# Letters to the Editor

Dear Sir,

We read with interest President Ferguson's proposal to include classes for natural footed horses in the National Morgan Show.

This is not a new idea. It was suggested two years ago by several members of the New York State Morgan Horse Society and dropped because the feeling was that since the rules are there, they should be enforced.

Now, however, it seems to us that this pioneering of special classes may well be the answer. If the public can be shown the attributes of the naturally stylish Morgan, public demand can happily bring about the purpose of the rule.

The National is definitely the place for the inauguration of such classes. And we believe that if President Ferguson were to make the request, other show committees would gladly follow this lead. We are sure that the great majority of Morgan owners prefer their horses with natural feet. As Mr. Ferguson suggests, put a good big bundle of money on such classes, because money does talk.

The conditions of the classes would need to be worked out. Keg shoes, by all means, should be used. But for a few big Morgans, a four inch toe may possibly be too short. Four inches of toe, however, is longer than you think.

## The President's Corner

By J. CECIL FERGUSON

Many of our readers will be pleased to learn that the four Registered Morgans (see cover picture January-February 1960, MORGAN HORSE MAGAZINE) which Mr. Adrian Van Sinderen (Chairman of the Board of the A. H. S. A. and former President since 1937) enjoyed driving to his beautiful Road Coach are now the property of our former Treasurer and Morgan Horse Club benefactor Mr. Whitney Stone.

Mrs. Winthrop S. Dakin and Mrs. Floyd A. Thompson are responsible for the Van Sinderens having Morgans. Some years ago, Mrs. Van Sinderen was looking for a reliable driving horse and Mrs. Dakin and Mrs. Thompson found a Morgan that suited so well, that Mr. Van Sinderen bought several for his Road Coach. He derived a great deal of pleasure in driving them as a four-in-hand. Locating the Morgans was rather interesting as the Road Coach was not full size and the wheelers had to clear the foot board; for that reason the horses could not be too large. The other

requirement was that they must fit the collars of the coach harness. His man traveled throughout the East carrying collars and finally found the necessary Morgans to fit them.

Mr. Stone advises the Morgans, harness, Road Coach and break arrived at Morven in fine condition and he is already enjoying driving the four-in-hand. Mr. Stone has driven four-in-hands for years, and his father before him. The late Mr. Charles A. Stone had a beautiful Concord Coach made for him by Abbott and Downing of Concord, New Hampshire, which he and Mrs. Stone used on their honeymoon. This Concord Coach was drawn by Registered Morgans and traveled many of the roads of New England.

Many who gave so generously to our Morgan Sound Film Fund no doubt wonder if they will wither on the vine before it is completed. I am pleased to say all the pictures have been taken and it is being worked into form. Next is the script and narration — then it's finished. Had I known as much about this as I do now, I would never have attempted it. We have some fine shots and it should do much to promote the Morgan Horse and keep it the PRIDE AND PRODUCT OF AMERICA.

## Beckridge Morgans

We have just been to the ranch in Oregon. The foals look good to us and there are several still available — for breeding, show or pleasure.

Included are 3 good chestnut fillies, a black colt, 2 others that are good stallion prospects — one by Sonfield and one by St. Pat. We also still have a few good young geldings at very reasonable prices.

## Vermont 100 Mile Trail Ride

Largest entry ever . . . one third fail to finish . . . Morgans place 2nd and 3rd . . . Lucille Kenyon has top Morgan.

By ANNA ELA

Ira Gordon of Hunter, N. Y., on his Morgan gelding **TIMBER TRAILS**, won the Senior Horsemanship award.

One of the largest entries ever, competed in this year's Green Mountain Horse Association 100 mile trail ride. This was the twenty-eighth annual ride and had seventy-seven entries. It was held out of South Woodstock, Vermont. The judges were Dr. Edward L. Shuford, Arden, North Carolina; Mr. G. W. Mann, Bartow, Florida and Dr. Wingate Mackey Smith, Coatesville, Pa. The chief timers were Mr. and Mrs. Charles B. McCue of East Douglas, Mass. The recorder was Mr. Rod Leavitt of Manchester, N. H. and the assistant recorders were Susan Robinson, Windsor, Vt., and Peter Haubrich, Claremont, N. H. Judge Kenneth Robinson was the official weigher.

This ride is designed to stimulate greater interest in the breeding and use of good horses, possessed of stamina and hardiness for trail ride use. This ride also encourages the learning of the proper methods of training and conditioning horses for long rides as well as horsemanship. One learns the best methods for caring for horses during and after long rides without the aid of artificial methods or stimulants which are prohibited. It has been proven in these rides that a horse that competes must have good conformation, good feet and legs, a straight way of going, good blood, courage and stamina that is developed through proper training

and conditioning. The horse must also be well ridden by a skillful horseman or horsewoman.

This year's ride was held on August 29, 30 and 31st. The first day was rainy and wet, the second cloudy and humid and the third fair but with showers during the awards. It was a good year for

the horse as the weather never really was too hot. On the first and second day of the ride one does forty miles in six and one half to seven hours. For over or under this limit there is a penalty. The third and final day is twenty miles in two and three quarters to three

### 50 Mile Ride

By ANNA ELA

A Morgan won the highest award in the Green Mountain Horse Association 50 mile competitive trail ride for Juniors not over 17 years of age. This ride is judged similarly to the 100 mile ride, and was held prior to the 100 mile ride, August 22 to 24.

The ride provides an opportunity for Juniors to enjoy and appreciate the training and conditioning of their own horse or pony for a competitive ride. It is judged on horsemanship, consideration of one's mount and courtesy on the

### GROOMING THE HORSE

Proper grooming makes the horse more attractive and assists in maintaining good health and condition. All stabled horses should be groomed daily; those that are worked or exercised should be groomed both before and after work; horses on pasture should be brushed occasionally.

**Grooming equipment** — The following articles will be adequate: curry comb, body brush, dandy brush, mane and tail comb, sweat scraper, hoof pick or hook, and grooming cloth.

**Grooming procedure and method** — Heated animals should be (1) unsaddled (or unharnessed) expeditiously; (2) dried by applying the sweat scraper, followed by use of the grooming cloth; and (3) blanketed and walked until cool giving a couple of swallows of water every few minutes.

#### How to Groom

The following grooming procedure is recommended:

1. **Clean out the feet** — Use the hoof pick and work from heel to toe. Simultaneously, inspect for thrush and loose shoes.

2. **Groom the body** — Curry and brush the left side of the horse, with the curry comb held in the right hand and the brush in the left hand. Begin at the neck and work back. Use the brush below the knees and hocks only.

After grooming the left side, proceed to the right side; but transfer the brush to the right hand and the curry comb to the left hand at this time.

Curry gently, but brush vigorously. At frequent intervals, clean the dust and hair from the brush with the curry comb and strike the edge of the curry comb against your heel or the back of the brush to free it from dirt.

3. **Brush the head; comb and brush the mane and tail** — The body brush

had best be used in brushing the head. The mane and tail can be combed and brushed with either brush. Wash the tail with water and soap occasionally. Where a full, flowing tail is desired, separate the tail hairs with the fingers in order to retain all possible long hairs.

4. **Wipe with grooming cloth** — Lastly, use the grooming cloth to wipe about the ears, face, eyes, nostrils, lips, sheath, and dock; and to give a final polish to the coat.

5. **Check the grooming** — Check the grooming by moving the finger-tips against the natural lay of the hair; dirty fingers and gray lines on the coat give evidence that grooming has not been thorough.

6. **Wash and disinfect grooming equipment** — Grooming equipment should be washed with soap and water at such intervals as necessary to keep it clean, and it should be disinfected when necessary to prevent the spread of skin diseases.

#### Care of the Feet

A horse must be able to move correctly — hence the truism, "no feet, no horse." The important points in the care of the horse's feet are: Keep them clean, prevent them from drying out, and trim them so that they retain proper shape and length.

Each day, clean the feet of horses that are shod, stabled, or used, and inspect for loose shoes or thrush. Then give attention to the following points:

**Dry hoofs** — Dry, brittle hoofs split and produce lameness. In time, the frog loses its elasticity and shrinks in size, and the heel contracts. To prevent dry hoofs, stable on clay floors and keep the ground wet around the watering tank. If the hoofs do become too dry (1) pack them in wet clay once or twice a week; or (2) wrap sack material about them and keep the burlap

moistened and after sufficient moisture has been absorbed apply a suitable hoof dressing.

### I GOOFED; MY TETANUS GOT ANTHRAX

Thanks readers and editors! Indeed, Anthrax and Tetanus are two separate and distinct diseases. In my recent column, the symptoms given were correct and applicable to Tetanus (lock-jaw) but not to Anthrax (despite the heading and the use of the word Anthrax). I prepared two separate discussions on each disease, but decided to use only one. In working and reworking the column, in some unknown manner the names got interchanged before they went out. Since I am of sober habits, let's just say I goofed. My face is red, but I'm very grateful to those readers who called my attention to the error.

Of course, horses do have Anthrax to; but cattle are more susceptible to it than equines. Anthrax was one of the first scourges to be described in ancient and Biblical literature; also, it marked the beginning of modern bacteriology, being described by Koch in 1876; and it was the first disease in which immunization was affected by means of an attenuated culture, the great Pasteur having immunized animals against Anthrax in 1881.

I'll be happy to provide a complete and accurate report on Anthrax and Tetanus in horses on request.

### MISSOURI'S FLOWER — THE MULE

I'm a Missourian, and proud of it. I swell with pride when anyone associates my native state with mules; and I'll tell you why.

George Washington, our first President, was the first to produce mules of quality in this country. When the General's views on the subject of mules became known abroad, he received some valuable breeding stock through gifts. In 1787, the Marquis de Lafayette presented him with a jack and some jennets of the Maltese breed. The jack, named Knight of Malta, was described as a superb animal, of a black color, with the form of a stag and the ferocity of a tiger. In 1795 the King of Spain gave Washington a jack and two jennets that were selected from the royal stud at Madrid. The Spanish jack, known as Royal Gift, was 16 hands high, of a gray color, heavily made and of a sluggish disposition. It was said that Washington was able to combine the best qualities of the two gift jacks especially through one of the descendants named Compound. (Those wishing to court

## Morgan Horse Club Inc. Secretary's Report

It is fitting that the annual meeting of The Morgan Horse Club, Inc. should be held simultaneously with the National Morgan Horse Show and in the commonwealth in which the foundation sire was foaled.

This is the third four-day show, each of which has been larger than the previous one. To Mr. Bigelow and President Ferguson go orchids and our applause. There are 442 entries, the oldest of which is again Townshend Selectman.

At long last, immediately upon becoming President, Mr. Ferguson arranged for the filming of our promotional movie with E. K. Edwards & Son of Englewood, Colorado. Helping the President are Mr. and Mrs. James Cagney and Mr. and Mrs. James Lau. Penetrating the myriad of details, Mr. Ferguson expects the film to be ready in a few months after including pictures at this year's National Show.

A long-time need has been for a manual of Registration and show rules. Once again, the initiative of the President has brought us this booklet to fill an obvious gap.

Registrations for the past calendar year increased again to 1364 (1961 were 1135) and Transfers to 1408 (1961 were 1048), each of which sets a record.

Inquiries concerning the Breed continue to flow into the Secretary's office; each inquiry receives a copy of The Morgan Horse Magazine. Accordingly, it is important that owners of Morgans list themselves regularly therein.

The \$100 Verse Contest under the able supervision of Director Leo Beckley brought many entrants. The results should be forthcoming shortly.

Director Dean Jackson has made great headway in promoting the Morgan as a Cutting Horse of which Committee he is Chairman and capably assisted by Charlie Hamilton.

The Morgan Horse Magazine once again contains a monthly message from the President, who has travelled many miles, from which the Corporation is the happy beneficiary.

As the breed continues to grow, it is the duty of each one to maintain accurate records for the further enhancement of Morgans.

## Morgan Horse Club Re-Elects "Fergie" President

Just before the opening of the 21st annual National Morgan Horse Show, the members' meeting of The Morgan Horse Club chose as new Directors: Mrs. William W. Barton of Rockford, Illinois, Mr. Gordon Voorhis of Red Hook, New York and Dr. William K. Woodard of Albuquerque, New Mexico.

Mrs. Barton is well known for her extensive travels throughout the country and of course being the owner of George Gobel, so well handled by Harry Andre.

The beautiful Morgans and home in Red Hook, New York, of Mr. Voorhis are a pleasure to visit and was recently the site of a most successful New York Morgan Horse Society Field Day.

The southwestern section is represented by Dr. William K. Woodard, whose interest in Morgans has been commensurate with the rapid growth of the Breed in that area.

We welcome these three new Directors. Our thanks and appreciation go to Mrs. Childs, Dr. Sahlstrom and Mr. Taft who so ably served as Directors over the past years. A special vote of thanks and a telegram from the members went to the past President, Mr. Taft, who could not be present this year.

Mr. Leo Beckley of Washington announced the winners of the "Verse Contest," the results of which appear elsewhere in this magazine. Thanks to all who entered.

By now each member has received their copy of the new booklet with the rules for Registrations and Transfers as well as the rules of the Morgan Division from the American Horse Shows Association Rule Book. The completion of this helpful booklet was announced at the meeting.

Following the members' meeting, the Directors met with the following present: Mrs. Barton, Mr. Beckley, Dr. Boyd, Mr. Brunk, Mrs. Ela, Mr. Ferguson, Mr. Hazard, Mr. Holcombe, Mr. Kane, Mr. Morse and Mr. Voorhis.

"Fergie" was re-elected President and our thanks to him for his accomplishments over the past year.

A new regional Vice-President is Mrs. William Barton for the mid-West; Mrs. Roger Ela as the eastern Vice-President

## Verse Contest Winners Announced

Whew — what a task it was to select the winners of the verse contest which were announced at the Morgan Horse Club meeting just prior to the National Morgan Show at Northampton.

There were 103 entries from 23 different states with so many outstanding verses that it was very difficult for the judges to select a winner. Officers of the club partially rectified the situation by authorizing two more prizes, \$75 for second place and \$50 for third in addition to the \$100 going to the winner as called for in the announcement of the contest.

The first place winner was Miss Paula Hotchkiss, 3414 East Tobias Lane, Las Vegas, Nevada; second place to Mrs. Frances Swarbrick, 202 Parkway, Carthage, Illinois and third to Mrs. Juanita Wood, Route 2, Patriot, Ohio. Again a big "thank you" goes to all of the other people from all over the United States who sent entries.

These verses and others are now being turned over to professional music people as a basis for the next step, an attempt to have an appropriate song published about Morgans.

Miss Hotchkiss's winning entry follows:

### SALUTE - THE MORGAN

*What's the name of that horse  
That pulls so well,  
That trots so fast,  
That rides so well,  
That just went past?  
That's a Morgan Horse of course!  
What's the name of that horse,  
A little bay stud  
For whom there was need,  
A need for his blood,  
So he sired a breed?  
Justin Morgan, of course!  
What's the name of that steed  
Who carried General Sheridan,  
Who twenty miles did run,  
Who carried the early pioneer,  
Who cuts out the wily steer?  
They're of the Morgan breed!  
What's the name of that breed  
That helped to found the Standard-  
bred,  
That helped to plow the old home-  
stead,*

# Jes' Hossin' Around

We received a letter from Manteno, Illinois, from Dorothy O'Neill Hornback. Quote: I have some sad news to tell you. Archie O passed away on August eighth. I believe from a heart attack or stroke. He was his own happy self the night before when we turned him out. He whinnied at the mares and had his nightly roll, and when we put him in he was OK. The next morning at 4:30 he was down. We tried to help him up but couldn't. We got the vet and he gave him shots, and we tried to put him in a sling, but he couldn't stand, so we put him down. We stayed with him till he died.

