959 to \$10,440, as compared with \$7,710 in 1958. Transfer fees likewise increased in 1959 to \$6,745 from \$5,995 in 1958.

The net income from the National Morgan Horse Show was \$6,140 in 1959, as compared with \$4,096 in 1958.

The MORGAN HORSE MAGAZINE nearly broke even in both years, but in the first six months of 1960 the Magazine was in the black. In the first six months of 1960, registration fees amounted to \$4,200 as compared with \$3,700 the first six months of 1959, and transfer fees \$3,571, compared with \$3,115 in 1959. These figures indicate that the progress which has been evident in recent years is continuing.

The cost of the Hartford office for the first six months, including salaries and rent and other routine charges amounted to \$6,356, but this period has proved that this can be handled by current income without dipping into reserves.

After this new expense, the Club showed a net income of \$2,700 for the first six months in 1960.

The National Morgan Horse Show promises to be as successful as last year's financially as well as otherwise, and given decent weather for the various sessions, returns from it should equal that of 1959. Altogether it seems safe to say that the Club is in a sound financial position at the moment with good prospects for continuing so.

*Whitney Stone, Treasurer*

## Secretary's Report

The steady growth of the breed must be obvious to nearly all the members for the increased number of Morgan people who are playing an active part in their localities is evidence of this as well as the wider distribution of ownership.

Membership in the Club is well sustained and continues to gain. The number of paid members changes daily. Some new members are added, many renew their memberships and some do not. At present we have 661 paid members but there are 824 on the list. We do not remove their names from the list until they are in arrears for one year. Last year at this time there were 750 on our list.

Registrations in the AMERICAN MORGAN HORSE REGISTER continue steady growth. In 1959, 870 were registered as compared with 630 in 1958 and 554 in 1957.

Recorded transfers of ownership also increased in 1959, there being nearly 1,000, 998 to be exact, as compared with 910 in 1958 and 758 in 1957. This, of course, is evidence of the increasing demand for Morgan horses.

The work of the Secretary's Office, which has increased so steadily in recent years, taxed the facilities at 90 Broad Street to the limit and beyond. In view of the steady growth of the breed and the work of the Register, the Directors felt that the time had come to make a beginning toward the establishment of a breed office supported by

the Club. Mr. Seth Holcombe was appointed Assistant Secretary and Assistant Registrar. He spent three months in the New York office becoming familiar with the work of the Register. By November in 1959, the Directors felt that the time had come to establish a separate office for the Register to be under Mr. Holcombe's charge. Excellent quarters were found in the new Post Office building in West Hartford, Connecticut, a few miles from Mr. Holcombe's home, and this office began functioning immediately thereafter. At present all the routine work connected with the Register is carried on in that office. There is constant contact between that and the New York office so that questions of policy and detail in registration matters can be settled expeditiously.

Morgan owners throughout the country are becoming more and more interested in the showing and the number of shows offering Morgan classes is steadily increasing. The Club has increasing requests from the various Morgan sections of the country for awards and trophies for local shows.

Our National Morgan Horse Show, which has grown so rapidly, is one of the outstanding all breed shows in the United States.

During the past year, the Directors have given final approval to a revision of the By-laws of the Club which was the result of a report of a special Committee appointed for the purpose. At various Directors' meetings the original draft was revised and the final revision adopted. These have been published in the MORGAN HORSE MAGAZINE and reprints were made which can be secured by any members who desire copies.

The MORGAN HORSE MAGAZINE continues to grow in the matter of subscriptions. Mr. Otho Eusey, whose firm prints the Magazine, has devoted much of his personal time to it for many years. He deserves more cooperation from the membership. There are, of course, many ways in which it can be improved but in order to accomplish this the Club will eventually have to retain someone to devote full time to it.

Altogether it is obvious that the Club is in a healthy condition and its influence constantly increasing.

*F. B. Hills, Secretary*

# National Morgan Horse Club Annual Meeting

Following a dinner attended by 200 members and their families and guests, the Annual Meeting of The Morgan Horse Club was held at Hotel Northampton, Northampton, Massachusetts, on Thursday evening, July 28, 1960. There were sixty-one members present in person and officers had received 195 proxies from absentees.

Following the call to order by Mr. Gerald F. Taft, President, the members heard the reports of the Secretary and Treasurer covering the operations in 1959, and a digest of the actions taken at the various meetings of the Board of Directors and the Executive Committee since the last meeting of members.

Members were present from all the New England and Mid-Atlantic States, and from Florida, Ohio, Illinois, Michigan, Minnesota, Iowa and Kansas.

In accordance with the revised by-laws, the fifteen Directors for the coming year were elected in five groups, namely, five for one year, five for two years, and five for three years. Those elected were as follows:

#### One-year term:

Gene Angel, Ohio; F. B. Hills, New York; Walter Kane, Michigan; Keynith Knapp, Vermont; Darwin Morse, Massachusetts.

#### Two-year term:

H. P. Boyd, California; Joseph R. Brunk, Illinois; Vincent Rogers, New York; Clarence Shaw, Washington; Whitney Stone, New York.

#### Three-year term:

Marilyn Childs, Pennsylvania; Anna Ela, Massachusetts; J. Cecil Ferguson, Rhode Island; Stanley Sahlstrom, Minnesota; Gerald F. Taft, Michigan.

There was an animated discussion by members from the various sections of the country in regard to Morgan matters of both national and local interest. In accordance with the announced intention of the President to ask for an increase of registration and transfer in the American Morgan Horse Register, a resolution was passed increasing fees by \$5 in each category of registration and transfer, this to take effect as of January 1, 1961. The postmarked date on letters received in the office of the Registrar will determine the fees in each case.

There was a discussion of the prob-

lems relative to the National Morgan Horse Show with a report from some members of the Show Committee.

There was a vote of thanks to Mrs. Eugene Holden of Amherst for her energetic work in connection with this year's show.

In discussing the Show for 1961, Mrs. Holden proposed a resolution which was adopted requiring that in the make-up of the Show Committee, there be at least five members of The Morgan Horse Club. That there must be at least one meeting of the Committee before the prize list could be published and that all members of the Board of Directors be invited to attend meetings of the Show Committee.

Ted's effective work while President of the Club, and granted her a Life Membership in the Club.

The Directors adjourned with the intention of meeting again on the Sunday morning following. Due to the deluge of rain Saturday most of the classes scheduled for the National Morgan Horse Show on that day, plus all scheduled for Sunday, had to be crowded into the one day, Sunday. It was decided to have the next regular Directors' Meeting at Lenox, Massachusetts the first week in October.

The Directors also passed a resolution expressing their appreciation to Pauline H. Davis (Mrs. Frederick O. Davis) for her gracious support of

# Jes' Hossin' Around

By DOROTHY LOCKARD

When the good Morgan folks who put ads in our magazine (and thereby keep it going) say "visitors welcome," they mean for you to put your neighbor in the back seat and drive over to see their good horses. If I can ever get Pa away from his own horses I'm gonna take them up on it. Maybe if I call first they will put the coffee pot on. What's nicer than making new friends who will talk Morgans around a kitchen table?

More magazines are featuring the Morgan Horse. Eastern States Co-operator did it again with a picture and an article on J. Cecil Ferguson's good horses.

The International Quarter Horse Tally Book magazine — June issue — has a four page spread on the Morgan Horse. Isn't that nice?

Every evening I take the supper potato peelings, celery tops, etc., out to the stud horse. I stand at the fence and holler "Archie! Garbage!" — and that brings him on the run. Pa says, "You gotta stop that, Ma. You got that horse thinkin' his name's Archie Garbage!"

The Indiana folks are taking a step in the right direction pushing the Cavalcade Americana class. Any show committee should welcome that crowd pleasing class.

Pa says the only way to make money nowadays without paid advertisizin' is to own a mint.

Grandpa always said they'd never get him in no hospital but Grandpa had a bad spell recently. When he came to and discovered nurses trying to put a hospital gown on him, the walls shook with choice Western oaths.

The family ducked out at bath time. Grandpa had stated, emphatically, "No one's gonna give me a bath!"

We suspect those efficient nurses hogtied Grandpa and just did as they pleased, but we're afraid to inquire. No use rubbing salt in Grandpa's wounds if the nurses were victorious. And, no use finding out the nurses had a bathless patient in their otherwise well run hospital, if Grandpa won.

Why, Grandpa looked like he'd been caught stealing chickens, just bein' there.

That hospital took away pride that years of drought, dust, depressions, bronc bustin', and raising an ornery

bunch of young'uns hadn't dented much.

Grandpa says he's found out now, there's two kinds of shots for medicinal purposes but that dern hospital just seemed to know about one kind.

Thanks, Mr. Leo Beckley, for showing the magazine readers your Sonfield stallion, and telling us about him. Imagine, twenty-five years old and still so hale and hearty. We're showing that picture around. Sonfield is a great advertisement for the longevity of the Morgan Horse. When you buy longevity in a horse you get your money's worth. Pa says no one can say Mr. Beckley tied that horse too far from the manger.

We've been wondering why some enterprising young fella hasn't cornered the yellow polka dot material market and gone into the bathing suit business. Or, has some one?

The same womenfolk who are afraid of our horses zoom in and out of city traffic and barrel down crowded six lane thruways that leave me trembling. The admiration I have for these drivers is immense. Guess I just have horse and buggy nerves. (Pa says I need blinders). Why, it takes me all of a half hour to work up an appetite after a ride on a thruway. Can't recall any other circumstance my appetite left me for all of thirty minutes.

My city brother-in-laws make a big to-do out of this. They offer to take me for a ride right before supper. They're great for kidding, but there's two things I'm sure of in this old world: 1. I have the best brothers-in-law in the world. 2. Our stud horse has the shortest back I've ever seen.

You folks just as well humor me on these prejudices because "my mind's made up. Don't confuse me with facts."

I bought Pa a little board that says that. Thought he might chase me around the house with that board, but his sense of humor won out. Pa's inclined to be prejudiced about some things and proud of it. We're trying to shame him into being broad-minded. Surprisingly, that motto is doing us all much good. When the girls "don't have a thing to wear" and the boys say "Everyone's doing it," we point to the motto and they blush.

When Pa has to straighten out an

English-broke horse he grumbles so about that pancake saddle. Pa knows how to hold and what to do with four reins but my, how it hurts. For years I've been asking him where, but now I just glance at the motto and Pa chuckles.

Horse dealers say a stallion is the hardest horse to sell and the hardest horse to buy when you are looking for a good one. Last week, we had four parties ask if we'd sell them the stud horse!

Now, two of those parties might have been just talk — but the other two knew they'd have to dig deep in their socks if he could be bought. Such well filled socks always tempt Pa. When he sees Ma's eyes throwing off sparks, then Pa sighs and says, "Nope, I can't sell him."

Pa operates on the theory that a high priced horse could die tomorrow. Ma operates on the "Well, he'll die happy — here" theory. Are these typical male and female attitudes?

Love,  
Ma

## Southwestern Morgan Horse Club

By MAXINE MERCHANT

The original meeting of the Southwestern Morgan Horse Club was held at the Western Hills Inn, near Ft. Worth, Texas, on July 30th for the purpose of meeting other Morgan owners, showing Morgans and promoting the breed.

