# Letters to the Editors

Dear Sir:

As one of your most interested subscribers, I want to congratulate you on the excellent job you are doing with "The Morgan Horse". I have taken it since the first issue. Was especially interested in the recent articles: "The Story of Jack Davis," of his purchase of Red Vermont from me — and the feature article about Paragraph and her progeny.

I took Red Vermont and Paragraph and another filly by the same sire, Jubilee King, to Vermont in May, 1937, all were two years old. They were all three championship winners under saddle as three year olds in 1938. With the good advice and ground work of my husband, the late John C. Wood, I trained and showed them myself. The third and most sensational one of the trio was Jubilee Kay — as she won many 1st prizes and champions at smaller shows. Then in Sept. 1938, she won the 3-Gaited Saddle Championship at Eastern States Exposition, defeating some of the top American Saddle horses, all of them 4 years old or over. The thing I was most proud of about her, was the fact that she did all her winning with an 8 ounce shoe and a normal toe. She was a born show horse. I sold her as a five year old to Mrs. Huntington Smith of Omaha, Nebraska and she continued showing her for several years, winning many Ladies and 15 hand Open Saddle classes at the top shows of the country. Wishing you continued success with the Magazine, I am

Most sincerely,

Dear Sir:

Forgot to let you know we moved. Sure miss our issues but they'll catch up to us one of these days and then we won't get a bit of work done for a couple of days. In May when I was in Washington, I took time to stop by Mt. Vernon and meet Mr. and Mrs. Beckley. They were kind enough to take time to show me all the Morgans at their farm. Was certainly impressed. My first close-up of Morgans in the

# The President's Corner

By J. CECIL FERGUSON, *President*  
*The Morgan Horse Club, Inc.*

Some years ago the Morgan Horse Magazine became such a liability to our Club, the directors wanted to reduce it to six issues a year or give it up entirely. With the full support of Mr. Frank B. Hills, I fought hard to keep it on a monthly basis even though it put a strain on the Club's finances. Fortunately the interest in Morgans has grown and our Club has been able to support the Magazine. This is not sound business to run the Magazine at a loss each year.

There are several ways to overcome our difficulties. One is to increase subscriptions to a point where commercial houses will be interested in taking advertising space. This can be done by each subscriber getting a friend or neighbor to subscribe. (Card enclosed for this purpose). This is a painless way to help the Magazine.

Another way is to charge for pictures put in the pictorial section but this seems too commercial.

The quickest and most practical way would be for each Regional Club to have a page assigned to them each month for their Club news and for which they pay \$45 per page. We would reserve space so the Regional Club news could be printed at the last minute. This would be less expensive to the Regional Clubs than the cost of printing and mailing News Letters and would reach more people.

It would be interesting to learn from the public what they enjoy in our Magazine?

The September issue had two and one-third pages of Transfers which not only cost the Club about \$110.0 but involved a lot of office work. Is it worth this much to our readers?

We need articles of general horse interest so if you read a good article, send it to the Morgan Horse Magazine, in Leominster, so we may consider it for publication.

If every person interested in the success of this Magazine would consider it his or her problem, take advertising space, get new subscribers, we could put our Magazine on a sound basis.

For many years Mr. Robert Lippitt Knight has taken a full page in our Magazine. The result is the Lippitt Morgans are known the country over. Mr. Knight passed away June 27th, 1962 and I understand up to Sept. 15th more than 3,000 people have visited the Green Mountain Stock Farm, at Randolph, Vermont to see the Lippitt Morgans. This is only possible by continuous advertising.

Please send your ideas or comments to the Morgan Horse Magazine, 102 Water Street, Leominster, Massachusetts.

## OUR COVER

Vermont is famous for many things, not the least of which are the famous covered bridges of other years. This month we are pleased to feature Denny Emerson on Miller's Commander coming through the West Woodstock covered bridge during the 100 mile ride. We hope this scene will help to inspire more Morgan owners to properly train and condition more Morgans for next year's ride. Truly a great place to show the Morgan stamina.

## Resolution in Memory of Robert L. Knight

The following resolution, introduced by Judge Kenneth Robinson of Windsor, Vermont, was unanimously passed at the annual meeting of The Morgan Horse Club, Inc.

Be it hereby remembered that the members of The Morgan Horse Club, Inc. desire to express their sorrow in the loss on June 27, 1962 of ROBERT LIPPITT KNIGHT of Providence, Rhode Island, Director of The Morgan Horse Club, Inc. from 1931 to 1949 and owner of the Green Mountain Stock Farm, Randolph, Vermont. Mr. Knight's "Lippitt" Morgans carry a high percentage of Justin Morgan blood. We are thankful for Mr. Knight's generosity in sponsoring the shows on his farm and his support of the Morgan Horse Magazine as well as his general interest in the Morgan breed and its affairs, together with his keen insight and delicate sense of humor. He will long live in our hearts.

# Green Mt. 100 Mile Ride

Townshend Lady-o-Peace highest placing Morgan . . .

All Morgans finish . . . First breed group  
with 100% finishing.

By ANNA ELA

The Twenty-Seventh Annual 100 Mile Ride was held this year out of the Green Mountain Horse Association grounds in South Woodstock, Vermont. This was the first time in the history of the ride that it has started from South Woodstock. Over 50%

of the trails used this year were new to riders. This made for more of an equal challenge to new and old contestants alike. The ride was held on August 29 through September first. The weather was ideal on Thursday, the 30th of August, but on Friday the

31st, it was hot and humid. The final day was cloudy with threatening showers. There were two humid days but the weather was no worse than in some previous years for the horses.

The officials were: Senior Judge: Mr. Carl Webster, Chester, Vt.; Judge:

Highest Placed Morgan, TOWNSHEND LADY-O-PEACE. Nancy Ela receiving trophy presented by her Mother, Mrs. Roger E. Ela, new regional Vice-President of the National Morgan Horse Club.

Dr. Carl Lohmeyer, Somerville, N. J.; Judge and Veterinarian, Dr. E. L. Shuford, Arden, N. C.; Recorder, Mr. Rod Leavitt, Richmond, Mass.; Assistant Recorders, Mrs. Eugene Holden, Amherst, Mass. Miss Edith Delano, Wapping, Conn. The Chief Timer was Mr. Charles B. McCue of East Douglas, Mass.

There were 66 entries with 59 being judged in on Wednesday, August 29. Over all the years, this year had the best looking animals ever entered. Every horse was a credit to its breed. There were good conformation Thoroughbreds, Arabians, Standardbreds, Saddlebreds, Quarter Horses and last but not least the Morgans.

Six Morgans started the ride and all six finished the 100 miles though one was disqualified for time. All six Morgans in this ride were good looking and conditioned. This was the first time in history that all animals of one breed that started also finished the 100 miles. The Morgans entered were ones all Morgan people would be proud of. Three Morgans placed in their divisions and two received honorable mention.

Townshend Lady-O-Peace did it again by placing second to the Sweepstake winner. This is "Lady's" fourth 100 mile ride and she has placed in all four. She was fifth the first time, second twice and Sweepstakes winner once. Nancy Ela has been her rider on all of these. Nancy says "Lady" has now done her duty and will be retired to the brood mare band. "Lady" has a tremendous way of going on those steep hills of Vermont. She never seems to tire and is always willing to go regardless of the weather or the terrain. She may inherit some of that from her famous aunt, Sadwin.

Another Morgan that did credit to herself and to the breed was UVM Deborah. "Debby" is a very pretty mare with a lot of go. She was well ridden by Anne Gentry. "Debby," who is owned by the University of Vermont Morgan Horse Farm, won the Best Trail Horse award which she well deserved. This mare also placed fourth in the lightweight division. This was her first year and she should do very well in the future.

In the Junior Division "Merryvale," owned by Mr. and Mrs. Nomas Reed, placed fifth. This mare has placed year after year for the Reeds. She is a strong mare with a lot of endurance.

"Green Meads Beau," owned and ridden by Sara Haubrich won the Soneldon trophy and was awarded Honorable Mention in the lightweight division. Here again is a very good looking Morgan. What a pretty head and neck! This gelding is due to be heard from.

"Tarik's Radiant Melody" owned and ridden by Phyllis Taylor did very well on "Melody's" first trail ride getting honorable mention in the lightweight division. This is a pretty mare with a big heart. She should do well on her next ride. This was not Phyllis' first ride by a long shot. She has completed many rides and always gives her horse a good one.

"Miller's Commander" ridden by Denny Emerson and owned by his father finished the ride but was 15 minutes late on Saturday so lost out on time. This gelding is a very good looking animal and carries himself well. Denny gave him an exceptionally good ride and I bet next year he will finish higher up. A strong going horse and good looking Morgan.

The Morgan Horse Club award to the highest placing Registered Morgan in the ride was won this year by

## Morgan Horse Club Treasurer's Report

In spite of the increase of several items of expense this year, the Club increased the unappropriated surplus by some \$22,000. For the Cutting Horse Award we set aside \$1,000 and contributed \$500 to the United States Equestrian Team Fund.

Income from Registrations and Transfers increased by \$6,319.50 to \$29,925.50. Membership dues increased slightly by \$112. The 1961 National Morgan Horse Show, set in operation by Mr. Ferguson, netted \$7,292.64. The Morgan Horse Magazine showed a profit of \$4,552.68, the great part of which is attributable to an increase of subscriptions in the New England area of 1,000 in consequence of the publicity in connection with last year's successful show. Nevertheless, as costs continue upwards, the contract price for printing the magazine has also gone up; thus the reason for the recent increase.

The expenses of the Secretary and Registrar's Office continue but fortunately have been held not only steady but also at a minimum, costing \$17,666.45.

Travelling Expenses for the year of 1961 amounted to \$1,557.26 of which the Secretary was reimbursed \$109.03.

Advertising and Trophy awards continue the promotion of the breed to the extent of \$2,458.95.

The firm of Bigelow, Cotton and Company have examined the accounts for the year ending December 31, 1961 and their report is attached along with the Club's comparative Financial Report for the years ending December 31, 1961 and December 31, 1960.

## Directors Meet at Northampton, Mass.

Ten of the fifteen Directors were present during the National Morgan Horse Show, being: Mr. Beckley, Dr. Boyd, Mrs. Childs, Mrs. Ela, Mr. Ferguson, Mr. Holcombe, Mr. Knapp, Mr. Morse and Mr. Taft.

In line with the purse recently set up for the Cutting Horse award, President Ferguson named the following committee to promote Morgans as Cutting horses: Dean Jackson, Montana.

## Morgan Club Elects "Fergie" President

*Boyd, Brunk and Ela, Vice-Presidents  
Beckley and Jackson, New Directors*

At the annual meeting of The Morgan Horse Club, Inc., in Northampton, Massachusetts just before the National Morgan Horse Show, Mr. J. C. Ferguson of Broadwall Farm, Greene, R. I., was elected President. His first official act was to call for a vote of thanks to Mr. Taft for the latter's three years service as President. As "Fergie," accompanied by his wife, Margaret, have travelled extensively throughout the United States to attend meetings of local clubs and visit Morgan people and farms, an extensive biography is not needed here. Sometimes people are known by their horses; it could be said that Broadwall Farm has not only the Fergusons, and their daughter, "Meg," but also Parade and Drum Major who make such an outstanding pair together. A little known fact is that "Fergie" conceived the idea that the National Morgan Show could be run by a committee (instead of a manager). The past two successful shows attest to his foresight. 1952, ten years ago, marked the first National Morgan Show held at Northampton, a move promoted by "Fergie". See what the September 1952 Morgan Horse Magazine said in the editorial column: "We're ready to eat crow. We refer to our staunch opposition to move the show from Vermont to Northampton. Despite our 'loyal opposition,' the 1952 National Morgan Show was a success. More Morgans, more Morgan people to a more central location."

As regional Vice-Presidents, Roy Brunk continues in the Central States position, while for the Eastern Region we have Mrs. Roger E. Ela of the Townshend Morgan-Holstein Farm, Bolton, Massachusetts. Both these are familiar as they have judged many shows. Mrs. Ela has bred and shown the winners Townshend Cornita and Townshend Harryet. The Western section is covered by Dr. Henry P. Boyd of San Rafael, California whose geniality and interest will well serve the club.

To Clarence Shaw of Washington and Vincent Rogers of New York go the Club's appreciation for their service as Directors over the past years. We welcome Leo Beckley of Mount Vernon, Washington and Dean Jackson of Harrison, Montana to the Board.

## Secretary's Report

"What is past is prelude" still holds sway; before we go into the new future, let's review the past.

Twelve months have elapsed since we gathered together here before, at which time we were on the brink of the first four day National Morgan Horse Show. The preceeding weeks for the Committee were suspenseful, especially as it had been rumored that no show could be managed by a committee without a personal manager. We found out otherwise; for the successful show, we must thank the courage of Mr. Ferguson.

Twelve months ago we also saw the closing of the Secretary's office in N. Y. Since then the West Hartford office has had the privilege and commensurate burden of all the activity. After a year of experience our amazement for accomplishment goes to the former office — Mr. Hills and Miss Schlomann.

The Club is most fortunate to have such great cooperation of the Treasurer Mr. Chauncy Stillman, but for whose Father (need we remind anyone) we would not be here today. Many thanks to Mr. Stillman.

The number of registrations for the past calendar year amounted to 1,135, an all-time high and higher by 66 than the then record. The actual number of transfers decreased; due to a change in the system, necessitated by the publishing of same in the Magazine.

The resolutions in connection with the Register passed by the Directors in the past year are an indication of maturity. The rule that all animals must be registered before the expiration of their second year should have been passed earlier; Mr. Hills desired that action in 1960. The rule that the seller is to complete personally in full each Transfer Application, re-affirms the Board's dedication to maintain the identity of the specific animal. These resolutions manifest an awareness of reality.

You will be glad to hear that we have received our first voluntary, unsolicited, contribution to the Cutting Horse Purse. A nominal amount from a very generous heart.

We are now on the brink of the 20th annual National Morgan Horse Show. To recognize this anniversary, former winners have been included in this

# Basic Horsemanship

By WILLIAM R. CULBERTSON and ALLEN G. RICHARDSON

**With this issue we are pleased to present this informative article on Horsemanship as prepared by William R. Culbertson and Allen G. Richardson for the Colorado State University. Additional copies of this booklet may be obtained for 15 cents by writing to: Extension Service, Colorado State University, Fort Collins, Colorado.**

## INTRODUCTION

There are riders and there are horsemen. Every horseman is a rider but not every rider is a horseman.

The following material is presented to help every rider become a better horseman or horsewoman. It is basic material which can be applied to every type of riding with only slight modification. Use of the ideas expressed will develop the rider's balance and form. The trained horse will be responsive and alert to the rider's demands.

The methods shown follow closely the Colorado Western Horsemanship Rules which have been designed to serve as standards for Colorado 4-H clubs and state shows. Copies of these rules may be obtained from county extension agents. Judges and show managers are urged to use the Colorado Western Horsemanship Rules for Colorado shows.

Skill in use of the following horse-

manship methods requires practice. The reward will follow in more enjoyment in handling a better trained horse in a correct manner.

Some trainers and instructors will have slightly different methods; some more advanced. No criticism of these methods is intended if they produce the desired results.

Inexperienced riders will find the following methods easy to follow and should plan to progress to more advanced ideas as they become experienced.

The sections on mounting, seat, and position at the gaits are important to 4-H club members who will be judged on these positions at 4-H horse shows.

**SADDLE UP!** Many persons have helped in the ideas expressed, and the authors hope your ride through these pages gives as much enjoyment as did the preparation.

As you try the methods, don't forget

to "pull up in the shade" occasionally and "think things out." Your goal is a well trained horse and a better rider — not rushing to be ready for this year's show.

## MOUNTING

Two starting positions are considered proper for mounting.

The first position (fig. 1) shows the rider standing by the horse's left shoulder with his body facing a quarter turn to the rear. His head is turned so he can watch both ends of the horse. This position should be favored for riders using green and strange horses. Also, many riders find this position makes it easier to place their left foot in the stirrup.

The rider using this first position will generally give one hop on the right leg and go into the second position (fig. 2) as he swings into the saddle.

The second position is used when the rider is tall enough to stand and place his left foot in the stirrup without moving back to the rear flank of the horse. The rider should face the saddle squarely and should turn his left foot so the toe points in toward the cinch.

In both positions the rider holds the reins in the left hand, which is placed firmly on the neck. The right hand steadies the stirrup for the left foot and then is placed upon the saddle horn. The left knee braces against the horse's body.