Boy, the barn is so empty. I carried him ground feed from the cow barn for over a year. He used to be right at the door rattling it and it's hard for me now not to think of taking him his meals after I feed the cows.

We buried him inside the gate under a tree. I put my pillow under his head, and my bedspread over him, and we hope to get a stone for him soon . . . unquote.

Did you cry? I did.

Seems like Archie O should have been about thirty-four or thirty-five years old. The O'Neill girls were raised with him. Can you imagine having a horse that long? Even our children are not usually with us anywhere near that length of time. And, to hear that friendly nicker every morning and evening for all those years — and then to not hear it . . . Every horse lover feels with Dorothy and the rest of Archie O's family in their loss.

Expressing sympathy is not easy, and horse people with their love for horses are not understood by the non-horsey. Our doctor and his wife raise Arabians. They received a telegram this week from Indruff's owner, telling of the death of that grand old horse. The doctor's wife felt terrible for the owner, and immediately started to compose a telegram to send right back. She wrote words like "sympathy," "condolence," "sorrow," "grief," and while she was trying to find the just right wording, the most appropriate and sympathetic, she thought of what her non-horsey friends would think if they could see her right then. That didn't help her compose the just right telegram a bit.

I hear that Ethel Gardner's dog, Geni and Julie, another dog that travels with

Ethel's stable are the envy of many a horsey gal from the Philadelphia area. Quote: "Those dogs get to go everywhere. They've been to every show on the Morgan circuit at least twice!" And that Cathy Reid, is just how Pa feels when he comes indoors to a nice warm house in the winter. He has been out working hard, and freezing to boot, and here the dogs have been laying around doing nothing in a warm house. Talk about a dogs life.

Bob Morgan called from California about Jerry, the Morgan gelding he bought from us. Seemed like I was talking to a new neighbor, just down the road, one I knew we would like. He told me a van would pick up Jerry in a week or two.

In a week or two we got a call from the New York Thruway, the drivers were on their way, to have Jerry ready to be picked up that night. Jerry was ready and we waited excitedly for that van. Finally, at 2:00 a.m., Pa went to bed. At 3:00, the van arrived.

Wow! With all those lights, that van looked like Main Street on Saturday night. It seemed to stretch for a half mile down our road.

We had the coffeepot going in no time, and we had the best visit with those truck drivers. We talked about trucks, licenses, axle weights, health certificates that Arizona and New Mexico require, tranquilizing horses for shipping, thruways, hot rods, dogs, back to hauling horses again. The drivers had been very impressed with the University of Vermont, the statue of Justin Morgan, and the story of Justin Morgan that the nice lady at the University had told them. Two coffeepots worth of choice conversation woke us all up good, and then we were ready to look that van over and load Jerry.

The van had ten box stalls made of expanded metal, made so no horse could touch another horse. It was easy to see how the horses were 100% comfortable and felt right at home. There were no springs on this trailer. The horses rode on air suspension. It was just wonderful to ship a horse and know it was safe and comfortable and happy.

Of course, we had to peek at the other horses on the van. Two Quarter Horses, the lovely filly from the U. of

Vermont and the handsome young stud from Voorhis Farm, were all munching happily on hay and paid no attention to us.

And of course, the drivers had to be polite and ask to see our horses. Archie was delighted to be awakened and admired at 5:00 a.m. Nothing he likes better. Lucky looked more poppy-eyed than usual at this unexpected early morning company. The pasture horses kept nudging the people walking around in the dark. They wanted some attention, too.

We finally loaded Jerry and a bale of hay on the van and kissed Jerry good-bye. Then we crossed our fingers and said a prayer that that big outfit would make it over our one lane country bridge. The bridge creaked and groaned a bit, but stood up bravely.

It was all very exciting and fun, and so very nice to see a horse leave for a good home in such a nice conveyance, and in such capable hands. Then, it was time to hurry up and pack my suitcase and be ready to leave for Frederick, Md. for the Mid-Atlantic Morgan Horse Show — with no sleep.

And, such a nice show it was. From the first big friendly greeting of capable show manager, Mike Brittain, through all the hellos to old friends and new friends, it was fun. Brownie (Edward Brown of Philadelphia) came to my rescue with a cold drink on a hot afternoon and a chair when my legs were about to give out. Henry Hetherington helped me judge the show. We did a pretty good job, too, if I do say so myself . . . for a couple of railbirds.

W. G. Downey, of Fairfax, Va., and I rooted for his kids in the trail horse class. I enjoyed watching breeder Helen West enjoyed seeing Becky Date of Camelot, the mare she raised win the top classes. So many nice people — and all in one place. Come to think of it, I'm a bit envious myself of those dogs of Ethel Gardner's. This was my first Mid-Atlantic Show.

The country style dinner at the fairgrounds was something. All you could eat and lots of variety. We call that a threshers' dinner up our way.

The young Downey girl had just returned from summer camp at Orland Farms. Now she knows all about horses and tells her older brothers how things should be done.

## Mid-Atlantic Morgan Horse Show

**DONNETTE OF CAMELOT 10966**, became the first horse ever to win the Championship Saddle Stake twice in the eight-year history of the Mid-Atlantic Morgan Show at Frederick, Md.

"Best ever!" is the description many exhibitors gave for the 1963 renewal of the Mid-Atlantic All-Morgan Show at Frederick, Md. Boasting more horses than ever before, the eight-year-old showcase for Morgans had generally well-balanced and well-filled classes.

Placings by judge Reid Greinert of Ballston Spa, N. Y. were well received with the honors well divided among a number of contending stables. When it was all over, Camelot Farm rated as the top money winner on the basis of victories in three stakes — saddle, harness, and Mid-Atlantic. But up to the final moment it was anybody's show.

Climaxing the show, the saddle stake attracted ten good entries. After the initial work and the strip, Judge Greinert sent four top contenders back to the rail for another look. There was Donnette of Camelot, the only previous winner of this championship in the class. There was Orcland Donanna, fresh from impressive victories at the National and in the junior harness stake and owners-to-ride class here. The mare class winner, Anneigh's Little Miss owned by Blue Spruce Farm went out again. And Green Trim Farm's gelding class winner, Windcrest Top Hand completed the group. After working them both ways of the ring, Mr. Greinert tied them in the order named. Fifth went to Mike Goebig with Tas-Tee's Indian Summer and sixth was D. F. Switzler's Trophy.

A little earlier in the evening, Blue Spruce Farm's Cornwall Sealect who had previously won the novice class, topped another three year old, Waseeka's Overture owned by Three Winds Farm, and five other entries to win the junior saddle stake.

In the stake for Mid-Atlantic bred

and owned horses, Trophy's Becky Date owned by Camelot Farm, edged out her half sister, Trophleen, owned by Holtz Stables, to win.

In other classes in the saddle section, Ayelen Richards' Mystery Man took the event for the futurity alumni. Hylee's Top Brass won the stallion class for Green Trim Farm.

For Mr. and Mrs. Richard Colgate, Foxy Rose Marie went from maiden to stake winner in one show with two blue ribbons in the saddle section (maiden and child's mount) two blues in the pleasure section (versatility and stake) plus carrying Phyllis Cox to first place in equitation and picking up three other ribbons.

Her eight ribbon performance was matched by William Hopkins' Manito who added up enough points in the right classes to claim the Arrowhawk Versatile Challenge Trophy for the second straight year. Along the way to the trophy he won the jumping class, took second in the stock horse stake, third in western pleasure stake, trotting race, working hunter and pairs under saddle. He was also fourth in trail and fifth in the English pleasure stake to complete his rather phenomenal demonstration of Morgan versatility.

Largest class of the show was the English pleasure stake won by Foxy Rose Marie. Second in it was Three Winds Farm's Magic Sonata, winner also of the trail class. Third went to Mrs. Sandra Wooding's Orcland Linda. Orcland Gaystar was fourth for Orcland Farm. Then came Manito followed by Edie Horner's Lippitt George Moro who had previously paired with Roger Etherington's The Third Man to win the pair class.

Dr. Carroll Kring's Tom Timlin topped the western pleasure stake with Magic Sonata again taking second over Manito The Third Man, Anne Bentzen's Honor Girl of Earlham, and C. D. Patton's Orcland Gayson.

Other blue ribbons in the pleasure section were well scattered. Long View Saber won the pleasure driving class for Blue Spruce Farm. Mrs. Read Urich's Sutar won the working hunter event. The pony class winner was Mildred H. Day's Miss Fortune. And Nera Bellezza Pepper won the stock horse stake for William Coddington.

The championship harness stake was small but the four entries were good ones. Camelot Farm picked up the tricolor with Trophys Becky Date who had qualified with a win in the mare and gelding event. Orcland Donanna, the junior harness stake winner, was reserve for Orcland Farm. Hylee's Top Brass came back after winning the stallion class to take third for Green Trim Farm over Dr. Frances Schaeffer's Topfield. The only harness class winner that did not appear in the stake was the champion's stable mate, Kane's Spring Delight, who had won the combination class for Camelot.

In total, the breeding divisions added up to excellent competition although some of the colt classes were small in number of entries. The coveted mare championship went to Dr. Frances Schaeffer's Miss Mar-Lo. Reserve was Mr. and Mrs. C. D. Patton's homebred Miss Sugar Loaf.

Champion stallion of the show was Mr. and Mrs. Richard Colgate's hand-

### **TROPHY'S BECKIE DATE 10242**

With her sensational victory in the Championship Harness Stake at the Mid-Atlantic Morgan Show, Trophy's Beckie Date adds her first harness tricolor to her impressive list of triumphs under saddle in her first year of competition. Earlier the same evening she was also ridden to victory by John Diehl in the Mid-Atlantic Bred and Owned Stake.

This outstanding son of Ulendon and Westfall Bold Beauty was Junior Champion Stallion at the 1963 National Morgan Horse Show.

We wish to congratulate Arnold and Walter Christensen on their purchase of this fine young stallion. We expect great things for him.

Had he stayed in the East he would have been our Junior Sire in 1964 at Orcland Farm.

Martin Rd., Akron, N. Y.

Morgan entries at the Erie County Fair, Western New Yorks get-together show, were disappointing. We dropped from between 60 and 75 Morgans in recent years, to about 30. It is believed that this was due largely to the virus, which has been prevalent all year among the race horses stabled in these same barns.

At any rate, breeding classes especially were not well filled — no senior stallions, for instance, and not many in the classes for young stock. We will hope to do better next year.

Among the performers, the little gelding, Don Quixote Pepper and his Evelyn Rodee stole the limelight. Donny took home five blues two seconds, two thirds, and one fifth, quite a basketfull of ribbons. His open class winnings were 1st in Bridle Path Hacks (20 horses), 3rd in Western Pleasure Stake, 2nd in Open English Pleasure, a class so large it had to be run in sections. Winnings in the Morgan Divi-

sion follow at the end of this report. Mrs. Gladys Wikoff, judged.

In the Junior Exhibitor Seat and Hands Open, Taffy Sherwood rode her Snip of Captor to 2nd place, and Tommy Hens had 3rd in Open Junior Saddle Seat, with Georgina Twilight.

In the 4-H show open to all breeds, the Hens boys really scored, taking 1st in mares with Betsey Twilight, 1st yearling with Ransomevale Blythe and 1st foal with Tommy Hughitt.

Both Tommy and Mike also rode well in the regular classes of the Morgan Division, as did Ann Lomber, Taffy Sherwood and Dr. Taylor's horseman son from Cuba, all Junior riders.

Previously unreported foals include Russ Dobbins' stud colt, from his Townshend Gaydier, from Gerald Ashby's Allen's Major.

The Wally Rodees have three: a stud colt to be named Dr. Pepper, from Illini Patti; a filly, T. Ka-Tu Pepper, from Trouvaille, and a stud colt from Allen's

Gillette, all foals by Brown Pepper, of course.

Dorothy Chester Hock's Broadwall Bonny Bell has a stud colt by Ulendon at her side.

Jean Morley of Canandaigua sends us the accompanying picture of the Morley's fine new Morgan, Cotton Eye Joe Goddes, recently purchased from Joan Bowers of Midland, Michigan. Besides being a stylish English horse, Jean says he can and does show successfully against the best of that predominantly Quarter-horse area.

The Ralph Plauths have sold their gelding, Longview Saber, to Col. John Rawlins and his daughter, Lynn. Saber has done extremely well in pleasure classes in the East, and is expected to continue his career in New Mexico since Col. Rawlins has been transferred to Albuquerque.

Aylien Richards is taking a temporary leave of absence from the horse business, and sends us the accompanying lovely picture of her yearling R. R. Gallant Fox, to prove that she intends to return.

We are glad to receive the following correction from Mrs. Marvin Knoll of Central Square. In the Sunnyside Show June 27 and 30, Nancy Knoll's Turn-

We think you'll like her . . . we've picked her for you.

*MAYPHIL and/or her progeny have been first 26 times at the National Morgan Show. It would seem that her stamp of quality is set and far reaching. We have nothing but the greatest admiration for this fabulous producer. She has given us as much pleasure as any horse could, and that's a Morgans job. We will be selling from our own "private stock" some good bred mares and show prospects, all closely related to the immortal Mayphil. To go with them, we have two coming 2-yr. old stallions who look, go, and are bred like champions.*

Southland horse lovers jammed the day long M.H.B.E.A. 2nd annual Open Horse Show on July 28th. About 1,500 spectators were there during classes, a much larger crowd than last year.

Our entries were approximately 240 and while the turnout of horses were not as great in numbers due to the virus there was a larger number than last year.

This show, 21 classes in all and open

to all breeds, represented every part of So. California. Judge of the show was Lloyd Linton, of Garden Grove, Calif., nationally known trainer and judge. Sponsored by A. J. Land Co., the show was held amid the lovely rolling hills surrounding the recreation riding area of El Camino Country Club Hills \$30,000,000 residential community in Oceanside.

Military and civic dignitaries from

Oceanside, Carlsbad, Vista and San Marcos, as well as two beauty queens and a special guest star presented trophies to winners in various classes. Connie Hines, feminine star of the CBS "Mr. Ed" talking horse television series, presented "Best of Show" trophies to winners.

Albuquerque, N. M.

LINSLEY SUNBELLE 012157, 14 months old filly by Rex Linsley out of Sundo. Owned by Betty C. Gleason, Scottsdale, Arizona.

New officers and directors elected at our annual meeting are: President, W. C. Byers, Albuquerque; Vice-Pres., J. Banta, Santa Fe; Secy.-Treas., Dr. W. K. Woodard, Albuquerque; Publicity, Lorraine C. Byers, Albuquerque. New Mexico directors are Dr. W. D. Andrews, Albuquerque; Howard Eberline, Santa Fe; John Nixon, Espanola and representing Texas, Hughes Seewald of Amarillo. These members are all well known in this part of the country for their sincere dedication to the breed, and we shall look forward to another year of rapid advancement for Morgans in the southwest.

The Santa Fe Show was a tremendous success for the breed! Good, big classes of Morgans that were exceptionally well prepared for the competition at hand, and a judge (finally) that worked the classes long enough to be seen, and hard enough to make them worthwhile. One class that is brand spanking new to southwest show circles is an Open to Any Breed Pleasure Driving Class. It was a good class for its first showing, including a number of Morgans, Arabians and Saddlehorses in the entries. Readers will be delighted to know that the Morgans walked off with the class (see show results). Also entered in the Open to All Breeds Western Pleasure were two Morgans. Both did a fine job, with Peg Nichoald's gelding Royal Starlight (Ted Willrich up) placing 4th. Jim and Virginia Banta are deserving of a round of applause for this Morgan success, as it was through their efforts in the Santa Fe Show Committee that we were given so many classes.