Fourteen members were present and the following officers were voted into office: Dr. C. R. Lees of Ft. Worth, President; Mr. Hughes Seewald of Amarillo, Vice President; Mr. Billy Carpenter of Ft. Worth, Secretary and Treasurer; Mr. William Tindall, Jr., of Dallas, Public Relations Coordinator; Miss Maxine Merchant of Houston, Recording Secretary.

# Central States News

By EVE OAKLEY

Due to the Central States Play Day being backed up into June rather than May, there was no meeting held that month and of course we do not have a July meeting because of the number of shows in the area that our members attend and vacations.

Dorothy Colburn has kindly covered the Morgan results at the Thunderbird Horse Show held July 19th, in Hinsdale, Illinois for your editor, as I was much too busy at the end of a halter rope to see what was going on around me. Her comments are as follows:

"This year, for the first time, the Thunderbird Horse Show included two Morgan classes — a Halter Class for Stallions, Mares and Geldings, all ages, and a Performance Class, horses to be shown under either English or Western tack.

"Jubilee's Gloria, owned by Caven-Glo Farm, seems to have reached the point this year, where she is pretty hard to beat and came away from both classes with the blue ribbon. In the halter class she was followed closely by her two year old daughter, Caven-Glo Sunseri. La-Rae-Dec's Son-Gin, our Club's first born half-Morgan, owned by LaVerne and Rae Miller — by Cavendish and out of the Miller's lovely registered Palomino mare, Gin-

ger Day—took third and the Staehnkes' black Justa Trinket, fourth.

"In the performance class Jubilee's Gloria's top competition came from Towne-Ayr Twig, owned and ridden

Trophy won by Mr. Roy Brunk's father in 1903.

by Robert Glenn. Third place was won by Prince Justin, owned by Caven-Glo Farm and ridden by Shirley Subotas;

fourth, Towne-Ayr Sprig, owned and ridden by Sarah Glenn and fifth, Justa Trinket, owned by the Staehnkes and ridden by Donna Staehnke.

"Since this is a good opportunity to air my views, I want to give special mention to those of our members who enter their horses in open competition. I love to see a Central States Club horse shown in such a class and of course if it wins a ribbon, I'm even more pleased.

"So — let's give credit to the Staehnkes, whose two shining black mares were shown in several big open classes, and came away with a number of ribbons. I've written to Donna for particulars on these ribbons. Haven't had an answer yet but hope to hear from her before I have to put this in the mail. Anyway, since my pet open classes didn't get into the last News Letter, I do want to brag about these mares and also others from our Club who shone at the Naperville Show. The high spot, to me, was when Justa Trinket and Lady Love (a Morgan and a Saddlebred, respectively) worked beautifully together to win the open pair class!

"And a big hand for Shirley Subotas who rode great big little Prince Justin in the trail class, the bareback equitation and the English equitation, and rode off with a red ribbon in the latter class.

"And hail to the Glenns, whose Sprig and Twig competed with a will in half a dozen different open classes.

# New England News

By MRS. DONALD CHEVALIER

It is with great pleasure that I take over the duties as your New England correspondent and it is with equal hope that I can continue with the same volume of news so ably supplied by Rodney Gould. I am delighted to be back in close contact with Morgan owners after an absence of several weeks, and I trust that you will all be cooperative in sending any news and pictures you want published.

Mrs. Seth P. Holcombe has sent in the following resume of the New England Association activities for the past year. Let us hope the coming year will be even more active, with an increase of Morgan enthusiasts as owners and members.

At the fall Foliage Ride and Drive on October 3-4, 1959, 26 members participated with many more present for dinner. At the evening meeting Mrs. Keynith Knapp correctly identified the most Morgans shown in a color slide contest and went home with a new Dandy brush which her discerning eye won. Everyone learned many hints from Warren Patriquin's illustrated talk on how to take *good* pictures of horses. This year the New England Association will have their Foliage Ride and Drive the weekend of October 8-9, again at the Green Mountain Horse Association in South Woodstock, Vermont.

The December meeting found 97 members gathered at the Lord Jeffrey Inn, Amherst, Massachusetts for movies of the National Show and a movie prepared by Mr. Stewart Dabb, entitled "Justin Morgan — His Progeny." This year movies of the National will again be shown at the Lord Jeffrey Inn on Sunday, December 4, 1960.

In April, 93 members met at the 1812 House in Framingham Centre, Mass., for a panel discussion on Horse Shoeing and the Care of the Feet. The discussion was tape recorded and Mr. Nathaniel F. Bigelow, Jr. is arranging to have a tape available for other groups to use if they wish. The panel was made up of a Veterinarian, Farrier and three members — the subject was of such interest the moderator, Mrs. Winthrop Dakin, had quite a time ending the discussion in time for supper guests to use the dining room!

During the year the New England

Morgan Horse Association has:

1. Placed ads in the Morgan Magazine — thanks to Mrs. E. Keene Annis for preparing these.

2. Contributed to the U. S. Equestrian Team.

3. Prepared sleeve emblems for members.

4. Distributed and sold a Directory of New England Morgans, owners, and Association members. These are available from our Treasurer, Mr. Nathaniel Bigelow, Jr.

5. Contributed to the Justin Morgan Sound Film Fund.

6. Continued gift subscriptions to the Morgan Magazine to certain New England schools.

7. Donated trophies to several New England groups for the high score Morgans during the show season.

## CONNECTICUT

Our living just around the corner from the Paul O'Reillys of Harwinton has proved to be great fun. They are always eager for Morgan enthusiasts to stop in for a long evening of horse talk and they make one feel more than welcome. They are very pleased with their new mare, Clancoma Maiden (Nabob Morgan x Dianathus), formerly owned by James Berrigan of Roxbury, Conn. She replaces Royalton Rosemary Moro (Lippitt Norman-Grieselda) that they were so unfortunate to lose. She has been bred to Orcland Dondarling and their other mare, Royalton Rose of Sharon, a full sister of Nabob Morgan, has been bred to Ulendon. I am most impressed with the barn and pastures as Paul and Helen have done all the construction and fencing themselves. The stalls are so arranged that they can each be enlarged to 10' by 20' for foaling — a most ideal set-up.

A letter from Ann Marie Dionne reports that she has recently sold Micky Eldon (Ethan Eldon-Mixie) to Ralph Hallenbeck of Selkirk, N. Y. To Armando Torchellini of Ridgefield she sold Lippitt Starlight Knight (Lippitt Searchlight-Nekomia). Mr. Torchellini is a new Morgan enthusiast and we wish him good luck with his new gelding. Ann has purchased Vigil Ash Morgan (Nabob Morgan-Lippitt Adeline) from Bill Clarke. This typey little gelding has been used extensively

in all types of Western classes as well as roping and driving. Ann is having a wonderful time driving "little Vigil" and her description of her "four-wheel, basket-bodied wagon, with a rumble seat" sounds most intriguing! Both of these Morgans are stabled at Mr. Irving Conklin's Stonecrest Farm in Ridgefield.

Miss Phyllis Mikula of Norwich, Connecticut writes about her young Morgan stallion, U. C. Happy Tune (Mentor-Tuneful). Now a year and 3 months, Phyllis has had him since he was 8 months old. She says he is being lounged, has had a bit in his mouth, knows how to stretch, back up and the meaning of whoa. The next step is to put him in harness before he is ridden. Phyllis speaks for many of us when she writes, "It's really a pleasure to own a registered Morgan."

The stallion, Dyberry Billy, has been transferred to Miss Patricia Stock of New Caanan, Conn. He was formerly owned by Mr. and Mrs. John A. Noble of Three Winds Farm, Clark's Summit, Pennsylvania.

Mrs. Holcombe has also sent me the following report of the Connecticut Morgan Horse Association. The CMHA recently attended a 4-H Field Day at the University of Connecticut. First, seven horses were brought out in-hand and each participant was given a score card on which to mark his own judging decisions. Everyone went into the ring and was able to really judge the horses, including several Morgans. After the judging, Professor Keyes discussed each horse as it was led out pointing out the features — good and bad — the "judges" should have noted on their cards. A very informative experience because Prof. Keyes really "laid his cards on the table."

Next the University Morgans were brought out and the Professor gave a running commentary of each, comparing way of going, conformation and type. This year's group of foals with their dams were shown around the ring and again Prof. Keyes commented on the youngsters as well as the dams, giving us a very good insight into family likenesses as well as unlikenesses. After meeting the dams and foals, the two University studs were brought into the ring. Mentor and Panfield, who gets around remarkably well with his broken foreleg, adapting his gaits so it gives a minimum of interference.

Finally, Prof. Keyes rode the young

# Pacific Northwest All Morgan Horse Show

By BARBARA BELL

Under the direction of Mr. E. Barclay Brauns the Sixth Annual All Morgan Show will be put down as the biggest and best so far. There were one third again as many horses there with a greater quality than ever before. In only six short years the Northwest can boast of one of the largest changes in quality and quantity in the Morgan horse in many a year. This improvement has only started.

The first section of performance classes was held Saturday night after a wonderful barbecue dinner which the Appleatchee Riders of Wenatchee put on for us. Most of the exhibitors were very glad that at least this much of the show was held at night as Wenatchee, Washington can be a very hot spot, especially when the Northwest is having one of its worst heat spells of the summer. Mr. Gene Stark did a fine job of judging these classes as he did through the rest of the show. I was especially surprised at the number of young horses that won this night and the next afternoon.

Early the next morning the halter classes were held on a grass flat close to the barns. Leo Beckley started off on the right foot by winning the 1960 foal class with a very nice filly out of Orafield. Dean Jackson of Harrison, Montana won the yearling filly class with Flashy Kate. Dean and his wife Betty brought Kate and four other Morgans to the show from their ranch which was 18 hours away. The Jacksons are fine people and, as you can tell, enthusiastic showmen; we were glad that they could make it to our show.

Shawalla Prince, Clarence Shaw's fine yearling stallion, won the yearling colt class. Prince is following in Rockfield's footsteps and will be ready to take over when and where Rockfield leaves off. The Milnes of Bo'dot Stables won the 2 year old filly class with their Bonnie of Bo'Dot and Dean Jackson again took the blue with Senatefield in the 2 year old colt class. Senatefield was the last colt the Jacksons got out of Fleetfield before his death. Senatefield shows many of the good characteristics of his sire and will make a nice sire on the Jackson Ranch.

The Beckleys' three year old mare

Linfield won the 3 year old filly class and went on to win Junior Champion and Grand Champion mare. Linfield is out of Orafield who won the mare and produce class and the mare and 1960 foal class.

Keystone's Nuchief from the M Bar K Ranch won the 3 year old colt class. Even after a bad siege of illness, Nuchief looked in fine shape. Gladys Koehne and Yvonne McDonald were very pleased and rightly so, when Nuchief went on to win Junior Champion and Reserve Champion Stallion.

Pomula, Susan Conklin's mare, won the Mature Mare Class and Reserve Champion mare. Pomula always makes a good showing in both performance and at halter. Keystone, who is owned by Mr. and Mrs. Brauns, and is from the same ranch as Pomula, won the sire and get class with a very good and uniform group of his get.

