

Hannah Gray

My name is Hannah Gray, I am 18 years old, and I was born and raised in Pasadena, California. I currently live with my mom and dad, as well as one of my two older siblings. I am currently pursuing a degree in business management, with hopes for a minor in equine management. My hobbies include historical costuming, modern day sewing and fencing. Starting last June, I began showing Morgans at breed shows, so for about a little over a year, and riding for two. I am currently looking to get my first Morgan, and first horse in general. Currently, I am giving lessons at Rushton Stables LA, as well as taking care of other horses at another barn. With the great support of my friends, family and barns, I would like to be selected as the Outstanding Youth Of The Year because I have worked hard this year to improve both my horsemanship and knowledge of the Morgan horse. It would be great to show that putting in the effort can get you where you want to go. Though I may have come late to the equine world, horses have changed the direction of my life for the better.