Another point worthy of note (and especially gratifying) was the decreased number of Morgans shown with weight and long toes. It is still with us to a degree, but in the wake of our discussions and Code of Ethics it appears that emphasis on training and developing natural skills to a higher degree is increasing in importance and replacing the undesirable. In line with this, Mr. Ferguson's proposal to add two \$500 classes to the National Morgan Show in which 4" toes and keg shoes are mandatory on the entries was greeted with cheers in this part of the country. If these proposed classes are added for next year, it is certain that the winners will achieve a truly "national" admiration and respect, for their wins will be the result of natural ability and training! — not artificiality.

The obstacles in the Pleasure Classes (the first we have had in our shows) consisted of about a 2' log jump and a tangle of logs to be crossed with caution. In addition to eliminating a few entries that had passed the previous rail work with ease, the obstacles also caused the judge to work the remainder on the rail again. The spectators followed the classes keenly, and by the time the classes were pinned, Morgans had been in the public eye long enough to attract serious viewing — this is what we have always wanted.

The Stock Horse and Reining classes were the best we have ever had. Although there has been a bit of criticism that the pattern is too complex all entries gave a flawless performance of the pattern. This is perhaps the most encouraging part of the show, as NMMHC

considers promotion of Morgans as stock horses one of the club's most important tasks! Many sideline comments from "would be hopefuls" makes the outlook for these classes in '64 look very bright indeed. And some of the comments heard among our western breed opponents on the rail didn't hurt us a bit either!

Following are the results of the Santa Fe Show, Judge Earl Craig, Phoenix:

**Morgan Weanling, Either Sex:** Won by EE/THREE JAYNE, EE/Three Morgans, Santa Fe, N. M.; 2nd, FAIRLEA LADY JANE, W. K. Woodard, Albuquerque, N. M.; 3rd, DEAR BEE, Bee Morgan Corral, Santa Fe, N. M.

News is very light this month. I hope now that most of the shows are over and trail riding coming to an end for the summer, that more of you will have time to sit down and drop me a note telling of your Morgan activities this past summer. Please send along your photos also . . . preferably 5" x 8" or larger, glossy prints.

## MASSACHUSETTS

I recently had the opportunity to visit with Glenn and Charlotte Barr of Holliston. Mrs. Barr, her children, and their nice two year old filly Lee's Caravelle (Parade x Broadwall Felicity) have been spending the summer in Woodstock, Vermont, where they have had lots of time to spend training "Carrie" to ride and drive.

## MAINE

Mrs. Maxine Bubar of Caribou has a filly out of Broadwall Pandra by Rock-B-Twilight.

Mrs. Gordon Van Buskirk also has a nice filly out of Maggie's Mischief by Corisor of Upwey, which Mrs. Van Buskirk hopes will be a nice match with her full sister Corimis. She has been named "Coral."

The Maine All-Morgan Show was held August 18 at the Poland Spring House with Professor "Cy" Tirrell of the University of New Hampshire doing his usual fine job of judging. The show was held with a good deal of difficulty because of bad weather and bad footing, and some horses had to be scratched because of the virus which had been floating around all summer. The show went off on schedule though, and many thanks go to Mr. and Mrs. W. M. Grove for their hard work in making the show a success. See results at end of column.

## VERMONT

I recently talked with Mr. Dana Kelley of the Justine Morgan Horse Farm, Woodstock during the 100-mile trail ride. Mr. Kelley reports the sales of all of this year's foals, in addition to several mares and older stock. Royalton Deidre Darling (Royalton Ashbrook x Lippitt Darling) a chestnut yearling has been purchased by the Noel Drury family of Topsfield, Mass. This is their first Morgan and is a double

cross of John A. Darling blood. The Drurys are anxiously awaiting the delivery of another filly shortly.

Royalton Drucilla Darling, a daughter of Royalton Diantha Darling and Lippitt Ashmore has been sold to Miss Ann Thompson, of Melrose, Conn. This filly is a cross of Lippitt Ethan Ash, Sally Moro, Ethan Eldon and John A. Darling breeding.

Mr. and Mrs. Keynith Knapp of Bald Mt. Farm, Arlington have a chestnut filly out of Bald Mt. Lisa Ash by Bart-Vigilman. A chestnut stallion foal by Easter Twilight has been sold to Miss Judy Exford of Pittsfield, Mass., and will become Judy's harness horse. The Knapps have purchased Green Meads Crescent from Mr. Robert Brewster of Manchester, Vermont. This Morgan is by Gay Cavalier out of Green Meads Starlet.

Mr. and Mrs. Keynith Knapp also report the sale of Bald Mt. Crescentlea, by Bald Mt. Troubadour out of Leah, a chestnut yearling, to Mr. John Evan Laurie of West Rupert, Vermont.

At the Bald Mt. 4-H Club Horse Show, a Morgan, Bald Mt. Minuet, three year old filly, owned by Miss Lynda Beattie, really dominated the show. She was the only Morgan entered and walked away with blues in the trail class, English and Open Pleasure classes, and red ribbons in English Horsemanship and 4-H fitting. This filly was purchased at the Green Meads Weanling Sale by the Beattie's.

**QUEENETTE 010298, starting the turn. Ridden by Foy Jean Crookham.**

The last several meetings have seen the members busy preparing for our next large events — the Fall Playday Oct. 6 at 10001 Stubener Airline Drive in Houston and the Fall Trailride, Nov. 3 at Sam Houston State Park.

Herbert Barney, A. G. Avants, James Burson, S. H. Ashe, Bayou Farms, A. W. Hurlbut, and the Circle C Ranch have donated prizes for the playday. The awards for the playday will be equipment and belt buckles.

New members include Mr. Ernest H. Jones of Fort Worth, Mr. and Mrs. Bob Mares of Houston, Mr. and Mrs. Ashley D. Rich of Richmond who own the mare Donald Linsley and 2 of her colts, and Tally subscriber Ray Marantz of El Paso.

Sales have been brisk. Miss Becky Straughn of Fort Worth has purchased the good trail winning Palomino-Morgan, Tim Tam Cotton, formerly owned by Mr. Billy J. Carpenter of that city. Bayou Farms report the sale of Dusky Sensation to Mr. J. M. Johnson of Houston, who owns the Halifax Ranch, in Kyle, Texas. Allana Rockwood went to Mr. J. Richard Gray of Houston. Their weanling horse colt out of Dusky Sensation and by Merchant Mariner was sold to Mr. C. M. Messingill of Huntington, Texas. Miss Maxine Merchant has sold the well known stallion Tehachapi Rock to Major C. A. Jackson of San Antonio. The Bob Mares of Houston have purchased the ribbon winning mare, Indian Ann.

Our September meeting was held at the A. W. Hurlbut's new farm, which has plenty of space for their lovely Morgans. Some 30 members attended.

The club has reluctantly accepted the resignation of Glenda Rae Burson as assistant secretary. Mrs. C. M. Angel was elected to finish that term of office.

We are glad to hear that Miss Merchants mother and also Mrs. Angel's mother are doing well after rather serious illnesses. Mrs. Avants is reported to be still under the weather, but we trust she will improve soon.

The C. M. Angels and eldest daughter, Elayne, and Pat Crookham and daughter, Foy Jean, visited Mary and Burt Diebel and their charming year old daughter in Alice, Tex. recently. Mr. and Mrs. Diebel own the nice chestnut mare, Sugarfoot and her weanling colt.

Also visited during the trip were Mr. and Mrs. Russell R. Kibbe of Fremont, Texas. We toured their rather extensive ranch and saw as good a band of Morgans as the state can boast.

**QUEENETTE 010298, 5 year old mare taking part in 4-H Show. Rider, Foy Jean Crookham.**

The Angel's, who live at Conroe, came up to Circle C for a visit. While they were here we visited Mrs. J. M. McArdle of Gainesville, whose Morgans looked to be in excellent shape and Dr. Conklins Nilknoc Farms in Stigler, Okla.

Dr. and Mrs. Conklin and sons, Thomas and Charles had been recent visitors to Circle C. Also dropping by recently, was Bill Jones of Sherman, Billy J. Carpenter of Fort Worth and John and Shirley Hall and daughters Shan and Sue of Weatherford. Mr. and Mrs. Hall had just returned from the Western National at Loveland, Colo. and had acquired quite an interest in Morgans.

Carol Kenyon of Killeen has returned from a most pleasant trip to the National in Mass. She attended most of the sessions with Mrs. Eugene Holden.

The C. L. Hackley's of Friendswood made a trip to the Northeast. They went to the Tanglewood Farm and Blue Spruce Farms and report very enjoyable visits to both places.

Pat Crookham has been elected to represent the Texas Morgan Horse Club on the Circle J Association Board of Directors.

Our last meeting was held between Morgan classes at the Kane County Fair Horse Show — with quite a rush to get all the business attended to before the next class was called. The Field Day to be held on September 29th at Big Bend farms was the big topic of conversation. The response to requests for help of all kinds, from members and non-members alike has been very gratifying. Doris Norton, committee chairman, says: "... The co-operation has been tremendous. Everyone I've called on for help has come through beyond expectations and so far everything has gone without a hitch."

During the meeting our juniors excused themselves and held their first regular meeting with election of officers. Their choices were: President, Bonnie Bohling, Oaklawn, Ill.; Vice President, Karen Spodnyak, Glenview, Ill.; Secretary-Treasurer, Sharon Klapp, Rockford, Ill. Two committees were set up to work for the Field Day — one to help on the Hospitality Booth, consists of Karon Spodnyak, Bonnie Bohling, Leslie Matas and Sharon Klapp. The other, a clean-up committee, is composed of Shirley Orlando, Andy Orlando, Mark Staehnke and Lee Matas.

Nancy Matas had stacks of the new patches for sale and they were going like hot cakes. These patches are felt disks with the club name and emblem, to be worn on t-shirts, etc. (wonderful Morgan advertising): She also had the new decals (duplicates of the patches in miniature) for car windows and soon we expect to have larger decals for horse trailers and trucks.

This Kane County show was an important one for us as there were fourteen classes for Morgans and most of them were well filled with Morgans

that anyone might be proud of. The show was held under difficulties, for on the first day a frightful storm struck the fairgrounds. Tents were blown down, trailers torn loose from their moorings, the roof of the grandstand gone and all electricity knocked out. There were a few near misses to humans and animals from flying debris, but no serious accidents that I heard of. In true stage tradition, things were patched up and the show went on — late but to a successful conclusion. (The efficient show manager, who had these storm problems to deal with, is our member, Mrs. Paul Osborne.)

Reports of new foals are still coming in!! Karene Heimstead of Eau Claire, Wis. (Joyride Morgans) has two more, both fillies, by their stallion, Firestone. One, dark brown, named Jeananne of Joyride, is a daughter of Penalee, an unregistered Morgan, and therefore will be listed with the half-Morgan registry. The other a chestnut, Joyride's Joystone, is out of Illiwanne Joy Royale

Joyride's young stallion, Emerald's Beauchamp, won 6th place in an open halter class recently, even under the handicap of an injured leg which hadn't quite healed yet. And on August 4th, their thirteen year old mare, Elena Linsley Clifford, came home with 5th place out of 17 entries (Morgan mares 3 and over). This mare had never been shown at halter before.

We have news this month from several of our juniors. Sharon Klapp writes that their Morgans spent some time at the 4-H Fair and that Bonnie Toot and her foal by Sonny Akers won first place in the Mare and Foal Class. Their other mare, Big Bend Lady's Pal, took the blue ribbon for two year old mares and Reserve Grand Champion Showmanship. Susan Hayward is an

other junior who is doing well in 4-H classes with the Morgan mare, TapNor Easter Bonnie. Susan's ribbons have so far been won in equitation and English Pleasure. And a letter from Karen Spodnyak tells of showing her Lindy (Big Ben Linfield) in open classes at the Trout Valley show. Lindy took a second in Junior Pleasure, fourth in Open Pleasure and fifth in the Western Stake. Karen says: "I had many comments from the spectators, some asking what breed of horse he was. I felt very proud to say that he was a Morgan."

Last month we mentioned our new members, Mr. James McKeon of Darlington, Wis., his Morgan mares, Tillicum and Lippitt Rosemere and their 1963 foals but since then we find that this is not the full extent of the Morgans at Tillicum Acres. There are also another mare Sterling Sue (Osage x Ulwina) a gelding, Tillicum Red Agate (Redberry x Tillicum) and the "pride of the farm" — the stallion, Bald Mt. Glory (Easter Twilight x Helen's Glory). Mr. McKeon's interest in Morgans began in 1944, when he chanced to see a picture in a newspaper of "the most beautiful horse I had ever seen." No name was attached to the picture and it was some time later that it turned out to be the well known photograph of General Gates. Upon discovering that General Gates was a Morgan, he subscribed to the Morgan Magazine (incidentally, he has a complete file of the Magazine since 1948). So, due to a newspaper picture of a famous Morgan, we have another enthusiastic Morgan breeder in the middle west.

Today we heard with regret of the

County Fair time is in full swing in Northern California and many of our members have been very busy getting horses ready for these events. It was because of this heavy schedule that we had only sixty some members present at the Danville Hotel and Restaurant during August.

Most of the discussion centered around our recent show and how we could improve the next show. Jim Coulter was appointed as head of a group to investigate having a clinic. This would be aimed toward better showmanship and aid the novice in showing his Morgan to advantage. All of us could use help in this matter and it should prove to be a very popular activity.

We were pleased to see the Earl Herings of Chico again and to meet for the first time Mr. and Mrs. Overstreet who are from New York but now living in Northern California. A special welcome to new members: Capt. DeWayne Pohl, Atwater; Sylvia Bargman, Sonora; Donna Yialouris, Modesto; Herman Rotert, Stockton; Celia Caldwell, Wheatland.

At the Menlo Circus Club show on August 10th Sunflower Tom took a

third in the fine harness class. The Channing Cathcart family won the family class. It was a very large class with about 10 groups participating. Channing Cathcart on Baacamanto, Allen Cathcart on Brookwood Melanie, Craig Cathcart on Kathy. This show was sponsored by the San Mateo Junior Horsemen. Allan Cathcart also took a 5th in Western Pleasure in a class of over 25 entries. This is a feather in the Morgan cap.

# Justin Morgan Association

By BARBARA NIEMI

47566 Joy Road, Plymouth, Mich.

August began with a big weekend for Michigan Morgan owners with the 11th Annual All-Morgan Show on August 3 and 4. This year's show drew over 70 Morgans including several exhibitors from Ohio. Several new classes were added including a Pleasure Combination and a Trailer Race. All of the classes were well filled with the Pleasure classes setting new records for size and quality.

Among those responsible for the success of the show (besides the exhibitors) were Mr. Fred Verran, show manager; Mrs. Marie Voss, show secretary; Mr. Ralph Curtis, ringmaster; and Mr. Thor Nielson, announcer. Mr. Delor Markel was the official photographer and Mr. William Higgins from Marcellus, Michigan was the judge.

Two weeks after the Morgan Show, only four exhibitors found time to attend the Tuscola County Fair, August 18-20, in Caro, Michigan. The Morgans were offered full halter classes and three performance classes, all offering premiums and this writer wasn't very pleased with the support of this show. These county fairs are the places to get out and show the people what a Morgan can do! The size of the Arabian and Quarter Horse classes made the Morgans look kind of silly.

The Morgans exhibited at the Michigan State Fair from August 26-28 with three big nights of showing. Four new classes were added to the Morgan division including two equitation classes, a Pleasure Driving and a Cavalcade Americana exhibition which was given every night. This year's Fair attracted over 100 Morgans from both Ohio and Michigan. Again the Pleasure classes were bigger and better with 20 horses entered in the Pleasure Driving, 21 in the Western Pleasure and 31 in the English Pleasure. The Performance classes, while not quite so big, were of top quality. Mr. Arthur J. Titus from Wauconda, Illinois was the Judge.

