THE OPEN COMPETITION PROGRAM

showcases some of the Morgan breed's best ambassadors, and as a promotional tool, it can't be beat. Surveys show that most new Morgan owners discover the breed though friends and seeing Morgans compete at open events.

Don't let your hard work and success go unnoticed! Whether you are competing for your own accomplishment or to promote your business, if your Morgan is competing against other breeds in open competition, you are invited to join the AMHA Open Competition Program to earn year-end awards.

YEAR-END AWARD CATEGORIES

The Open Competition Program recognizes Morgans competing in 34 different facets of equine competition based on eight core activities: open shows, competitive trail riding and driving, endurance trail riding, dressage, carriage driving and combined driving events, working Western, Western dressage, and eventing. Whether you just enjoy a good egg and spoon race, perform sliding stops with ease, or road trot to glory, the Open Competition Program has a division for you!

The Year-End Award recognizes horses who have earned the most points in each division. Additionally, awards are given to the overall high scoring junior exhibitors. Champions of each division are recognized at the annual AMHA Awards Luncheon.

MORGAN MEDALLION AWARDS

In addition to yearly high point awards, Medallions are awarded to horses for their individual achievement in each of the eight divisions. Horses may take as many years as needed to earn the required points for their bronze, silver, gold, or platinum medallions. Medallion winners are also recognized at the annual AMHA Awards Luncheon.
