AMHA REGIONAL CHAMPIONSHIP PROGRAM

Each year, the American Morgan Horse Association selects up to four USEF licensed Morgan shows from each region to be its AMHA Regional Championship Shows. Due to the requirements Regional Shows must meet, they gain prestige and importance among Morgan owners and exhibitors. It is at these shows that the best horses from all parts of the region and surrounding areas compete for regional titles and the opportunity to qualify for the Grand National & World Championship Morgan Horse Show®.

The benefits and requirements of being part of the AMHA Regional Shows program are outlined below. We have also included some recommendations to help you offer a quality show for both exhibitors and spectators.

CRITERIA

The following criteria is what the AMHA Board of Directors will consider before giving the title of "regional" to a Morgan horse show:

1. The show's history including how long it has been in existence, how long it has been in the current location, and how many years it has been designated a Regional show.
2. The distance from other shows normally scheduled at the same time.
3. The date as it compares to other shows in the area and other Regionals.
4. Support the show or club has given to AMHA in the past.
5. The number of entries from the previous two years.
6. Regional shows must be more than 500 miles OR more than 4 weeks apart.

BENEFITS

1. Horses that place 1st-8th qualify for the Grand National & World Championship Morgan Horse Show®.
2. The Grand Champion Stallion, Gelding, and Mare receive the distinctive AMHA In-Hand Championship Plaque.
3. English Pleasure Champion, Western Pleasure Champion, Hunter Pleasure Champion, Classic Pleasure Champion, Pleasure Driving Champion, Classic Pleasure Driving Champion, Park Saddle Champion, and Park Harness Champion receive distinctive AMHA Championship Plaques.
4. Free advance publicity in *The Morgan Horse* magazine. A one-page calendar listing all regional shows will appear in each issue.
5. Regional Shows are recognized with expanded editorial coverage.
6. Regional Shows retain \$5 of the established AMHA non-member fee collected.
7. Shows have access to free promotional materials from AMHA.
8. 15% of the total annual Stallion Service Auction revenue, less expenses, is divided evenly among the AMHA Regional Shows.

REGIONAL SHOW REQUIREMENTS

1. Application for Regional Show status must be submitted on the official AMHA form by October 26th prior to the year the show is to be held. If no applications are received from any show in a region prior to the October 26th deadline, no show will be given recognized status for that region.
2. A prize list and program from the most recent show must be submitted with the application.
3. A standard AMHA advertisement must be included in the show program, crediting AMHA's contributions to the show.

Regardless if ribbons are provided for 7th or 8th place, in order for any 7th or 8th place horse to qualify, the results must be announced and submitted to AMHA with the standard show results. Shows must decide the number of places they plan to tie PRIOR to the show and tie ALL classes offered at the show to the same placing.