**POCO ALJOY 11485, winner of Hi-Point Perpetual Trophy of 1963.**  
Owned by the Malcolm McDuffies of Pasadena, Calif.

On July 13, 1963, Poco Aljoy, out of the mare Almond Joy by Red Gates, owned by the Malcolm McDuffies of Pasadena, Calif., received the Perpetual Hi-Point Trophy Award as the outstanding Pleasure Morgan for 1963. Known to his owners as "Corky," this Morgan has well earned the title mentioned above. He's a very typey "little Big" Morgan, and when I look at this horse I can picture what Justin Morgan must have looked like. A Mr. Drew Reed owned him first along with his dam, Almond Joy. Later he became the property of Mr. Orval Smith of Arcadia, who worked and trained him and also using him as a stud. He sired four fillies and a stud colt. One of the fillies is now the property of Mr. James Velarde of San Bernardino, who placed 3rd in Mares, Foals of 1959 and over in our All Morgan Show this year in a class of 19 horses. His only colt is the property of Pat Kizer of La Puente. This colt of "Corky's" placed second to his father in the Pleasure Driving Class at the All-Morgan Show in 1962. Pat claims Quiet Son De has the temperament and disposition of his sire. Could be we'll have another Poco Aljoy in the show ring.

In 1959 he was sold to the McDuffies of Pasadena as a gelding, where his professional show career was launched. Mary McDuffie, the more enthusiastic horse lover of the two, decided Corky should go to a professional trainer for that final polish and the trainer she picked was Mr. Bill Harris of El Monte. Mr. Harris, who is a Quarter horse

trainer, when asked if he would take Poco Aljoy for training, very bluntly stated, "What do I want with a Morgan?" Bill has had to eat those words ever since as he himself has admitted Poco Aljoy has brought more trophies and ribbons to his stable than any other horse he has trained. Bill probably has his own bar by now as Mary stated she promised a case of beer for every Hi-Point Trophy he received.

From the time Bill Harris took over Poco Aljoy's training, this Morgan has

placed either in the blue or up there real close. He has been placed in almost every type of class a horse show has to offer, with the McDuffies' daughter Cynthia, collecting a good many of his trophies and ribbons. He has been the Hi-Point Horse of the Day at our last two All-Morgan Shows, and in 1960 was also Hi-Point Horse. The McDuffies have had to build a Trophy room to house these many awards. Although Mr. Harris has ridden and shown him in most of these classes, there were occasions when a total stranger has taken him in the show ring and took the blue. He's truly a great "little Morgan," who has done a terrific job in promoting the Morgan and is a credit to his breed. While at the Del Mar Fair and Horse Show, where he took most of the Morgan Performance Classes, he contacted a virus and is now enjoying a well earned rest on the McDuffie's ranch in Santa Barbara. Happy grazing, "Corky!" Hope to see you back in the show ring real soon.

Tack and trophy room at Ranch Campo Verde and some of Poco Aljoy's winnings. The large trophy in the middle of chair won by Poco Aljoy, is the High Point Trophy Award.

# Penn-Ohio News

By JOYAN HILLS

RD 4, Greenville, Pa.

Lost!! One Penn-Ohio Booster — namely Miss Helene Zimmerman, who has left for Vermont to work for Leigh and Mary Lou Morrell, owners of "Tamarlei" Farm. We did not lose Helene's membership but her ACTIVE participation is missed by this organization.

It was Helene who convinced Mark and I that a trip to the Mid-Atlantic Morgan Show would be worthwhile — HOW TRUE! We came away impressed even more with the versatility of the Morgan horse. A jumping exhibition was given by King Midas (Sillgal's Improver x Baroosa). This gelding cleared 5' spread jumps with ease and in his first full year of training is placing in the ribbons in Green and Open Jumper competition at major eastern horse shows — another fine example of Morgan willingness and ability.

This being my first attempt at this column I have another first to report. Our mare, Bay Ann (Tarron x Sue Ann) co-owned with Wallace and Pat Stull, had her very first foal on August 7. "Annie" presented us with a typy bay filly — the first registered Morgan foaled on our farm. Helen West is poppin' buttons proud about their latest arrival, a nice chestnut colt by Trophy's Award and out of her mare, Bonnie Date.

Fall is county fair time and Snip of Captor, owned by Taffy Sherwood won the model mare (open) and the reserve champion Morgan at the Erie County Fair. At the Crawford County Fair, Hawk's Troubadour, owned by Peggy Porter, placed second in the open 3 year old and over stallion class. The Morgan Division at the Erie, Pa. Horse Show had to be cancelled — lack of entries. The William Turners had worked so hard to get this class listed too.

Leaving a vacancy in the Zimmerman barn is Wilderness Nighthawk (Towner-Ayr Bobolink x Wilderness Blaze). Mrs. R. A. Zimmerman sold Scamper, a two year old dark bay stallion

to Miss Kathleen Killfaile of Pleasantville, N. J. The youngster is stabled not far from the Atlantic Ocean and his new owner says he may get a chance for a dip now and then. Miss Helene Zimmerman has sold Wilderness Windsong (Deerfield Challenger x Wilderness Blaze) to the Nevin K. Laver family of Greenville, Pa. The Lavers are neighbors of ours and we are sure they will help in showing the local saddle club what the Morgan can do at trail rides, shows and sleigh rides. Another of Helene's Morgans, Wilderness Robin, has been sold to eleven

year old Marilyn "Marnee" Myers of Clarion, Pa. "Robbie" is being kept presently with capable horsewoman, Amanda Jones, who helped Don Crooks along at first with advice on his young stallion, The Replica O.

We have three new memberships to report — Helen Bendo joins us from 54 Pershing St., Jamestown, N. Y. and Miss Suzzann Reinhart from RD 1, Brookfield, Ohio — also the Nevin Laver family of Greenville, Pa.

At a recent directors meeting the letter to the Conference of Morgan Horse Clubs was discussed. President Milford Fox plans to attend this conference on behalf of our group.

## Ask The Doctor

*Note: This column is added as a personal service to our readers. Send your questions direct to Ruth Rogers, Martin Road, Akron, N. Y. They will be answered by a competent veterinarian. These doctors give their time and knowledge to help us with our Morgans.*

Questions answered this month by  
**DR. D. A. TILLOU**  
Hamburg, N. Y.

**Question:** Recently in our locality two horses have died from a mysterious disease. I do not know the particulars in the one case, but in the other the animal was found dead in the pasture, the head enormously swollen and the halter broken. In both deaths the heads were badly swollen. Could you give your opinion of the cause of this.

**Answer:** I can't give a confident opinion without a history of the animal's previous illnesses and the opportunity to make an examination before or after death. If there is a history of infectious disease, I would suspect Purpura Hemorrhagica (Petechial Fever). And occasionally we find such swelling from strangulation.

**Question:** Why is it impossible to deliver a mare by Caesarian section? Also, why is a twisted intestine inoperable?

**Answer:** Abdominal surgery is impossible in horses except in very young foals, because of the massive abdominal weight. Incisions in the abdominal wall rupture before healing, resulting in peritonitis and death.

**Question:** Recently I bought a Morgan gelding that was kind of skinny through fault of the former owner. How can I fatten him up without over-feeding?

**Answer:** Have your veterinarian examine your horse's teeth to be sure that he is able to chew his food properly; also ask him to check a sample of the manure for evidence of worms. Exercise him moderately. Use an effective method of fly control. Give him a well-bedded comfortable stall. Be sure that he has plenty of clean, fresh water, and use good quality, high protein feed.

**Question:** I have a 12 year old mare in excellent condition. She just gave birth to a lovely filly. With good health, how many more years will it be safe for her to be bred and deliver a foal?

# Circle J Morgan Horse Association

By MARY WOOLVERTON  
5500 South Steele Street  
Littleton, Colorado

There is all kinds of news this month from the Colorado Rocky Mountain Area. First of all and of most importance is the success of our 5th Annual Circle J Morgan Horse Show held in Loveland, Colorado on July 12th, 13th and 14th. The show (an A.H.S.A. Honor Show) was very capably judged by Mr. W. Lyman Orcutt of West Newbury, Massachusetts. Despite the prevalence of "the Virus" we had over 120 entries in the show. Quite a few more would have come if they had not been sick. Exhibitors came from 9 states including Minnesota, Arizona, Utah, Illinois and Wyoming.

A full compliment of in hand and performance classes was held. The Grand Champion Stallion honors went to Mor-Ayr Supreme owned by Wildwood Morgan Ranch of St. Joseph, Minnesota. Reserve Grand and Junior Champion Stallion were taken by Fairlea Troubadour owned by W. K. Woodard of Albuquerque, New Mexico. Marge and Milo Dugan of Loveland showed the Grand Champion Mare, Joanne, with Windcrest Selection taking the reserve ribbon. She is owned by Peggy Nichoald's Topside Morgan Farm and shown by Ted Willrich. Peggy also owns the Junior Champion Mare, Applevalle Debutante. Gelding honors went to two Loveland Colorado people: Ray Macy's Rimrock's Mr. Rocky was champion and Independence Chief, owned by Palmer Roblyn and family went reserve. In addition to the regular breeding classes there was a breeders class added. This class required that any breeder entering must exhibit at least three horses he has bred and raised and currently owns. This class stimulated quite a bit of interest and gave everyone a chance to see the particular type of Morgan each breeder was striving for. This class was won by the Mosher brothers.

In performance, the classes as a whole were well filled with a few exceptions due to illness. This year a jumping class and the Morgan Versatility class were added. The jumping provided quite a thrill as the course was a tricky one with the jumps set at 3'9". All horses performed well with the blue going to Leontine Linsley, one of

Charley Hamilton's cutting horses. She was ably ridden by Clyde Roberts. The cutting classes as usual were well-filled and hotly contested as this is one of the qualifying shows for the NCHA high point Morgan Cutting Horse Trophy. The driving classes really caught on this year and were more than adequately filled. We also saw a number of very good junior riders turning in outstanding performances in both English and Western classes, and in many instances they out-performed the adults. The stake was captured by Patsy Brown's show. Leontine Linsley owned by the Triangle A Ranch and ridden by Cean Butler won both the English and Western stakes. This was a real triumph for this good junior rider. The stock horse stake was captured by Patsy Brown's Dee Dee Chocolate ridden by Charley Hamilton. Everett Reed's Little General won the pleasure driving championship.

This year the Triangle A Ranch of Parkman, Wyoming introduced a Challenge Trophy to be won by the horse obtaining the most points in the working western (trail, cutting, stock horse, etc.) and the working English (versatility, jumping, roadster races, etc.) classes with 75% of the points to be earned in one division and 25% in the other. To be retired, this trophy must be won three times by the same person on a different horse. The trophy this year went to Prince of Pride owned and shown by Mary Woolverton of the Victory Morgan Horse Farm, Littleton, Colorado. Both Prince and Mary are now accomplished quick change artists after much practice during the show.

All in all it was a very successful show with even the weather cooperating. We are looking for a bigger and better turnout next year for a bigger and better show.

The Annual Meeting of the Circle J Association was held at the show with election of a new slate of officers the main objective. Everett Reed retired as our able president and Milo Dugan took over the reins. First Vice-President is Ray Macy; second Vice-President is Peggy Nichoalds. Jane Malloy was elected Treasurer and Palmer Roblyn, Publicity Chairman. Since we could not do without her, Ann Taylor agreed to accept the job as Secretary again. Ann is certainly to be commended for a job well done both as club Secretary and Show Secretary. The new directors elected this year are Charlie Hamilton, Patsy Brown, Wales Wenberg and George Burgess. This is a very good slate and should provide the club with

many interesting projects in the year to come.

## 100 Mile Ride

(Continued from Page 6)

hours. Any entry over one half hour late on any day is disqualified. The entire ride must be ridden in seventeen hours. Most of the time one is riding either up or down those picturesque Green Mountains. There is very little level terrain.

There are three divisions in this ride. The Junior Division is for children between the ages of 12 and 17, they are not required to carry weight. The Lightweight Division is for riders who carry a minimum of 155 lbs. and less than 180 lbs. The Heavyweight Division is for riders with weight of 180 lbs. or more.

A few statistics show that there were riders from fourteen states as well as Washington, D. C. and Lima, Peru. Massachusetts had the most with 18, then New York with 10, Connecticut 9, Vermont 8, Pennsylvania and New Hampshire 6 each, Maryland 5, Rhode Island 4, New Jersey and Washington, D. C. 2 each with one each from the following states: Florida, Michigan Virginia, Maine, Texas and Lima, Peru, South America.

The ride saw 25 horses entered with unknown breeding. The rest were registered animals and they were as follows: 14 Arabians, 12 Halfbreds, 9 Morgans, 7 Thoroughbreds, 5 Quarter Horses, 2 Standardbreds, 2 Hungarian bred and 1 Saddlebred.

Of the seventy-seven entries, sixty-nine were judged and started. On Saturday there were fifty-four horses that received certificates for completing the 100 miles within the given time.

Of the nine Morgans entered in the ride, one Morgan did not start and one dropped out the second day. This made seven Morgans finishing and three placed. This was a better showing of Morgans than there has been for many years. The Morgans as a whole, were a better looking group than has been seen for some time. The highest placing registered Morgan was Donna Juanita, a real pretty mare. Mrs. Lucille Kenyon showed her usual good horsemanship in bringing this mare in so well. Incidentally Mrs. Kenyon also won the Senior Sportsmanship Award for women. This is for the woman displaying the highest degree of sportsmanship during the ride. The Soneldon Memorial Trophy was also awarded to Mrs. Kenyon. This is given each year

We wish to thank the Indiana State Fair Board for our Morgan horse classes and sponsoring the trophies, ribbons and premiums. Our \$1,000 Pleasure Stake sponsor was Kulwin Electric Supply Co. Inc. Those participating in the stake were Jody Jean O, Congo's Babe, Sylvester and Donelda. Robert H. Weedon, Western Horse Show Director and Indiana State Fair Horse Show Officials, are to be warmly congratulated for their efforts which culminated in the success of the whole show. We pledge our continued cooperation and well filled classes.

The name of Ken Alexander Kendallville Ind., was unintentionally omitted from the names of the exhibitors. Ken, is to be commended. He drove, rode and showed his mare very well — wearing a cast on his left leg. Awkward and in pain but always in the ribbons.

Most memorable to Ken and me of the summer's activity has been the Western National Morgan Horse Show. A reunion of Morgan friends and a good show well judged by that capable Morgan breeder and judge, Lyman Orcutt, Jr.

Ken's disappointment, by Keomah Kay going lame in second class of second performance (caused by stepping on a sharp stone) was lessened, somewhat by bringing home the lovely Morgan filly Sunny Morn (Royal Major x Lava), he purchased from Martha Vernon, Fraser, Colo. Personality and looks, we think this little bay filly is going to be seen in many future shows.

Enjoyed seeing so many of our Julio's daughters, and a couple of his sons shown in the Western National Morgan Show. Joe Connors', beautiful gelding Columbine Joe, 12962, was outstanding in Junior Morgan, Western Pleasure and proudly walked off with first place.

Ken Smith's Keomah Kay 09805 first in Western Pleasure Mares and Geldings, second in Western Pleasure Owner/Amateur. Second in Morgan Versatility the three classes she completed.

Wheat State Morgan Horse Association, was represented by two members, Stuart Hazard of Topeka, Kansas, and Joe Connors of Englewood, Colo. No ribbons, but of more than 450 Morgan horses in 84 classes, it was an honor to be in the show.

At our July 2 meeting, after a yard party, picnic lunch at the Bill Dansby home, several members went on a moonlight ride, enjoyed by all the participants.