Rockfield again walked off with the Grand Champion Ribbon after winning the Mature Stallion class. By the way, the Shaws got a full brother to Rockfield this year which they say is a perfect match for Rockfield at the same age.

The performance classes Sunday afternoon completed the show and all left already anticipating next year's All Morgan Show.

The results follow:

# Mid-Atlantic News

By HELENE ZIMMERMAN

This month's column may be a bit hurried and disorganized as last minute preparations for the Mid-Atlantic Morgan show are vying for attention with everyone's news.

We were all saddened to hear of the Douglas Dalrymples' tragic fire and the loss of both Black Ran-Bo and My Fancy. Ran-Bo was one of those "once in a lifetime" horses and his many triumphs will be long remembered. In his last appearance at the Scranton, Pa. show he swept the show with wins in the Under 15, Ladies Amateur and Championship Stake. Dalrymples' mare My Fancy, was in foal to Wasecka's Nocturne and had been a real pleasure both in the ring and on the road.

I received a letter from Marjorie Aires in Venetia, Pa., saying that they had not only purchased the black filly which I reported last month, but also the broodmare, Bald Mt. Petite Ann, from Mr. and Mrs. John Noble in Clarks Summit, Pa. I understand that Nobles have also sold their popular bay stallion, Dyberry Billy, to Patricia Stock of New Canaan, Conn.

Dandy Date (Lippitt Mandate x Denise), the nice bay mare belonging to the Frank Dandois family of Troy, Pa., is living up to her Morgan heritage as she is working in the combine in place of one of her stablemates (an 1800 lb. draft gelding). Dandy weighs about 950, is nursing a nice filly foal by Townshend John, and is once again in foal. She "never quits" and keeps her big teammate stepping all day to stay with her.

Dr. Elmer Searls of Madison, N. J., is busy showing off photos of the first crop of foals sired by his handsome stallion, Dyberry Robin. Robin has always tied way up in In Hand classes and it looks like his foals will follow in his footsteps. Two of the foals are out of Peter Hunt's mares, Lippitt Cecelia and Gay Rachel, while the third colt is from Westfall Blythe, owned by the William Bachman family of Snyder, N. Y.

A new member to report this month is Mrs. Watson Pugh of Raleigh, N. C. Mrs. Pugh has recently purchased the five year old stallion, Miller's Ben-Del (Miller's Pride x Miller's Adele) from Joe Cauthen of Durham, N. C.

Mr. and Mrs. James Cole and son recently visited the Richards Ranch in

Pine City, N. Y. They were quite impressed by the Richards' fancy filly from Mandate's Peggy Lou and sired by Rodee's Brown Pepper. The filly, Margie Pepper, shows a lot of the type and style so desirable for show and yet is tempered just like her dam and grand-dam (Ruthven's Nancy Ann). Nancy Ann is proud to announce (finally) another stud colt for D. F. Switzler down in Carrolltown, Pa. This foal is sired by the farm's excellent stallion, Trophy (Mentor x Norma).

The Mid-Atlantic area is losing more of its staunch Morgan supporters. The Jackson Kemper family is leaving this area to "go West." Mr. Kemper is already gone and the family will join him later. Also "going West" are Dr. and Mrs. Elmer Searls and their good Dyberry Robin. Dr. Searls has accepted an appointment at Washington State University and will be located at the Western branch in Puyallup, Wash. We hate to see both of these wonderful Morgan families leave, but hope they — and their horses — will be happy in their new locations.

The Joseph Vonas' Joselene Hills Farm in Frederick, Md., has reported several new foals by Mr. Showman, who they now own. Miss Show Business Vona has a stud colt, L. U. Vanity has a filly, and Highview Honey has a stud colt and is bred back to Showman. Also in foal to Showman are Countess Aida Vona and Madame Bubblet Vona. The farm's other mares are also in foal, Springbrook Linda Lee to Black Sambo and Coleen to Orcland Leader.

On July 8-9-10, several hardy Morgan people gathered for the annual trail ride held at Meehoopany, Pa. Present were seven Morgans and their owners. Since the trail ride committee (Dr. Parks and Ayelien Richards) were in charge of awarding a "bonus" of ten points to each Morgan completing the prescribed rides, it was gratifying to see that every Morgan there qualified. The Saturday ride was twenty-five miles long through some of the roughest country imaginable as the rocks are so big you cannot see the ground. There is a lot of talk about combination show and pleasure horses . . . well, show and trail riding for pleasure DO go together! The following Morgans

should be "decorated" for completing the ride with many of them going on to shows the following week; Dr. Searls with Dyberry Robin; Paul Cooper and Hawkshaw; Mr. and Mrs. Hopkins with Manito and April Surprise; Dr. Parks on Dyberry Dan; Ayelien Richards on her three-year-old Talisman; and Gerald Mest on his strong Flying Dutchman. Also on the ride but without their Morgans were Mr. and Mrs. Robert Nierman, Mr. and Mrs. Ken West, Mr. and Mrs. S. W. Wolf, Janet Bower and Mr. Rutherford. As usual the food was excellent and the company congenial and all the Morgans came home with "some gas left."

Several other Morgan boosters were sorely missed but due to previous plans a small group of Mid-Atlantic members were on an informal trail ride of their own. Mr. Jackson Kemper, who helped blaze the Horse Shoe Trail, had convinced several friends that a ride from the Valley Forge area to the French Creek Lake Park could be arranged. On their three day trip they rode about eighteen miles the first day, twenty-three the second, and about ten the last for a very enjoyable riding vacation. The Morgans present were Kempers' Gay Sallie Ash and Lippitt Stardust, shared by Mr. Kemper and the two boys; Mrs. Vona on Knobbienneze and Helene on Donna Etta Vona with Jimmy Vona on Lady Perfect Date and a teenage friend, Penny Pilgrim, on her palomino.

The Scranton Shrine Show on July 16 and 17 was apparently enjoyed by everyone. Mrs. Noble continued to be an outstanding hostess with her picnic served this year on the back of their station wagon. The results are as follows:

**Morgan Stallions and Geldings in Hand:** 1st, SIR KNOBBIEZEZE VONA, Joselene Hill Farm; 2nd, BLACK RAN-BO, Mrs. Douglas Dalrymple; 3rd, TALISMAN, Mrs. Ayelien Richards.

**Morgan Mares In Hand:** Won by THREE WINDS BETSEY, Three Winds Farm; 2nd, MY FANCY, Mrs. Douglas Dalrymple; 3rd, WINDCREST FAIR LADY, Three Winds Farm.

**Novice:** Won by KNOBBIEZEZE, Joselene Hills Farm; 2nd, THREE WINDS BETSEY, Three Winds Farm; 3rd, REDSTONE, Carol Schreiber; 4th, TALISMAN, Mrs. Ayelien Richards.

**Junior:** Won by THREE WINDS BETSEY, Three Winds Farm; 2nd, WINDCREST FAIR LADY, Three Winds Farm; 3rd, TALISMAN, Mrs. Ayelien Richards.

**Morgans under 15:** Won by BLACK RAN-BO, Mrs. Douglas Dalrymple; 2nd, SIR KNOBBIEZEZE VONA; 3rd, TALISMAN, Mrs. Ayelien Richards.

**Morgans over 15:** Won by DONNA ET-

# Morgan Horse Club of Southern California

By MRS. DORIS BORDEN

The Morgan horses in Southern California seem to be standing the record-breaking 100-and-over heat far better than their owners! Due to unfortunate trips to the hospital by some of our key members these past few weeks, there were no June or July meetings. First, the wife of our fine President, Walt Phillips of La Puente, went for extensive surgery. Then the Grand Dame of the Morgan breeders, Mrs. Mel Morse, had a siege at the hospital, but is now home where she can keep an eagle eye on her newest arrival, one of the most beautiful little deep copper-chestnut fillies this writer ever saw in any breed of horse! This lively young lady from solid color dam and sire arrived with a most unusual zigzag mark between the eyes that looks for all the world like an Indian sign for lightning. But back to Morgan owners: the charming brunette wife of our Secretary-Treasurer, Orval Smith, was rushed to the hospital for Cæsarian section in the early arrival of a baby boy, 6 lbs, 3 oz. — sorta small considering the other colts the C & S Morgan Farm (Ron Cronk and Orval Smith) in Arcadia usually brag about!

After the second All-Morgan Horse Show at West Covina in June, one of the talented, enthusiastic Morgan women, Mrs. Barbara Rovira of Crestline, added to her string by buying from Dr. Darrell J. Holman a stunning coal black yearling filly that should grow up to be an outstanding parade horse. Barbara, who publishes a "horse paper" up there in the mountains called "Los Caballeros," has a good little Morgan stallion, Monte Vermont, by Frank Waer's Rex's Major Monte, standing at stud at the 5-C Stables in Muscoy. This writer hasn't seen him yet, but from his pictures he's strong on Justin Morgan type with a lot of power.

Mrs. Mel Morse sold some of her good Morgan stock this spring to a new Morgan breeder located at Bellflower, Mr. O. Williams. He bought her mare, Sheana, and month old colt, Little Rocky, and a two year old filly by her beautiful stallion, Flight Admiral. We hope Mr. Williams will join our Morgan Club so we can get acquainted.

A very handsome, large solid chestnut Morgan gelding turned up at the Morgan Show in June that had many heads turning. He was, I knew, an Eastern horse, and since his trainer was showing him in English, I was most interested to know his background. St. Gamie is owned by Mrs. Duane Clark of Palm Springs and Santa Barbara, and was purchased from Dr. Ina Richter of Santa Inez a year ago. Gamie, now seven, was a stallion standing at Dr. Richter's until 2 years ago. He was foaled at Pawnee, Illinois, on the farm of Helen B. Greenwalt, out of Flyette by Niles. Gamie is now being trained by a very interesting newcomer, a Mr. Bernard Adams, at Leffingwell Acres in Ontario, where Mr. Adams is boarding and training Morgans, Walkers, Arabs and Shetlands. Mr. Adams is a native of Tennessee, having been born and raised at Jackson, where all the good pleasure horses are either Morgans or Walkers. Gamie is being trained both English and Western, and is appearing at some of the bigger shows in these parts in English, where he shows up very well. This writer is very thrilled to see more Morgans in open English competition, for we are a little weary of seeing Arabs and Saddle Breds making off with the blues when a Morgan, properly trained, is such a beautiful English pleasure horse.

The big show of the month was the 15th Annual National Horse Show at Del Mar the latter part of June and early July. This year Fair management cut out the working Morgan classes, alas, but there were some fine halter classes, with results as follows:

**Stallions 3 years and over:** Won by REX'S MAJOR MONTE, owned by Double F Ranch; 2nd, WAER'S LUCKY HAWK, owned by Double F Ranch; 3rd, MONTE VERMONT, owned by Barbara Rovira; 4th, HAROLD ROBERTS, owned by J. Glen Francis.

**Champion Stallion:** REX'S MAJOR MONTE.

**Champion Mare:** WAER'S LANETTE.

The Club heartily congratulates Frieda and Frank Waer on their outstanding wins at Del Mar. The Waers are the owners of one of the most beautiful horse ranches in Southern California, located high in the mountains of Orange County, where their Morgans graze on steep hillsides among the oaks. This is, I believe, the largest Morgan spread in this entire area, and certainly the most colorful.

