AMHA Champion Title Program

Guidelines

Overview

Established in 2012, the AMHA Champion Title program encourages Morgan Show Champions to enroll to receive the titles of CH (Champion) and GCH (Grand Champion).

Prerequisites

To be eligible for enrollment, horses must be registered through AMHA and owners must have a current AMHA membership.

Cost

Cost of enrollment is $105 which includes the current year points. There is an additional $55 per each prior year the horse has earned points toward the title. Once enrolled, there is a $55 annual fee until the enrolled horse either achieves the GCH title or the $500 maximum program payment is met (which includes the initial enrollment fees).

Verification

There is an annual email sent to the owner of the enrolled horse in April that includes the current points status and an invoice for the annual fee. If it is thought that horse has achieved the CH or GCH at anytime during the year, please contact nikki@morganhorse.com for verification.

Awards

Once the CH or GCH has been achieved, AMHA will send a certificate of Achievement to the listed owner, the horse name will be updated in the registry with the appropriate title and the horse will be recognized on the AMHA Facebook page on “Work for it Wednesday.”

ONLY HORSES ENROLLED IN THE AMHA CHAMPION TITLE PROGRAM CAN USE THE CH OR GCH TITLE IN ADVERTISING OR AT HORSE SHOWS.