On August 6, we met at the charming guest house, of Charlotte Maurer's new home on Santa Fe Lake, east of Wichita, after a sumptuous covered dish dinner several of the members went for a moonlight ride, while others of us toured the grounds and took snap shots in some of the lovely rooms of Charlotte's home.

We welcomed three new members, Bill Gipson and his lovely wife, Shirley, of Goddard, Kansas and Harold Winters of El Dorado, Kansas. Mr. and Mrs. E. D. Gantry, of El Dorado, were

The 9th Annual Pacific Northwest All-Morgan Horse Show was held July 13th and 14th in Wenatchee as planned. Everyone had a good time, the weather was pleasant and although the number was small (largely due to the virus) it turned out to be a successful and enjoyable show. The judge was Mrs. Paul Adams from Grants Pass, Oregon.

Our President, Yvonne MacDonald and Secretary Gladys Koehne worked very hard to get this show going. With the cooperation of the Wenatchee Morgan owners and all exhibitors participating it goes down in our archives as a show to remember. Results follow:

## Mid-Atlantic News

By DR. ALBERT LUCINE, JR.

RD 2, Malvern, Pa.

The biggest item of current news, of course, would be the results of the Mid-Atlantic Show. The largest we have had to date, this show is covered in a separate article elsewhere in the magazine.

However, let's not pass from the subject without mentioning the Board's decision to move the location of the Mid-Atlantic Show for next year. The new site will be the Quentin Riding Club, Quentin, Pa. Everyone familiar with the facilities there agrees that the beautiful grounds and excellent show ring will provide a top-notch setting for the Mid-Atlantic Show.

The decision to leave Frederick, Md., was not easy to make. We have enjoyed our visits there and our relationships with the Frederick Jaycees (and earlier with the Rotary Club). But it has been generally agreed that a move should be made. In addition to the improved ring Quentin is more conveniently located for more potential exhibitors. It is about four miles off the Pennsylvania Turnpike near Lebanon, Pa., and only eleven miles off U. S. Route 22. It will be considerably more accessible for exhibitors from the north, east, and west; not much farther in driving time for those who come from the south.

Mike Brittain will continue in his capacity as show manager. Pending A.H.S.A. approval, plans call for holding the show Saturday and Sunday next year, August 15-16. A committee consisting of Al Lucine, Bill Hopkins, and Dayton Sumner has been appointed to review and revise the classes and schedule for the whole show.

A number of club members got a preview of what it will be like to show there next year when they competed in the Morgan division at the Quentin show over the Labor Day weekend. Donnette of Camelot followed her stake victory at Frederick taking the over 15-hand class and championship at Quentin. Reserve went to Bay State Gallant, the under 15 hand winner.

News sometimes travels slowly. We didn't get word of one of the new Morgan owners in the area until six months after they bought their first Morgan. But we hasten now to welcome Mr. and

Mrs. Lou Harrigfeld and Waseeka's Donnybrook. They live near Tom's River, N. J., and their Morgan is a bay two year old gelding by Windcrest Donfield x Corrinne.

Not far from there is another newly acquired bay two year old. Miss Susie Kilfoile has purchased Wilderness Nighthawk from Helene Zimmerman. This nice young stud is a son of the late Towne Ayr Bobolink and Wilderness Blaze.

Aylien Richards reports the sale of Ben Casey of Edhobe to William Krewson of Philadelphia. Casey is a big, handsome three year old gelding — chestnut with light mane and tail — and is about ready for a show ring appearance.

We again have an item of unhappy news to report. From Bill Fritz in Churchville N. Y., comes word of the untimely death of Major Mildann. Only eight years old, Major had started to make an enviable name for himself at stud and was a particular delight to his owner as a pleasure horse. Bill is now hoping that one of the mares bred to Major this year will give him another stud colt to take Major's place.

A mid-season review of our shows so far this year indicates that about 75 Mid-Atlantic horses have entered and placed in competition. This represents nearly a quarter of all the Morgans of all ages listed in the current club roster.

As of September first, competition was very close for most of Mid-Atlantic point award categories. At that point the results of a single class would have been enough to change the lead in all but two divisions.

Highest scoring horse of all on September first was Sandra Wooding's Orcland Linda followed closely by Roger Etherington's The Third Man, Mr. and Mrs. Richard Colgate's Foxy Rose Marie, Three Winds Farm's Dennisfield, and Bill Hopkins' Manito.

In the scoring for the saddle award Dennisfield held a commanding but not unassailable lead over Waseeka's Buccaneer. Tas-Tee's Indian Summer Cornwall Sealeat and Donnette of Camelot. Leading for the harness award was Trophy's Beckie Date with Topfield and Kanes Spring Delight close behind.

One of the hottest races was for the pleasure championship. The lead has changed hands after every show so far this year. September found Foxy Rose Marie holding a four point advantage over Orcland Linda. The Third Man

## Morgans In Arizona

By NATALIE C. WEBBER

3145 N. 52nd St.  
Phoenix, Arizona 85018

Can't wait to tell ya'w! about the Morgans we saw on our recent trip up into Alberta, Canada. When I phoned Mrs. Mills of DeWinton she invited us out to visit her right then and there! Our traditional "western hospitality" certainly is NOT confined to areas south of the Canadian border! What a lovely day Mrs. Mills gave us. And the Morgans... her stallion Mills Pride (Silver Rockwood x Nancy Gates) was worth traveling a long way to see, I can tell you all that! It had been rainy and muddy and the stallion had been rolling, of course, but when he came to greet us in the barn he was every inch and every hair a beautiful Morgan. His son, who was foaled in April of this year, Pride's Prince (Mills Pride x Queen Leta) came nosing around claiming attention too and it should surprise no one if the youngster gives his Paw some stiff competition in the shows in just a little while. But the one who stole my heart is the Mills' lovely 2-year old filly, Dark Fancy (Hi-Lee's Glory 'B' x Queen Leta). She has that elusive something that undefineable air about her that well and truly says "look at me I'm special!" Right along with the looks, the manners, the Morgan "something" was that heartwarming friendliness and curiosity one expects and doesn't always find. Those Mills Morgans certainly have it in large measure. It was doubly a wonderful visit because of all the good horse talk over the coffee cups that kept me there long after I should have been on my way back to Calgary and which I wouldn't have wanted to miss for the world. Several days later we were traveling considerably north of Calgary and way out there in the boondocks what did we find but extremely Morgan-y type horses being used to snake logs and pull stumps for a pulp wood company. One couldn't miss that conformation nor could one mistake the work-willingness shown. There were perhaps a half-dozen animals working as we went by and each one of them was in fine flesh and obviously well cared for. As though that wasn't thrill enough, we saw, in the next day or so, several wild horses with

The Pacific Northwest All Morgan Show in Wenatchee was attended by the following for Oregon: Mr. and Mrs. Victor Neufeld, Mr. and Mrs. Ben Langston and Christy, Mrs. Michael Daugherty, Mr. and Mrs. B. T. Mullaney and Pat. The Langstons brought two horses, Copper Coin and Thelben Penny and the Mullaney's trailered Mac Della and Barbara Daugherty's mount, Shawalla Princess. The show, weather, dinner and breakfast were enjoyed by all of them. Mrs. Paul Adams was the judge.

The British Columbia Morgan Horse Club had their first All Morgan Show in Abbotsford, B. C., on August 25th. Several members of the Morgan Horse Assoc. of Oregon were entered in the various events. The Mullaney's, Beckleys, Robert Jensens, Halletts and Pembertons are some of the PNW and MHAO people who were definitely going. Certainly hope that the show was a success and that everyone had a good time.

Howard Splane has offered his ranch for a camp-out cook-out, barbeque or whatever the Morgan people would like to have and if we can figure out a time to have it. The Splanes were not able to attend the Morgan Horse Show in Portland because of the death of his mother in California. They had planned on showing their black stallion, Hedlite's Mickey Waer, but their gelding Laddie Linsley Simbo, shown by Warren Ward took enough awards for both of them.

Eco Starbeau, owned by Stan Iszler of Ranier was named Senior Champion Morgan Stallion and Grand Champion Stallion at the Columbia County Fair at Longview, Wash. Grand Champion mare was Gay May owned by Mrs. Ruby Jensen of Chehalis.

Mr. and Mrs. G. A. Seward of Beaverton have recently purchased their first registered Morgan — a mare of Nespelm breeding. She is a tall mare and they have hopes of raising a jumper or two for their daughter to ride.

At the Wenatchee show, a chestnut mare owned by Dr. and Mrs. William Hooper of Ellensburg and ridden by

Congratulations to Mr. and Mrs. Sam Brackman, Jackson, Ohio, on the arrival of a son on July 21. This is the Brackman's "first" so, naturally, they are quite proud.

Ohio Morgan Horse Association car stickers are now available. These are similar to the "National" car stickers and can be obtained from Mrs. Robert Chapman R. R. 1, Fostoria, Ohio, for \$1.00 each.

Claude J. Morrette III, Whitmoor Farms, Toledo, has announced his engagement to Miss Kay Klingaman, also of Toledo. A February 1 wedding is being planned.

Whitmoor Farms also report that their mare, Music Maid, shown for the first time in six years, placed third in a large class of aged mares at the Justin Morgan All-Morgan Show in South Lyon, Michigan on August 3. This is quite an accomplishment considering that Music Maid has been used as a brood mare for a number of years. Whitmoor farms' three year old stallion, Kane's High Society, also placed well, being Junior Champion Stallion and Reserve Grand Champion Stallion.

It seems as though everyone's pen has run dry as the above is the only news I have received all month. Hope next month is better.

Following are show results:

# Morgan Breed Promotion

Under special arrangements with the publishers of Jeanne Mellin's book "The Morgan Horse," the Morgan Horse Club is making this book available for gift to libraries at the special price of \$4.00. It is an attractively illustrated 238-page book of general interest with a regular price of \$6.50.

Such a gift to a library will help to promote the breed and make a welcome addition to any public or school or college library — and for gifts to public libraries and educational institutions will be a federal income tax deduction.

If you wish to make such a gift, send a check in payment to The Morgan Horse Club, Inc., together with the name and address of the library or libraries to which the book is to be sent. Under the arrangement with the publisher which permits this special price, it is necessary that the book be mailed directly to the library. If you wish to have your own note to the library sent with the book, the note should be enclosed with the order. If you do not send such a note, the book will be accompanied by a letter saying that the book is your gift.

This special price is available only for library gifts, but the book may also be ordered from the Club for individual use at the regular price of \$6.50.

Orders should be addressed to:

# Southern Indiana Morgan Exhibitors

By EILENE SULLIVAN

Rt. 28, Garden City Tr. Park  
Richmond, Ind.

Of all the shows and events of summer, none are looked forward to with more cherished anticipation, than one where you know you can meet and see many friends. There is such short time left of this show season.

The 9th annual Mizpah Shrine of Ft. Wayne Horse Show held July 27-28, was a colorful affair, the amphitheatre was filled with spectators. The Mizpah Horse Patrol, the colorful dress, the coordination of this drill team is an event to see. Starring at each performance was the well known actor Rex Allen, and his famous horse Koko. Another special attraction was Miss Henline, age 3 years of Huntington, who drove her tiny two and one half months old pony, hitched to a pretty little sulky, around the show ring. Al Sheehan of Richmond, judged the Morgan classes, the Flat Saddle Pleasure held on Saturday afternoon, he placed in this order: Maureen; Dennis Geddes; Stormy Weather; Lady Esther; Skyliner.

The Cavalcade Americana Class, held Saturday night with only two entries, placed thus: Skyliner; Suzanna.

The Halter Class held on Sunday morning, the five winning places were: Maureen; Stormy Weather; Dennis Geddes; Suzanna; Skyliner.

The Scott Co. Saddle Club Horse Show, held on Saturday August 3rd, at the Scott Co. Fair Grounds, of which a week long county fair preceded this horse show, the dust was awful. A thunderstorm threatened in late afternoon and early evening, but the show was completed before the rain started. This year's number in the Morgan Horse entries were more than double over last year, and while lined up in this Western Pleasure Class, the very fine and big hearted President of this club, Mr. D. R. Redifer promised us there would be two Morgan horse classes, next year, at the Scott Co. show. Thank you, Mr. Redifer and the Scott Co. Saddle Club.

This show was judged by Robert Bradford and the ribbons were given as follows: 1st, Lippitt Sylvanus; 2nd, Gay Sue; 3rd, Hudson Jeep; 4th, Skyliner; 5th, Hylee's Mary Ann.

After stabling our horses, at no charge in the big horse barn, at Scottsburg, we journeyed across the Muscatatuck River on Sunday morning into Jackson County, to the Jackson Co. Fair at Brownstown. Brownstown lies between where the Jack Oak Flats of Southeastern Indiana end, and the Limestone Hills begin. This show is noted for its nice location and fine

accommodations and usually draws exhibitors from Southwestern Ohio, and Northern Kentucky. The spacious and main part of grounds are on a hill, while track and show arena are below in a flat level area, and is ideally situated for shows. One of the attractions of this show was the Fair Queen Contest which was held on a concrete runway built in the center of the ring. But the main feature of the 1963 show was the Morgan Cavalcade Americana, the first class on the evening program. May we pause and take this chance to thank Mrs. C. G. Gillespie the show chairman for her interest in the Morgan horses.

The judge for the Morgan Western Pleasure Class, James Craig judged in this order: 1st, Stormy Weather, owned by Wm. Buck; 2nd, Maureen, Mr. and Mrs. John Barber owners; 3rd, Comanche Brave, owned by Flora Lee Elkington; 4th, Skyliner, owned by Enos Allee; 5th, Hylee's Mary Ann, owned by Mr. and Mrs. John Barber.

Mr. Craig and Mrs. Marilyn Armstrong judged this special feature class. The Morgan Cavalcade Americana, and placed them thus: 1st, Stormy Weather; 2nd, Skyliner; 3rd, Comanche Brave; 4th, Hudson Jeep, owned by Mr. and Mrs. John Kepley; 5th, Lippitt Sylvanus, owned by Mr. and Mrs. Jack Stephenson.

Who regrets arriving home at 3:30 a.m. or after, from such wonderful shows?

# British Columbia Morgan Show

By PEGGY McDONALD

Box 292, Millet, Alberta, Canada

The All Morgan Show held in Abbotsford, B. C. on August 25 could be termed nothing less than a complete success. Entries were near the 160 mark with some 70 horses competing. The show was held on the farm of Gerald Fahrni just outside Abbotsford. It was rather a scramble to find stabling for all the horses but it was managed.

Judge was Dr. Elmer Searls, Puyallup, Wash., who after the show, gave a Justin Morgan Demonstration on his stallion, Dyberry Robin, under saddle and in harness. The show was sponsored by the B. C. Morgan Horse Club.

Special Canadian Awards were: High Standing mare at Halter: won by Ranchita Queen, owned by Mr. and Mrs. G.

Fahrni who received a lovely etching donated by Mrs. A. Mills, DeWinton, Alberta. High Standing stallion at Halter was Mill's Pride, owned by Mrs. A. Mills who received a print of Justin Morgan donated by Mr. Graham Bockus, Colbrook Morgan Farm, Foster, Que. The Canadian Morgan Club donated a trophy to the High Point Performance horse which was won by Oradust owned by Mr. G. Dudley, North Vancouver.

# Wyoming Morgan Breeders Assn.

By R. G. MORGAREIDGE

P. O. Box 1223

Casper, Wyoming

Just the story of a poor over-worked Morgan horse owner, it could be you:

Summer came along as always, and after looking over the schedule of the many Morgan horse shows I held a quiet conference with myself in part as follows — I sure would like to go to each and every one of these events, oh, I can't — I've got that job, forgot about it for a moment. On second thought, do you suppose the boss would give me a three month leave of absence — of course not, three months — he could do without me forever! I can't ask — my family needs that pay check every month. I do have two weeks paid vacation — I could ask to split it up — how many could I attend — four? — or five? Let's see, there is the National Western, the Rocky Mountain, the State Fair — the State Fair is a full week so that only leaves seven days — I could make the National Western at Loveland, Colorado. In thinking back at the past year at Estes Park . . . seven horses, five days of work, work, work.