In the last class at Del Mar, "Morgans, Groups of Mares," it is interesting to note that Hap Coffey, now of Northern California, put on a real show for the public which is a credit for both the Morgans and Hap. He showed four mares owned by his wife, Florence, on the longe line, bringing each mare out until all four lines were in one hand. This, to anyone knowing longe line technique, is real showmanship, and Hap got a tremendous hand. There was no doubt in the audience's mind that those four mares were really trained and wonderfully behaved.

***We have Stars in Our Eyes . . .***

- Sarah grew into her derby and won the Lead-Line Class!

# Mississippi Valley Morgan News

For a time, it seemed, we were only welcoming new members into our club. Then came the first blow, when the William Byers' announced they were moving to New Mexico. Last week came another hard blow, when the Earl MacMichaels announced that they had bought a farm near Reeseville, Wisconsin and planned to move there by the first of October. Both of these families played a basic part in the functioning of the Club. Don Dzenoglewski, our first president, has also left us; on July 10 he was married and he and Ann have established their home at 500 West St. Louis, Nashville, Illinois, where Don is operating a newly rejuvenated, ultra-modern Bowling Alley. We wish the happy young couple all the happiness and success they so richly deserve. However, their loss to our Club is most keenly felt. Do the rest of the members of the Mississippi Valley Morgan Horse Club, Inc., realize what this means for us? We're all going to have to do our bit plus a little bit more.

The Ill.-Mo. organization of saddle clubs around this section of the two states has been more than generous in extending a hand of welcome to the Morgan breeders in this area, by including a class for Morgans in a goodly number of their shows. Here is a report of the Morgans at those shows for the month of July.

July 10—What a day and what a show — the one at Arnold, Missouri, turned out to be. RAIN, RAIN, RAIN, AND MUD, MUD, MUD!! That showing which required young hearts and younger legs like Bill MacMichaels' and Neal Werts', but Earl MacMichael and Ray Searls chug-chugged through that deep, sticky mud, too, and were able to be up and about as usual the next day. Results of the show were:

**Stallions:** Won by CINNAMON KING, Ray Searls; 2nd, REDBERRY, Earl MacMichael.

**Mares:** Won by OZARK'S FIREFLY, Neal Werts; 2nd, BROOKLYN SCARLET, Bill MacMichael.

July 24—The Trail-Riders of East St. Louis were more fortunate weather-wise, and the Morgans had a better representation here; for this everyone was grateful. The placings were:

**Stallions:** Won by REDBERRY, Earl MacMichael; 2nd, CINNAMON KING, Ray Searls; 3rd, DUKE OF LEBANON, F. K.

Dzenoglewski; 4th, PANFIELD'S THOR, Dr. D. F. McCarthy.

**Mares:** Won by OZARK'S FIREFLY, Neal Werts; 2nd, RENEE, Miss Sue Lutz; 3rd, BROOKLYN SCARLET, Bill MacMichael; 4th, CAMELIA, Miss Renee Page; 5th, SUSIE O., Kay Jolley.

July 31—Butchertown Rough Riders at Kamp's, Florissant, Missouri. This was indeed a beautiful day, but when Morgans were called for they were again found wanting. WE MISSED YOU.

**Stallions:** Won by REDBERRY, Earl MacMichael; 2nd, CINNAMON KING, Ray Searls; 3rd, PANFIELD'S THOR, Dr. D. F. McCarthy.

**Mares:** Won by OZARK'S FIREFLY, Neal Werts; 2nd, RENEE, Miss Sue Lutz; 3rd, KAY-KAY, Mrs. Sadie MacMichael.

Miss Lutz's mare had the misfortune to get "hung-up" in the middle of the trailer as she was being loaded here at Kamp's, and cut a twelve inch gash in her breast. Dr. McCarthy was required to take several sutures to close the wound. Everyone admired the way Dr. McCarthy showed Panfield's Thor in several classes beside the Morgan class. His catchy remark about that was, "His beauty is more noticeable in other classes, for in the Morgan class he is surrounded by beauty, beauty, and more beauty."

Some of the weanling colts of this season seem to be having a rather rough time of it. The Ernest McElhinney's little Good Friday broke a front leg at a very tender age, and shortly after that was out of the cast, he had to have an operation on his throat, for hay had lodged there, and all his food came out his nose. The veterinarian had to pick bit by bit the lodged hay from the throat. Then his food wanted to and did come out that new opening. And he is such a beautiful and lively little fellow.

The Warren Hohmbrakers' little colt, born on June 25, has had an operation on its knees for broken blood vessels, or blood clots. Here's hoping that it too, is much improved by now and runs into no further difficulties.

The Raymond Brachars' pride and joy, a little filly colt, received a deep gash on its breast, and now all fear we'll miss seeing her at the State Fair.

The Ray Searls' barn looks mighty empty and lonesome these days, for they have recently parted with three of their prized Morgans. Prince De Jarnette is now residing in the barn of Larry Dooley of Columbus, Ohio, and all are pleased to learn they are enjoying one another exceedingly. Illawana Joy Royale and her colt, King's Top Man, have a new home in the

barns of Miss Karene Heimstead of Eau Claire, Wisconsin, R.R. 2. Karene and Joy have already had some good times together, too. The best of everything to these horses and their new owners.

It was early in July that the Truman Pocklingtons had a rather hair-raising experience, when a freak storm hit their farm in the Shipman area. It was a little after midnight when the storm drove them to the cellar — the first time in their lives — and as they sat there listening to the roar of that wind, and the sounds of crashing glass and splintering timbers, they wondered if anything would be left. It was a rather fortunate unfortunate affair, for although not a single building was left undamaged on their large dairy farm, neither they nor their animals were seriously injured.

Our sincere sympathy is extended to the Neal Werts in the loss of his mother in Humansville, Missouri, on July 17th. Although they may have been expecting this loss for some time, still death of such a close loved one always comes as a severe shock.

One of the families who are members of the Mississippi Valley Morgan Horse Club, Inc., are the Floyd Niebrugges of Valmeyer, Illinois. While they are comparatively new members we are all looking forward to knowing them more intimately, for we have so enjoyed the wholesome good times we have already had with them.

Big plans are in the making and Morgan owners are busy getting just the right shine and glow on the horses in readiness for the Michigan All-Morgan Horse Show to be held on August 27 and 28 at Woods and Water Farm of the Kanes at South Lyon. Then come the fairs, Michigan State Fair and Saginaw Fair, to provide a real windup to the 1960 show circuit. In the next issue we should have the whole story, with plenty of pictures to help tell the tale.

Bob Lewis' good producing mare, Twinkle, had her filly foal by MacDonald Geddes just before Bob took off for the National Morgan Horse Show.

Bob also owns the yearling filly, Mary-Bob's Party Girl, whom he has been showing this season with fine success.

Mr. and Mrs. Don Davis of Caro were visiting in our part of the state and paid calls on several Morgan Farms. Don owns no Morgans at present but has a lively interest in the breed and their owners. He earlier owned two of the Cloverlane mares and we enjoyed hearing tales of their escapades as youngsters. While stopping off with Milo Measel of Novi he caught sight of Lamont Chestnut, whom he bred and raised several years ago. "Monty" is now owned by Bill Lokey of Belleville. Bill is vacationing out West this month and we hope he comes back with some good pictures for the folks at home.

New members of the Justin Morgan Horse Assn. are Peggy Waldner and Carolyn Lippitt of Ann Arbor. Peggy Waldner has had many wins with her Western Pleasure gelding, Joker Joe Geddes, and is a fine young horsewoman. Carolyn is the owner of a yearling stallion, Kevin Geddes, and has great plans for his future.

Mr. Doyle and daughter, Lynn, owners of the two year old gelding, Plain and Fancy, attended our last meeting. Lynn has done a fine job getting her little bay ready for the shows, and is an active member of the local 4-H association.

Visiting back home in Michigan were David and Barbara Batton. Stopping off with the Milo Dugans, they exchanged news with the Dugans and heard the latest of their Colorado Ranch. Other young folks charmed by the wonders of the West are Mr. and Mrs. Jim Darling. Jim recently purchased part ownership of the restaurant "The Hackney House" in Colorado Springs, Colorado. The food is fine and the motif is horsey, of course. The tables and booths are patterned after the box stall idea and can accommodate 300 to 350 guests. Good luck to the "Westward Movement" — we shall miss them all, but hope to come calling one day.

Noble Brock of Ferndale is mightily proud of his pleasure gelding, Springbrook Cracker. Visiting with him at our last meeting was friend, Jim Willis of Ferndale. Jim's daughter, Carol Willis, shows their mare, Belle Cherie in both Open and Morgan Western Pleasure classes. Belle also produced a

fine stud colt for them by Kane's Jon Bar K.

Dr. Dean Scoggins and R. H. Krift of Hudson purchased Cloverlane Sister Jane from Beverly Risk. Dean thinks the mare has stock horse potential and Dean certainly is the one to develop it, if so, because he is well known in this division. Janie has been bred to MacDonald Geddes, owned by Dr. A. J. Ruthven of Ann Arbor.

## Morgan Association of Oregon

By JEANNE VAN DEUSEN

Here it is the end of July with several shows already past and still no pictures received of the winners of our All Morgan Show. Won't you please send these to me so we can have them included with our news.

Dave and Dotty Olson's mare, Tri-nango's Abbenette, presented them with a very pretty chestnut colt, the latter part of June sired by Dr. Parkinson's young stallion, Ferncrest Silver King. The colt has a nice large star, strip and snip with a wonderful friendly disposition.

Glidden's Heir ridden by Yolanda Robl took first in the Morgan Western Pleasure Class, June 17th at the Eugene show. Second was Madison Lad, owned by Warren Ward, ridden by ValRae McGrawe; 3rd, Sunny Sky owned by Dr. Parkinson, ridden by Dotty Olson; 4th, Laddie Linsley ridden by Warren Ward; 5th, The Monk, ridden by Floyd Chamberlain. In the same class Saturday, the placings were just about the same with Glidden's Heir first; Sunny Sky, second; Lela Linsley owned by Clarence Simon, ridden by Linda Spellman, 3rd; Laddie Linsley, 4th; Madison Lad, 5th.

I am sure all will be happy to hear the good news from the Morrisons that their mare, Primrose Abbenette is rapidly recovering from her recent operation to remove the proud flesh from her hind legs. As some of you recall she got tangled up in a chain just about a year ago which took all the flesh off her legs until the bone was exposed from the hock to the pastern. Phil and Ruth spent hours every day doctoring and feeding her. As she was unable to get on her feet they had to hold her up in order that she could eat. At the time she was in the pasture and unable to be moved so had to carry all her feed and water out

to her plus keeping the other horses away. On top of all this she was nursing her young foal, Sammy, which Ruth has said many times was the only thing that kept her going through all the pain. Even though he was just a little fellow they thought many times of weaning him to try and help her regain some strength, but were afraid they would be taking away her will to live along with him. Just a short time ago they were debating on putting her to sleep when they decided to give one last try and had her legs operated on. Today you would never know it is the same mare. She's putting on weight, has a bright look in her eyes and a new lease on life. Through all this she was in foal to Sonoma and two months ago had one of the prettiest little fillies your reporter has ever seen. It must prove that if you are willing to really work at it many supposedly hopeless cases could be saved.

