Jordan Freitag
2023 Recipient of the Ava Boyce-Bender Memorial Grant

I am honored to be selected as the first recipient of the 2023 Ava Boyce-Bender Memorial Scholarship. It means a lot to be selected for this scholarship. I am very passionate about the Morgan breed, and the support the Morgan community provides. This scholarship allows me to continue to pursue my education and career goals. I am currently a junior at the University of Wisconsin - Platteville studying animal science with a pre-veterinary emphasis. These funds will help cover my tuition for my spring semester. After I graduate with my bachelor's degree, I plan on going to veterinary school, with further intentions on specializing in equine medicine. I am so grateful that this scholarship was offered, and I cannot thank the scholarship committee enough for choosing me as this year's recipient. The Morgan breed and community holds a special place in my heart and has helped me get to where I am today, which I am very thankful for. With this scholarship I look forward to furthering my education and achieving my career goals.
