The Morgan Horse—The Horse That Chooses You®

MORGAN BREED CHARACTER STATEMENT:

The beauty of the Morgan horse lifts the heart. The breed exists solely because it pleases people. It is their heritage.

The Morgan is easily recognized by his proud carriage, upright graceful neck, and distinctive head with expressive eyes. Deep bodied and compact, the Morgan has strongly muscled quarters.

The intelligence, willingness, zest of life, and good sense of the Morgan is blended with soundness of limb, athleticism, and stamina. In addition, Morgan thriftiness and longevity have made this breed a good bargain for more than 200 years—easy to love and affordable to own.

The Morgan horse is free-moving and calm under western tack and elegant ridden English style. A tractable temperament allows the Morgan to excel when driving in single or multiple hitches.

Companionable and comfortable on a quiet pleasure ride anywhere open skies beckon, working as a sensible partner in a long day of ranch work or endurance riding, waiting alert and ready to enter a show ring, or performing in formal riding disciplines, the Morgan horse agreeably adapts to his owner's lifestyle. This first American breed can be found worldwide.

Reliable, loyal, tireless, and versatile, a Morgan becomes one with people of all ages and walks of life, sharing the mutual enjoyment in every equine pastime.