# Frederick Show Bigger and Better Than Ever

The weather man smiled on everyone and Dean Jackson of Harrison, Montana with Ray Fessenden (Equitation) handled by judging assignments. Ringmaster W. Preston Howard and Steward Albert Brouillet kept things moving efficiently as Frederick followed in the new 1962 approach of other big shows, blue ribbons and good ties were spread around so that many went home happy . . . so many new faces and good new horses freshen up the competition these days!

The show started off with a bang Friday night with Orcland Farms Orcland Don Darling winning the Stallions in Harness event over Joselene Hills Farm Count Benaida Vona and Longacres Lord Linsley. The Geldings under saddle were aced by Dr. George Simons entry Ace High, tromping a good show for Roger to win the class over Richards Ranch flashy marked Robbie Twilight, followed by Ethel Hansen's Brown Hawk, Daymar Farm's Dark Secret, A. B. Dillon, for Ann Hopkins, and Lord SunTar, Joselene.

Camelot Farms won the Mares under Saddle with John Diehl up on Donnette of Camelot, over Holtz Stables Gypsy Eileen, Orcland Farms Orcland Donanna, J. M. Burke on his new mare Julina Hawk, Little Mike

Goebig up on Tastee's Indian Summer and Charles Patton's Roxie's Archie Marie.

The handsome young stallion Millers BenDel owned by France Pugh won the Stallion Saddle Event over Don-Darling, Lord Linsley, Wm. Coddingtons Masterman, Bald Mt. Sundance for Lt. Col. and Mrs. McCallum, and Ran-Bunctious, Hillcrest Acres.

In the large Maiden Saddle Class, Bald Mt. Sundance made a good win over Ethel Garner's young stallion, The Yankee, James Cole's Carolina, Archie's Roxie Marie, Mary Woolverton's Prince of Pride, and W. Brittain's Delight Ashmore.

Novice winner was Miller's BenDel, then Bald Mt. Sundance, The Yankee, Roxie's Archie Marie, Holtz Stables' Trophleen, and Prince of Pride.

Harness classes were a little light but quality was tops: The mare and gelding class was won by Orcland Donanna, over Spring Delite of Camelot and Daymars Dark Secret. In Combination it was Spring Delite over Ran-Bunctious.

Western and pleasure events were heavily contested and large classes . . . with so many newcomers the good old campaigners had to go some to stay in the ribbons with all the fresh new ones making it interesting! The beau-

tiful little Roxie's Archie Marie took the Western Pleasure Event for Richard Patton over Prince of Pride, Robert Usinger's Towne Ayr Holly, Cascade Farms Towne Ayr Troubadour, C. D. Parks' Dyberry Nekomiss and Wm. Hopkins' Manito. A beautiful palomino colored Morgan, Prince of Pride, owned by Mary Woolverton, won the Stock Horse Event, followed by Manito, Jerry Lewis on Nellie Lou, Wm. J. Rhodes on James Dandy, Vona's Mr. Showman, and Downey's Ross C. Pleasure Driving went to Longacres typy little stallion, driven by owner Don Long over TownAyr Troubadour, Sir Knobbineze for Vonas, and A. B. Dillon, Ann Hopkins The English Pleasure class went to a brilliant colored gelding, Broadwall Golden Boy, owned by the Colgates, over TowneAyr Holly, RanBunctious, the Woodings Orcland Linda, Manito and The Yankee. The veteran Manito won the Trail Horse Class over Sir Knobbineze and Archie's Roxie Marie. Owner to Ride was a good win for the well mannered RanBunctious for Hillcrest Acres, followed by Trophleen, Julina Hawk, Prince of Pride, Dr. George Simons' Jane B. Marlo and Mrs. Clayton Conn's Payday.

Child's Morgan was another win for Broadwall Golden Boy over Archie's Roxie Marie, Ace High, Tastee's Indian Summer, Lippitt George Moro, and TowneAyr Troubadour. Donald Jones had the ponies under 14.2 winner with UVM Fairetor over Delight Ashmore. The Versatile Morgan Class was won by the aged stallion Payday for

turity over Parks Dyberry filly, Richards Ranch Gallant Fox, Senorita Bumblez Vona, and Major Showallis Vona. In the Open Foal classes the Vonas repeated with their winning filly Dutchess Benalinda Vona over Parks' filly, and Senorita Bumblez Vona. Spring Delite of Camelot won

the senior mare class over Tastee's Indian Summer, Donnette of Camelot, Orcland Linda, Caroline and Jane B. Marlo. Spring Delite also captured the Grand Champion mare over the Junior winner Orcland Donnana, Reserve. Donanna bested Julina Hawk and Miss Breezewood in her class. Grand Champion Stallion was Orcland Don Darling over RanBunctious, Reserve in the Championship class where they bested the top Junior Spring Glo of Camelot, followed by Count Benaida Vona. Geldings in hand went to Richards Ranch high-colored personable Robbie Twilight over Gil Burke's Mandate Encore; The Senion geldings found Colgate's Broadwall Golden Boy tops over Daymar's Dark Secret, W. D. Fowler's Dyberry Dan, Edie Horner's Lippitt George Moro, Vona's Sir Knobbineze and Ace High, Simons.

Stake night was a real Saturday night show for horses and spectators alike! Mike Brittain's Delight Ashmore started off by copping the Mid Atlantic Sweepstake over Holtz Gypsy Eileen, Vona's Mr. Showman, Richards Mandate's Peggy Lou, Coddington's Masterman and Wm. Hopkins' Manito. As the evening progressed and the workouts continued, many new champions were crowned. Orcland Farms took the Junior Harness Stake with the perfect mannered Orcland Donanna, followed by Thomas White's personable entry, Spring Glo of Camelot.

# Gold Cup Show

By ELEANOR BRACKMAN

The second annual Gold Cup Horse Show, Inc., was held July 7th and 8th at the Crawford County Fairgrounds, Bucyrus, Ohio. Nearly 1,000 people watched approximately one hundred Morgans compete from seven states. Ideal weather, competition at its best, no serious mishaps and cooperation from the exhibitors made this one of the finest shows of the season.

The aged stallion and mare classes were very big and difficult ones for Mr. Titus to judge. Windcrest Play Boy was pinned Grand Champion with Vigilmarch giving him a run for the money all the way. Lippitt Victoria Amanda was tops over the mares with Reata's Elation Reserve. Grand Champion Gelding went to Danbury with Zephyr Reserve. The young horses were tremendous! Not very long ago I can remember seeing only one or two in the "under 4" classes. The three year old filly class could well have been the aged mare class in number and in quality. Same held true for most of the other classes.

The Championship Saddle Class, English, was won by Billy B. Geddes. Ed Earchart always gives this stallion a top ride — championships are no novelty to him and this performance was no exception. Helene Zimmerman rode Milford Fox's Deerfield Challenger for Reserve. Both the English and Western Pleasure Stakes were captured by Green Hill's Dev-Tone so capably presented by Judy Decker. Reserve

English Pleasure went to Sonny Boy owned by H. Fawcett while the Reserve Western Pleasure was won by Hi-Jax Kid, Harold Niemi, owner. Climax of the show was the Fine Harness Stake won by Vigilmarch. This beautiful black stallion was driven in fine style by A. J. Andreoli as he competed successfully against nine other stallions in one of the most impressive classes in the show. Reserve went to Ricky Mar-Lo owned by C. A. Steward and driven by Henry Jennings.

The Green Hill Farm of Farmington Michigan took the most first place honors, totaling six. The famous George Gobel dazzled the crowd with his championship form and speed as Harry Andre demonstrated the Roadster Class. This horse can really go! In the Cavalcade Americana Class, the spectators were having some difficulty selecting the winner. Judge Titus obligingly drove the entries for comparison. One entry happened to be a sidesaddle — made no difference to Mr. Titus and we all got a good laugh as he rode around the ring.

Never have I attended a show where one horse completely captivated the spectators, officials and exhibitors as the mare, Lippitt Victoria Amanda did here. "Vicky" was purchased at the first weanling sale by Mrs. Junk four years ago and is making her first season of showing in harness and saddle. She is small, but every inch a model, every ounce a performer. She had had

little training when she came to this show and she made a few mistakes, but before this mare is retired to the broodmare band she will have compiled a long list of championships! She made a good beginning with Gr. Champion Mare, a first in a saddle and harness class with some other good placings. Judge Titus had only to glance in her direction and the applause was spontaneous. I was told at the Entry Booth that there was a long "waiting list" of people who wanted to take her home — including the steward, a saddlebred man.

It was a good show! We missed our first President, Nevin Combs — he would have been proud. Bob and Kay Chapman served as Show Manager and Show Secretary. Not enough praise can be given these people. Plans are already under way for a show next year. Thanks to all the member clubs and their representatives, who worked so hard to make this Regional Show such a success.

# The Elm Creek Trail Ride at Oklahoma City

By MRS. FOY CROOKHAM

Fifty miles is short, as competitive trail rides go, but even so, for riders and horses it is quite an experience. For onlookers the ride holds a tremendous amount of sustained excitement as well as a good close up look at stamina, heart, will and training of both horses and riders. It also gives you a microscopic view of human emotions and values.

The Elm Creek ride started at six on a hot Saturday afternoon. The starting point was just southeast of Oklahoma City at the home of Buck Gee, trail boss. Ten of thirteen entries showed, and were checked by the veterinarian. Two Morgans; a mare and a gelding, both four years old a nineteen year old Arabian stallion, an Anglo-Arab, a Thoroughbred - Saddlebred cross, a Thoroughbred stallion, a Quarter horse stallion, a four year old Appaloosa mare, a Porto Rican stallion, and a couple of local kids and horses; who dropped out at the first stop. The Appaloosa and the Morgan gelding were substitutes for horses that had suffered lameness or injury. The Morgan mare, the Anglo-Arab, and the Crossbred were apparently the best conditioned horses for the ride. Oklahoma, Kansas and Texas were represented in the ride. Juniors and Seniors were about evenly divided. The Juniors ranged from 11 to 16 years of age. The youngest Senior rider was 17. Weight of the Seniors was recorded as being from 160 to 260 pounds.

Everyone gathered at the starting point and at the signal were off. There was a feeling of excitement as the horses found their best gait and each rider jockeyed for position. On a short ride such as this, one must keep to the fore, if he expects to finish first — or else have an exceptional horse that can move up in a later stretch.

The ride was laid in the Elm Creek and Little River bottoms. Part of the trail will soon be under water; a portion of the Elm Creek Reservoir. The first 10 or 12 miles were almost straight up and down with hard, red rock alternating with soft, deep sand.

There was one water stop before the riders came rearing into Stella, the first forty-five minute stop. They had covered fifteen miles. There were

about twenty-five minutes between first and last riders; with the exception of the Junior on the Quarter Horse, who, even with all the precautions taken, had gotten lost. What with watering, feeding, cooling out, vet checks, etc., the place was like a beehive. Stella consisted of a church and a store. With several Saturday nighters out, a revival in progress and the riders, judges, grooms and spectators coming in there was quite a contrast in people and doings.

About nine the first riders pulled out. By now it was very dark and riders that had forgotten flashlights tried to stick close to those that had them. The second leg of the ride was over smoother ground, however, here was the deep

Palomino Morgan gelding, TIM TAM COTTON, with Linda Groner. Chestnut Morgan mare, QUEENETTE and Foy Jean Crookham, with trophies and buckles won on 50 mile Elm Creek Trail Ride held at Oklahoma City.

sand, and riders worked to keep their mounts in the track of the road.

They came into Franklin after midnight, with about an hour's spread between the first and last rider, excepting the one that had been lost. He had been found four miles off course. The judges gave him the four and put him back on the trail. Horses were thirsty by now — riders tiring.

Some of the people stayed to themselves, most helped each horse and rider as the need arose. The good sportsmanship of these people is commendable. What a heart warming sight to see these folks helping a competitor. Here there was no thought of personal gain, but plain old fashioned mannerliness and kindness. To know that youngsters as well as adults have such an example to emulate is one of the

most worthwhile rewards of such an experience.

The Crossbred was now trying for first place. The Morgans were being challenged by the Arabians. The Appaloosa and Porto Rican were riding together and the Quarter Horse was last.

The moon was up and it was cool as we moved back to the starting point which was also the finishing point. The suspense mounted; this was a retracement of the first part of the ride. Most of the horses had not been trained on such steep terrain and we knew it would tax both riders and mounts.

Around three the first riders on the Crossbred, came in. About fifteen minutes later the Morgans came flying in with the Arabians pushing hard. The remaining riders were strung out more than two hours. NOW riders could rest — if they had someone to cool out the horses. All that remained were vet checks and the judges decisions.

In the early morning light it was announced that the Crossbred was Junior Division winner. The Thoroughbred rider was received of the horsemanship trophy. Foy Jean Crookham, riding the Morgan mare, Queenette, was awarded the sportsmanship trophy. She was the youngest rider entered and placed second in the Junior Division.

The woman riding the Anglo-Arab won the Senior Division horsemanship trophy. The riders of the Appaloosa and the Porto Rican both received sportsmanship trophies.

Tim Tam Cotton, the Morgan gelding, had won the Senior Division Trophy — first place. He made a tremendous ride, showing the heart and will for which Morgans are famous. He carried one of the heaviest loads of any horse in the ride. Much credit should go to his young rider, seventeen year old Linda Groner of Sherman, Texas. Tim Tam also won the Morgan trophy. Every completing rider received a silver engraved buckle. Tim Tam Cotton is owned by Mr. Billy J. Carpenter, Fort Worth, Texas. Queenette is owned by the Circle C Ranch, Southmayd, Texas.

Mrs. Kenyon's wonderful little stallion competed in the 100 miler last year, but had to be pulled, due to the excessive heat, so this is the first ride in this area that Morgans have completed. Every mind seemed to turn to the outstanding performance of these horses. In fact, Morgans seemed to be

## Morgans in the Land of Enchantment

By LORRAYNE C. BYERS

**TAMARAC REBEL (left) and TAMARAC A-BEE (right) owned by Mr and Mrs. John Nixon, Santa Fe, New Mexico.**

It's State Fair time in the Land of Enchantment! New Mexico goes all out at this time of the year — it is like a long holiday, with everyone joining in the celebration. Schools close to allow students to attend at least one day, businesses are lenient with employees and as sheep and cattle ranching is the big business of the area, the State Fair is actually over-sized in comparison with the population. For the first time Morgan owners have excellent reason to really join the celebration — Morgans will be there this year! Entries are in and it looks as though we are going to surprize a lot of previously skeptical faces. Members have responded to swell the classes with almost unbelievable effort, and we are now confident that we will have our own ticket for '63 in this great event due to the size of our classes. Our bonus for the State Fair is 15 minutes on Albuquerque's Channel 5 devoted exclusively to a program about the Morgan horse. We are armed with signs and literature so that if we don't

catch them through TV, we can get 'em when they come through the barns. That a great many people will know more about the Morgan horse at the close of the Fair is the safest bet going right now!

Our Santa Fe Morgan Division was a corker with 115 Morgan entries. In fact, we accomplished the impossible — here in the heart of Quarter Horse country, we actually put more entries (not horses) in the ring than that king of the west! This was accomplished solely through the combined efforts of each and every exhibitor. Many brought more than they had intended, and because of the wholehearted cooperation of our organization we accomplished such a record. Out of state members exhibiting were the Seewald family of Amarillo, Tex; the Everett Reeds of Denver, Colo.; the Ray Macys of Loveland, Colo.; the F. E. Thomas family of Dalhart, Texas and Mrs. Foy Crookham and daughter of Southmayd, Texas. Several loyal Morganites were on the rail — Mr. William Shillinglaw of Las Vegas, N. M., and the T. H. Conklin family of Stigler, Oklahoma. Mr. and Mrs. Howard Eberline of Santa Fe entertained the Morgan exhibitors opening night of the show with a lovely moonlit supper outside — a very large undertaking, for attendance was probably very near the 100 mark. Our Judge was Mr. Ward Wells of Oregon, a very capable and courteous man, and contrary to usual horse-show-itis, every exhibitor had something complimentary to say about him (and in private too!). He placed the classes as follows:

*Christian St., White River Jct., Vt.*

Now that the show season is drawing to a close, I hope that you all will have time to drop me a line about your Morgans, your Morgan activities during this past summer, etc. By the time this column is printed the foliage season will be in full swing, and I hope that any of you that get up to Vermont for trail riding will stop by.

## CONNECTICUT

Mr. and Mrs. Arthur Hounslea of Tralas Morgan Horse Farm in North Stonington report the sale of their versatile pleasure gelding, Orcland Silver Don (Ulendon x Paleface) to Miss Denise Smith of Westfield, Mass. Denise plans to show him in 4-H and pleasure classes.