Jeanne van Deusen of Glendale had a wonderful visit from Neal Silver of Twin Falls, Idaho as he brought one of his stallions, Windcrest Yankee, son of Upwey Ben Don, over to her place to stay a month while he went on down to the All Morgan Show in Turlock, California. Jeanne already has one colt by Yankee and bred two mares to him this year. Could listen all day to the interesting tales and experiences Neal has to tell about life as a professional packer and guide.

We are very, very sorry to hear Ronald and Lois Groshong are resigning as President and Secretary-Treasurer of our organization. There is a lot of thankless work for officers in any organization and know all members join me in a very sincere thank you to Ronald and Lois and certainly hope they will continue on the active list of members.

Better start making plans now for the trail ride at Scott Lake that Dr. Parkinson is planning for us. It will be over Labor Day weekend and will have more details later. Don't forget the Josephine County Fair in Grants Pass. The Horse Show will be held August 13 with breeding classes in the morning.

# Northern California News

By JOAN HODGKIN

I am happy to report that the first all-Morgan show of Northern California was a huge success. If it weren't for the efforts of our directors and all the work of many members, I'm sure the outcome wouldn't have been nearly so pleasant. Thanks go to the Nortons, the Felts, and Mr. Wessitch particularly. We had an excellent turnout, both in exhibitors and spectators. There were approximately 85 horses entered and about 800 people turned out to watch the show. Being the first show there were numerous things we learned, things that can be improved upon next year. I feel one of the most glaring mistakes was that there were ribbons to only third place. Another rather sad thing was the lack of training generally exhibited in the performance classes. We can all stand quite a bit of improvement in this area. There are wonderful horses within Northern California, let's look at them and admire them, but also use them and show their remarkable versatility. The results are as follows:

**High Point Horse:** LINN'S ANNE, owned by Dixie Lee Jeffrey.

Along with all the other things that went to make up a wonderful day there were two special events. Gene Davis drove a matched pair of yearlings. Little Martin Vermont and Annabele Vermont took everyone's eye. As the other special event, George Littrell hitched up his mare Girlie Chief and drove her around the arena pulling a bale of straw while George perched happily on top of the bale. It was a good show and a good start . . . let's make next year's twice as good.

What with the show season in full swing most of us don't have time to

think about news items that would be fun to print. In a month or so I will catch you up on all the news and more results from the open shows around and the fairs.

By CLAIRE WEST

The Morgan horses of this area are certainly getting out for all possible shows this season. We're few in number, but have good quality and each individual is doing real well. Sam and Eleanor Brackman are making quite a record for themselves, showing their Sugar Run King, Little Spook and Holly's Bomac (half Morgan). Eleanor does most of the riding and showing.

Jacque Jones' beautiful four year old stallion Captain McCutchin certainly displayed the true Morgan spirit at the Gallipolis, Ohio show, when he pulled a shoe only minutes before show time. Unable to find a blacksmith, Captain McCutchin went into the show ring and performed his gaits perfectly. Another fine Morgan stallion everyone likes is Wingfoot, owned by Arnold Haschar, Parkersburg, W. Va. Wingfoot now 17 years old is still going strong and gives hard competition to any horse, young and old alike. Arnold purchased Wingfoot late in June of 1959 and finished the show season taking many honors. Winning the Plain Horse Championship in the West Virginia Horseman's Assoc. also Reserve Western Show Horse in the Ohio Valley Horseman Assoc. and in the South Eastern Ohio Horse Exhibitor Association, he placed third in Western Parade and 3rd Western Plain Horse.

Many of our local Morgan horses took honors at the Mid-Western Horse Show held at Columbus, Ohio, July 1, 2, 3 and 4th. Eleanor Brackman took top honors in the Mare and Gelding class, mounted on Little Spook owned by Mrs. Edwin A. Jones, Naples, Florida. Two days before Mid-Western, Little Spook was out in pasture, and got cut pretty bad on barbed wire. A little discouraged, but still determined, she was loaded in the trailer and off to Mid-Western. After arriving and seeing the amount of horses entered, Little Spook was al-

By MRS. DORIS NORTON, Guest Editor

Everything is moving at a mighty fast pace at HyLee Farms, what with the shows, new foals, Morgan sales and breeding season along with the everyday routine of just keeping home and business running smoothly so Jane has asked me to "guest edit" the column for the month of September. I shall try my best to adequately fill in.

What better way to start a column than with good news and what is better news than a wedding! Harold Meyer, Barrington, Illinois, our club treasurer and owner of the very typey mare Trietta and good stallion Allen Daire, claimed Miss Hazel Raugstad for his bride in a July wedding. The new and charming Mrs. Meyer seems to bring good luck with her, as Harold's well-built mare Trietta took the trophy in the three-gaited division and Fine Harness Class against very keen competition at the Wisconsin State Fair Horse Show, at Milwaukee, July 28, 29, 30 and 31. Mrs. Meyer, originally a Montana girl, is a very ardent animal lover. We hope to see her soon competing in the three-gaited classes along with Harold on their two good Morgans. Congratulations and best wishes to both of you.

Had the pleasure of meeting my neighbor to the east, Miss Norma Reeder of Janesville, Wisconsin at the Janesville Rotary Horse Show. Spent an enjoyable half hour discussing Morgans with her. Watched a very good Morgan Fine Harness class in a downpour under the voluptuous rain coat worn by Peggy Barton of Big Bend Farm, but rain did not dampen those Morgan spirits nor hinder their performance. A good show despite the rain and mud.

The Osmans, Norine and Orwin, were also at the Janesville show with their very beautiful Skychief, a stallion who always draws the Oh's and Ah's for his style and gorgeous color, and Norine's pride and joy, the black son of Skychief, Emerald's Cochise. This young stallion has taken the Morgan Pleasure classes by storm, and rightly so for he is Morgan through and through in manners and appearance.

Mrs. Ralph Schild, Browntown, Wisconsin has sold her nice black gelding Billy Black (Flyhawk x Highland Firefly) to Miss Carol Schactler, Eau Claire,

Wisconsin. The versatility of the Morgan horse is matched only by that of the Morgan owner. Carol has a Tennessee Walking Horse, a Saddlebred and a Shetland Pony besides having a good representative of the Morgan breed in the newly acquired Billy Black! We shall all be looking forward to seeing Carol and Billy in the Morgan classes.

Mrs. Schild has now turned her full attention to a Quarter Horse gelding which she has in training for O. L. Hare of Monroe. Hope to have her back in the Morgan fold very soon.

Recently spent a day with the Behlings of HyLee Farms, Cambria, Wisconsin and looked over their crop of lovable 1960 foals. Was struck by the uniformity shown in these foals. Seems to be something missing though, to drive into HyLee Farms and not find Floyd Appling busy working around the barn. From HyLee Farms we went for a short drive to the home of Mr. and Mrs. Roy Clark of Beaver Dam, Wisconsin, the proud parents of an adorable blue eyed baby boy. Also saw the Clarks' two good Morgans Fillaine (Fillmore x Moraine) and HyLee's Windsong (Max Hi Ho Kid x HyLee's Lady Justin). These two Morgans are living the life of Riley just wandering about the massive acres of Clark Farms. Fillaine is now in foal to "Windsong" and the foal should be a good one.

Norine Osman has reported their wins at the Wilmington, Illinois Horse Show. All classes were well filled with a turnout of about fifteen Morgans. Their wins are as follows:

**Morgan Western Pleasure:** Won by EMERALD'S COCHIESE.

**Morgan Model:** 2nd, EMERALD'S SKYCHIEF.

Our August meeting promises to be a lot of fun with a trail ride and outdoor barbecue to be held at Windy Acre's Guest Ranch near Monroe, Wis. Horses will be available for those who do not wish to trailer their horses to Monroe. The Guest Ranch also boasts of a nice golf course and a beautiful indoor dining area bursting with old world charm along with the lovely outdoor facilities, complete with outdoor barbecuing pit and swimming pool. All in all it promises to be an exciting, fun packed day. Why not join us, the welcome mat is always out. Write to me, Doris Norton, RFD #2, Monroe, Wisconsin and I will send you full particulars concerning the club's activities and goals.

## New York State News

By RUTH ROGERS

Complete results of the Sunnyhill Pony-Morgan show in Syracuse early in July have not reached me. We are indebted to Ellen Stanton for the following information:

More than 39 Morgans entered by 19 owners were well received by the public and judged by Mr. B. B. Bailey.

Sealect of Windercrest, owned by Gordon Voorhis, was grand champion stallion, and Sweet Pepper, owned by John Lydon, had the grand champion mare award. Stake night found this pair on top in a hotly contested and well-filled class. The little mare finally emerged champion, the stallion reserve.

In a very beautiful stallion-under-saddle class, Waseeka's Nocturne was tied first, Sealect of Windercrest second, (Continued on Page 51)

I am sure that everyone has been real busy brushing, grooming and working their fine Morgan caballos for the Estes Park All Morgan Horse Show, August 27-28. It is a lot of work, but well worth the efforts. Honestly we can hardly wait to see everyone again and of course, all the beautiful Morgans. The registered Morgan sale will be most interesting and exciting too. This is being held on Saturday afternoon of the 27th.

Due to the lack of time the show committee had to limit two horses for each consignor. The following is a list of consignors: Paul Buchholz, South Dakota; George R. Burgess, LaPorte, Colorado; Dr. T. H. Conklin, Stegler, Oklahoma; Echo Farms, Inc., Greeley, Colorado; Ramul Dvarishkis, Hamilton Dome, Wyoming; Mel Frandsen, American Fork, Utah; A. D. Goodwin, Salt Lake City, Utah; Charley Hamilton, Parkman, Wyoming; Stuart G. Hazard, Topeka, Kansas; Jesse C. Kelso, Tucson, Arizona.

Charles R. Marcy, Hay Springs, Nebraska; B. Wallace Mills, Hay Springs, Nebraska; Mrs. E. J. Poitras, Holliston, Massachusetts; Everett Reed, Aurora, Colorado; Hal P. Schulthies, Fruita, Colorado; Mrs. Henry Steffensen, Chadron, Nebraska; Waseeka Farm, Ashland, Mass. Dr. William K. Woodard, Albuquerque, New Mexico.

Our President, Ray Macy reports that there has been two real fine horse shows in southern Colorado, one at Loveland and the other at Brighton. He says the Morgan horse interest has grown by leaps and bounds in that area the past two years. We have noticed the same progress here in New Mexico.

We welcome another new member this month: Mr. Clark A. Blake of Morrison, Colorado.

The Howard Eberlines of Santa Fe, N. Mex., have purchased a mare, Red Velvet and her foal, Stetsa (Red Velvet x Stetson) from the Mosher Brothers of Salt Lake City, Utah. Mrs. Eberline proudly claims the mare for her own pleasure riding. They now have four lovely Morgans to romp about their pinon covered acres. Their stud colt, Arron Jay (Fruita x Congo) is in training with Earl Skinner of Albu-

querque, N. M. and they are planning on showing him in August.

Dr. and Mrs. Robert J. Taylor are now living on their newly purchased ranch at Louisville, Colorado. They report an adorable filly from Measter Mac. We will see them at Estes Park.

