

Tucker Murdough

Hello! My name is Tucker Murdough, and I'm a 17 year old senior at Essex High School in Essex Junction, VT. Next fall I will be enrolling in farrier school, and then will be working alongside Barry Russel as his apprentice. I can't wait to help use the knowledge I will gain to incorporate it into my work with the Morgan breed. I started riding 12 years ago in 2010 at a hunter/jumper barn, then got more into the Morgan breed when the farm was sold to the new owner/trainer. My true passion for the Morgan breed came after meeting my lease horse, TRE I'll Never Tell. He always makes me smile when I walk into the barn after a long day at school or at work. I hope to win the 2022 Youth of the Year contest because I spend 5 days a week

learning and working with and around an animal's needs to help make their performance better and to help them recover from injuries. I put a lot of work into care of the animals and farm to make everyone's experience with the breed more enjoyable.