In July, Mr. W. Edwin Harrison of Danbury purchased the Morgan gelding, Top Rails Patriot for his son, David. Patriot is a dark chestnut yearling by Tutor out of Triconga. He was foaled on April 19, 1961.

Mr. and Mrs. David Farley of River Road, East Haven are looking forward to the arrival of their newly acquired mare, Roxanna (Gay Commander x Roxette) who was recently purchased from the Van Buskirks of Maine. Roxanna is bred to the Van Buskirks' stallion, Corisor of Upwey for her 1963 foal. The Farleys' are also very happy with their stallion Windcrest Winfield who was 1962 Connecticut Morgan Horse Show Champion. They have had to withdraw him, much to their regret, from further competition this year due to serious illness on his return from the National.

## MAINE

I just received reports of the following new foals in Maine:

Mr. and Mrs. Van Buskirk of Holly Farm have a chestnut filly by Corisor of Upwey out of Sutton Lass.

Mr. James Douglass of East Dixfield was presented with a chestnut stud foal by Middlebury Ace out of Jubilee Ginger.

Mistress Dollidawn presented her owner, Mr. Morais of South China, with a chestnut stud foal by Parade's Jubilee.

Another chestnut stud foal by Parade's Jubilee was foaled to Poppycock, her owner being Muriel Burnheimer of North Waldoboro.

The 1962 Maine All Morgan Show

was again a great success. The results appear at the end of this column.

The Van Buskirks of Pemaquid have sold Mistress Dollidawn to Mr. Rodolph Morais of South China, and this mare has presented her new owner with a chestnut stud, as listed above. Also, a bay yearling filly by Corisor of Upwey out of Cocoa has gone to live with Robin Tukey of Damariscotta and will be her 4-H project.

Roxanna (Gay Commander x Roxette) has been sold to Diane Farley of East Haven, Connecticut and will make the trip to Connecticut as soon as her filly is weaned.

## MASSACHUSETTS

Mrs. Alberta Holden of Amherst is very excited over the nice filly her mare Aurora (Archie O x Jubilee's Amber) has presented her by their stallion U. C. Hermes. Mrs. Holden has waited a long time for a foal out of Aurora, and finally has her wish.

Mr. and Mrs. Perry W. Fuller, Jr. of Westhampton report the arrival of a stud foal out of Kona by Mentor, making this little fellow a full brother to the University of Vermont's stallion, Tutor. Kona is now 22 years old, and in the five years the Fullers have owned her she has presented them with three foals - their 4 year old stallion, Worthy Lee by Stanfield; Konalyn, a mare by Panfield; and now the new foal. Mr. Fuller formerly worked as a horseman at the U. S. Government Farm in Weybridge and has known Kona since she was a young mare, and was able to buy her after their move to Mass. to be used as a foundation for the Fuller's Morgan Farm.

Mrs. John Mercer and Ruth of Westminster report the sale of Just-A-Sweetheart to Harry Davis of Windsor, Vermont, and the sale of Just-A-Darling to Mrs. Patty Ferguson of Wind-Crest, Windsor, Vermont and Palmeyer, N. Y. "Sweetheart" was foaled at Wind-Crest ten years ago and now has returned to spend her winters there and her summers at Harry Davis' farm outside of Windsor. She is by Upwey Ben Don out of Seneca Sweetheart. Mrs. Mercer, Ruth, and Sweetheart have been a familiar sight at shows throughout New England and the North-east, and will be missed

by their Morgan friends. These sales were necessitated by the coming marriage of Ruth on October 27 to Mr. Mark Muckman in the Congregational Church in Westminster, Mass., at 11 a.m. All Ruth's Morgan friends and acquaintances are cordially invited to attend her wedding, and the Mercers would appreciate hearing if you do plan to attend.

Miss Betty Winn of Amherst, reports that her gelding, Wind-Crest Starfire, or better known as "Winnie" will spend the winter with the Lyman Orcutt's while Betty spends her third year at Michigan State. Winnie will be used in the Orcutt's riding program.

## VERMONT

Mrs. Frances Bryant of Serenity Farm in South Woodstock reports three stud foals and two fillies this year. The fillies are out of Spring Darling x Lippitt Ashmore, and Jubilee's Amber x Lippitt Ashmore. The stud foals are out of Lippitt Dulcie x Jubilee's Courage, Precious Ashmore x Jubilee's Courage, and out of Lippitt Robrita x Jubilee's Courage. Mrs. Bryant recently sold Lippitt Dulcie to the Van Buskirk family of Pemaquid, Maine, and Dulcie will travel to Maine after her foal is weaned. Sam's Sarah was also recently sold to Mrs. Merrill Whitcomb of Springfield, Vermont, by Mrs. Bryant.

Wales Farm, Weybridge, reports the arrival of a bay filly in May out of Ulinda Rose x Wales Farm Major Bet and a chestnut filly out of Sleepy Hollow Gayconga by UVM Flash. The Wales had a 100% filly year with four fillies - quite a batting average!

Mr. and Mrs. Keynith Knapp of Arlington has purchased the brood mare, Bald Mt. Belle (Brown Pepper x Verran's Dixie Ann) and her filly from Mr. Allen Angney of Arlington. The Knapps sold "Belle" some years ago as a youngster and now have her back.

Alan Knapp has sold a chestnut yearling filly out of Bald Mt. Princess Anne by Easter Twilight to Mrs. Ann Rooney of Berwyn, Penn. Ann rode Princess in her first show as a 3 year old and is pleased to have a filly from her. The Knapps have also sold the flashy chestnut 2 year old gelding, Bald Mt. Independent, to Mrs. Edward Boughton of Troy, New York. This gelding is by Easter Twilight out of Helen's Glory.

**BROADWALL ST. PAT** (Parade x Lippitt Georgia), 1st, Stallions four and over and Grand Champion Stallion at the Pacific Northwest All Morgan Show. He was also 2nd in the English Stallion class; owned by the Leo Beckleys, Mt. Vernon, Wash.

The Pacific Northwest All-Morgan Show climaxed the showing of Morgans on the west side of the mountains. This year the show, which was the 8th annual show, was held in Vancouver, Washington, July 7th and 8th, and was very ably judged by Miss Mabel Owen of South Dartmouth, Mass.

Miss Owen was accompanied West by Miss Irene Gudewicz, another Morgan owner, also from South Dartmouth. Both ladies expressed appreciation for hospitality extended to them along the way and were well impressed with our Morgans as well as the beautiful Oregon and Washing-

ton scenery.

This year's show had two classes which have not previously been in the program; the Justin Morgan performance class and a jumping class. Although these two classes were not well filled, at least it was a start and we hope there will be more interest shown in these events in future shows. There is lots of time to start a jumper for next year.

In the Western department the Stock Horse Class and the Trail Horse Class seemed to evoke the most interest from the crowd. Montey Vermont deservedly won the trail horse class because he took everything including the jump in stride but we were also thrilled with the performance in this class given by Laddy Linsley; his only mistake was balking at the jump. Never have we seen a horse pole bending so beautifully or stand and ground tie so perfectly — as the judge said — it was sheer poetry. This was a performance for which Warren Ward should be very proud.

Results of the show follow:

## IN HAND CLASSES

**Foals of 1962:** Won by UNNAMED FILLY (Sonfield x Sandea) owned by the Frank Halletts of Castle Rock, Wash.; 2nd, UNNAMED FILLY (Broadwall St. Pat x Eco Sonita), owned by the Leo Beckleys, Mt. By AYELEEN RICHARDS  
Box 172, Pine City, N. Y.

Ruth Orcutt writes that they had a very successful trip through our area as they got their share of top ribbons at Frederick and even better at Eric Co. with 9 blues out of 11 classes!

At the NMHS, Mid Atlantic area was ably represented by a few stables that did well, topsters being of course a couple of sensational little bay mares belonging to the Bachman family of Snyder. With Betsy Twilight, ridden by Margie B. Hens to win one of the toughest classes up there to set the pace, young Tommy Hens had to follow in his mother's footsteps on his Aunt Dorothy's lovely Georgiana Twilight and went her a bit better! He won both the Pleasure Class for Junior riders and the Pleasure Horse Stake! Thomas White's Donnette of Camelot gave a good accounting of herself to tie well in saddle and saddle stake events while Richards Ranch' Talisman was tied well in Roadster and Roadhack events. Voorhis had Get of Sire winner with Sealect of Windcrest and other good ties.

At the same time the Williamsport show offered Morgan classes which were dominated by Mrs. J. A. Noble's top gelding Dennisfield over the stablemate Smokey Moonbeam in the Open, Amateur, Ladies and Stake.

Carl Leigh judged the 120th Che-mung Co. Fair. The Morgan halter class found Jimmy Barret's smooth gelding Mansfield Squire on top of Richards Ranch Mystery Man, followed by John Collins personable Sheralyn over James Barret, Sr., Man of My Heart. The Barrets good stable of Morgan horses quite completely dominated all the open competition they met as Mansfield Squire and Man of my Heart were first and second in the open Pleasure Driving Class while in the open 3 Gaited English Class the sensational Kanestee Major, also owned by the Barrets and ridden by John Collins won the class easily followed by Mansfield Squire again. Squire and Jimmy were very popular also in the 4-H show the next day winning many classes and selling more people on the family qualities of a good Morgan horse!

Mrs. Vona reports that she sold Morgan Fever to Mr. and Mrs. John B.

Howard of Boyds, Md., a family that has several Arabs. This first Morgan unexpectedly foaled Joselene's Surprise this spring and has been bred back to Vona's Count Benaída Vona (Upwey Ben Don x Countess Aida).

Ethel Gardner writes that the Morgan Versatility show will be bigger than ever this year Sept. 30, at Philadelphia, Penna. The Morgans now show in 13 classes, saddle and harness, pleasure, show, jumping and work harness and a new event, a walking race has been added. This show is very popular with exhibitors and spectators alike and several Morgans have been bought as a result of this unique show, quite a job for Ethel but well worth it for breed promotion. Cascade Farm now has Bald Mt. Fairy-top belonging to John Lockhart of Philadelphia, in the barn . . . this mare is in foal to Pecos. Also Towne-Ayr Troubadour, Barbara Baylor's gelding, is a welcome addition to Cascades quality Morgans. Troubadour was named Champion All Around Horse in the Park Show in May. Another item on the Versatility Show, it will benefit the Roger Greaves School for the Blind, Paoli, Pa. This is always a pleasant way to combine fun and help to a worthwhile cause.

A note from Dorothy Goebig who is just so proud of her 11-year old son Mike, who is showing very successfully this year on a 4 year old Morgan mare. Tastee's Indian Summer is a real beauty and so far has been showing against all kinds of open competition as well as meeting the best in Morgan circles. At the Cape May Riding Club, Mike and his mare won the 1st in the Model class and also 1st in Horsemanship; 3rd in Horsemanship at the Pineway Riding Club; 1st in pleasure, 2nd in Horsemanship at Raven Hill Horse Show, all hunters and jumpers (but Tastee) in a 24 hours class; 1st in Horsemanship at Delaware Valley; 1st in Horsemanship, Philadelphia Mounted Troop Show. Mike and his mare also did well at the West Jersey Hospital and New Brunswick Show . . . no wonder Goebigs are so proud!

We have heard that Scranton (Ack-erly) show was cancelled. Dayton al-

so reports he has the Woodings new filly in training, Just One Time.

The Frederick show was highly successful and with Dean Jackson handling the judging assignment except for equitation, handled by Ray Fessenden, things surely did point up the huge number of good new horses and new exhibitors as many new horses walked off with honors. This show is written up separately and the results show the high quality and many good entries we had.

We have just returned from a very enjoyable Green Mt. Trail Ride (50 miles pleasure division) at Woodstock, Vt. We had a most enjoyable time as Salle was safely mounted up on good little Star of Mandate and I had my dependable Talisman. The trails, scenery and footing for horses is wonderful and the vacation in Vermont was so much fun we will try to return. The Chamberlains of Elmira also went with us, and for a change from the hectic pace of showing, there is nothing like a trail ride!

Mid-Atlantic club is very fortunate to have with us the balance of the season Thomas White's Camelot Stable of top Morgan horses, managed by John Diehl. Here is an outfit that puts their horses into the ring like showhorses, that is friendly and helpful to others and seems to stand out in the show-world . . . they haven't forgotten that showing horses is a sport done for the fun of it! We think they are helping the Morgan very much as their attitude is so refreshing . . . owner, Mr. White can be very proud of the effect of the pleasant young men who present our favorite breed to the public, never forgetting that they are on exhibition as well as the horses!

Our filly Margie Louise is going to Harold Childs for some basic training. We recently had some much needed assistance from Gil Carr, a trainer in our own area . . . and we understand he now has Barretts Man of My Heart to freshen up a bit for the remaining competition this season!

We are very sorry to report that a mainstay in our club Mrs. Harold Childs has been laid low by a slipped disc this summer. After a long stay in the hospital she is now back on the farm at Vermont, where college bound Wendy Weber has been keeping things on an even keel during the emergency. We wish a speedy complete recovery as Marilyn is much needed in Morgan circles.

Winner registered Morgan Western Pleasure class at Morgan Horse Breeders and Exhibitors Ass'n. Open Horse Show, July 22nd at Oceanside, Calif.'s El Camino Country Club Hills. Dennis Anne Nickerson, daughter of Major General H. Nickerson, Jr., Commanding General of the First Marine Division, Ft. Pendleton, presents winning trophy to 9 year old Danny Weinberger of National City on SHERIFF MORGAN.

This month of course are the results of our 1st Annual Open Horse Show, sponsored by the A. J. Land Co., at El Camino Country Club Hills, Oceanside, California.

We competed with several other shows on July 22nd, but came out with very good attendance for our first show — 75 horses, approximately 225 entries and around 400 spectators — not to mention Beauty Queens and Military dignitaries who awarded trophies in

the 20 classes, with all classes well filled.

The day was one of those lovely Southern California days, weatherwise — the A. J. Land Company outdid themselves in preparation as to the grounds, ring, parking area, well marked road into the recreational area where the show was held nestled in between the rolling hills of this vast residential community. For those who like a lovely home, nice views, golf,

ocean, the nearness of a larger city and still like to own and ride a horse, El Camino Country Club Hills is a place to look into. They have a central recreational area, complete with stables, ring, corrals, plus bridle paths away from traffic and are planning still further improvement of this area. Next year, there will be a much larger ring and parking area, plus other features.

This show has given a tremendous

Am happy to say that last month's lack of news will be more than made up for with the abundance of news arriving this month. First, the summer show results have finally started coming in, and I will start with the Grantsburg show, put on June 2 by Dewey Logeland.

Mrs. Art Dracy of Brookings, South Dakota sent me a very welcome letter with placings of the July 4th horse show at Brookings. She wrote, "We had a very fine show, however, not as large as last year. We had a terrible storm the night before and I think that this factor kept many people from participating. The evening of the 3rd, the Max Myers family and ourselves served 75 people to a chicken Bar-B-Que at the Max Myers residence. Dr. Myers did an excellent job cooking the chicken, and of course, "Morgan Talk" flew thick and fast. She went on to say, "We had two excellent colts this spring. Our June Marie had a beautiful foal (R'surene Pride) out of Mor-Ayr Supreme, owned by Mr. Honer. Also Talisman had her fourth consecutive filly (R'surene Kandee) out of Milaca Query, who is out at the Hamilton Ranch in Wyoming." And, she continued to write, "while we parents took a trip East, our daughter Susan, age 12, spent two weeks with her horse R'surene Princess, at the

Kantell Farms in Minneapolis, and under the instruction of Miss Judy Balfanz, she learned a great deal about Eastern Equitation. As you can see by the placings, she did very well. When we went to take her home, she shed a tear or two because she didn't want to leave. So she not only learned — she also had a good time. We hope to have a similar arrangement next year because we think Miss Judy did such an excellent job in training Susan."

The Morgan placings at the July 4th Horse Show at Brookings were as follows:

Mrs. Ernie Wood placed second with CONGODON, in the Open Fine Harness.

Mrs. K. C. Schwols of Devils Lake, North Dakota wrote to tell me about their new foal arrivals and also the Morgan placings at the State Championship show at Rugby, North Dakota. "We have six nice little chestnuts," she wrote, "all about the same color. Mission Belle 08779 (Yellow Cat x Betty Dean) had a stud April 8. R. B. Siouw 07851 (Senator Allen x R. B. Sophie) had a stud born April 15. He has hind stockings and a nice strip, real pretty. Dakota Dawn 05050 (Chief Joseph x Allen Dawn) a beautiful nearly black filly born on April 27. Gold Bonnie 09043 (Dakota Gold x Bonnie Lass) another Stud, a great big fellow with worlds of action, May 10. Dakota Lassie 07786 (Dakota Thundercloud x Xtude) has a real cute filly with a Y shaped star, narrow strip and small snip, both back ankles white, born May 19. June Beauty was last (Sunflower Prince x Chestnut Beauty), a stud born June 20th. He's a dandy. All these colts are sired by Honor 11976 (Triumphs Leader x Hondorine)."