Recent sales from the Mosher Brothers are as follows: A chestnut broodmare, Bessayre, to Mr. Van Higgins of Morrison, Colorado; also the famous mother of "Congo" to Mrs. Nicholds of Denver, Colorado. A three year old mare and filly colt to Mrs. Peggy Nicholds. A yearling filly by "Condo" to Roy Watson of Salt Lake City, Utah. A pretty chocolate colored stud colt with a frosty mane and tail by "Condo" out of Flaxie Annen to Miss Judy Richardsen, Salt Lake City, Utah. A nice chestnut two year old to Miss Mary Wolverton of Denver, Colorado.

The Mosher's will be at Estes Park, Colorado with a truck-load of their fine Morgans.

Miss Mary Lasater has moved to Cedaredge, Colorado from Iowa this past summer. She has thirteen Morgans and two half-Morgans.

Speaking of half-Morgans, our Captain Blaze has sired two half-Morgans. One mare is a double-registered Quarter horse and the other a grade mare. Both colts have a beautiful Morgan head and nice conformation and they carry his coloring, light chestnut. The proud owners are Herbert Knight of Los Alamos, N. M. and A. Honstein of Espanola, N. M.

Received an interesting letter from our Show Chairman, George R. Burgess of La Porte, Colorado. He and our President, Raymond Macy, have really been burning the night oil to get the All Morgan Horse Show at Estes Park, Colorado under way. He reports that the preliminaries are well in hand and things are progressing very well.

The Burgess family have purchased a stallion that was bred by the University of Nebraska, Rex Allen, No. 10895. He is a chestnut with white markings, carrying a very good pedigree, foaled in May 1951. They feel that he will be an asset to their herd of fine Morgans.

Don't forget to send in your news and we welcome any interested Morgan enthusiasts to join our Club.

## Letters

(Continued from Page 6)

the horses tied as Champions at the National Morgan Show are really only sectional champions rather than national champions. Now how can we make the National Morgan Horse Show really national in scope and in competition? That is one of our most important questions for discussion and decision.

With the National Morgan Horse Show held in New England each year, Morgan owners in that area are favored in travel and expense to get to the show. Those from the middle west have 1500 miles to travel with their horses while we in the west have 2750 miles to travel. That is just too far for 90% of all Morgan owners to travel and transport their horses. So long as the National is cornered in New England, as at present, it will never be a National show except in name.

For the consideration of the Morgan owners and breeders, I suggest that the National Morgan Horse Show be moved to Chicago, Illinois. The excellent facilities of the Chicago International Arena would be available for this purpose and it is a very fine place to exhibit. Or the Illinois State Fair Grounds at Springfield, Illinois, would be a nice place and just about central in the nation. With the show held at one of these points, and intensively promoted we would take a big step in increasing Morgan horse acceptance and appreciation. Too, the Morgan owners in New York, Pennsyl-

vania, New Jersey and New England points would have a travel expense and distance not too far to be impossible for them. We here in the west would still have much farther than our eastern friends, yet I am certain the extent of our exhibitors and the number of horses would be substantially increased.

A second suggestion is that we begin by holding the National Morgan Horse Show in Chicago for a couple of years as a test. If it doesn't prove out as some of us feel certain it will, then return it to New England. Furthermore, if it does prove very successful in Chicago, we could still return it to New England every third or fifth year for historical reasons.

This is something that should be submitted to the Morgan owners at large for their comments and suggestions. It is too important to be decided otherwise. So maybe these suggestions may serve as a beginning and the discussion move along from here. Very certain am I that even with widespread discussion we do not necessarily have to make the final move immediately. My only thought is to get a report from the various sections of the nation and from a wide number of Morgan owners and breeders.

## MEETING WATERS MORGANS

We offer a choice of 1 yearling and 3 weanling stud colts at reasonable prices due to over-crowded stable. This is a real opportunity as colts of this type and breeding are rarely found at these prices. They are all worthy to head a broodmare band or would make outstanding geldings. They inherit excellent action which could easily be developed for showing.

Their sires are **Jubilee's Courage 8983** and **Lippitt Ashmore 10811** — Their dams carry the blood of Townshend Lass, Lippitt Dusky Kate, Springfield, Jubilee King, Sealect and others of equal merit and fame.

Come and see them or write for description.

(Continued from Page 23)

Mohawk Chief, owned by the Dick Stantons, third; Elchem, owned by Wil-lard Hoefen fourth; and Lord Linsley, owned by Pat and Don Long, fifth.

Other prominent Morgans were Evelyn Rodee's capable Don Quixote Pepper (How glad everyone is to get him out of the Novice Class!), Mr. and Mrs. Ralph Plauth's Dark Shadow, and Mrs. Douglas Dalrymple's crowd-pleasing Black Ranbo.

The Ray Kings displayed a good collection of ribbons won by their Lady Jezebel Pepper. Danbury, red chestnut, 2 year old from the Voorhis Farm won Junior fine harness and also was Junior champion stallion in hand. Reserve Junior champion was Oatka Don Moro, yearling stud owned by Dick Stanton. And Mary Arnold's 3 year old filly, Arnona Charm made her debut, performing handily in both English and Western tack.

Thank you, Ellen, as always.

We are sorry to report the death of Allen's Seneca Chief, well-known old-timer in the Morgan world, owned by George Dygert of Syracuse. Chief died from a twisted intestine (as did his dam, Hepatica, a few years ago). He was 23, one of the last of the Corn-wallis sired studs. He will be missed by us all.

Club member Marlene Beggs of Esperance changed her name to Samatulski on July 2nd. She and her husband now have six Morgans, the stallion UVM Enchantor, three broodmares and two foals. Their establishment will be called the Bib-Little Morgan Horse Farm and the Samatulsks plan show careers for their colts.

From the Richard Botsfords of Keesville we hear of the birth of Ginger Cookie's second foal — a white-trimmed stud colt by Windcrest Sensation. Ginger's first foal, a filly by Tutor, is now two years, trained to drive, and ready for the junior classes.

The sweetly named Ginger Cookie was second in Men's Pleasure Class at Randolph, Vt., last Fall, and unfortunately the results of that class were omitted from the official report of that show. Ginger did take home that red ribbon, and her family is justly proud.

The Botsfords welcome visitors to their Adirondack home.

In the P. H. A. show at Syracuse last Spring, Broadwall Sport owned by Mrs. Anne Somerville of Sidney, placed third in the under-15 class. Your re-

porter was in error in the former listing. Sport was competing in his first show, and Mrs. Somerville is understandably happy with his ribbon. Sorry for the mistake, Sport and Anne.

Many of you will remember the cover of the program for our recent Field Day. It states, "Ability with Versatility" and pictures a Morgan standing on a ladder, holding a can of paint with one hoof, wielding a paint brush with another, doubtless painting his barn.

Activities Director Russ Dobbins feels now that he may have been a little too confident. He has found that at a height of over 6 feet, his Morgans unvariably fall off the ladder. He therefore urges that they never do their spare-time painting at any unreasonable height.

Enough for now. Send your news, friends. Address Ruth Rogers (Mrs. V. J.) Martin Road, Akron, N. Y.

most scratched from her class, due to her battle scars. Stiff competition was also had by Captain McCutchin, owned by Jacque Jones in a large class of Morgan stallions. Not discouraged in the least Captain McCutchin brought home a third. Devan Diamond, owned by Maxine Kidwell, Utica, Ohio received fifth. Ray Jones' new stallion Vigiltor came home with a fourth at halter in the 1958 Morgan Colt Class. Fifth went to Nugget's Prince John, owned by John Stephens of Central, W. Va. Holly's Katrina owned by Ray Leach of Williamstown, W. Va., was shown by Pamela Leach in the 1959 filly class and brought home a second place. Despite Ray's walking the floor night and day, Pamela and Holly's Katrina had a wonderful time, but it is thought that a few tranquilizers would be advisable for Ray.

We're very proud of the fourth place ribbon won by our three year old mare Nugget's Jubilee Ann at the Athens Ohio Show, July 3rd. It was only her fourth time in the show ring. I bought Jubilee at 7 months of age, and have enjoyed raising and training her. For the past three years I've spent my vacations helping build lot fences for Jubilee and her full sister, Polly's Dark Magic. The vacation was spent this year building two stalls and a corral for our yearling stallion Dean's Star who has been stabled at my parents home for the past two months due to lack of stable room at our farm. Well,

we're certainly glad to have him home. So who knows what next vacation will bring.

Morgan mare that Miss Nancy Potter, a former student, had started on dressage. He did a very good job with her. The Connecticut Association was glad to have been invited to join the Field Day and we certainly had an opportunity to really see and learn about horses which is not always available to the casual visitor at a stable. Thank you, Mrs. Holcombe, for all your wonderful items.

Mr. and Mrs. James Berrigan of Washington, Conn. have purchased Royalton White River (Ethan Eldon - Lippitt Romance) from Mr. Lester Welch.

Mr. David E. Rawson of Quadic, Conn. sent pictures of his two geldings, Connecticut Arrow (Squire Burger - Broadwall Rita) and Merry Allenby (Merry Knox - Merridale). Arrow, or more affectionately known as "Chipper," is used a great deal in harness and occasionally at the church fair. The other, "The Beaver," is a great pet and the two are being worked in double harness. Their daughters both ride and are active in 4-H and "so we find the 'Morgan disposition' priceless," writes Mr. Dawson.

guson writes that they have 14 foals this season with one more to go. There are six fillies and eight colts — four by Parade, four by Broadwall Drum Major and six by Broadwall St. Pat. She says they are all pretty uniform and it is difficult to tell which are by the different stallions. I can well imagine that the Fergusons are pleased with their ratio of fillies and colts.

She comments in her letter that just a few years ago you could count the Morgans in Rhode Island on one hand and now there are at least 75. There may be many more than that — but she says it is a rough estimate.

Mr. Robert Joslin of Clayville has his stallion, Broadwall Tallyrand, in training at Whitey Fenton's stable in New Hampshire. This handsome chestnut son of Parade and Broadwall Susie Q. looks to have great possibilities.

Mr. Willis Kimball has been showing his Morgan gelding, Broadwall Panlyn, at many of the local shows and has won several blue ribbons in Open as well as Morgan classes. It's a good ad for Morgans with the number of ribbons he has won in the different classes.

Thank you, Mrs. Ferguson, and I do hope the Rhode Island Morgan owners will send in more news.

### MASSACHUSETTS

Mr. and Mrs. Paul H. Turner of Bolton, have purchased the nice mare, Sharron (Osage - Naive) from John Lydon. They also have a lovely two year old filly, Corinth Ariel (Windcrest Donfield - Tinkerpan) who has been getting her elementary education at Sir Echo Farm. Although home now, she will return after the show season to be broken to harness.

Also at Sir Echo are three nice three year olds — two geldings and a stud. The black gelding, Black Satchmo (Mansfield Squire - Black Ranger) looks a great deal like Black Ran-Bo and there is great hope for him. The bay stallion, Cheyenne (Black Ran-bo-Whippoorwill Melody) and the bay gelding, Philip Mansfield (Black Ran-bo—Diana Mansfield) also show great promise. John says they are wonderful to handle and a pleasure to work with.

