

Clea Cloutier

My name is Clea Cloutier. I have been competing with Morgans since I was 4 years old and have participated in AMHA Youth Contests since the age of 5. This year I officially became a first-time horse owner with my heart horse, Ledyard's Tiger Lily. I am an upperclassman psychology major at the University of Massachusetts Lowell. At UML, I am a member of the Honors College and the International Relations Club (Model UN). This will be my sixth year competing in the AMHA Youth of the Year Finals and it would be an honor to join the list of winners, as so many of the people on that list have made a positive impact on my life.