Mrs. Schwols goes on to explain, "I do not have much time away from farm work to show, but have one pretty fair for which I can get away. There are not many Morgans showing in the shows near here so I must show in open competition. Out of the 3 open harness classes I've been in, I have 3

About twenty-five members were on hand for the July meeting of the MVMHC at the home of Mr. and Mrs. Chester Eaker of Edwardsville, Ill. Before the meeting was called to order a Bar-B-Que was enjoyed by all and after the zesty appetites of our members were satisfied all went down to the stable to view the Morgan members of the Eaker family, Kay K. (Red-berry x Meritana) and her '62 filly Mary K., a chunky brown filly by Cinnamon King. When the meeting was called to order the main topic of discussion was our Fun Show to be held on August 25th at the Searls' Springwater Farm.

All Morgan owners seem to have the spirit of the show season this year as all classes included in local shows have been well filled. Let's just keep up the good work! At the Jerseyville horse

show held on July 1st, five nice Morgan individuals competed for first honors in a driving class, with the blue going to the high going Duke of Lebanon driven by his owner, F. K. Dzengolewski. In second place came Bill Bartley driving Pleasant Lady and then Wanona Princess for Ray Searls, with fourth to flashy Indian War Chief for Truman Pocklington and then Roselynn owned by Dr. D. F. McCarthy.

Morgan exhibitors really turned out for the O'Fallon Horse Show in O'Fallon, Ill., in spite of the rather warm weather (one hundred and five degrees in the sun). Barbara Monfort and Fancy Dan put on a flawless performance to win the blue over Pleasant Lady and Bill Bartley. F. K. Dzengolewski's Duke of Lebanon came next in third position. In line followed

Gallant Chief, ridden by Lisa Clemens for Camp Don Bosco and Amber Sun for Royce Willhauk, Jr.

In the Morgan fine harness class at this show it was Pleasant Lady who came out with first honors. This smart young chestnut mare is quite an up and coming mare and with her owner Bill Bartley really make her presence felt at the local shows. Fred Dzengolewski drove the Duke of Lebanon to second position, with Gallant Chief receiving third. Next came Wanona Princess and Ray Searls over Royce Willhauks Amber Sun.

**ROCKY BON**, owned by Mr. and Mrs. Chas. E. Sutfin of Carmichael, Calif., was high-point horse and Champion Morgan.

The Mother Lode Fairgrounds at Sonoma was certainly the site of hustle and scurry. Believe me, it takes a lot of hustle to rustle 275 entries through a show ring in two days. Northern California All Morgans shows are getting bigger and better every year.

Our bleachers displayed a good sized audience. I know of several people who traveled from the Bay Area just to watch. Mr. and Mrs. Frank Waer of Orange, California, were there, too.

There are many new names on our list of horses and exhibitors. I want to thank each and every one of the exhibitors on behalf of the Northern California Morgan Horse Club for helping to make our show such a huge success. I want to especially mention Mrs. H. F. Spencer of Arroyo Grande and Mr. Loren C. Bentley of Weed Heights, Nevada, for traveling so far to bring their Morgans to our show.

The largest exhibitors were Jimmy Smith, Turlock, 12 head; Davis breeding farm, Lodi, 10 head; J. Clarke Bromiley, Sonora, 8 head; W. A. Lorenzen, Turlock, 8 head; and Jay Bailey, Woodland, 7 head. Many exhibitors had three, four and five Morgans at our show.

Our judge, J. Roy Brunk, Rochester, Illinois, was heard remarking that we had so many fine Morgans, both in halter and performance classes, that it was difficult to tie only five places. Often he lined the horses to 10th and 15th places.

We were very happy and satisfied with your judging, Mr. Brunk, and wish to thank you publicly for a wonderful job. Ever one was so pleased to have the opportunity to meet you, and we all want to say "Thank you so much for coming to California to do us the honor of being our 1962 Judge."

The weather was fairly hot — in the 100's, but bearable. I believe

most of the exhibitors enjoyed performing in the evening best. One of the evening performances was the Gay 90's, and in my opinion was comprised of three beautiful entries.

Chas. Sutfin wore a long-tailed coat and derby, fuzzy side burns and chin whiskers. Jean Sutfin wore a royal blue Gibson Girl with parasol to match and a rose sequined and feathered hat. Rocky Bon was hitched to a Studebaker buggy.

Gene Davis, holding the reins on Domino Vermont, was dressed as a Spanish Don in black suit decorated with gold satin and braid, and a black felt sombrero. Diana Davis accompanied her father in the 1890 Moline buggy dressed as a Spanish Senorita in a white ruffled dress complete with white mantilla held by a hand-carved tortoise-shell peine (comb).

Hank Boyd wore a white shirt with sleeve garters, dark trousers and straw hat. He was accompanied by Mrs. Gloria Jones who was dressed in a pastel summer dress of the period and a matching parasol. The vehicle was a two-wheeled basket cart pulled by Sunflower Tom.

I was very happy to see a sufficient number of entries in the Roadster in Harness to make a class. This is one class I would like to see in our All-Morgan show every year. Come on, fellas, get yourself a cart and let's make it a big one.

The Trotting Race under saddle was a lot of fun and a well filled class, which proves there's a shortage of carts and not trotters.

The Get of Sire, a most important class to the breeder, was won by Muscle Man owned by Clark Bromiley of Sonora. You know the old saying, "The proof of the pudding is in the eating," and Muscles sure has sired some nice colts. Well, he got the blue — that should prove something.

Rocky Bon was awarded Champion

Stallion and Moon Sweeper, a yearling son of Rocky Bon and out of that fine Morgan mare, Nell Blackman, was awarded Reserve Champion Stallion.

Three was a three place race for high point horse and no one willing to lay odds until the last class was tied. Rocky Bon won, but Linn's Ann, owned by Dicksie Jeffrey, Woodside, was in a close second, and Domino Vermont coming in third. It was a close race, and, Dicksie, I wonder if you know *how* close — 2 points. It was a good try and I personally want to wish you good luck next year.

Well, that's the high lights, now let's take a look at all the classes.

By the time this October issue of the Morgan Horse Magazine is printed, the last loose ends of business will have been concluded and a new club will have been born — The Mid-States Morgan Horse Club (Mid-America x Central States). Until a new slate of officers has been elected, the Mid-States news column will be written alternately by the two present Publicity Secretaries, June Osborne and Dorothy Colburn.

For the first time since its inception some six months ago, our "Grab-bag Profile" will not appear in this column. Illness in your correspondent's family held up proceedings and it didn't get written in time. However, it will appear again soon with the life story of the Morgan stallion, Rhythm's Bimbo.

Last month we listed the Morgan winners at the Sunbury Horse Show and failed to mention the winner of the class for Morgans Under Saddle! We are very sorry for this omission — the winner was Jaunty Justin owned by Mr. and Mrs. Walter Matas of Chicago Heights, Illinois. We have heard since that Jaunty went on to win the Morgans under Saddle (under 15 hands) and the Land of Lincoln Morgans in Harness classes.

When our "Grab-bag Profile" of Billie Hanson's Brown Hawk appeared in the July issue of the magazine, it brought a response from Mrs. Leigh C. Morrell of Brattleboro, Vt. The Morrells had "Brownie" in their stable for a few months during 1955 and showed him several times. She says that they "like Mrs. Hanson, soon learned that he was a real 'steam-roller'." Mrs. Morrell had a lot of interesting things to say about Brownie and I shall quote from her letter.

"He had to be held to be mounted, as the minute your foot touched the stirrup he was ready to take off, western style. And you really had to collect him before taking a canter or you'd be halfway around the ring before you realized that your heel had more than nudged him. However he was an angel in the stall and as long as you were on the ground. We, likewise, learned to leave the whip at home.

"His first show was in early June, 1955, at Garden State Park, Camden,

New Jersey, and he did himself proud with a second in the open and reserve in the Stake. However, the very next week was another story, as he blew his stack in the Open class. We learned after that never to take him from his stall until we were ready to ride him right into the ring. Apparently he figured fifteen to twenty minutes was long enough for any one outing and we had had to wait for a delayed class. However, the next day he took fourth in the Stake right behind Windercrest Dona Lee, Black Sambo and Princess Jarnette, so he was travelling in fast company.

"At that time we showed him in several more shows before taking him up to Northampton . . . It was at that show where he took second in the Model Geldings which gave him enough points to win the Mid-Atlantic Champion Gelding for 1955 . . . a point which you either didn't know, or failed to mention.

"Am so glad to know that he is being fully appreciated, for he is a lovely Morgan and I always felt that with long and patient handling he could have a renewed outlook on life."

It appears that the "long and patient handling" given him by Billie Hanson has had the desired result for Brown Hawk has become an excellent pleasure and show horse.

In summer, in this part of the country, parades vie with horse shows for the attention of horsemen. At one Independence Day parade forty horses turned out and our Vice-President, Rae Miller, ran away with the prizes. Rae won the trophy in the senior division, riding his Palomino mare, Ginger Day and Nancy Peak rode Son-Gin (a half-Morgan son of Ginger Day, by Caven-dish) to win the trophy in the junior division. In another large parade, a great many of the local Morgans turned out. One of our members, Georgia Pfister, in her mother's words "took her nerve in one hand and her half-Morgan, Brownie's Red Oak, in the other," borrowed a side-saddle and made quite a hit. In fact, she was so encouraged that she proceeded to ride side-saddle on her mother's filly, Lady in Lace, in the Costume class at the Wilmington Horse Show and won

third place.

Donna Staehnke reports the sale of the weanling filly, Merriehill's Dorine (Dorian Ashmore x Justa Trinket) to Mr. Vin DiFrancis of Amberg, Wisconsin. Also a horse trade has taken place within the Staehnke family — Donna has traded her yearling filly Merriehill's Rexene (Ricardo x Sue C) to her son, Mark, for the black filly, Emerald's Irish Lady. Mark, who has quite a flair for tracing pedigrees, has found that Sue C has a most unusual pedigree, going back on both sides to the Morrill family of Morgans which is said to have been almost entirely absorbed by the Standard breed. Sue, herself, is a remarkable driving horse. Her filly, Rexene, being sired by Ricardo, himself the sire of the famous trotting Morgan, George Gobel, should have all the makings of a real trotting horse, combined with good Morgan type.

Nancy Collins of Downers Grove reports the sale of the good Morgan gelding, Caven-Glo Sun Sand to Gene Applequist of Aurora, Illinois. Mr. Applequist, a member of the Fox Valley Trail Ride Association, has been using "Sandy" for trail riding and also in his work at the stock yards at Aurora and says he wouldn't trade him for any horse in the world. Sandy is the Morgan that Miss Collins took to the Illinois Stock Horse Ass'n. One Hundred Mile Ride in southern Illinois last September, so he is already well versed in that sort of work.

# Buckeye Breeze

By PAULINE ZELLER  
1730 Gray St., Findlay, Ohio

It is with deep regret that I must report the death of the up and coming young Morgan stallion, Tomar, owned by Frank J. Marrek of Hinckley, Ohio. His death was quite a shock to his owners and I would like to quote from Mr. Marrek's letter:

"It is with a heavy hand that I write to tell you that all our hopes for the future of Tomar our 3 year old stallion are shattered.

"Tomar was foaled in 1959, Sire, Pentor 11137 and Martana 07979.

"My daughter saddled him Friday, July 28, for a workout and after a pass around the ring he toppled down. He rose and after taking a few steps fell again and died within 5 minutes.

"Dr. Wolf who performed the autopsy said the cause of death was peritonitis, but could not find the cause of infection. It had gotten into his blood stream.

"In his short career he had 2 blues, 1 red, 4 yellows, 2 whites and 1 pink.

"We are all smitten by his death but have the memory of his pride and spirit and we will start all over again, hoping we can show another horse as fine. We loved that horse so much and gave

him the best of care. He had no signs of sickness at all.

"We have a stud yearling and a month old colt at present so it will be a few years before we see you at the shows again."

Down in southern Ohio the Joe Buckey's report that Sugar Run Farm's Lippitt Victoria Amanda won the Open English Three-Gaited class at the Jackson County Fair in Wellston on July 21st.

Mr. and Mrs. Harold Jenkins of Medina have their two yearling fillies line driving quite well and just about ready to be hitched to the cart.

Foxy Daisette had quite a sick spell a while back but is now well on the road to catching up with Foxy Mae Belle, and it won't be long before both yearlings are driving like veterans. The Jenkins' mare, Tonette had an "argument" with a wire fence and came out with a nasty gash on her shoulder.

At the Cuyahoga County Fair in Berea on August 17, 18, 19 the Open Morgan English Class had eight entries with Ricky Mar Lo, owned by C. A. Steward of Detroit, Mich., com-

ing out with the blue; Rainbo Reade, owned by Walking H Farms of Chardon took the red with third going to Hurricane Lake owned by Butch Speck of Hinckley and fourth went to Lord Rochester owned by Wm. McDevitt of Hudson, Ohio. In the Morgan Fine Harness Class, Ricky MarLo took the blue again with Shawnee from the Don Edwards Stables of Wellington taking the red. I'm sorry but I don't know who took third and fourth. In the Jr. Morgan class Larry Dooley riding his Tas-Tee's Black Knight won the class, and again I don't know who took the remaining places. The Morgan Stake Class was again won by Ricky Mar-Lo; second to Hurricane Lake; third to Abby Graham owned by C. T. Fuller of Castauqua, Penn.; and fourth to Lord Rochester. It is good to see Larry Dooley riding in the shows, and he is doing a mighty fine job.

Received a letter from Jim Roe of Lorain, Ohio, who is quite proud of his black 4 year old stallion, Long Hill Vigiltor (Vigildon - U. C. Torcha), who placed first in his class at the Ohio State Fair on August 25, and then went on to be pinned Reserve Champion Morgan Stallion. Vigiltor will be standing at stud this coming spring. He is the sire of the first four Morgans foaled in West Virginia and one of these stud colts placed 4th in the Ohio Futurity even though it was the first time he had ever been out of sight of his mother, which caused him to act quite unruly.

Right: REATA'S ELATION. Fleetwing out of Royal Rose, two year old filly of Reata Horse Farm, as she won the Junior Saddle Class at the large Youngstown Charity Horse Show. She was also Grand Champion Morgan Horse of this show.

## Here Comes INDIANA

By HARRIETT ULERY, Sec.-Treas.  
Indiana Morgan Horse Club, Inc.  
Rt. 5, Box 6, Anderson, Indiana

The Indiana Morgan Horse Club, Inc.'s 1962 Third Quarterly meeting was held at the Columbia City, Ind. Mizpah Shrine Show. There were 16 members and as many guests that got together to swap stories before the carry-in supper and business meeting.

Vice President Jack Marks officiated in President Melvin Dudley's absence. Mel and Mary Ann were enjoying the National Morgan Horse Show. (Seems Mel vowed since he had met Mary Ann at the Nationals some few years ago that they would "honeymoon" with the Morgans every year possible).

Mel commented on how "noticeable" that the horses were more uniform in type than 10 or even 4 years ago. Almost every entry was in good show condition and well trained. It seemed they were a little darker in color. No gray there but one blue roan.

Another thing was the large number of teenagers showing. The classes were large especially the pleasure classes. Ring would be really full. Something to see them reverse in pleasure driving with them two and three abreast.

Biggest item of business was the announcement of the Indiana Morgan Horse Club's 1962 Field Day. 1 p.m. Sunday, October 13, 1962. At the Murat Shrine Mounted Patrol grounds, Indianapolis, Indiana (State Rd., #31 at 106th St.).

It's to name the Champion Indiana Owned Registered Morgan. Five classes: 1. Stallions in Hand; 2. Mares and Geldings in Hand; 3. Flat Saddle. Pleasure rules; 4. Stock Saddle. Pleasure rules; 5. In Harness. Pleasure rules. Awards: Grand Champion Ribbon and Trophy. Reserve Champion, Ribbon.

In case of a tie for Champion, the tie will be decided at the discretion of the judge. But, the tie must be decided by competition, not by draw.

Judge: Mr. Roy Brunk.

Again that 1962 Field Day date, Sunday, October 13, at 1 p. m., Indianapolis Murat Shrine Patrol Grounds. Spectators welcome.