Of great interest to us all was the wedding of Charles Peter Nelson and

Betsy Ames Atwood of Boxford, Mass. on August 27, 1960, at Grace Church (Episcopal) in Salem, Mass. The reception was held in the garden at "Brynwood," the Boxford home of the bride's parents, the Byron Trafton Atwoods. Pete and Betsy will live in Ithaca, New York during the coming year while Pete finishes his senior year in Veterinary Medicine at Cornell University. I know everyone in the Morgan world joins me in wishing them every success and happiness in their marriage as well as their future Morgan breeding program.

Mrs. James Rac, the former Jane Clark, is now living in Boxford. They have a very cute daughter, Jennifer, who is about four months old. Although Jane has no immediate plans for Morgans she is surrounded by breeders and I imagine that it won't be too long before she and her husband will be "looking around!"

After visiting an elderly uncle in northern New England, Mr. and Mrs. Charles Nelson of Boxford stopped to visit Mr. Frank Orcutt of West Burke, Vt., to "talk horses" and to pass

on first-hand information of his family in Massachusetts. Mr. Orcutt had always liked their mare, Amy Allen (Orcland Leader - Orcutt's Fannie Allen) and was most interested to hear about her first filly foal. The Nelsons were sort of at a loss as to what to name her and still carry on the "Allen" name and asked Mr. Orcutt for suggestions for a suitable name to go with Allen. He thought for a few minutes and then said, "I'd like that little filly to go back to the beginning of my stock and be called Laura Allen." The name clicked with the entire family and so Laura Allen (Gay Dancer - Amy Allen) carries the name of some of the great broodmares that were the foundation for many of today's great winners. In view of the untimely passing of Mr. Orcutt, the Nelsons and the Bob Orcutts attach a deep sentimental feeling for Laura Allen and are sure she will

live up to her illustrious namesakes. For those people who knew Mr. Frank Orcutt, his passing will leave an empty spot, but the memory of that fine gentleman — with his wonderful sense of humor, his endless horse stories and his deep attachment to Vermont and its people — will be with us always.

From Green Meads, Mr. Morse writes that his three year old stallion, Green Meads Marauder (Upwey Ben Don - Abbington of Shady Lawn) is being trained by Dr. Bob Orcutt of Rowley and has been in the ribbons in all his classes at his first two shows. Dr. Bob thinks he has a good deal of promise. The Morses will consign three of their four weanlings to the Green Meads Weanling Sale at their farm on October third. Cavalier, the colt which topped the 1959 Weanling sale is developing very nicely and is being started in harness, but probably

won't be shown this year. Two very promising yearling fillies, one by Windcrest Donfield - Abbington of Shady Lawn, and the other by Upwey Ben Don - Abigail, will start their harness training next month. Two three year old fillies, Green Meads Starlet (Windcrest Ben Davis - Starbaby) and Green Meads Fair Lady (Windcrest Ben Davis - Windcrest Cover Girl) are coming along nicely under saddle under the capable hands of Rod Leavitt.

Mr. Morse reports that the list of colts and fillies for the weanling sale is just about complete. Interest seems to be keen this year and he expects another good Sale. Consignments this year come from Ohio, Michigan, New York, New Jersey, Pennsylvania, New Hampshire, Massachusetts, Rhode Island, Connecticut and Vermont.

## THE ORIGINAL UNBREAKABLE GIBSON RED STIRRUP LEATHERS

These are the genuine Red Leathers originally produced by Gibson's parent firm Distas Ltd., of England some 30 years ago. The secret of their great strength (without bulk) is the vegetable tanning of the buffalo leather which is immeasurably stronger than cowhide. There are many inferior imitations but the original leathers are stamped with the Gibson name and are exclusive with Miller's in the U.S.

Gibson Red Leathers should have a life of over 25 years and we **GUARANTEE THEM UNBREAKABLE FOR FIVE YEARS.** Gibson Red Leathers are extremely soft and pliable and because of their remarkable strength do not have to be thick and heavy.

Miss Linda Sears, of Barre, Mass., writes of her association with the Winters' Morgans, Star of Valor, Kitty Hawk and her foal, Robinhurst Sealection, by Sealect of Winderest. Linda seems quite fond of this colt and says he has a wonderful way of moving and shows a lot of promise for the future. She is fourteen and has been riding since she was nine. She has been to many shows with the Winters and is learning the ways of the horse show world. Keep up the interest. Linda, and thanks for your letter.

Mr. George Grimshaw of Stillwater Farm, East Freetown, Mass., reports the birth in late April of a filly by Saracen out of Bar T Bubble.

Mr. Thomas J. Camandona of Middleboro, Mass., reports the birth of the filly, Highlight, by Wasecka's Nocturne out of Royalton Starlight. She is chestnut with a white strip and has the look of all of Nocturne's colts.

Mr. and Mrs. David L. Brockett of Ipswich report the sale of Nabob's Welcome (Nabob Morgan - Lippitt Adeline) to Mr. W. F. Aldred of Somerville, Georgia. This is Mr. Aldred's first registered Morgan and we wish him luck and hope that others in Georgia will become Morgan-minded.

Mr. and Mrs. Harold Greenhalgh, also of Ipswich, have purchased the three year old filly, Marvin's Betty Ann (Paymaster - Betty Ross) from Clayton Conn. of Chester, N. H. They are enjoying her immensely and she is about ready to hook in a cart.

Mr. Louis Iandoli of Saugus has purchased Paymaster (Payday - Illawana Queen) from Clayton, Conn., of Chester, N. H.

This isn't Massachusetts news but it seems to fit on this page! Katherine Welch's sister of Manchester, N. H. has purchased Orland Gaytime (Orland Vigellant - Orland Gay Lass)

from the Clukays of Dublin, N. H. Katherine is noted for her Saddlebreds — maybe we could interest her in a good Morgan.

Mr. A. J. Andreoli of Akron, Ohio, purchased the mare Orland Selba (Gaylad - Ulyselba) from the Clukays last spring. She has been bred to Orland Vigildon, pronounced safe in foal and left for Ohio after the National.

### VERMONT

Mr. Herbert Daniels and family of Shaftsbury report a fine little bay colt with no markings out of Bald Mt. Stardust by O-At-Ka Sealect Lad, owned by Anne Bentzen. The mare and colt are on pasture right by U. S. Route 7 and Mr. Daniels says that "Rubin" — which he threatens the colt is going to be named — is the most photographed foal in the U. S.!

Mrs. Keynith Knapp of Bald Mt. Farm in Arlington reports a nice chestnut filly by Easter Twilight out of Rosalee.

Mrs. John Esses of Randolph has a very dainty bay filly by Easter Twilight from her nice mare, Natick Moro Independence.

Miss Jane Peck of Bennington has a bay filly by O-At-Ka Sealect Lad out of Townshend Tally. Miss Peck recently purchased the 4 year old chestnut mare, Bald Mt. Fairydale (Easter Twilight - Rosalee) from Bald Mt. Farm. Although Fairydale had never been ridden until about 2 months ago, she and Jane are already winning ribbons in the local shows.

Mr. and Mrs. Carl Klandl, Burlington, Vt., report that they are very pleased with the progress made by their first Morgan colt, a filly, named Gay Cantor. Her dam is Monte Gay, a California mare, and the sire, UVM Cantor. She is nicely marked with two white hind stockings and a white star and is developing into a seal brown. Gay Can-

Our congratulations to Mr. and Mrs. Ben Smalley on the selection of our Little Miss Pepper for a broodmare — we wish them luck. We no longer need a broodmare as we are raising a group of superior geldings for our own use and pleasure. Watch them follow Talisman into the Show Ring, absolutely natural Morgans — from

Mrs. Lenard Wales of Middlebury reports 2 foals, one a filly, Wales Farm Rosanne (Wales Farm Major Bet - Lippitt Romance) who will go to the Green Meads Weanling sale. The other, a stallion foaled July 1st is by Wales Farm Major Bet out of Ulinda-Rose. Myrita, dam of Wales Farm Major Bet and Wales Farm Mobile, is in foal to Tutor and due in early August. The Wales went to only two shows before the National, one in Keesville, N. Y. where Major Bet won the under class and then to Essex Junction where Mobile won the Mares and Geldings under class. As I do not have any further placings at these

shows, I include the information here rather than under show reports.

## MAINE

The Maine news for this month comes from the Maine Newsletter issued just before the National. I urgently hope that you owners in Maine will send me as much news as you have for future issues!

Rolling Acres Farm in West Scarborough has a bright chestnut stud colt by Billy Twilight out of Mayze. He has an even blaze and a hind sock and keeps everyone on their toes! I must apologize at this point as I do not know the name of the owners of this farm and could not find them listed in the New England directory — maybe this "plaintive plea" will hasten a note of introduction.

Jean Cox of Brewer has purchased the mare Mardormere Fashion (Scott's Hero - Princess Sylvia) from the Rome Farm. She is a nine year old chestnut with a strip face and stands 14.2½. She is planning to breed her to Wasecka's Special Edition. She also reports that Melody Twilight is working very well and she will be showing him soon.

From Northern Maine, Maxine Bubar writes that the Morgans are receiving much favorable publicity in that area. Her two Morgans, Pandora and Rocky-B were on a TV show advertising the Mars Hill Horse Show held on July 4th. Also, Pandora and her owner attended the Children's Day Celebration where she was exhibited in both English and Western tack,

The Brattleboro Horse Show, a Class  
C show accredited by the AHSA and  
the NEHC, was held on Sunday, July  
10th. Mrs. Charles J. Barrie of Teaneck,  
New Jersey judged the Morgans, of  
which there was a large entry.

The Great Barrington Horse Show  
was held July 8-10 at Great Barrington,  
Mass. The Morgan Division was  
judged by David Neal of Tennessee  
and it was a Class A show accredited  
both by the AHSA and the NEHC.  
There was a good turnout of Morgans  
and for June Brockett of Ipswich, Mass.  
it was an extra special show. Her hus-  
band Dave, had promised her a new  
derby and a new pair of boots if she  
should beat Waseeka's Nocturne and  
Gay Dancer, thinking it was a fairly  
safe promise! However, June was de-  
termined to start on a new outfit and  
proceeded to beat them both at the  
same show! It provided a good lot of  
fun for everyone involved and, sure  
enough, June turned up at the National  
with new derby and boots. Maybe  
Dave won't be so quick to make such  
promises from now on! I'm sure  
Johnny Lydon and Bob Orcutt will  
take this with good grace and not be-  
grudge June a new outfit — it just  
doesn't happen that often!

**Model Morgans:** Won by WASEEKA'S  
NOCTURNE, Waseeka Farm, Ashland,  
Mass.; 2nd, WINDCREST NANCY C.,

2nd, HOLLEY, Voorhis Farm; 3rd, GREEN  
MEADS MARAUDER, Green Meads Farm;

(and through him the Morgan breed) to be the perfect pleasure horse, pulling a cart, next under Western equipment, jogging and loping, quite calm and peaceful, and then, with a change to English tack, collecting himself (he grew a couple of inches in height) and becoming a showy and beautiful park hack. He then showed some basic dressage movements and finished the performance with a low bow. Caven-dish loves an audience and the audience loves him and that's the perfect combination!