I think I'll just take a little vacation this year and spend a couple of days at the National Western at Loveland, not as a slave but from the grandstand. I'm tired of being the underdog to a truck load of horses.

So I did just that — enjoyed myself as much as anyone in the grandstand, but not nearly as much as I have at previous horse shows. I understand quite well why the grandstand has so many vacant seats and the show ring has so many proud owners. Never again do I want to go to a horse show to sit and enjoy myself — I would rather stand in the show ring beside one of my favorite horses.

What I really want to say is, I've seen the other side of the fence, not nearly as green as I once supposed. My rose-colored glasses are quite clear. What we Morgan owners need is every one of us in the show ring in more performance classes.

If anyone has been to a horse show but haven't shown their horses they'll understand — the Morgan owners who haven't been to show their horses in the County Fair or the National Western are missing the greatest part of owning a Morgan horse!

# Morgan Cutting News

By PAT HAMILTON  
Triangle A Ranch, Parkman, Wyo.

There's some increase we think in the cutting interest. Hope so, anyhow, as we still think it's great fun.

In the open at the Salt Lake Show (Rocky Mtn. Morgan Show):

**Open Cutting:** Won by DEE DEE CHOCOLATE 08796, owned by Patsy Brown, rider Charley Hamilton; 2nd, STARFIELD 11649, owned by Triangle A Ranch, ridden by Clyde Roberts; 3rd, CHESTY, ridden by Connie Bowler, owned by Joseph Olsen, St. George, Utah; 4th, CLASSY BOY 12465, ridden and owned by Amos Mosher.

**Novice Cutting:** Won by CONDO'S SUE 012062, Mosher; 2nd, STARFIELD, mare, owned and ridden by Richard Forsyth.

Circle J Show at Loveland, Colo.:

**Open Cutting:** Won by DEE DEE CHOCOLATE, Patsy Brown, owned and ridden by C. Hamilton; 2nd, STARFIELD 11649, Triangle A, ridden by C. Roberts; 3rd, CLASSY BOY, Mosher; 4th, PLAY KID, Betty Lyons, rider, owned by Bob and Betty Lyons; 5th, DAKOTA, ridden and owned by Don Berlie.

**Novice:** Won by CLASSY BOY, Mosher; 2nd, DAKOTA, Berlie; 3rd, PLAY KID, Lyons; 4th, LEONTINE LINSLEY, Triangle A, ridden by Cean Butler.

**Novice - Novice:** Won by DAKOTA, Don Berlie; 2nd, CHIEF DART, Dvarkis, owner and rider.

The very finebelt buckles presented in all three classes were given by the National Morgan Horse Assoc. which makes them doubly valuable to the recipients.

I know some of the other cutters are entering open shows and doing well and I would appreciate having their wins and placings to send in for this column. We got very brave and entered the cutting at the Sheridan, Wyo. Rodeo this year. Five of the top twelve in the nation were there so we didn't feel to badly when we didn't bring home the bacon — We came out fairly high, however, over quite a few well-known Quarter Horses — and learned a lot.

Dee Dee and Charley and Clyde and Starfield competed in the Ponderosa cutting in Casper, Wyo., the 28th. Charley and Dee Dee placed 4th in the 250 Novice.

Same quartet plus Cean Butler on Major hit the HN rodeo, the 4th of August where Dee Dee and Charley placed second and Clyde and Starfield placed third.

Incidentally, now that the show news is over, we really enjoyed having Betty Ann Calloway here. She really looks great on a cutting horse and we sure hope we got her infected with the cutting fever. (Besides she's darned nice to have around).

# Southern News and Views

By BARBARA COLE

Mr. and Mrs. Charles Flinchum have bought a small farm near Kernersville, North Carolina and have moved their two year old stallion Tara's Award (Trophy's Award x Trophy's Merit) there. Barn buildings and fencing have kept them so busy that they have shown Award only twice this season. At the Oak Ridge show he took second in open colts and at the Dixie Boots and Saddle Club show he took a fourth.

A ribbon in every class she entered was the summer show record of sixteen year old Ann Sikes, daughter of Dr. and Mrs. Walter Sikes of Raleigh. Ann spent the first part of the summer at Harolyn Hill in Tunbridge, Vt., riding under the aegis of Marilyn Childs. In addition to several ribbons won in three-gaited and equitation classes, she rode the good Morgan gelding Duces Wild to a fourth in the open English pleasure class of thirty entries at the Brattleboro show. She also won a fourth in the Medal class on Duce at this show.

Ten year old Kirk McInnis, son of Dr. Alice McInnis of Raleigh spent the month of August at Harolyn Hill. He showed Duces Wild, winning a fourth in a model class at Franklin. At Wallingford he won third in the model class and a second in beginner's equitation. Kirk has five Morgan mares at home on Kirshon Farm in Raleigh waiting to be shown. Southbound visitors this winter should take the opportunity to see this attractive and uniform band of mares and fillies. All exhibit that sought-after combination of type and refinement, and all have exceptionally lovely heads. Dr. McInnis bought her first Morgan three years ago. This was Merry Mia (Bright Star x Connie-dale), now six. Mia was bred by Mabel Owen at Merrylegs Farm. She has a yearling daughter, Kirshon's Misty, sired by Clement (Jubilee's Courage x Lippitt Robrita) and is again in foal to Clement for 1964. Dr. McInnis also owns Rhythm's Sue Travelmore (Selim's Sunshine x Sue Travelmore) and Susies two fillies, both sired by Clement. These are Rhythm's Clementina aged two, and October Sunshine, a weanling.

Dr. C. L. Rutherford of Chasley

Farms, Mobile, Alabama, reports four 1963 foals. All are chestnuts and are sired by Chasley's Superman (Orland Leader x Rena) Tribella, Triwana, and Gayla are the dams of colts, while Vicky V. produced the only filly.

Beginning with the December issue, this column will have a new author. The Coles are moving back to Massachusetts and Ronald Blackman will take over the reporting of Southern news. The Blackman family own two good three-year-old Morgans, the stallion Adrian Ashmore (Lippitt Ashmore x Jubilee's Amber) and a filly Jubilee's Diamond Lady (Jubilee's Courage x Spring Flame). Since Ron Blackman travels widely over the Southeast, this column should be bigger and better in the future. Send your news and pictures to him at 2491 Meadow Lark Drive, East Point, Georgia.

## Morgan Horse Club Inc. Treasurer's Report

Even though the Corporation's net income for the calendar-fiscal year ending December 31, 1962 was just above \$5,000 more than the previous year, nonetheless, The Morgan Horse Magazine continues as a deficit in the amount of \$538.13.

Income from Registrations and Transfers increased by \$11,062.50, due in part to the Registrations of animals over two years old. Membership dues increased by \$1,022.18.

Once again the expenses of operating the Secretary's office were confined to \$21,456.26, an increase of \$1,135.44. Extra part-time help in early 1963 prefaces additional costs for the coming year to keep pace with increased volume.

Travelling expenses amounted to \$754.71, none of which accrued subsequent to August 1, 1962 and none of which was paid to the Secretary.

Advertising and trophy awards continue the promotion of the Breed to the extent of \$3,983.34.

The very bright spot is the National Morgan Horse Show for 1962, which netted \$7,450.98 due to the diligence of Mr. Bigelow and Mr. Ferguson.

The firm of Nathaniel F. Bigelow, Jr. & Co. has examined the accounts for the year ending December 31, 1962 and their report is on file giving the comparative year's tabulation.

Rides and drives, terrific hock action. Superb manners and excellent disposition. Would make an excellent mount for child. Show or pleasure.

**Windcrest Countess 010974** (Upwey Ben Don x Belle Gales). 14.3 hands, 950 lbs., 3 year old in June. Dark chestnut. Remarkable disposition — would make a beautiful ladies mare for pleasure. Drives and started in saddle. Her darn foaled all fillies.

**Bay State Becky 08976** (Meade x Narcissa). 14.3 hands, 950 lbs., 9 years old in August. Dark liver chestnut with white blaze and white coronet on right hind foot. Excellent action on both ends. Rides, could be a stake mare with proper handling — spirited and should be ridden by experienced rider. Has had four consecutive fillies. Rebred to Bay State Flint Lock. Champion Stallion.

**Brimset March Mist 012826** (Orcland Dondarling x Bay State Becky) Dark liver chestnut white blaze, 3 white stockings, a beautiful head and no faults. Should make a lovely show mare. Demonstrates good action on both ends — gentle!

**Echo Brook Fireball 12813** (Lippitt Victory x Polly Archie "O") 3 year old dark bay, beautiful old fashion type. Well broke to harness and started in saddle. Would make a sharp stake horse under hands of qualified trainer. Has real snappy action. Has speed at trot — would make a beautiful Roadster horse.

trail. The riders are judged in the stables, on the road, at the luncheon stop and at the start and finish of the ride. They are judged on care and treatment of mount, proper shoeing, feeding and care of tack, etc. They take complete care of their own mount.

The Green Mt. Horse Assn. challenge trophy awarded to the horse or pony rated highest by the judges this year went to the Registered Morgan Windcrest Belle. The mare was ridden by Edith Parker of Claremont, New Hampshire and owned by Mr. J. Henry Parker. This mare was sired by Upwey Ben Don and the dam was Belle Gales. Edith Parker also received the second award for horsemanship in her age group.

There were 59 Juniors entered and 52 started the ride. Only one rider dropped out making a total of 51 finishing. There were six Morgans in this event, as follows:

WINDCREST BELLE, sire: Upwey Ben Don; Dam: Belle Gales, owned by J. Henry Parker, rider Edith Parker, Claremont, N. H.

KING ANNSFIELD, sire: Glofield; Dam: Upwey Clavin, owned by Mrs. Anna McCarty, rider Elizabeth Ann Pierson, Westport, Conn.

PORTLEDGE TRISTRAM, sire: Lippitt John Darling; Dam: Ceres, owned and ridden by Nancy Whiteley, Osterville, Mass.

WESTFALL BRANDY, sire: Lippitt George; Dam: Westfall Bonnie Brook, owner H. S. Hale, rider Deborah Hall, Rochester, N. Y.

DEMANDO, sire: Mango; Dam: DanDee, owner Mrs. Morgan Murphy, rider Maryanne Murphy, Rhode Island.

HIP HEATH CINFIELD, sire: Stanfield; Dam: Naid; owner and rider Julia Wolcott, Underhill, Vt.

Three of the counselors rode registered Morgans. Mrs. Nancy Wolcott rode Hip Heath Adfield; Mrs. F. H. Holbrook rode Kane's Dandy and her daughter Elaine rode U.V.M. Abilene.

The Morgans all finished in good condition and you would have been proud of their showing in this event.

## 100 Mile Ride

(Continued from Page 27)

to a Morgan who places highest in any division that is owned and ridden by a girl under twenty years of age. This year there were no junior riders to qualify so Mrs. Kenyon, who is not far from twenty, received the trophy. Mrs. Kenyon has ridden this ride many times and has always placed well. We were all glad to see her mounted on a top Morgan, as she placed second in her division.

In my book one of the best horsewomen on this ride, year after year has been Mrs. Nomas Reed. She is a pretty rider and always gives her horse

a good ride as well as proper attention in the stall. This year she placed third in her division on the registered Morgan Merryvale. This mare has placed in this ride many times before.

Nancy Ela of Bolton, Mass., finished her ninth trail ride on her father's gelding Brian J. Geddes. She received honorable mention in her division and won the New England Morgan Horse Association Award for the registered Morgan best suited for Pleasure riding in the ride, including all divisions.

The Senior Horsemanship Award for the man who displays the highest degree of horsemanship on the ride was awarded to Ira Gordon of Hunter, New York riding his registered Morgan gelding Timber Trails. There was a lot of teamwork displayed between this pair.

The rookie of the year award given each year to the first year rider of the Senior Division giving the best performance was awarded to Mr. David Winton of Little Falls, N. J. He rode the registered Morgan mare Merrily. These two men, Ira Gordon and David Winton, bear watching another year. They both should do very well next year as both are well mounted.

Mary Bunting of Cambridge Mass., was back again on a Morgan owned by Mr. Warren Chase of Reading, Mass. This was Mary's sixth ride and she showed her usual good horsemanship. Her mount was Bandmaster.

Phyllis Taylor of Pleasantville, N. Y. was on a pretty Morgan mare, Tariks Radiant Melody. She finished the ride on time and I know will be back next year. Phyllis is one of the riders who come back year after year. She probably holds a record for the number of rides she has entered.

A newcomer this year was Marshall Winkler of Wakefield, Mass. He rode his good gelding Peter Moro. They finished the ride and they should come back and compete another year. They were a good team.

On the whole, the Morgans did well but there is room for improvement. How about getting that Sweepstake award again Morgan owners?

The results follow:

### HEAVYWEIGHT DIVISION

Won by AL-MARAH RUD BALIK, registered Arabian, owned and ridden by Mrs. Bozy Tankersley, Washington, D. C. 2nd, DONNA JUANITA, registered Morgan owned and ridden by Mrs. Lucille Kenyon, Fernandina Beach, Florida; 3rd, MERRYVALE, registered Morgan owned and ridden by Mrs. Nomas T. Reed, Hopkinton, N. H.; 4th, BLONDIE, one-half Morgan owned by Charles Goerlach, Lenox, Mass., and ridden by Stephen O'Connell, Pittsfield, Mass.

Six other horses received honorable mention in this division, 3 breeding unknown, 1 Hungarian bred, 1 Quarter Horse, and 1 part Thoroughbred.

### LIGHTWEIGHT DIVISION

Won by AMIGO LADY, registered Quarter Horse owned and ridden by Louise D. Van Wagoner, Bearsville, N. Y.; 2nd, AL-MARAH ROSE ANNA, registered Arabian owned by Mrs. Bozy Tankersley, Washington, D. C. and ridden by Mrs. Arthur Kelsall, Embreeville, Penna.; 3rd, GUMEARA, registered Arabian owned and ridden by Mary T. Cliff, Arnold, Maryland; 4th, MISTER, registered Hungarian owned and ridden by Mrs. Eva Bessenvey, New York, N. Y.

Six other horses received honorable mention, among them one registered Morgan, Brian J. Geddes, owned by Roger Ela and ridden by Nancy Ela of Bolton Mass. The others were one Arabian, one Quarter Horse, one breeding unknown and two half breds.

The Sweepstakes winner was the Quarter Horse, Amigo Lady.

## Letters

(Continued from Page 4)

We would bring Sherimill Sunrise out of retirement for such an exhibition, and would personally ask Mr. Gordon Voorhis to bring out "Sunny's" half brother, Pecos. We can count quickly half a dozen other Morgans both eligible and available.

Will the National Morgan Show start this campaign?

Sincerely yours,

Vincent & Ruth Rogers  
Martin Rd., Akron, N. Y.

Dear Sir:

Our club was rather proud to present its first pictorial offering to the magazine for publication in the July issue. Imagine our mixed feelings when it came out titled Circle J Association instead of Texas Morgan Horse Club. When our pictures of the First Annual Texas Morgan Horse Show came out in the August issue under the heading of Circle J Ranch Shows, we were even more dismayed.

We hold the Circle J Association in the highest regard, and so realize the effort involved in publishing a magazine of MM's size, but we would appreciate a retraction or correction of these mistakes.