Recently I received a letter asking what kind of classes besides the pleasure and Model classes would we like to have included in next year's Indiana

Horse Shows. We are considering Road Hack and Pleasure Driving. We will hear the pro's and con's and decide before next year's calendar is prepared.

Our Madison County 4-H Fair had three registered Morgans and one half Morgan entered. Fred Ulery showed our Yearling Stallion, Rolling Hills Rex, II. Placed 1st, class of 18. Jody Jean O, in Aged Mare, placed 3rd. Liza's Black Beauty, in Model Mare, placed 3rd. The half-Morgan owned by Diana Hunnicut, "Dare-Devils Blaze" placed 2nd in Yearling Mare. There were 307 horses and ponies shown from our county in our County Fair. An entry enviable of any horse show. Fred was nominated for Showmanship, 15-20 years old inclusive, and won Reserve Champion Senior Showman, Madison County, 4-H Exhibit, 1962. Ribbon and a handsome 4-H Club Belt Buckle. Fred is just beginning to show. After a wonderful job of showing Liza's Black Beauty in last year's 4-H show I gave her to him. You should have heard the crowd applaud when Fred trotted Beauty out. I believe it was the only show of spontaneous approval from the crowd. Right there I gave him the filly. Sent her and him to be broke together. It is taking time but both are shaping up beautifully.

The Annual Meeting will be the first Sunday in November. It will be an all-day dinner meeting and election of officers. Suggestions and invitations are welcome. Old members, potential members, and just friends of the Morgan horses are cordially invited. Contact secretary Harriett Ulery, Rt. 5, Box 6, Anderson, Ind., for reservations and information.

Thank you Phyllis Barber for this opportunity to tell about my kid and Morgans. Like you said you'll give equal time and space to any to defend and report on their Morgans. I'd like to tell you about Jody Jean O's success story. Like it only took 27 afternoons 15 to 20 minutes at a time for a little 17 year old girl to break her and show her in Flat Saddle Pleasure (23 in the class) and come out with the blue. And that she has been a consistent winner ever since. My horseshoer says that winners first of all has to have "the breeding." Jody Jean O is by Archie O and out of Lippitt Alice. I agree. Then the training. Jody got the benefit of Teri Misner (West's) schooling under the best saddle bred teachers in Indianapolis as a trainer and rider.

## Justin Morgan Assn.

By Jo ANN MERIANS  
Livonia, Michigan

The Justin Morgan Horse Association held its monthly meeting August 25, 1962.

Mrs. Edith Earehart pointed out that some states have a Morgan Horse directory which is very helpful to people who may be in the market for a new Morgan. This directory would also be quite helpful to our friends in other states when they are visiting here in Michigan. Our president, Norman Risk appointed Mrs. Earehart to select a committee to look into the matter and see what the possibilities were of our club planning a directory of all the Michigan Morgans.

Mr. Walter Carroll brought up the September 23 fun show that will probably be held at the Grosse Pointe Hunt Club. Our Morgans will participate with the Arabians for fun and this will not be point approved. We want to make a good show of Morgans and have at least forty horses attend.

Mr. and Mrs. C. S. Phillips of East Lansing, owners of Bittersweet Sue and Cloverlane's Dolly Madison have invited the club to their home on the afternoon of September 29. Mr. Phillips then has arranged for all of us to tour the stables and laboratories on the campus of Michigan State University. After our tour through the stables, we have then been invited to Mr. Phillips' country club for dinner. Our monthly meeting will follow the dinner. We are looking forward to a wonderful time.

The Michigan State Fair was filled to capacity with horses this year. There were over one hundred and fifty Morgan horses entered. Some had to be stabled in tents. There were 18 weanling fillies, 12 weanling colts, 12 yearling fillies, 7 yearling colts and 12 two year olds entered in the futurity. All Morgan classes were well filled, English pleasure having twenty-seven. Professor Kaiser from the University of Iowa was the judge. He had a real workout since he judged the quarter horses also.

A few years ago at the National Morgan Show, Mr. and Mrs. Norman Risk were privileged to make the acquaintance of Dr. and Mrs. Lee Bird of Massachusetts. Recently Dr. and Mrs. Bird came to Michigan enroute to

**COLUMBINE JOE**, owned by Joe Connors of Englewood, Colo., shown by Bob Nylander. Placed 1st in Morgan Geldings at the Rocky Mountain Morgan Horse Club Show in Salt Lake City.

No doubt there is a great deal of news among Circle J members, since at this writing the shows are in full swing, but unfortunately this writer has been able to glean little but some that is most unpleasant.

I have none of the details, but have been informed of the tragic and untimely death of the great gelding, Green Meads Benrod. Bennie, as he was fondly known, died shortly after the Western National All-Morgan Show at Estes Park, Colorado where he was a consistent winner. Our deepest sympathy to Mrs. Jack Harrington, his owner.

Another unfortunate death occurred at Windmill Farm with the passing of our old black mare, Chief's Kate. In spite of constant and prompt veterinary care, constant vigilance on the

part of the entire family for 36 hours, and finally removal to the Veterinary hospital at Fort Collins, she died while being prepared for surgery. The actual death was due to shock, probably largely due to her age, however autopsy revealed that she was suffering from impaction as diagnosed by the vet. Kate was in foal to Condo, and had at her side a foal by Gallant King. We are truly heartbroken over the loss.

Enough bad news — correspondence from Mary Woolverton who is summering in the East, informs us of the "doings" of a truly great and versatile Morgan, Prince of Pride. Prince did very well at the National and then proceeded to the Mid-Atlantic at Frederick, Maryland. Prince had never been over a jump with a rider; however, his owner, an excellent horsewoman with

courage to match her skill couldn't resist trying the hunt course in the morning of the show. Prince shared her enthusiasm, they entered the Working Hunter Class and took the Blue. This was followed by winning of the stock horse class. Altogether Mary and Prince entered nine classes and collected seven ribbons.

Another group of Circle J Morgans left an impression in the East at the National. Patsy Brown of L. A. Ranch and Charlie and Pat Hamilton of Triangle A Ranch, both in Wyoming, took horses all the way to Massachusetts and entered only one class in competition, the Stock Horse, and came out with the first, third and fourth places. I understand the purpose of their trip was for the demon-

By OLLIE MAE DANSBY

Hi; summer is over-doing here, one day the temperature zoomed up to 107 degrees. That is hot, in any language. Having attended The Western National All Morgan Horse Show, at Estes Park, Colo. (July 13-14-15) where sweaters and jackets felt very good especially at evening performances, makes the heat more noticeable to me. The Circle J Morgan Horse Assn. did a terrific job, and had a wonderful show.

Ken Smith brought home the Blue in Western Pleasure Championship Stake with Keomah Kay, also Martha Vernon took 1st in Ladies Western Pleasure, riding Keomah Kay. Joe Connors' Gelding, Columbine Joe, hav-

ing taken top honors for geldings of all ages at Salt Lake City, only a week before, brought disappointment to his owner, and many others, by being very lame the morning he was to be shown. Better luck at State Fair, Joe.

I met so many lovely people, old friends and new. I had the pleasure of meeting and chatting with a direct descendant of Justin Morgan, the man. She is Mrs. Al Halliwell, of Scottsdale, Ariz. A lovely lady, and naturally a Morgan owner.

Mr. and Mrs. Cecil Ferguson and daughter, were welcome guests, at the Western National Morgan Horse Show and at the exhibitors dinner, we enjoyed some wonderful movies of their beautiful home and Morgan horses. Thrilling to see Parade, Broadwall Drum Major performing so beautifully together. The brood mares and fascinating little foals.

## Pine Ridge Morgan Association

By BARBARA MARCY  
Hay Springs, Nebraska

The Pine Ridge Morgan Horse Association held their first annual meeting recently at the Charles Marcy ranch fifteen miles southeast of Hay Springs, Nebraska. There were about 35 members and friends present for the 1:00 o'clock picnic. After the picnic, the group took a recess to see some of the Morgans belonging to the Marcys. Of particular interest were two new colts — a filly — Sweet Adaline x King Pine and a horse colt — Betsy Swanton x Red Correll. (since then the Marcys have another horse colt — Sandy

Swanton x Broadwall Brigadier.) During the time the group were looking at the horses Don Berlie talked a bit about the way Morgans are shown and the way they should be prepared for showing.

The members then assembled for their business meeting which was presided over by vice-president, Charles Marcy in the absence of the president. Stanley Walker of Pine Ridge, South Dakota had some interesting pictures of his stallion, King Pine, and also pictures of King Pine's ancestors.

During the course of business a few alterations were made in the by-laws of the constitution and present officers were retained, due to the fact that they have served only since last March when the group first met to organize. The association plans to participate in parades at Crawford, Nebraska on the 4th of July and any other local parades that may be held. In connection with this, Sally Towle of Pine Ridge, South Dakota, was appointed to arrange for a flag or banner for the group to exhibit at parades.

Stanley Walker, registrar, reminded members of recent rulings regarding registration as stated in recent issues of the Morgan Horse Magazine. Terry Spangler of Gordon, Nebraska was appointed.

## Arizona Morgans

By SUE HALLIWELL

With the disintegration of the Arizona Morgan Horse Assn. due to the hot desert sun and inactivity, several Morgan enthusiasts have decided to try again to promote the worthy breed. We have been fortunate enough to obtain three Morgan "In Hand" classes at the Arizona State Fair to be held at the Phoenix State Fair Grounds on November 2-12, 1962. This is the first time that Morgans have had a place at the Fair, and we must have at least four horses in each section to fill the classes. Letters have been sent to all known Arizona Morgan owners asking them to please enter the show to support the breed, now it is up to the individual owners to show they are as dependable as the horse they own. We are in hopes of having several out of state

breeders and exhibitors enter their Morgans, but our biggest hope is that some of our Morgans will be entered in "open" classes and place high, this surely will enable us to have more classes at next year's show. We'd like to invite everyone interested in helping Morgans get a good start in Arizona to contact Sue Halliwell, 7306 E. Cypress St., Scottsdale, Ariz., for premium lists or further information. We are sure we don't know all of the Arizona Morgan owners, so any who have not received a letter, please join with us to promote our favorite breed. We'd like to thank Harry Haynes, retired showman and trainer of Saddlebred horses for his help in obtaining these classes for the Morgan.

The Charles Bronsons of Globe are expanding their Morgan herd rapidly with the birth of several fillies. One came while Mrs. Bronson and daughter Jean were at the Western National

Morgan Horse Show, at Estes Park, Colo., so they were quite anxious to get home to greet the new arrival. The Bronsons caught the show bug at Estes Park and are determined to return next year and win some of those trophies and ribbons, and if we know Jean, she'll get them. Hope she plans to get some practice at our State Fair.

Also attending that show was the Al Halliwell family. They too, caught the bug, so that next year should see several entries from Arizona. They plan to enter their mare Moonbird (Julio x Black Annie E. Sentney) in the State Fair, even though she'll be 9 months along in foal, sure hope she isn't self-conscious about her condition. Herb Mai of Scottsdale, Arizona and Estes Park, Colo., entered his stallion Rex Allen (Agazizz x Bonbelle Allen) in the Colorado show and placed 3rd in Stallions over 3 years. Rex was look-

The 50 mile pleasure ride and the 50 mile competitive ride for Juniors was held from So. Woodstock, August 22 through August 25. There were many Morgans in the pleasure ride but only one entered in the 50 mile competitive ride. This is run and judged very much like the 100 mile event; though this is based more on horsemanship than on condition of the horse. The one Morgan entered here was U. C. Pentora owned and ridden by Barbara Crockett of Weston, Mass. More Morgans and their young riders would learn a lot by competing in this event.

## COMPARE . . .

Each year we exhibit at the largest and most competitive shows in the Pacific Northwest to determine how our Morgans compare. During 1961 in 4 shows with in-hand classes they were awarded 6 Championships, 3 Reserves, 11 - 1sts, 8 - 2nds and other placings. (2 or more of our Morgans are shown in some classes). In the same number of shows during 1962: 9 Championships, 6 Reserves, 16 - 1sts and 9 - 2nds. In 7 shows with performance classes during 1961 they received 19 - 1sts and 13 - 2nds . . . so far in 1962, 23 - 1sts and 4-2nds.

While show records aren't everything, they help rate horses.

## THE RIDER'S SEAT

The rider swings up and into the saddle with a spring, pushing with the right leg. The body is balanced with the left hand on the neck, the right hand on the horn, and the left knee against the horse. The rider should spring enough to place a minimum of weight on the left leg until the body is over the saddle. Then the weight is held by the left leg and the body is lowered smoothly into the seat. The rider should learn by practice not to swing too high and plop into the saddle.

With practice, a rider will mount in a smooth easy motion faster than these instructions can be read.

Colorado Western Horseman-ship Rules do not require riders 13 years of age and under to dismount and mount when showing. These riders should learn these positions and use them just as early as their size or the size of the horse they ride will permit.

## DISMOUNT

To dismount, the rider takes the excessive slack out of the reins, places the left hand on the neck, the right hand on the horn, moves the left foot slightly back in the stirrup, and shifts his weight to the left leg, with the knee against the horse.

The rider swings out of the saddle, keeping the right leg as close to the horse as possible without hitting the cantle and the rump. Do not swing the right leg in a wide arc. Keep it close to the near side of the horse so you will be facing slightly forward when the right foot touches the ground.

Push the heel of the left foot down to allow the stirrup to slip off the toe. Do not roll the foot on a side to get out of the stirrup.

In dismounting at a fast gait, the rider's body should face more to the front.

The rider's position in the saddle is very important for correct use of aids and in maintaining balance for ease of riding.

Sit "tall in the saddle," in a balanced, relaxed manner. Keep the back erect, and flex with the horse. Do not slump in the saddle and never sit back on the cantle with the feet shoved forward. A good rider will find it necessary to change the seat slightly for special types of riding (as in cutting contests), but the basic principles remain the same. A rider sits where he can control the horse with aids, is in a comfortable riding position, and has his weight where it will help the horse.

The rider in figure 3 is sitting

straight and secure in the saddle. The position of the body is deep in the seat of the saddle and not up on the cantle.

A line dropped from the center of the shoulder falls down the back of the heel. A line from the point of the knee falls near the toe. The shoulders are back, and the arms are held near the body. The rein hand should be held just above and in front of the saddle horn. The other hand is held loosely on the thigh.

The leg maintains light contact with the horse's body through the inside thigh and upper calf. The foot is turned out slightly in a natural position, with the weight on the ball of the foot and the

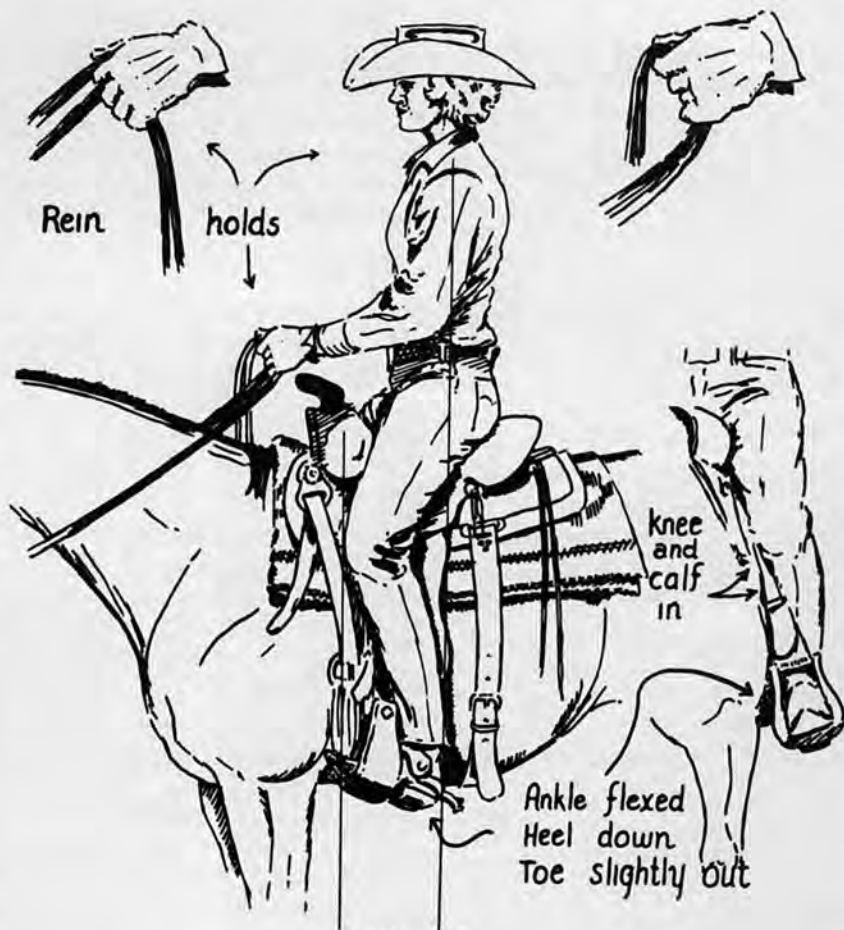

Figure 3

heel lower than the toe. Riders should train stirrup leathers so the stirrup is turned at a right angle to the horse's body to relieve pressure on the foot. A well-trained stirrup holds the foot more securely and stops easy loss of the stirrup.