"FLASH — My reply from the Stachnkes of Merriehill Farm has just come in. It seems that with three riders and two horses they took one second place, three thirds, two fourths and one fifth. Donna fails to state who won what, but I'm sure that one of the ribbons went to Mark in an equitation class. Donna also tells me that the day after the Thunderbird Show, Mark was rushed to the hospital and will be grounded for some time. All our sympathy goes to a boy who has to spend his summer vacation in bed and we hope he will be back on horseback before too long."

Our next show was the Wilmington Horse Show, for which we do not have the official results and this will be covered in our next issue.

There is just one other point I wish to mention from our past Naperville Saddle Club Show and that is that one of our Central States Morgans was actually high point horse of the Show. Justa Trinket, that versatile little black Morgan mare belonging to young Mark Stachnke, had a total of 24 points for the show, with two other Central States Morgans trailing — Jubilee's Gloria, owned by Caven-Glo with 17 points and Towne-Ayr Twig, owned by Robert Glenn with 16 points. Actually Jubilee's Gloria tied with a Saddlebred for the 17 points, but this shows that the Morgans were in there pitching that day.

When I was in the Springfield area a few months ago, my husband and I, together with the Ron Haywards stopped for a short visit with Roy Brunk. It being a dark and very cold night, we spent the time inside enjoying some of the Morgan yarns that Roy is noted for and the following caught our attention. Roy showed us a very large

old and beautiful trophy which his father had won way back in 1909 at the Vermont State Fair in White River Junction. The inscription on this trophy is as follows:

*"Morgan Trophy presented by Henry S. Wardner, of Windsor, Vermont. Won by Jennie C, owned by Roy Brunk for Stallion, Mare or Gelding, 3 years and over, conforming most truly to the ancient Morgan type."*

This mare was sired by the old stallion, Chetco, owned by Roy's father. As Roy tells it, when the mare was being loaded on the freight car preparatory to her journey to Vermont, a minister in Springfield wouldn't pay \$65.00 for her. Roy's father then said "load her up, we'll take her to the Show." She wasn't in White River Junction two hours until Elmer Darling bought her for \$1,200. Roy's father reserved the right to show her and she won almost that much at the Show. So, it all depends on who looks at your horse, I guess.

The results of the Thunderbird Horse Show are as follows:

**Morgan Halter, Stallions, Mares and Geldings, all ages:** Won by JUBILEE'S GLORIA, owned by Caven-Glo, Westmont,

With all the excitement of weekly Morgan Shows during the writing of the last News Letter, I find that I have made a terrible error — I left out the results of the Morgan Pleasure class at Naperville, so here it is:

Results of the Naperville Saddle Club Show, Naperville, Ill., June 12th. (this was left out of our last issue).

**Morgan Pleasure — Stallions, Mares and Geldings:** Won by TOWNE-AYR TWIG, owned and ridden by Robert Glenn, Wayne, Ill.; 2nd, JUBILEE'S GLORIA, owned by Caven-Glo, rider Eve Oakley, Westmont, Ill.; 3rd, PRINCE JUSTIN, owned by Caven-Glo, ridden by Shirley Subotas; 4th, TOWNE-AYR SPRIG, owned and ridden by

The Glenn family have already left with their Morgans for the National Show. Besides showing their two geldings there, Joyce Glenn has high hopes for her pride and joy — three year old Dwight Ashmore. Good luck, Joyce.

We have some new members a little to the south of Chicago — Robert and Margaret Watkins of Pekin, Ill. and their young daughter have now joined our Central States family. As Margaret explained, they can't always be at our meetings, but they feel they will be helping to promote the Morgan in their area. They already have their club shirt patches and intend to display them whenever possible. Good luck with your advertising, Bob and Margaret.

Our Central States family has also lost some members this month — the Tom Willits family, of Aledo, Ill., have moved to California. Our loss is the West's gain.

## JUNIOR DIVISION

By SALLY SCHUBERT

The meeting scheduled for July 10th was canceled because everybody seemed to have hay trouble. (It's rather necessary stuff when you have horses you know). I shouldn't say it, but I'm glad the meeting wasn't held because I was on vacation during the previously ar-

A new Junior who hasn't actually joined the club but who is an integral part of Caven-Glo lately, is Sue Ann Oakley. She is Mr. Oakley's niece and is visiting for awhile from California. She has a sorrel Quarter Horse-Saddlebred whom she misses, of course. She reports that Nugget, as he is called, has true saddlebred gaits, comfortable and easy to ride. Sue Ann has been quite a help around the farm for the past few weeks from what I hear. Glad to have you with us!

What a joyous reunion took place at the Wilmington Horse Show, July 17th! Finally, after many months, I saw my dear old friend and companion Freya's Golden Girl who now belongs to Mrs. Virginia Blake, of Oswego, Ill. And changes have occurred. Goldie is now a very charming and beautiful yearling Miss with a coat that still threatens to blind you with its flashing color. Also, this filly's huge dark brown eyes are enough to throw flutters into any stallion's heart. Seeing Goldie was a pleasant surprise, but I surely couldn't have been happier when Mrs. Blake offered to let me show Goldie. All I can say is that I'm one lucky girl, and thanks to you, Mrs. Blake. With the loving care Goldie is receiving, she should be one to watch in the ring.

Nancy Collins' fine six year old gelding Caven-Glo Sun Sand, has been working lately, and hard. A professional trainer on vacation from California watched him working and couldn't help offering to ride him a couple of hours each day for Nancy. A wonderful result has appeared. Sandy is now a quiet and sensible

pleasure horse, obeying very slight signals and completely happy in his work, where before he was unsteady and perhaps unhappy for want of exercise. We are so thrilled with the result that we are riding quite often, Nancy especially. Sandy goes both English and Western and seems to enjoy both equally. It is amazing what a good month's hard work will do for a horse.

Recently Junior Penny Baran has been working with the lovable Half-Morgan gelding, La-Ra-Dec's Son-Gin owned by the Rae Millers. This two year old was shown by Penny at the Thunderbird Saddle Club Horse Show in the Morgan Halter class. They did well, too — a third for Son-Gin in his first ring appearance. And was he all shined up! Curly mane and tail, spotless coat and his "Morgan look" made a pretty picture. Good luck, Pen.

to Big Bend Farms through their new two year old Sonny Ackers driven by the master reinsman Harry Andre, George came back, under saddle for the first time, to win the half-mile race under saddle, and the roadster class both in harness and under saddle.

Pairs of Morgans in harness are a lovely sight and none could beat the handsome stallions, father and son, Parade and Broadwall Drum Major, both in the pair class and the Cavalcade Americana. There was a good entry in Jumping this year and the

performances were on the whole superior. The winner as in the past was Manito ridden by Ann Hopkins. It was nice to have the family class go to a new couple, but old in the Morgan circle, Miss Mabel Owen and her brother who rode on their chestnuts with the polish of a pair-class entry. When I wrote this report in 1954, there was an entry of nine members of a family on seven Morgans, two of the riders were babies in the arms of their parents. Can you guess who they were? Why, of course, the Dickson-Ela-Orcutt family from grandmother to grandchild. The crowd went wild when this horde came in. Let's build up another like it.

Versatility is my favorite class. Vigilendon won it ridden by Pat Tataronis. Pleasure Driving, Ladies and Children's Harness were all big and pretty classes. Abigail and Ralph Lasbury won all three with Wind-Crest Fireball and Wind-Crest Prima Donna. This mare also took the blue in Mares Four and Over which had not foaled. Post-entries swelled the Western Stock Horse to a nine-entry class. Readers from the wide-open spaces will be glad to know that a real western horse won it, Mr. Hazard's Saber.

The biggest equitation class was Leadline won by Sarah Annis over 21 other young aspirants. Betsy Willets won the blue in "Good Hands" and Marsha Henry in the Medal class. The best tack-room ribbon again went to the University of Massachusetts.

A new appreciation was expressed after the show by one of the crowd at Rahar's Forum in Northampton: "One of the things I like about this show are the beautiful women in the ring." Yes, after the mud of Saturday was scraped off, all day Sunday was a wonderful spectacle of several hundred fit and shining horses handled by competent and friendly sportsmen and women. It's quite a show and a pity that you can't all be there to see it.

## In Retrospect

(Continued from Page 7)

their area by their competitors. It's the first tack room we have seen with window boxes.

We made no call for a physician during the show. We expected a couple of opportunities. One exhibitor's mount slipped in a wet spot at a hand gallop and steamrolled the rider. He climbed back on, and got and deserved more of an ovation than if he had won a championship. Another entry showed his distaste for a show buggy at the in-gate at the same time his St. Bernard stablemate was clearing the grandstand after being challenged by a lesser pup. Our outlook on the whole show has changed — by about 10 feet. The steward's stand now has 26 steps, as anyone who made a post entry well knows. It was embedded in concrete and reinforced with angle iron and further embellished with plexiglass sides. In fact, it became such a permanent fixture that it could not be moved, and the ring was moved 50 feet instead. This made the in-gate that much farther from the stables, and further exhausted exhibitors in the breed classes. With our crow's nest thus elevated we checked the entries in the ring below with field glasses. Next year we'll ask for a chair-lift.

It was the biggest Morgan show on record, and yet the quality of horses held up or even improved. All entries were a credit to the breed. When post

entries were totalled, there were 370 Morgans in 77 classes. Eighty kids registered as 4-H members or as entries in horsemanship classes. (The 4-H class was baptized by the hurricane, and showed for an hour and a half before seeking cover.) 169 exhibitors were represented. These are the people who make a show. Their ability and willingness to train, fit, and show their Morgans will always be the greatest contributing factor to the promotion and ever increasing popularity of the Morgan horse. Individually most of us can do little; Collectively we can do a lot. A breed show of this caliber proves it, and represents the finest type of promotion activity possible. Those who started and kept this Morgan snowball moving would be proud of the present results.

As in recent National Shows classes were well filled. The harness pairs and parade classes had the fewest entries; make a note for next year. The family class is beginning to look like the saddle pairs; we can recall as many as 7 riders in one entry in the past. We are told the ladies' side saddle class is popular in some sections. More roadster classes would add color — maybe under and over 15 hands. Pleasure English — under 18, pleasure driving, ladies' saddle mare, 4-H fitting and showing, and road hack classes could well be split. And with a four-day show they could be.

The show was not only the biggest, but also the fastest moving. The ability of exhibitors to get to the in-gate before the last stable call was nothing short of miraculous. The judges handled the classes expeditiously under some of the worst conditions. The ringmaster managed the ring traffic efficiently. (At our last meeting he escorted Miss Universe into the ring at Woodstock; at our first meeting as teen-agers we were entrusted with the shovel detail at a boys camp stable in the Berkshires!) Untold numbers of others lined up by the managers performed their appointed tasks so effectively that even a hurricane could not stop a Morgan horse show.

Our last picture of the 1960 National took place in the lagoon that was left by the hurricane in the infield. We could sport no fancy flamingoes. One exhibitor, however, had the poor judgment to select a goose as a stable mascot. The goose was last seen propelling itself at a speed that would do justice to a 35 h.p. outboard on an 8 ft. dinghy. Have you ever seen a "gingered" goose?
