Hannah Stetson

My name is Hannah Stetson, I'm 17 years old, I'm from Westmoreland, NH, and I am in my last year at Keene High School. Ever since I was little, I have participated in horse 4-H and eventually youth 4-H when I was old enough. I have been riding horses since I could walk, and I love anything horse related. Currently, I own four horses of my own that range from Morgans to minis, and I show in the Morgan world with Meadowair Quest for Glory from Meadowair Farm. I started showing Morgans and competing in youth contests in 2021, and I was able to compete in the National Youth Contest that year. This is my third year competing at Nationals, and every year I learn something new and enjoy every step of the way. This year I showed in the hunter seat equitation division with a hunter pleasure class here and there. My goal is to be able to compete in the AMHA Hunter Seat on the Flat Medal Class sometime in the future. But for now, I'm taking on any horse related opportunity to learn and grow that I can get. I would like to be the Morgan Youth of the Year because I have worked hard to get where I am today, and it would highlight all my efforts and dedication.