Figure 4 shows the way **not** to sit in a saddle—but many riders do it. It is not a secure seat. Many modern saddles are made in a style that makes it almost impossible for a rider to sit any other way, so the rider should be careful when buying a saddle. In this position, the rider will not be in balance with the horse and will get "behind" the action of the horse. Any pressure on the stirrups will push the rider's seat out of the saddle.

## THE AIDS

The basic aids used in controlling the horse are the hands, legs, and weight. Use of these aids, either alone or in combination with each other, varies with the action desired and the degree of training of the horse. Specific use of the aids will be covered under later sections on gaits and movements, but the following general points apply at all times.

### Hands

The hands control the forehead of the horse directly by use of the reins. In advanced riding, the hands will have an indirect influence on the hindquarters.

A good hand is steady, light, soft, and firm. Steadiness is very important for light, soft control. The degree of firmness should be just enough to control the horse.

The rider should hold his arms, elbows, hands, and fingers relaxed and flexible. The reins should be held with just enough slack for light contact with the horse's mouth. This degree of

slack will vary and is shown in the section under the gaits.

Signals to the horse are given by slight movements of the hand and by flexing the arms and fingers.

Western riders hold the reins with one or more fingers between the reins. At the present time some show rules do not allow any fingers between the reins. Colorado Western Horsemanship Rules allow one finger between the reins. Check the rules under which the show is operating.

### Legs

The legs control the hindquarters of the horse by pressure of the calves and heels. After the horse has been trained, the action of the legs alone will get response without using rein direction.

Spurs are used to emphasize leg action and should be used only as varying degrees of pressure.

Excessive swinging of the legs is a common fault with many Western riders. Maintain a steady leg contact with the horse's body.

### Weight

The rider's weight is used as an aid by shifting the body slightly to help the horse obtain the action indicated. Weight influences the ability of the horse to move its feet and legs into desired positions for action.

Do not get the habit of "throwing the horse around" with excessive weight shifts. Move just enough to help and guide the horse, but not enough for observers to see readily.

Riders in the show ring will find it essential to use the aids and positions for riding, but remember that the basic points help any rider to improve his riding and the horse's performance, even if they never plan to show.

## San Geronio Wild Area Competitive Trail Ride

By EVE OAKLEY

This ride was the 12th Annual Summer Ride presented by Region 11 of the California State Horsemen's Association, but the 1st one sanctioned by the North American Trail Ride Conference, for a Class "A" rating, according to Mrs. Marjorie Hambly, Ride Chairman.

Besides being a Competitive Ride, it also takes the riders through some extremely beautiful and rugged Southern California Mountain country.

California has some extremely good Half Morgans within their boundaries and we are more than pleased to announce that Will Schade, President of San Bernardino's Horsemen's Association rode "Bing", his 6 year old Morgan-Quarter gelding to first place in the Heavyweight Division and the coveted Sweepstakes Award (a beautiful silver and gold buckle). To be eligible for the Sweepstakes, Schade had to win his division, wherein the horses all carried 190 lbs. or more of rider plus equipment.

Placing 2nd in the Heavyweight Division was Laurence Rossi of Torrance and his Thoroughbred gelding, Geronimo.

Another part-Morgan, owned and ridden by Robert J. Moore, of Pacoima, Calif., although not placing, competed in the Heavyweight Division.

First Place in the Lightweight Division, which included horses carrying under 190 lbs., went to a 7 year old Quarter Horse, "Dutch", ridden by Mrs. Eileen Jackson of Victorville, Calif. Mrs. Jackson also won this place at Hesperia in January.

Fourth Place went to "Suds," a purebred Morgan gelding, owned and ridden the first day by Mrs. Maxi Heimlich, of Santa Barbara, Calif. She became ill and substitute rider, Kirby Tupper, of heavier weight, rode Suds the second and longest day.

Winner of the Junior Rider Division was Annice Joynes, of Santa Barbara, Calif. riding Candy, a very small mare (only 14 hands and weighing 650 lbs.) of mixed breeding—Welch and Saddlebred, I believe.

Bobbie Sosson, of San Bernardino's Circle Arrow Ranchers, placed a good second on her registered Morgan gelding, Starstone's Delight.

# Penn-Ohio Morgan Boosters

By HELENE ZIMMERMAN

**TROPHY'S CRYSTAL** (Trophy x Ruthven's Betty Ann) owned by Mr. and Mrs. Clarence Richey of Greenville, Pa., shown by Helene Zimmerman. 2nd, 3 Year Old Mares; 3rd, English Pleasure at the Bucyrus Gold Cup Show.

The Penn-Ohio Morgan Boosters have swelled their ranks with several new members this month. Jane and Jay Emerick of Brockway, Pa., are the latest to join. Although they own no Morgans at present, they formerly owned the mare Nadine, who they sold to Behlings in Wisconsin. Now they have to make periodic visits to Wisconsin to see how the mare is getting along — that sounds familiar! We also want to welcome two new junior members — Laurada Mohr of Greenville, Pa., and Mary Ann Kerins of West Middlesex, Pa. Mimi Filer, our publicity director, won the "Name the Newsletter" contest with the entry *The Boosters Crow* and named the two girls recipients of the prize (memberships in the POMHB). I just discovered that I have never officially welcomed some of our more distant members — Rachael and Camille Centers of Portland, Ind. and the Mel Dudleys of Muncie, Ind.

Morgans caused quite a stir at two recent area horse shows. They competed in large open halter classes and brought home more than their share of ribbons. At Transfer, Pa., Dee-Cee Rendova (Cap's Bimbo x Cap's Com-

ette) won the Yearling Class for Mark and Joy Hills. In the Two-Year-Old Class, Coffee Royale (Red Patrick x Cracker), took a good second for Mrs. R. A. Zimmerman. Then another Morgan, Hycrest Fantasy (Hycrest Tommie x Plains Beauty) owned by

Suzanne Muntz, came on to win the Three Year Old Class in her first show. In the Morgan Halter Class at Greenville's All-Western Show the results were: 1st, Hycrest Fantasy, Suzanne Muntz of Adamsville, Pa.; 2nd, Dee-Cee Heidi, owned by the Clarence Richeys of Greenville, Pa.; 3rd, Trophy's Crystal, the Clarence Richeys, 4th, Coffee Royale, Mrs. Ralph Zimmerman, Jamestown, Pa.; 5th, Cap's Flash, Circle J Ranch, Salem, O.

Hycrest Fantasy was also Reserve Champion Mare of the show.

It is amazing how Morgan-conscious the people in this area have become in the past few years. In addition to seeing them in ever-increasing numbers in the show ring, we have some folks in this area who are really wide-awake when it comes to promoting the breed in local newspapers and on local radio stations. Others show pictures and

praise. Mrs. R. A. Zimmerman recently gave a subscription of this magazine to the local library which is an excellent way to promote Morgans in your area. Next time you get a raise or sell a horse, why not try it?

Jane and Milford Fox of Middlefield, Ohio, report that they have sold the nice weanling colt, Buzz's King (Devan Troubadour x Buzzjack's Buckles) to Mr. and Mrs. Cliff Eging of Hamden, Ohio. This youngster should make a lovely family horse for the Egings and we wish them luck with him.

Jim Aley and Tom Fox just returned from trucking three horses to Colorado and we hear they had a grand time. They had time to stop at the Mosher Bros. and to visit with the Dugans in Loveland, Colo. They rode a couple of Dugans' Morgans up into the mountains and really enjoyed it.

It is hard to believe that already the horses are beginning to get their winter hair and that the show season is nearly over. We still have October however, and that is surely the most wonderful time of the year for trail riding. See you all next month.

**HAWK'S JUNITA** (Hawk Prince x Jubilee June) owned by Mari-lace Dyckes, Erie, Pa.

**AWARD'S ERMINE**, owned by Kay Goff Payne, McKees Rocks, Pa.

# A Hoosier at The National

By MELVIN DUDLEY

*President, The Indiana Morgan Horse Club, Inc.*

We were the envy of all our friends in the Indiana Morgan Horse Club. We were going to the National. Reservations had been made in January, and endless hours had been spent in planning. It would be much more than just a horse show to us. Mary Ann is a Vermonter, and we met at the National at Windsor, Vt., in 1951.

Justin Morgan I was known as a "Peculiar" horse, and the breed is peculiar today, in the old meaning of the word. They are THE 'Family' horse. Individuals of other breeds are known for their winnings in the show ring or on the track. Morgans are almost always known in connection with people. Who could hear of Upwey Ben Don without remembering Ted Davis, with his enthusiasm and great love for Morgans and Morgan folks?

So, we were looking forward to seeing old friends, and meeting new ones. Leaving Muncie on Saturday, July 21st, our first stop was early the next morning at Mesopotamia, Ohio, at the home of Milford and Jane Fox. There we saw Deerfield Challenger, Devan Cap (Who put on quite a show for us), and the band of mares and colts. Truthfully though, Jane's homey kitchen, with the old prints and the family gathered around the table, was as big an attraction to me as the horses.

From there, it was a short drive to Greenville, Pa., and the home of Ma and Pa Lockard. We had corresponded with them for several months, and had met Dot at the Gold Cup. So we were anxious to meet Dayt and the rest of the family. My first riding was in the stock saddle, and I could hardly wait to see this ex-Colorado cowboy ride. It was worth waiting for. Here was a man who rode deep in the saddle. He expected and got obedience. But, far more important, he held the horse's interest all the time, even a young filly with only a few days training. There was constant communication between them through the reins.

Next, old Archie gave a demonstration of how a well-bred Morgan stallion behaves. Only my rule against asking to ride someone else's horse kept me from asking for a short lesson. After the riding we spent nearly half the night talking horse, and looking at

pictures and Jay's collection of miniature cars.

We had coffee with Dot the next morning, so we got a very late start, and went through the Pennsylvania mountains in the rain. Browsing through the old towns in Connecticut let us rest up for the show starting Thursday morning.

There is only one description for the National. It is too big! It is impossible to see half of it. Over four hundred horses on the grounds. Class after class, from early morning to around midnight. Hard work and good management kept the show moving every minute, too fast sometimes.

Our first interest was the Pleasure and Road Hack classes. This is what we have shown in Indiana, or plan to in the future. The Pleasure classes were especially large. They were real Family horses, but many of them with the proper training would do creditably in the other events.

In years past, Hoosiers used the buggy and carriage much more than the saddle. So it was a pleasure to see the harness classes so well filled. Who could forget the sight, when the ring is really full and the class is reversed? Only masterful work by the ring officials made it go so smoothly.

I made no apology for spending so much time in the dining room. The food was good, the coffee better, the chairs comfortable, and it was the best place to have a few minutes conversation. Did catch sight of Mabel Owen but couldn't catch up with her. Wanted to thank her for her series "Names in Pedigrees." The data from the articles, transferred to a note book and indexed, has been most helpful in tracing the families of our Hoosier Morgans.

Mary Ann spent her time in the grandstand, trying to catch everything in the ring. I took pictures and visited. It was good to see Gerald Taft and to learn that his health has improved some. We need him. We did not get to talk to the new President, but we wish him the best in his position. He has a big job. Mrs. Ted Davis gallantly carries on. It was sad to hear of the death of their young stallion, Windcrest Sensation. Ted had pinned such high hopes on him.

Doctor Farmer promised us that Joan D would be back next year for old times sake. We talked to Bob Baker, and learned that my old favorite, Miss Tweedy, has been laid away.

Only time to say hello to Warren Patriquin and many others. Warren does enough work to kill an ordinary man, but is always on his toes like a good photographer has to be.

Wish that all our folks could meet the Seth Holcombes. We are fortunate to have them, also other officers like Roy Brunk. This was my first meeting with Roy, and I was especially glad to get acquainted with him. He is going to judge our Indiana Morgan Field Day at Indianapolis on October 14th.

If there was an award for the person having the best time, it would no doubt go to Helene Zimmerman. With no horse to care for, Helene didn't miss a minute. If there was another award for the best all round flat saddle rider, my vote would quickly go to Nancy Ela. Hot mount or quiet Hack, every move was right. It was a joy to watch her.

Of course we have read all of Ern Pedler's writings. Ern has done a real service. Few of us will have the opportunity to see Morgans at range work. Ern makes it so vivid that we almost feel that we have really seen it. The man can talk, too. We would have liked to have spent a couple of days with the Pedlers.

We both fell hard for Patsy Brown, Wyoming rancher and bob cat hunter. Patsy owns two of the Wyoming cutting horses, and flew east by jet to see them perform. Wish we could get her to write about ranch life in Wyoming.

After the show we went on to Vermont for two weeks. Saw again the old show grounds at the Buena Vista Farm at Windsor. Good to see that it is still being used for horses and showing. Also we had a last look at the Green Mountain Stock Farm at Randolph. So much work has been done there in the last few years. It is sad to think of it all being dispersed.

Now, we are back home and have had time to look at pictures, and compare impressions. The National has grown unbelievably, not only in size but in management which is well nigh perfect. Hour after hour, the show moves smoothly along on schedule.

The Morgans have improved very much in ten years. They are better trained and in better condition. There has been an improvement in type, and they are much more uniformly good horses.

The Wyoming folks were a little surprised that the eastern horses were

# Southern News And Views

By BARBARA BEAUMONT COLE

**CAROLINA 09681, five year old bay mare by Lippitt Mandate x Katie Twilight. Owned by Mr. and Mrs. James L. Cole, October Farm, Raleigh, N. C.**

It was a notable year for Southern exhibitors at the Mid-Atlantic Morgan Show. Not only were there more Southern entries than ever before, but also Southern-owned Morgans took home more ribbons than ever before. Miller's Ben-Del (Miller's Pride x Miller's Adel) owned by Tara Farm of Raleigh and ridden by Fran Pugh took the blue in the stallions under saddle class over some seasoned champions and went on to win the novice saddle class too. The Pughs' two year old filly Carolina Gypsy (Trophy's Award x Trophy's Merit) also won the blue in her class in hand.

And, as was expected, Thomas H. White's Camelot Farms of Fort Lauderdale, Florida under the management of John Diehl, won a generous share of the top-place ribbons. Stable chores prevented me from seeing all of the classes, but among their other wins, Camelot's two outstanding mares took these places: Donnette of Camelot (Don Hudson x Donna Dee) was third in senior mares in hand, first in mares under saddle and second in the championship saddle stake. The lovely Spring Delite of Camelot, John Geddes x Barbette) was first in combination, first in senior mares in hand, and grand champion mare of the show.

W. J. Rhodes of Dayton, Virginia showed his stallion James Dandy (Sherimill Sunrise x Tibby Corbin) to a fourth in working stock horses. Gene Parr of Hickory took fifth in weanling stallions with his Shenandoah Falcon (The Brown Falcon x Dancing Doll). The Downey family of Fairfax picked up some ribbons in stock horse and equitation classes with Ross C (Star Jekyll x Eckholm Ruth) and The Gay Cadet (Townshend Gaymeade x Quitta).

J. M. Burke and son Gil of Mt. Airy N. C. took their two three year olds, Mandate Encore (Lippitt Mandate x Ginger Mildann) and Juliana Hawk (Little Hawk x Justina Morgan) and won a handful of ribbons. Among these were fourth in mares under saddle, third in owner-to-ride, and second in three-year-old mares.

Maryland-owned horses were, as usual, legion. The Vona family of Frederick won too many ribbons to count. Charles Patton, Breezewood Farms and the Simonsons also did well. Their gelding Ace High (Lippitt Moro Ash x Ruthven's Isobel Ann) won first in geldings under saddle and, catch-ridden by Ann Sikes of Raleigh, took third in child's Morgan. Mrs. Ethel Hanson of Derwood showed her fourteen year old gelding Brown Hawk (Flyhawk x Julara) in just one class — geldings under saddle — and came out with the third place ribbon.