Sincerely,

Pat Crookham  
Secretary of The Texas  
Morgan Horse Club

Is our face red! We apologize.  
— The Editor

Dear Sir:

The comments of President Ferguson in the August issue on the problem of weighted shoes and long feet versus regular shoes and short feet struck home

with me. Our Morgan wears regular shoes and short feet. We showed him a few times this summer, and were astounded at the Morgans being shown with weighted shoes and long feet, which horses most of the judges seemed to favor. It really made competition unfair, especially to the Morgan being shown 100% naturally.

I have written a letter to President Ferguson concerning this matter, and have made several suggestions to help remedy this situation:

1. Add to "Excessive length of foot and excessive weight shall be penalized." Maximums: 4" toe length and 12 oz. shoes.

and/or

1. Add the two classes suggested by President Ferguson to the National — one in harness and one under saddle with 4" toe and regular shoes.

2. Divide the pleasure, road hack, and trail horse classes — one for the horse with the short foot and regular

Lorraine Byers' Rex Linsley won the big Western Pleasure class for the third consecutive year at Santa Fe, and is being withdrawn from the class at the '64 Show with Windmere Farm offering a Challenge Cup. This stallion is also being filmed for the reining and stock horse coverage of the Morgan Horse promotional film. We are proud to have NMMHC represented in this important film.

New Mexico State Fair days are coming up fast. A special brochure, including pictures of many of the NMMHC Morgans is being printed to publicize the activities of the breed and our Club through the facilities of Mr. Howard Eberline. Although the brochure is primarily designed to promote breed interest in our local area, it is in the form of a Directory. Copies may be obtained by sending \$1.00 to this correspondent.

Our good friend Charlie Hamilton sashayed through the Albuquerque - Santa Fe area recently on a cutting goodwill tour. We were all delighted to have him visit and he really did stimulate cutting interest in this area simply by being here. Distance is our biggest problem regarding serious cutting work

— it is simply too far between interested owners to share cattle. Visiting in California recently were the Byers of Albuquerque — approximately 40 head of southern California Morgans viewed, and only two breeders visited! The breeders were the Frank Waers, Double F Ranch and the Larry Oakleys of Caven-Glo. The Morgans seen were a delight to any eye — good, deep bodies, strong legs set on four corners, plus an abundance of type and quality!

Sales in the NMMHC area recently include the pretty bay two-year old filly Moleta Bee (Dorset's Foxfire x Mon Heir Mayelise) by Bee Morgan Corral, Santa Fe, to Mrs. Beverly Supko of Albuquerque. Bee Morgan Corral has also sold the chestnut two year old filly Minta Bee (Captain Blaze x Honey Bee) to a family in Taos, N. M., for their daughter for show and pleasure purposes. This nice filly is now at Earl Skinner's in Albuquerque for saddle training prior to going to her new home. Mr. Levi Turner of Raton, N. M. reports the sale of the three year old bay stallion Ruston (Condo x Shy Ann) to Mr. E. Kelly Montoya of Albuquerque. Mr. Montoya will keep Ruston on the family ranch at Eagle Nest until winter, when he will be brought into Albuquerque. Naturally, we are all delighted to have these three "new" Morgan owners in our area. Earl Skinner also reports the sale of Maxine Merchant's Tehachapi Rock, a chestnut fifteen-year old stallion to a Major Jackson of San Antonio, Tex. "Rock" is leaving some good colts behind in this part of the southwest.

Newcomers to Albuquerque are the three year old gelding Longview Saber (haven't his breeding) and the six-year old mare, Green Meads Ladyfair (Ben Davis x Cover Girl). They are owned by Col. and Mrs. John Rawlings of Sandia Base. We are truly delighted to have two more fine Morgans in our NMMHC group, and shall look forward to seeing them in the ring at the rest of our '63 shows!

their daughter, Nannette, gave an excellent exhibition of jumping. This mare was also entered in Western Pleasure events, Road Hack and the Justin Morgan Pulling contest.

The Earl Maylones and Steve Reeves have two palomino foals, a colt and a filly, out of Gay Jipse and Princess Sonfield by Dickie's Pride.

The David Olsons recently spent the weekend with the Paul Smiths at Langlois, Ore. They had a very good time riding on the beach and up in the nearby hills. The Olsons two mares, Trinago's Abbenette and Ferncrest Dot had never been on the beach before but soon decided that it wasn't too bad. While there, they attended a horse show at Coquille with their mare Trinagos Abbenette and won first in the Senior Western Pleasure Class.

*Whose blood is in the Saddlebred,  
Whose founder was Vermont bred?  
That's a Morgan, yes indeed!  
What's the name of that horse  
With such grace and pride,  
With the clean cut head,  
With the showy stride,  
That was just now led?  
Why, a Morgan Horse, of course!*

The second and third place winners as well as others will be published in later issues. (Note—as outlined in the original announcement, "All verses become the property of the Morgan Horse Club, Inc. and may be used in any way without obligation to the writer or anyone else.")

## Morgans in Arizona

(Continued from Page 46)

That Look. By this time I was sure I'd next be seeing Morgan heads on people too, but we ran across a gentleman who was preparing to horse-pack some miles up into the mountains and he informed us that 'long about 1903-04 there were three ranchers in that area who raised Morgans commercially and when one of the ranchers died on his isolated ranch, his stock took off into the wilds and became the foundation stock of much of the wild horses still running in the valleys and hills. The Morgan prepotency again!

Our Arizona Morgan Horse Assn. members are despite the heat, working very hard getting ready for the Morgan Horse Show classes at the Yavapai County Fair in Prescott this September.

We are hoping for a really fine turnout of our people and horses. Our President Betty Gleason, has been spending uncounted hours of what is laughingly known as "spare time" nailing down the jillions of details that go into a show as well as getting her lovely filly, Linsley Sunbelle (Sundo x Rex Linsley) and mare Sundo (Dot Jekyll x Sunflower King) ready. Al and Su Halliwell are counting heavily on our group making a good showing in the pleasure driving class and I hear the Bronson's will bring four of their excellent horses up from Globe. Eleanor Krumwiede hopes to have a very fine youngster ready to show — her two year old, Risty Red (Cavenglo Suarjo x Emerald's Aristocrat) as well as the bouncy '63 filly. The Curtis' Don-O-Don (Donna Dee x Mango) and Combo of Sundown (Flame of Sundown x Sunred) will be there giving their best as always. Sure hope to see a lot of out-of-state Morgan owners there too.

By the time this is in print we will have had our first meeting of the Fall and won't it just be fun though to see everybody again and find out what all of the vacationing-to-far-places members have seen and done and especially to hear of the Morgans they have visited and become acquainted with.

This Assn. is heartily in favor of the proposed conference of the different Morgan horse clubs and will certainly have delegates there. What a superb purpose it could serve to have the eastern, western, and Canadian people all together. Sure hope it becomes a reality.

The dearth of news from Arizona in the summertime is somewhat disturbing but just watch our smoke when the Fall and winter comes.

## Mid-Atlantic News

(Continued from Page 46)

was within striking distance and Manito, with only one show to his credit, had leap-frogged into fourth place with a good chance of catching the others in the stretch run.

In fact, one show was all it took to give Manito the lead in the western scoring. He was a little ahead of Nera Bellezza Pepper, Magic Sonata and Don Quixote Pepper.

Leaders for the in-hand championship were Windcrest Abner, Miss Mar-Lo, Miss Sugar Loaf, and Kane's Spring Delight. Contending for the promotion award, Orland Linda was only a whisker ahead of Mr. Showman Vona and The Third Man. Phyllis Cox, Jessie

Colgate, and Dick Patton were within six points of each other for the equitation award.

The only runaway race was in the roadster category where Eve of Edhobe was still a few points shy of clinching the trophy. However, with more than twice as many points as her nearest competition, she seemed hard to beat. A much closer race is for reserve with Orland Linda holding a small edge over The Third Man.

## Ask The Doctor

(Continued from Page 26)

Also I would like to know how many more years I will be able to ride her. Is it safe to ride when the horse is more than 20 years old?

Answer: Both of these questions depend somewhat on the individual. Assuming that your mare remains sound, she may safely be ridden without respect to age if her physical condition is satisfactory. Her physical condition may also, govern her productive life as a broodmare. In later years you can expect more complications to follow pregnancy. Often mares are bred commercially longer and later than those kept as family pets.

## Amador County Fair

### Plymouth

On August 9th, two Morgans were awarded blue ribbons: Impala El Tigre a young palomino stallion owned by W. A. Lorenzen and Satina a two year old black filly owned by LaVonne Houlton.

Plymouth has beautiful fairgrounds. It is right in the middle of the Mother Lode Country and really deserves to be supported. LaVonne Houlton writes urging Morgan owners to support this little fair or they will close the Morgan classes.

The show in Stockton ended on a rather sad note for those of us in attendance, for it was there that we learned of the untimely death of Jason Angle. We send along to Violet our deepest condolences. Jason was always a great help when work needed doing. He will be missed.

Not long after this sad news we heard that W. A. Lorenzen was clipping a mare and was severely injured. His brother received a broken arm at the same time. We hope by this time that they are both feeling much better.

Let's support the MHBEA show on October 20th. If you can't bring horses, let's send down a cheering section!

## Mid-States Club

(Continued from Page 22)

passing of an old friend, Archie "O" is too well known to Morgan people across the country to need any words of praise from us to enhance his reputation. He died at the age of thirty-four, having outlived by six years his owner, C. J. O'Neill, who loved him well. Mr. O'Neill's niece, Norine Osman, says that if there is a place in heaven for horses the two are together now. Archie "O" has been buried at the O'Neill farm and a headstone will be placed at his grave.

In closing, I must say how well pleased we all were when we received the August issue of the Morgan Magazine to see on its cover a handsome picture of Windercrest Playboy, owned by the Bartons' Big Bend Farms and trained by our president Harry Andre.

Following are the results of two recent shows:

## The Connecticut Morgan Horse Association's Participation in the 1963 National Morgan Horse Show

The 1963 National Morgan Horse Show has come and gone. The dust has settled the statistics have been analyzed and the Connecticut Morgan Horse Association's participation in the show was outstanding.

The National Morgan Horse Show had 465 horses exhibited in 84 classes. This show is now considered to be the largest breed show in the world. Morgans competing here meet competition

that they do not meet anywhere else during their lifetime.

The show was a 4-day event starting on July 25 and ending the afternoon of July 28.

Three Connecticut Morgans were in the Blue Ribbon circle, Windcrest Fireball, Orcland Bold Victory, and Morningside Fanfare.

Windcrest Fireball, owned by Abigail S. and Ralph C. Lasbury Jr., of East Windsor Hill, Conn.

- 1st — Pleasure Driving, Stallions and Geldings
- 1st — Geldings, 4 years old and over, In Hand
- 1st and Grand Champion Pleasure Driving Horse for 3rd consecutive year
- 1st and Grand Champion Gelding for the second year
- 5th — Geldings, 15 hands and over, Under Saddle
- 5th, Cavalcade Americana

The Show record that this Connecticut Morgan made this year, and in the past, makes him the outstanding Morgan gelding in the country.

Windcrest Fireball has really distinguished himself in the last 3 years. At the National Morgan Show he was Grand Champion Gelding in 1961, Reserve Grand Champion Gelding in 1962, and Grand Champion Pleasure Driving Morgan in 1961 and 1962. He has been the Connecticut Horse Shows Association's Grand Champion Morgan for 1961 and 1962. He has also been the Connecticut Morgan Horse Association's Champion Gelding for 1961 and 1962, and Champion Performance Gelding for 1961 and 1962.

The 2nd Connecticut Morgan that distinguished himself was Orcland Bold Victory, a 3 year old, owned by Stuart Wickson of Gales Ferry, Conn.

- 1st — Morgan Stallions, 2 years old, In Hand
- 1st — Junior Champion Morgan Stallions Class and was the Junior Champion Morgan Stallion of the Show
- 4th — Morgan Stallions, 2 years old, In Harness

Unfortunately, Orcland Bold Victory is leaving Connecticut for the west. He was sold at the National for a reported high price. Our congratulations to Stu Wickson.

Morningside Fanfare, owned by Mr. and Mrs. William G. Haveran of So. Glastonbury, Conn.

- 1st — Morgan Combination Class
- 2nd — Morgan Geldings, 15 Hands and over, Under Saddle
- 5th — Morgan Mares and Geldings in Harness

It is understood that this good Morgan has been sold but is not leaving the state.

Other Morgans that were ribbon winners are as follows:

- BROADWALL JUNESON, owned by Charles Kingsley of Franklin, Connecticut:
- 4th—Morgan Stallions, 3 years old, In Harness
- 5th—Morgan Stallions, 3 years old, Under Saddle
- 6th—Morgan Stallions, 3 years old, In Hand

- 5th—Morgan Junior Pleasure
- 6th—Pleasure Morgan Mares, Under Saddle
- WINDCREST STARLET, owned by Wedare Farms, Dr. Edgar Butler, Hartford, Conn.:
- 1st—Pleasure Driving Morgan Mares
- 3rd—Pleasure Morgan Mares, Under Saddle
- BATTERY COMMANDER, owned by William G. Glenney, Manchester, Conn.:
- 6th—Morgan Geldings, 3 years old and under, In Hand
- BART-FEATHER D, owned by Sally T. Hounslea, No. Stonington, Conn.:
- 2nd—Morgan Mares, 15 hands and over, Under Saddle
- BROADWALL SPANGLE, also owned by Sally T. Hounslea, No. Stonington, Conn.:
- 2nd—Morgan Mares and Geldings, In Harness, Children to Drive
- 6th—Ladies Morgan Mares, Under Saddle
- 6th—Morgan Mares 3 years old, Under Saddle
- ANNEIGH'S DANCING DOLL and ANNEIGH'S DAWN LIGHT, owned by Dr. John O'Loughlin, Waterford, Conn.:
- 2nd—Cavalcade Americana
- 6th—Morgan Pairs in Harness
- Respectively
- CAYENNE PEPPER, also owned by Dr. John O'Loughlin, Waterford, Conn.:

- 4th—Morgan Stallions, under 15 Hands, Under Saddle
- 4th—Junior Morgan Saddle Stake
- ANTHONY'S BOY, owned by Mr. and Mrs. Everett Crosby, Salisbury, Conn.:
- 2nd—2 year olds, Pleasure Driving Morgans
- TOWNE-AYR BAYTHORNE, owned by Mr. Seth P. Holcombe, Simsbury, Conn.:
- 5th—Morgan Pleasure Driving, Stallions or Geldings
- 3rd—Morgan Pleasure Driving Stake
- 5th—Morgan Pairs in Harness
- TOWNE-AYR ECHO, owned by Mrs. Seth P. Holcombe, Simsbury, Conn.:
- 3rd—Morgan Pleasure Driving, Stallions or Geldings
- 4th—Morgan Pleasure Driving Stake
- 5th—Morgan Pairs in Harness
- NABOB'S MELISSA, owned by Mr. and Mrs. William G. Haveran, So. Glastonbury, Conn.:
- 5th—Road Hack for Morgan Mares, Under 15
- 6th—Pleasure Morgan Mares, Under Saddle
- U. C. SYMPHONY, owned by the University of Connecticut, Storrs, Conn.:
- 4th—Morgan Mares 1 year old and under, In Hand
- PANORAMA, owned by Peter L. Putriment, Warehouse Point, Conn.:
- 2nd—Morgan Stallions in Harness
- 2nd—Morgan Championship Harness Stake
- BAYSTATE FLYON, owned by Phyllis Quagliaroli, Windsor Locks, Conn.:
- 2nd—Morgan Pleasure Horses, Western Tack

The members of the Connecticut Morgan Horse Association who exhibited at the National should be very proud of the foregoing record. Here's hoping that it can be duplicated next year.