Mr. and Mrs. James Clayton of Washington, D. C. showed their handsome seventeen year old stallion Payday (Mansfield x Gladys) in several classes and took the blue in versatility. Payday is a stud with an interesting pedigree, being one of the youngest living sons of Mansfield, and one of the last in public service. His dam is the great producing mare Gladys, who was also dam of such champions as Madalin and Sterling Velvet and Gladgay's Pride and Promenade. His second dam is Lady Sealect, one of Sealect's greatest producing daughters.

Many southerners were in the audience at Frederick, to. Mr. and Mrs. Fred Aldred of Summerville, Georgia were there. They own the handsome young stallion Nabob's Welcome (Nabob Morgan x Lippitt Adeline) and four mares: Pineland Dark Gypsy (Jolly

Roger x Gypsy Field) and her palomino daughter of Jubilation (Little Hawk x Jubilee's Golden Lassie), and Pineland Fashion (Jolly Roger x Princess Field) and her chestnut filly, also by Jubilation. Fashion is safely in foal to "Joker" (Nabob's Welcome) for next spring.

From North Carolina came Mr. and Mrs. J. C. Ferguson and Miss Martha Smith of Raleigh. Mr. Olive of Apex was there, as were Mr. and Mrs. Charles Flinchum of Guilford. The Flinchums own the stylish yearling stallion Tara's Award (Trophy's Award x Trophy's Merit), which has done well for them in open colt classes this season. At the Kernersville show he took second in an open colt class, being topped only by a two year old Saddlebred colt. At the Dixie Boots and Saddle Club show near Winston-Salem, Award placed third in a class of fourteen, these mostly quarter horse colts, with a quarter horse judge.

On their way to Frederick, the Camelot Farm horses stopped at the Lenoir, N. C. Show, where Spring Delite won the large open pleasure class. When the show officials learned of the presence of these outstanding Florida Morgans on the grounds, they asked manager John Diehl to put on an exhibition of them, both in hand and under saddle. Spring Delite and their young stallion Spring Glo were both shown to a large and appreciative audience.

We always enjoy seeing "new" horses at the Frederick show — ones we have heard of and read about in this magazine, but never before seen in the flesh. Two of these that most impressed us this year were the Longs' Lord Linsley, winner of the saddle

# Mid-America Morgan News

By JUNE OSBORNE

Green Gate Acres, Batavia, Ill.

I am beginning to think that if it is possible to live through the month of August — then you can live through most anything. Have a nice letter from Mr. Ellestad way up north — Manitowoc, Wisconsin — he was real nice and sent me some news — so am typing (?) furiously and hoping to make the deadline. Mr. Ellestad is really happy with his Morgan stallion, Emerald's Aristocrat. They have taken him to two shows and won both the times, and the second time was in open competition. It seems as though they have a lot of parades up that way and "Corky" likes to get involved in that sort of thing. Most Morgans do like the excitement of parades. We always have a radio on in the barn. I am beginning to think that my children are deaf or at least a little bit so, because none of them can hear a radio unless it is blaring its head off — a small consolation is none of our animals are the least bit timid when it comes to noises of any kind. Mr. Ellestad says also that he sold their yearling stud and will deliver him in October to some people in Phoenix, Arizona. Hope you can see your way clear to come to the Kane County Fair next year.

Karene Heimstead wrote me also and states that she has purchased a nice brood mare, Maggie L, from Arkomia Morgan Farm (Dr. and Mrs. N. Dobin). She has been bred to the well known stallion Lippitt Jeep and of course, Karene is hoping for a filly. I don't know if you can trust those Morgans though, Karene, I wished and wished but got a stud anyway. Have one more to go so am telling her I don't care. Karene says that one of Arkomia's Morgans has taken residence up in Canada at the Kilgoran Farm, a two year old filly by Blythe Spirit and out of Maggie L.

That is all of the outside news, so will go on to the Kane County Fair Horse Show, and any of you who didn't get there this year be sure to mark it down for next year because it is really a fabulous show. The classes were very well filled and everyone did a very remarkable job of showing. I am so glad the Gay Nineties class was included. I have heard about

them but never saw one and I can tell you all that it certainly was a crowd pleaser — and grandma and grandpa won the class, that is the Mary Staehlnkes mom and dad. Mr. George Benjamin from Walled Lake, Mich., was the judge and he did a wonderful job.

## Wheat State

(Continued from Page 27)

Did you know the Wheat State is where Ethan Allen lived his last years, and is buried near Lawrence, Kansas?

Open Shows: Keomah Kay took her owner to victory in English Pleasure at Delphos, Kansas, July 20. Also at Ft. Riley, Kansas, August 5. The little brown Morgan mare seems to be having as much fun, as Ken, competing with Arabs, Saddlebreds and other breeds.

We were happy to have the John J. Warner family from near Dodge City, Kansas with us at our last meeting of the Assn., and to welcome them as members.

## San Gorgonio

(Continued from Page 44)

The Special Award for the High Point Morgan Horse on the ride, donated by the Southern California Morgan Horse Club, was won by "Suds", Maxi Heimlich's gelding.

The Junior Award for Horsemanship displayed on the ride was won by Bobbie Sosson on her Reg. Morgan gelding, Starstone's Delight.

The Judges for this ride were Dr. Murray Fowler of Davis, Calif., and Mr. George E. Cardinet of Concord, Calif.

While the competition was proceeding, four daily pleasure rides were led from Horse Meadows by Mrs. Hambly, so that those who did not wish to compete would also be able to view the beautiful scenery of the San Gorgonio Wild Area. These included trips to Wildhorse Creek and meadow and return, to Fish Creek and Southern California's only aspen grove and return, to Dry Lake and return (which has a puddle of water this year) and to the saddle between San Gorgonio Peak and San Bernardino Peak and return. Dry Lake lies just under the snow covered slopes of San Gorgonio Peak, which could not be reached this year due to the late snows.

We are sorry that we do not have pictures, but the photographer failed us at the last minute and has not sent us pictures to date.

Note: Maxi Heimlich took 2nd place in the Lightweight Division of the North American Trail Ride Conference 2-day Competitive Ride held June 16-17, in the Blue Mountain area surrounding beautiful Lake Berryessa on her registered Morgan Gelding "Suds." It is interesting to note that these two rides were just one week apart and many miles apart in distance.

# New York News

By RUTH ROGERS

**ORCLAND DONDARLING**, owned by Orcland Farms, winner of halter and performance divisions.

Eric County Fair at Hamburg, N. Y. is top news this month, for this is the cradle of the New York Club's efforts. Here are our beginnings.

About 45 outstanding horses and good weather, for once, made this year's show a tremendous success. Probably we have never had here so many top performers. Morgan classes of from thirteen to eighteen entries made a lasting impression on exhibitors and spectators alike.

The halter division did not fare quite as well. In order to qualify for county and state aid, the management must require that breed exhibitions stay for almost the entire week. Many owners of young stock do not care to confine them for so long a time. However, Morgans did as well in numbers as other breeds, and better than most. Judge J. A. Vanorio made his selections thoughtfully and efficiently.

Lyman Orcutt's Orcland Dondarling swept both halter and performance divisions, and there were many heartwarming highlights. Mike Hoefen's Mansfella was so packed with presence and personality that he brought waves of applause from the audience on several occasions. And Evelyn Rodee's little Don Quixote Pepper, winner of several blues and sundry other ribbons in the Morgan division, was never more truly Morgan than in the Open Road Hack.

Here in a class of about thirty hunter type horses, mostly 16 hands and over, little 14.2 Donny engaged his competition so manfully that when the dust cleared, there he was in fourth place. And in performance he was every bit as big as any of them.

Results follow:

It is to be regretted that the brand new Morgan division at the Rhinebeck Fair in the East, came so soon after

Hamburg. Possibly there will be more time between them next year, so that some of the same Morgans may attend both.

## News and Notes

Mr. and Mrs. Art Buisch of Lydonville recently made a vacation trip to Canada to see Flicka's Foxy Queen, sold by them to Reuben Horst of Ontario. Foxy, now three, is an experienced road horse, and has been bred to the Horsts' own stallion. The Buisches were especially intrigued with the array of carts and wagons of all descriptions owned or handled by this horse-minded Horst family.

The Sam Brachmans and their friends, the Leach family of Ohio, stopped here at Sherimill after the National, and also at nearby Ledge-wood Farm where they stabled a mare overnight with Phil Hess. Mrs. Brackman is the owner of Ledge-wood Suanne, purchased a couple of years ago. It is always pleasant to meet Morgan people from other localities — we all seem to have so much in common.

Over in the Hess barn is old Janee, dam of so many good ones, still hale and hearty at the age of 29, although showing the marks of time. We were amused to see her a few days ago, in a large pen with some young sheep. They were eating hay beside her, standing under her, lying at her feet . . . Janee looked up, bright-eyed, "See what a lot of colts I've got this time!" The arrangement was obviously most satisfactory to all concerned.

Nancy Gochee has sold her yearling colt, Kestral, by Dygert's King - Little Girl, to Sharon Loomis, 13 year old daughter of Dr. and Mrs. W. K. Loomis of Vernon, N. Y. We are delighted

## Hoosier at National

(Continued from Page 46)

the type that they would like to take home. I suspect that some easterners looked enviously at some of the Wyoming horses, for sure one Hoosier did. One Morgan owner from the mid-west just couldn't get over the fact that the horses were of good size, well set up and well muscled, strong and able to do any job they were put to. It seems that all across the country, folks are beginning to see that although in different sections Morgans are trained for different work, but they are still Morgans.

What stands out most vividly in memory? We agree that there are two. First, the good sportsmanship and the air of comradeship that prevailed. Competition in the ring was keen, but from the smiling gateman, to the last exhibitor, we saw or heard nothing but the evidence of good fellowship.

The second thing that impressed us was the large number of young folks both exhibitors and spectators. Horses have a strong appeal for young folks. And, Morgans will appeal most of all, if they hear the story of the Morgans. The history of Morgans is all romance, it appeals to the imagination. Morgans had their part in each chapter of the history of our country, and they are the ideal horse for today.

Probably the best way to get the Morgan story across is through the Morgan magazine. Through the unsung work of contributors like Dot, Mabel and Ern. The magazine has been better each month. *We are giving a subscription to our local library.* We hope it will reach the young folks. That is our way of saying Thank You to all the fine people and good Morgans who gave us an unforgettable four days at the National.

As the curtain rings down on the final performance of a current show, everyone immediately starts thinking up ways to make the next one even bigger and better. The close of this show left me primed to start planning for next year.

it was Mr. Breezy Cobra who took the blue for Lewis Pape over Carl Hill's good Flavia's Bess. In third it was Mr. and Mrs. T. T. Brunk's Daisanna, with fourth to Maudette for J. Roy Brunk and Joe DeRosa's Tweedle De placing fifth. The Morgan Stake saw Mr. Breezy Cobra add another blue to his list of triumphs, while reserve went to another top contender, Flavia's Bess. In line followed Wally Troy's Captain Dee, Tweedle De and Maudette.

The weather man decided to cooperate with the MVMHC on the day of our Fun Show at the Searls' Springwater Farm. It rained the night before just enough to settle the dust making it not too hot and not too cool the day of the show. J. Roy Brunk, our very competent judge, judged all classes which were well filled. The ribbons were pinned as follows:

**Weanling Colts (any sex):** Won by MAPLE DAN DEE, Mr. and Mrs. Truman Pocklington, Shipman, Ill.; 2nd, KING'S BROWNIE, Mr. and Mrs. Ray Searls, Medora, Ill.; 3rd, MAPLE DELETTE, Mr. and Mrs. Truman Pocklington, 4th, PRINCESS, Howard Stampe, Shipman, Ill.; 5th, MAPLE FANCY, Mr. and Mrs. Truman Pocklington.

When the show was over we had a short meeting where plans for our Fall Trail Ride and Annual Banquet were made. This year the trail ride will be in the scenic Pierre Marquette Park. Members are to meet at the stabling area of the park and are asked to bring a covered dish of some sort, on October 20th. Our banquet will be at the same place as last year if all goes well. That's the White Cottage in Raymond, Ill. on Saturday, November 17th.

There has been a great deal of selling and trading of Morgans in the MVMHC since our last column. Neal and Pat Werts sold their perky little filly, April Breeze (Mr. Breezy Cobra x Gayneta) after she won the weanling filly futurity and open weanling filly class at the Illinois State Fair, and was reserve grand champion in the Futurity. Her happy new owners are Mr. and Mrs. Anderson of Minnesota.

Fred Dzengolewski sold two stallions, a yearling Prince Gay Boy and a two year old Royal Promise to Ralph Bellm of Highland, Illinois. These colts are full brothers being by Duke of Lebanon and out of Lilita and are both bay in color.

Dr. McCarthy also has a few new additions at this barn. There is the new mare Robinayre (Springbrook Midnight x Springfield Dawn). She is a three year old chestnut mare who has a tiny black filly at her side by Chief Satellite. Doc also has traded his pretty black mare Miss Flyhawk (Top Flight x Fancy B) to Sue Lutz of Lebanon, Illinois for her good bay mare Cindee (Pride of King x Prin-

cess Toby) and her '61 colt Black Banner who is a good looking black stallion by Duke of Lebanon. Speaking of the McCarthy Morgans, Doc has a terrific chestnut colt by Panfield's Thor and out of Illawana Jean Ann. This little fellow is every inch a Morgan from head to hoof and can he trot!

Many MVMHC members had the pleasure of a visit of Mr. Bill Buck of White Pidgeon, Michigan who is looking for black Morgans and he found a few of them too! From A. L. Kaegel of St. Louis he purchased Stormy Weather (Cinnamon King x Illawana Bess) and from Stuart G. Hazard of Topeka, Kansas he purchased a black mare with a bay colt.

Well that's about all to write about for this month, won't be long till summer will be gone and winter upon us.

first place ribbons and trophies. The classes were not too large being 4 to 6 in a class. I also ride in Parade, but not practicing on standing still part has put me into 2nd and 3rd place usually. Also the classes are larger, and I do not have a very good parade outfit. It is Honor I ride and drive. He sure has made a host of friends for himself and the Morgan breed. His disposition is tops and kids especially really like him. Of course after each show, I do give them buggy rides. That helps! Being the only lady driver around here, I've gotten to know so many people also. I got Honor from Mr. O. Gordon Heitman of Huntley, Ill., who did a wonderful job of harness training, and the horse knew more than I did which sure did help. Also, I've had some help from the manager trainer of the Sno-Acres Pony Farm in Devils Lake, Mr. Lyle Dordall. He does the shoeing on Honor and fitted the harness. I just started driving this year, and still have plenty to learn."

"May I thank Phil Aigner for bringing his two wonderful mares from Minnesota to our State Championship Show at Ruby," Mrs. Schwols adds. "What the Morgans lack in numbers they made up in quality. He did take home both the Grand and Reserve on his mares. They were really in show condition. Thanks Phil. Everyone enjoyed seeing them!"

(Continued on Next Page)

And may I add a thank you to you, Mrs. Schwols for an extremely interesting and newsy letter. The colored picture you sent of Honor in harness was beautiful, but I regret that I could not send it in to the Morgan Magazine, because they can use only black and white pictures. Please send me another in black and white as I know everyone would like to see this stallion you've had so much fun showing this summer.

Joyce Soboleski from Riverview Stables and Trailer Sales, International Falls, Minnesota writes me her latest news. "Suzanne Archie had a filly on May 16th by Gay Ethan. We've named her Ethan's Gay Laurie and she has already been sold to David and Winona Marsh of Fort Frances, Ontario, Canada. This filly is bay. Arc Anne had a stud by Gay Ethan and his name is Chester Franklin. He is bright bay with three white socks and a very narrow, short blaze."

Joyce says, "Were doing real well this year as far as showing in open classes. Ethan is way out in the lead in the Ladies Pleasure Horse Championship in the Arrowhead Association and is also leading in the Open Trail Horse." (Keep him coming, Joyce. These Morgans have the stuff to be stiff competition for any breed of horse!)

Beverly Staples of St. Paul writes a brief letter as she is busy moving and said she would not be able to make the State Fair this year because of moving. She says, "Had a very busy season at the University, including one summer session — am looking forward to an even busier fall quarter. Got a new registered Doberman bitch puppy — have taken 2 firsts and a 2nd at shows in LaCrosse - Wayzata and Duluth. She's really a lovely thing. I hope to raise them in the not too distant future. Horses have been too far away to see very often (still with the Wilsons in Milaca). This won't be for long though. We've just built a new home and small stable at Lino Lakes — soon I'll be able to give my horses the work and training they deserve and never had. Will send pictures of the place later. We're in the midst of moving, so won't make the fair."

Beverly's new address is 1178 Main St., Lino Lakes, Minnesota. In closing, may I again ask to keep the newsy letters coming — and how about some pictures of your horses? Doris Hodgins, Rogers R 1, Minn.

amount of advertising to the MHBEA and the Morgan horse. It was a smooth running show and for the first time in my experience of working in horse shows, we had no hitches, no rough spots and no complaints — we maintained a time schedule with all classes moving along as planned.

The MHBEA is to put on this show each year in connection with the A. J. Land Company and already the A. J. Land Company is busy planning improvements which they think will be benefit. Many of our club members already have ideas for improving next year's show. The profits from this show will help promote the Morgan horse all through the year!

Space again does not permit the listing of all these persons, members and otherwise, who gave so willingly of their time and effort to help make this show a huge success. The MHBEA wishes to thank each and everyone of you for your help. Without it, we would not have had a show. There is however, one person we would like to mention — R. J. King, who according to his words "stacked the cars four deep" on the parking lot and received for his pains a dunking from the water wagon, which in turn caused his straw hat to shrink to a miniature — anyway, we thank you, R. J.

Listed as follows are the results of the Registered Morgan Western Pleasure Class at the MHBEA 1st Annual Open Horse Show at Oceanside, Calif. July 22nd:

1st, SHERIFF MORGAN, owned by Danny Weinberger, National City, Calif.; 2nd, DAPPER DOLLY, owned by Tay Mattern, Whittier, Calif.; 3rd, DIAMOND STAR, owned by Alice Warner, Buller Lakeside, Calif.; 4th, RAMONA DAWN, owned by Paula Roe, Lakeside, Calif.; 5th, BELLE MEADS, owned by Jackie Williams, Santa Ana, Calif.

A number of the Morgans from this class, eleven in all, entered other Open classes and placed and the following Morgans are listed with their placings in the Open classes:

SHERIFF MORGAN — 5th, Bareback Western Horsemanship; 4th, Novice Stock Seat, 17 and under; 3rd, Western Pleasure, 12 and under; 2nd Stock Seat; 3rd, Australian Pursuit Race; 4th, Stock Horse class, with Marjorie Riding the rider.  
DIAMOND STAR — 6th, Western Pleasure, 12 and under, Kathy Pavalocka, rider; 4th, Western Pleasure, Adult.  
STARK VERNON — 10th Showmanship in Hand.  
CHIEF STORM — 8th, Novice Stock Seat, 17 and under.  
SISTER POCO — 10th, Western Pleasure, 12 and under.  
RAMONA DAWN — 5th, Australian Pursuit Race.  
DAPPER DOLLY — 4th, Adult Horsemanship.

I can't give you my regular rundown on the July meeting this time, for I was unable to attend it. However, Phyllis Matthews has sent me a quick

outline of business accomplished.

Our July meeting was so to speak — a let down after the previous week of hard work putting over our 1st Annual Open Horse Show and many of the regulars could not make it. Consequently the attendance was smaller than usual, they tell me the food was wonderful as usual.

Those that did attend accomplished quite a bit in the way of lining up our All-Morgan Show, October 21st. The classes have now all been set as follows:

Full Halter classes for each — Stallions and Mares, beginning with Weanlings, Yearlings, 2 year olds, 3 year olds, 4 year olds and over; plus a class for Geldings all ages, Produce of Dam and Get of Sire.

Besides the Halter classes, there will be Performance classes after lunch and a Grand Entry, which in California is always a colorful event. There is nothing that Californians like better than a Parade and when "Grand Entry" is mentioned at a horse show (and there is hardly a show here that doesn't include one) everyone gets into the spirit and tries to out do the other, with many novel characters coming to life for the Entry. Somehow during my years in the Mid-west, I missed this colorful pageantry which sets the stage for the coming classes at our shows and when I see the "Bear" flag of California riding with "Old Glory", a lump always comes to my throat — guess I'm just native to this great state of California, that's all.

There will be both English and Western classes, plus Pleasure Driving, Horsemanship classes and yes, a game or two just to stir the audience. Our 1st Annual All-Morgan Show this year will stress the Morgan as a Versatile Pleasure Horse, which in California also means a Parade Horse. As our show gets larger with the years, we plan on including all types of performance, fine harness and three gaited, as well as the pleasure classes.

Remember the date — October 21st, MHBEA's 1st Annual All-Morgan Show; Carnation Ring, L. A. Co. Fairgrounds, Pomona, Calif.

We have some new members — Mr. and Mrs. Ervin C. Busse, Rancho Santa Fe, Calif., who are looking for a Morgan mare around 10 years old, reliable for an inexperienced person and black if possible, but will consider any color.

Another new member is Celia Caldwell of Wheatland, Calif., who owns Waer's Brown Badger (Hedlite Micky Waer - Waer's Debutante).

Herschel L. Hunt of Colton, Calif., owner of the Morgan mare Junza Lady (Red Vermont - Zuana) has also joined the MHBEA.

Don't know if I mentioned the Malcolm McDuffies, of Pasadena, Calif. earlier or not but they are also members of the MHBEA. They own the popular little Morgan gelding Poco Aljoy, that has been doing so well in this year's shows.

A very warm welcome to each of the above new members to our ever growing family.

Just received word — the Bill Matthews had an accident on the way home from the Alpine Show, August 5th. They were hit in the rear and wrecked their trailer — however, Tigold, their Palomino stallion was undisturbed by all the turmoil.

At Caven-Glo, Poppy Ashmore's young son, commonly called "Buttons" for want of a name at present, got himself a new kind of plaything last week — a rattlesnake. The attendant at the gas station next to the field saw him sniffing around at something, so went to investigate and found him playing with the snake. He got a stepladder and climbed the fence and killed the snake — said the pesky colt just wouldn't leave the snake alone. Now he has a 2 inch three cornered tear on his nose which he had to have stitched, heaven only knows what he got into.

John Carlton of North Hollywood, California again spent a day at Caven-Glo brushing up on Morgans — spent a lot of time with the flashy yearling stallion, Caven-Glo Sun Royale, commonly known as "Butch."

Following are the results of the registered Morgan Western Pleasure class at the Alpine Show, August 5th:

1st, DIAMOND STAR, owned by Frank Bullet, Lakeside, Calif.; 2nd, SHERIFF MORGAN owned by Danny Weinberger, National City, Calif.; 3rd, STAR REPORTER owned by Glen Francis, Campo, Calif.; 4th, RAMONA DAWN, owned by Paula Roe, Lakeside, Calif.; 5th, JUSTINA ALLEN, owned by Mr. and Mrs. Bob Riding Lakeside, Calif.; 6th, Morgan mare, owned by Jerry Webb, Alpine, Calif.

I am sorry, but the name of the Morgan mare who placed 6th was not given me.

Dear Editor:

I am interested in the Morgan Breeders and Exhibitors Ass'n., the shows for the rest of this year in So. Calif., and a list of Breeders in this area, as I am purchasing the Morgan stallion Darius from Edsel Lain, of El Centro, Calif. He is 16 years old, but has been well cared for. I plan on showing him and standing him for service. Later, I plan on getting a

registered mare or filly of the right conformation and lineage to go with him.

Being raised in a cattle ranching area, stock horses were the main requisite. There were lots of Morgans and Part-Morgans that were top stock horses in any part of the ranch and rodeo work. Naturally this is the field I am most interested in proving the Morgan's cow sense and ability.

Thanking you sincerely,

Rocky Wilson  
Rte. 2, Box 149A  
Thermal, Calif.

Thank you, Rocky — we are sorry we do not have a complete breeders listing at this time, but the MHBEA will have one in the near future.

Have just been advised by Maxi Heimlich of Santa Barbara, Calif. that her registered Morgan gelding, Suds, has placed again in Competitive Trail Rides — this time 2nd in Lightweight Division at Blue Mt. Competitive Ride and 5th at San Geronimo Wild Area. He was Hi-Point Morgan at San Geronimo and he was also Hi-Point Morgan at Blue Mt. too, but they didn't give trophies there. Congratulations Maxi, we like to hear about these "doing" Morgans.

For information regarding the Morgan Horse Breeders and Exhibitors Ass'n., contact Phyllis Matthews, Rte. 4, Box 2764, Vista, Calif. For news, contact Eve Oakley, 1301 W. Magnolia Blvd., Burbank, Calif.

# ASHBROOK FARM

Wishes to congratulate Miss Dorothy Bachman for winning the Grand Champion Pleasure Class at the National with Georgina Twilight, bred and raised at our farm. She was shown by a fifteen year old nephew which is proof enough that she really is a pleasure horse.

We also wish to congratulate Dr. William Bachman for his win in the Ladies Mare Class with Betsy Twilight, ridden by his daughter, Mrs. Hens and shod with just plates like Georgina. Betsy, too, was born and raised at Ashbrook Farm, a good show horse.

Easter Twilight did well at the National and Twilight Ashmore, a grandson of our late stallion, Lippitt Sam Twilight.

We are very proud of Robbie Twilight, a son of Timmy Twilight, who won the gelding in hand class at Frederick, owned and shown by Mrs. Ayelien Richards. He also did well in performance classes. We raised him like the others.

We have always thought our little "Twilights" were good horses and unexcelled for their good natural action. We could name many others.

This year's colts are exceptionally fine. They are well worth looking at.

We have been informed that the Arizona State Fair will carry Morgan In Hand classes for the first time. It will be in Phoenix, November 2 through 12th. Also, the El Paso Show will include classes (performance) for Morgans this year for the first time. Probable classes are Roadsters, Pleasure Driving, English and Western Pleasure. The Colorado State Fair had quite a number of classes for Morgans this year, however, due to a mix-up in getting the premiums out to Morgan owners, the entries were very light and quite a number of the classes had to be cancelled. There will be a Morgan Division in 1963, however. Looks as though the show world for Morgans in the southwest is getting downright crowded, and with the miles between shows considered, to make all of them one will eventually have to be permanently mounted on wheels!

We have had some sales in the area

recently — the most celebrated being the purchase of the 7 year old bay stallion Steelman from Dr. Conklin of Oklahoma, by Betty Ann Callway of (Continued on Next Page)

### an outstanding stallion prospect

If you are going to need a young stallion in the foreseeable future, we would like you to consider this one. A dark chestnut with a lovely head and the best of conformation, he can move now to suit the most discriminating show trainer — and do so in a perfectly straight line. A half-brother to Easter Twilight, noted New England show horse and sire, his pedigree will show you five generations of the best — *and most successful* — breeding horses in modern Morgan history. Inspect him as closely as you like, or visit his two full brothers:

Merry Forester 12840 — Dartmoor Farms, Inc., Dartmouth, Mass.

Merry Ethan 13322 — Robert D. Riley, What Cheer, Iowa

We would like very much to place this colt in an area where he can be given an opportunity to prove his breeding and quality.

Albuquerque. Betty Ann has been helping Earl Skinner show this year, and you might say it was "love at first sight" — with the show season nearing an end and Steelman scheduled to be returned to Oklahoma, Betty had only one choice. She couldn't stand for him to go home, so she bought him (and they lived happily ever after.). The Bantas have parted with two of their Morgans, the little bay mare Dorset's Lippitt Joy has gone to the Hugo Andersons of Loveland, Colorado, and a chestnut weanling colt by Captain Blaze to a new owner in Arizona.

Our annual meeting was held during the Santa Fe Show. Serving New Mexico Morgan Horse Club for the next year will be: H. C. Eberline, San-

ta Fe, President; James Banta, Santa Fe, Vice-President; Jan Painter, Albuquerque, Sec'y-Treas.; Lorrayne C. Byers, Albuquerque, Publicity Sec'y. Directors are: George Gibson, Santa Fe; Earl Skinner, Albuquerque; Dr. T. H. Conklin, Stigler, Oklahoma; Hughes Seewald, Amarillo, Texas. It was with great reluctance that our former President, Dr. W. K. Woodard of Albuquerque declined nomination for a second year due to other commitments, however he assured the Club that he would be an active member (and we know he will be) during the next year. The new officers are all enthusiastic Morgan owners, and we look confidently toward an equally successful second year.

the main topic of conversation.

Two new Morgans have been promised for the ride next year. The Southwest also has 75 and 100 mile competitive rides. If you want to really know about your horses and your riding ability; if you want to be a part of something really exciting, saddle up and join us on one of these rides.

## Morgan Popularity . . .

reaches new heights as seen in results of Green Mountain Stock Farm sale. 3000 people from 27 states and Canada attend after reading announcement in Morgan Horse Magazine. Complete results in November issue.

## Frederick Show

(Continued from Page 63)

BenDel and Richards' Mandate's Peggy Lou . . . the quality of the Stake was evident in the number of winners from other classes left out.

All in all the show seemed successful for everyone concerned and the Frederick J. C.'s and Mr. and Mrs. Mike Brittain did it again!

## Secretary's Report

(Continued from Page 8)

year's program, courtesy of the Chairman, Mr. Bigelow. To witness the longevity of the Morgans, it is interesting that the eldest Morgan entered is Townshend Selectman at 22 years old. It seems that Mrs. Ela must foster a diet of iron for the only other entry in this show to have entered the third decade of life, is her great producer Manzanita — 20 years young.

To all those who have taken the care to complete accurately with clarity their Registrations, Transfers and show Entry Blanks in the past year go the thanks of the Secretary for making it a pleasure to comply with their Applications.

Let the Morgan Horse Club now embark on a new era.

## Directors Meet

(Continued from Page 8)

Chairman; Charlie Hamilton, Wyoming; Amos Mosher, Utah; and Joseph Olsen, Utah.

The President delineated the background, progress and future plans for the Justin Morgan Sound Film, in consequence of which the motion was unanimously passed that \$5,000 be appropriated from the Club to add to the film fund to enable us to proceed with the actual plans and filming.

The Morgan Horse Club again presents a trophy to the High Score winner in the Morgan Division as tabulated by the American Horse Shows Association and will be presented at their annual meeting in January of 1963.

The following resolution was passed: "Effective with the postmark of August 1, 1962, the name of an animal already registered in the American Morgan Horse Register shall not be changed except by action of the Board of Directors."

flesh. At that time they had only one colt by Broadwall St. Pat. Wonderfully sturdy filly. Missed seeing the stallion himself as he had been sent to a stable at Everett the day before. Certainly thank the Beckleys. It was a highlight of my vacation.

Seems to be all quarter horses down in this part of the southwest. Not enlightened yet, I guess.

Do enjoy the magazine. Would like to see training articles every now and then, maybe on cutting since that seems to be an event the Morgan horse would like to corner.

Sincerely,

## THE LURE OF CUTTING

WILLARD H. PORTER

People who love horses are a dedicated bunch. Their dedication usually dates back into their childhood. I mean the true, honest horseman is usually a person who first straddled a mount when he or she was just a button of a kid.

If he has developed a proficiency for horse sports, he may become a calf roper, a polo player, a race rider, a horse show handler, or a skilled practitioner of any number of specialized equine jobs. He may also become a professional cutting horse rider. And if he keeps this up for any time and works with a few top mounts, he will certainly want to continue this line of riding after he is 35 or 40.

The special lure of the professional cutting horse is for the older owner-rider, the guy who has been active with horses all his life and doesn't want to quit, but is too old to compete in calf roping with his son and certainly doesn't want to 'dog' steers anymore.

The cutting horse contest is a real challenge for the dedicated horseman. In the first place, the quality and calibre of the horses is wonderful — they are a real joy just to look at, to admire, to study. Then their performance is brilliant and colorful. If you think it's easy to ride one of these cattle-shifting grasshoppers, guess again before you settle down onto the slick leather-covered tree of a stock saddle cinched to the likes of a Poco Lena, a Kings Michelle or a Senor George.

There's a big thrill, too, for the rider of a winning performance combination, when a good horse really uses a shifty steer or heifer, when every movement goes perfectly. When this happens—the perfect and fast blocking of a cow brute's attempt to return to the herd—you get the thrill of knowing that you're winning. You know the judges will score you high, and you know the crowd appreciates what's going on because you can hear them applauding you and your horse.

It gets a hold of a fellow. It gets him just as much as it affects a calf roper making an almost impossible catch as a swift junior Brahma decides to turn left 100 feet out of the chute.

Cutting has a thrill all its own. Couple this with the fact that middle-aged and even elderly men can safely ride cutting horses and you come up with a contest that is both stimulating and exciting . . . and is also the most competitive game on horse-back. To the western horseman, the lure of cattle cutting on the best of horseflesh is indeed appealing. The rewards are also deeply satisfying, as more and more owners, riders and trainers are discovering each year.

Thanks to the continued efforts and services of the sport's guiding group — *The National Cutting Horse Association*—the popularity of cutting is steadily growing and purses are getting higher and higher every year.