## Breeders & Exhibitors

(Continued from Page 17)

All in all, our 2nd Annual Open Show was another good one. The trophies with our Club emblem were beautiful, as well as the ribbons carrying our emblem on the rosette buttons, even down to the last pale blue and mauve in the Junior classes — Larry

Oakley should be complimented on this splendid idea of promoting our club. The excellent food was furnished by the Avocado House Restaurant of Vista (reason why everyone keeps voting for the meetings to be held in Vista). The Show Committee, as well as A. J. Lane Company are already making plans for a bigger and better show in 1964.

The results of M.H.B.E.A.'s 2nd Annual Open Horse Show are as follows:

**Reg. Morgan Western Pleasure, Open:** Won by GIPSY'S STARLITE, owned by Bill Matthews, ridden by Marjorie Riding; 2nd, BLACK RASCAL, owned and ridden by Ginger Yancy; 3rd, SHERIFF MORGAN, owned and ridden by Danny Weinberger; 4th, STAR REPORTER, owned and ridden by Glenn Francis; 5th, KEYSTONE'S ROME BEAUTY, owned and ridden by Marjorie Hambly; 6th, DIAMOND STAR, owned and ridden by Frank Bullet.

**Reg. Morgan Pleasure Driving:** Won by GIPSY'S STARLITE, owned by Bill Matthews, driven by Marjorie Riding; 2nd, SHERIFF MORGAN, owned and driven by Danny Weinberger; 3rd, CAVEN-GLO SUNSERI, owned and driven by Eve Oakley.

Gipsy's Starlite placed 4th in the Open Western Pleasure Championship and Sheriff Morgan placed 2nd in the Open Stock Seat, 9 years and under.

Monna Lyons' nice Morgan gelding placed 2nd in an Open Halter Class and 3rd in an Open Western Pleasure Class at the Madjeska Maverick Show.

At the barns of Jim and Paula Roe, Lakeside, Calif. there are two new little colts just about as cute as two buttons.

There were several out-of-state visitors recently to Caven-Glo and also to the Double F Ranch. Eleanor Krumweide Phoenix, Arizona; Ericka Beyer, of Laveen, Arizona; Bill and Lorraine Beyers of Albuquerque, New Mexico. Eleanor has the good Morgan stallion Medallion, whom I used to show against many times in Illinois. Lorraine Byers will be best known for her column "Land of Enchantment" in our Morgan Magazine and now husband Bill is the new President for the New Mexico Morgan Horse Club. Here again, I made my first acquaintance with the Beyers back a few years ago in Illinois.

Local visitors to Caven-Glo were the

Gilman family of Beverly Hills, Calif., and Mr. and Mrs. Carrol Buck, of Los Angeles, Calif. The Bucks used to have Morgans way back when, and seeing Caven-Glo's Morgan stallion, Cavendish trotting across the sport page of one of our large newspapers, immediately made a contact, so as to get in touch with Morgan owners in this area.

The extremely good looking and flashy Morgan gelding, Caven-Glo Sun Royale, No. 13522, better known as "Butch" (Dorian Ashmore - Caven-Glo Rebel Gold) is now at his new home in Hidden Hills with the J. Saunders Fenleys. This has been a long wait for twelve year old Cheryl Fenley, whose mount Butch will be, but I am sure that Butch feels it was worth the wait, for he has a brand new barn and his exercise lot overlooks the family swimming pool, surrounded by a Japanese garden — how lucky can a Morgan get. Anyway, we will miss him at Caven-Glo.

pike Lady Donna placed second in the class for Mares and Geldings, 2 yr. and under, and was Reserve Champion Junior Mare. Mrs. Dalton's mare placed third. At the New York Breeders' show Lady Donna placed 2nd in the class for Morgan mares, 2 yrs. old and 6th, in the open Junior Fitting and Showmanship class. In this latter class she was handled by Nancy's younger sister, Elizabeth.

We welcome into our membership the following families: Mr. and Mrs. Adam Young, Temple, N. H.; Mr. and Mrs. W. L. Orcutt, West Newbury,

Mass.; Mr. and Mrs. Hugh Osborn, Lockport, N. Y. We are delighted to have you with us.

Now friends, "hear this!" Betty Plauth (Mrs. Ralph E. Plauth, Altamont, N. Y.) has generously agreed to write the New York News for the coming months, and for this I am most grateful. Please help her! Information that comes to me I shall pass on to her, of course, but your direct assistance will be most welcome.

## Hossin' Around

(Continued from Page 11)

True to form, I inquired about an-  
tique shops and found a place a few  
miles down the road that had sixteen  
antique shops. So, I sneaked away  
from the horse show to look for horsey  
antiques. I found a bridle rosette, two

old horse books, and a linen towel with  
Ethan Allen and a sulky on it. A very  
satisfactory side trip it was.

The only sad part of the whole trip  
was in a restaurant when driver Helene  
Zimmerman asked for a grilled cheese  
sandwich and was told that that would  
mess up the grill. We are still chuckl-  
ing about that.

### Virtues of the Mule

So much for the historical! Now to  
the virtues of the mule.

In comparison with the horse, the  
mule can —

- \* withstand higher temperatures;  
thats the reason his stronghold has long  
been in the deep south.

- \* endure less experienced labor. I  
well recall how these creatures taught

my brothers and me how to farm; how  
my brother (age 10) and I (age 9)  
plowed corn. One handled the shovels,  
while the other sat on a bag of straw  
atop the cultivator and drove old Dock  
and Kate — a span of Missouri mules; a  
routine interrupted only by an occasion-  
al brotherly clod fight.

- \* Better adapt his eating habits to  
either irregularity or self-feeding with  
little danger of founder or digestive dis-  
turbances. Although a mule is better  
satisfied if fed by the clock, he's rather  
patient and understanding of the frail-  
ities of some caretakers. If the grain  
bin door is left open, he'll exercise better  
discretion than most folks do when  
seated at the table on festive occasions.  
He seems to reason that if he doesn't  
make a pig of himself he may be able  
to return at a later time.

- \* work or stable in lower areas with-  
out head injury. The mule lowers his  
head when his ears — his antennas —  
touch an object, whereas a horse will  
throw his head upward under similar  
circumstances, often resulting in a se-  
vere bruise and poll evil. It is for this  
reason that mules were preferred to  
horses for work in the mines prior to

the days of mechanization.

\* encounter less foot trouble, wire cuts etc. If given a choice, a mule will walk around a mud puddle, rather than through it. If caught in a wire fence, he is prone to think his way out or wait patiently for help, rather than mangle himself.

\* avoid strain in pulling. When drawing a heavy load, a horse will crouch in the rear quarters — and he may even strain and injure himself; whereas a mule will pull from more of a standing-up position.

\* generally maneuver about without harm to himself. If a horse gets excited and runs away, he is apt to injure himself; but a mule will even take a vehicle through an open door or gate without a scratch.

\* be without pride of ancestry or hope of posterity. He is a hybrid, being a cross between two species of the family Equida — the caballus or horse and the asinus or ass; and, like most hybrids, the mule is seldom fertile.

Yes, I know that the Hawthorn is Missouri's flower, but I here and now nominate the mule for this high honor; he's more symbolic — everyone associates Missouri with mules.

Dear Sir,

The magazine, The Morgan Horse, is the most wonderful magazine I have ever read about horses. My interest in horses was greated by your wonderful magazine. I am so interested in horses now that I take horseback riding lessons, hope to get my own horse and have recently organized a horse club known as The Jr. Morgan Horse Club. I would be very grateful to you if you would print my club in your October or November issue for 1963. The dues are \$1.50 and six 5¢ stamps a year. You receive a membership card, material of all kinds of horses, mainly the Mor-

gan, colorful pictures of horses, monthly news about horses, rosettes, score cards, and show ribbons. We can accept only six new members a year, so if you are interested, please write to me right away. Thank you.

Yours very truly,

Dear Sir,

I have just recently picked up my first copy of the Morgan Horse and I find it being a wonderful horse magazine, stories of Morgan horses, educational horse matter, etc. Please keep up this magazine. It's great!

Rodeos' this summer, but I can assure you that my heart, the heart of a Morgan lover, has been in every Morgan barn and in the ring during every Morgan class at every show. Thanks to the Morgan Magazine, I am able to keep up with news and show results of the life I love, the horsey life.

I just wish I could see all of the '63 foals and the training that's going on and boy, do I wish I were back in the saddle.

Such are the sacrifices of getting an education. At least I'm content in the hope that in seven years I'll be a Doctor of Veterinary Medicine, which will enable me to be of help to the people and the horses that I love so dearly. I also like to think that in about eight years, I'll be the proud owner of my very first horse, a Morgan, of course.

Until we meet again, may God bless you all. I hope I'll see you at the New York State All-Morgan Show. I hope you'll think of me occasionally, for I can assure you that a great part of each of my days is spent in fond recollection

of the two most wonderful summers and years of my horsey life. Thank you for these memories.

Dear Sir:

Bravo for all the various articles that our wonderful magazine has featured in the past few months. A year ago, a stranger to the breed might have looked through it and said, "Where do they get that versatility angle?" Posing pictures, pictures illustrating the knee action of show Morgans, and other show ring photos might have easily led them to believe that the Morgan's main reason for existence was to be a show horse. But the excellent variety of articles, more candid shots of Morgans, the increase in the various types of ads and photos have all changed that, and, of course changed that for the better. Let's keep them varied and coming — the more, the better.

The Morgan that is versatile is, in my

opinion, a true Morgan and a credit to the breed. I think that it is this type of horse that can win more votes for the breed than any other. He appeals to advocates of both styles of riding; fans of several fields can look to him, and very often, as soon as they discover that he is a performer in an area other than the one that they admire him for, they are sold right then and there. Even those Morgan people who were "converted" after watching show Morgans, will often have to admit that it wasn't one class that impressed them, but the fact that one breed was competing in such a variety of classes, and frequently the same horses came back again and again for classes. I know of no other breed where one can find this, except the Arab. This is why I'm glad to see things swinging over to an emphasis on versatility.

Why not carry this "angle" clear through the magazine by using the pictorial section? There are two possibilities for this. First, parts of it could be set off for English and Western riding. This would help to point to Morgan versatility in both fields, and

would provide a special place for devotees of both styles to show us what they're doing with their prides and joys. It would be a good place for those new cutting horse people to trot out their wares, as well as distinguishing the "established" Morgan fields.

Another way would be to set aside part of the pictorial section for action shots of Morgans practicing their various trades. I specify action shots, because I think that one good action photo is better than a posed one accompanied by ten thousand words.

This emphasis on versatility might not only help the breed by attracting new owners and encouraging "old" ones, but it might also attract new advertising. Advertisers who cater to a certain branch of the horse industry would be more inclined to advertise if they see their area given special treatment in the magazine.

I realize of course, that these suggestions can't be carried out unless owners and breeders co-operate by supporting them, but judging by the response Morgan people have made in the past months with ads, etc., I feel that, if you feel the suggestions are practical, it could be done.

Sincerely,

Bonnie Bohling

Dear Sir:

I would like to thank Mr. Ferguson for his fine article in the August issue of the Magazine. Mr. Ferguson made mention of the fact that most of the entries at the National Show were from folks who owned one or two Morgans — proving the Morgan is still the family horse capable of meeting the sports needs of their owners, be it for the show-

ing or pleasure riding so many are able to enjoy both and this is certainly one of the breed's best forms of advertisement.

I do have a question concerning Mr. Ferguson's proposal of a "Special Class" at the National Show — for a Morgan with a four inch hoof. What of the many other "Morgan Shows and Classes" held in the United States?

The "National Show" is recognized by the American Horse Shows Association and in accepting recognition agrees to abide by the rules and be governed by them in all instances. It is my understanding that the A.H.S.A. sets the rules of procedure for the programming and directing of its recognized shows and the breed division rules, which in this case, would be those submitted by the rules committee of the Morgan Horse Club, Inc., are enforced by official representatives (Judges and Stewards) of the A.H.S.A. at recognized shows.

Rule 23, Morgan Horse Division, Part 3, Performance Classes, Section 3 — Gaits, states "excessive length of foot and excessive weight shall be penalized." It would seem that more benefit would be derived if the Rules Committee would define and clarify what they intended the word excessively to mean and if once clarified — would be included in Rule 23 — Part 2, In Hand Classes.

Length over 4 or 4½ inches is unnatural and should in my opinion be termed excessive to our breed. Hoof length doesn't make a good Morgan but excessive length can break one down, long before its time.

Sincerely

Barbara L. Norris

## Letters

(Continued from Page 64)

Dear President Ferguson:

I should like to commend you for your critical comments in the September issue of the Magazine, especially those concerning the use of artificial aids for poor feet. Whereas I think that a performance horse should move stylishly with high natural action and should be given all reasonable advantages to do so, sound feet are essential. In general, there is a somewhat ill-defined but clear and definite distinction between reasonable aids for natural performance and quite artificial means and practices for a false appearance. I think that this distinction should be more definitely defined perhaps and that, for the sake of the great majority of sincere exhibitors, the rules should be customarily recognized and where necessary enforced.

In this connection, I should like to make a formal request that the rule be changed to permit the optional use of a combination bridle in all harness classes.

My basic reason is that the typical Morgan has a type of neck and natural head carriage for which this sort of bridle is much more suited than the high overdraw check. Consequently, many Morgans move much more stylishly and naturally in a combination bridle. There is a definitive distinction here between the Morgan and the Saddlebred, and I see no justification for aping the Saddlebred custom to the disadvantage of the Morgan.

Further, the combination bridle is much more showy on a Morgan and it complements a fine harness in such a way as to make much the same difference at that between merely a smart business suit and a tuxedo or evening dress. And, since the National is a show of horses, I think that the owners should be privileged to present them to their best advantage. The recent pair class, by the contrast in appearance between those in combination and those in ordinary bridles, is sufficient evidence for my point.

Admittedly, the combination bridle costs considerably more than an ordinary one and, hence, the optional factor

in my request for those who do not wish to pay the additional price. But, showing horses is at best expensive, and this increased cost, is not really a relevant consideration. It remains that a horse show is a show, and I fail to see any valid reason for refusing those who wish to use a combination bridle the right to do so.

In general again, the "little ole buggy horse" concept is fine for those who like it, but it is sheer confusion to mix this sentiment with Saddlebred rules for the distinctively stylish performance Morgan. Hence, I favor regulations to preserve and promote the natural abilities of the Morgan as a distinctively fine and flashy show horse in his own right, regardless of other considerations. I trust that this request of mine for a change in the rule regarding combination bridles meets with your approval and that you will give it both your careful consideration and your serious support.

Sincerely yours,  
Dr. Blanchard W. Means

**FUNQUEST FARMS:** The pictures below of stallions from our stud illustrate rather well the extremes of type and conformation found among Morgans today. The one on the left expresses very strongly the characteristics of what is most generally considered to be the old type Morgan. The one on the right illustrates the type of Morgans selected by the first breeders of American Saddle Horses for blending with thoroughbred blood to develop the American Saddle Horse.

If the illustrations contained in the several volumes of the Morgan Horse Registry are typical of their respective periods, one can safely conclude that much of the same range of variations in type and conformation has existed from the time Justin Morgan himself. It therefore profits us little to argue which type is the more authentic original. Greater gain will be realized by analyzing present day uses of Morgans to determine the respective requirements of conformation and by producing Morgans of the type and conformation best suited to these purposes. Horses of this type can be produced from other than Morgan breeding but no other breed has been endowed with such admirable characteristics of temperament and constitution as the Morgan horse for present day uses.

All of the desired Morgan characteristics are included within the parameters of type and conformation of these stallions. If the Morgan breed has a problem today it is that of obtaining a better focus on breed type and standards of conformation for the benefit of judges and breeders. Our breeding program is directed toward preserving the distinctive Morgan appearance (type) and maintaining latitude in conformation adequate to satisfy all anticipated uses.
